

## Fatal Crash Review

Location: East Village Avenue & Plum Creek Drive

Crash Date: May 22, 2023

Approximate Crash Time: 07:38 AM

Local case number: 230023986

Review Date: May 26, 2023

Concurrence: *Michael L. Paylor*

Date: 9 -14-2023

### **Location and Site Description:**

East Village Avenue is an east/west oriented 4-lane median divided primary residential with a posted and photo-enforced speed limit of 30 mph. Lighting is provided on both side of the roadway spaced about 150' apart. Continuous sidewalks are provided along both sides of the roadway. Plum Creek Drive is a 2-lane undivided residential road with a posted speed limit of 25 mph. It forms a T-intersection with East Village Avenue and is Stop controlled.

### **Description of Crash:**

Police report indicated a school bus was turning left from East Village Avenue onto Plum Creek Drive when a passenger car traveling westbound in lane 2 struck its right rear area. Both occupants of the passenger car were transported to the hospital with suspected serious injuries.

### **Observations:**

A field investigation was conducted at the crash site on May 25, 2023. All existing signs and markings along East Village Avenue are visible and in good condition. At the site of the incident, East Village Avenue is straight and leveled with at approximately 800' of sight distance the west and 500' to the east. A review of the streetlight map indicated all county lights are operational.

### **Conclusion/Recommendation:**

None
