

Section 3 Know the Law Index Cards

Note to instructor: For this activity, cut out these cards, which describe traffic safety laws designed to keep pedestrians safe.

<p>1. When approaching a crosswalk, whether marked or unmarked, drivers must always yield to a pedestrian, no matter who was there first.</p>	<p>2. If you are on a road with a school bus that is slowing or stopped with blinking lights, in most situations it is against the law to pass the law in either direction. Do not continue until the bus driver has closed the doors and turned off the blinking lights.</p>
<p>3. If you are turning at a traffic signal, you must allow all pedestrians to cross before you turn.</p>	<p>4. If you come upon a vehicle that has stopped and you aren't sure why, do not pass. Wait until the other vehicle continues on.</p>
<p>5. It is against Maryland law to text while driving.</p> <p>(This law becomes effective on October 1, 2009)</p>	<p>6. Yield to pedestrians on the sidewalk when you drive out of an alley or driveway.</p>
