

**RESIDENTIAL PERMIT PARKING PROGRAM
WELCOME LETTER**

Dear Resident:

Welcome to the Montgomery County Residential Permit Parking (RPP) program. This is to notify you that MCDOT has received completed petitions indicating at least two-thirds of the residents along Quebec Terrace have signed in favor of installing permit parking restrictions along the eligible portions of Quebec Terrace. You can now register online, by telephone, or in person for a parking permit at the website, phone numbers or locations provided in this letter. In accordance with regulation requirements, only one Residential Permit will be issued for each residential address regardless of the number of vehicles registered to that address within the Quebec Terrace RPP Area. The permit must be renewed annually. Participation in the RPP Program is voluntary. If you feel you have adequate off-street parking, you are not required to purchase a permit for your vehicle. However, any vehicle that is parked on-street without a permit during the posted period would be subject to ticketing.

By applying online, by phone or in person at one of the Parking Sales Stores, residents will get a nearly instant confirmation and approval of their digital permit. Please use one of the methods below to register for the program once the RPP signs have been installed on your street. Please be prepared to provide proof of residency (i.e.: Driver's license/ID, current lease/rental agreement) and vehicle registration information when applying for a parking permit.

For Live Assistance please call: 240-777-8713

You can also go to our website: <https://www.montgomerycountymd.gov/DOT-Parking/RPP.html>
