## Application for Authorized Individuals Residential Special Inspection Program

- A. Applicants seeking authorization to make residential\* footing, parging, and concrete floor inspections under Section 8-17(b) of the Montgomery County Code please note the following:
- 1. Applicants are to be authorized on an individual basis. Applicants are responsible for performed work as individuals even though they may be a member of a firm.
- 2. Multiple members of a firm may be authorized, but separate applications must be made by each individual member.
- 3. Authorized individuals may assign field inspection to qualified personnel operating under their direct supervision; however, the authorized individual assumes full responsibility and signs and seals the "Residential Special Inspection Report/Certification" form.
- 4. The number of permittees that may be served by an authorized individual is not limited.
- 5. Applicants shall complete the application information outlined in Sections 2.1, 2.2, or 2.3. Supplemental data required to satisfy the qualifications and conditions noted in the applicable sections can be added.
- 6. Forward all completed applications to Montgomery County Department of Permitting Services, Division of Building Construction Services, 255 Rockville Pike, Rockville, Maryland 20850.
- 7. Call 240-777-0311 or 311 if you have any questions.
