

POSTPONED: OATLAND FARMS PATCHING PROJECT

Olney, MD

PURPOSE

This newsletter is to inform you that the ongoing road resurfacing of Oatland Farms has been delayed until Spring 2024 due to the start of the Winter season. MCDOT apologizes for any inconvenience caused by the delay. Please see the Project Map located on the reverse side of this newsletter for the location. This pavement preservation project will consist of permanent patching.

SCHEDULE

MCDOT already completed work on Breeze Way Circle, Olney Mill Road, and Wickham Road. This project will resume in Spring 2024 and will take three to four weeks to complete, weather and other operational requirements permitting. Work hours will be between 7am and 5pm, Monday through Friday.

IMPACTS

No parking signs may be posted in advance of resurfacing on your street. You will have access to your driveway and street throughout the duration of the project. Please walk or drive carefully through the work zone and obey all posted signage. We thank you for your cooperation and patience as we work to improve the County infrastructure for residents and users.
