

For the Call-n-Ride swipe card program, we prefer that our participants send us a digital photograph on a digital media e.g. CD (whenever possible). Send your picture CD or your paper print to us with your application. You can take the following information to the store where the photograph will be taken.

DIGITAL PHOTO SPECIFICATIONS

1. Subject must directly face the camera. Head must be centered within frame.
2. Extensions of the file format used: (a) JPEG OR (b) JPG
3. Upload File Size Limits: 5KB-30KB.
4. Image Resolution: 150dpi (Maximum 200dpi).
5. Passport photos must be cropped to 2"x2" (51 x 51 mm).
6. The photographs must be clear, well defined and taken against a colored background (*preferably*).
7. Save the photo of the participant using First Name Last Name.

PHYSICAL/PAPER PRINT PHOTO SPECIFICATIONS

1. Subject must directly face the camera. Head must be centered within frame.
2. The photographs must be clear, well defined and taken against a colored background (*preferably*).
3. For prints we recommend high resolution pictures.
4. Photos must be cropped to 2"x2" (51 x 51 mm).
