2026 Early Voting Sites

June 16, 2025

2026 Early Voting: Site Selection Criteria

“A local board shall take into account the following factors when determining the location of an early voting center:

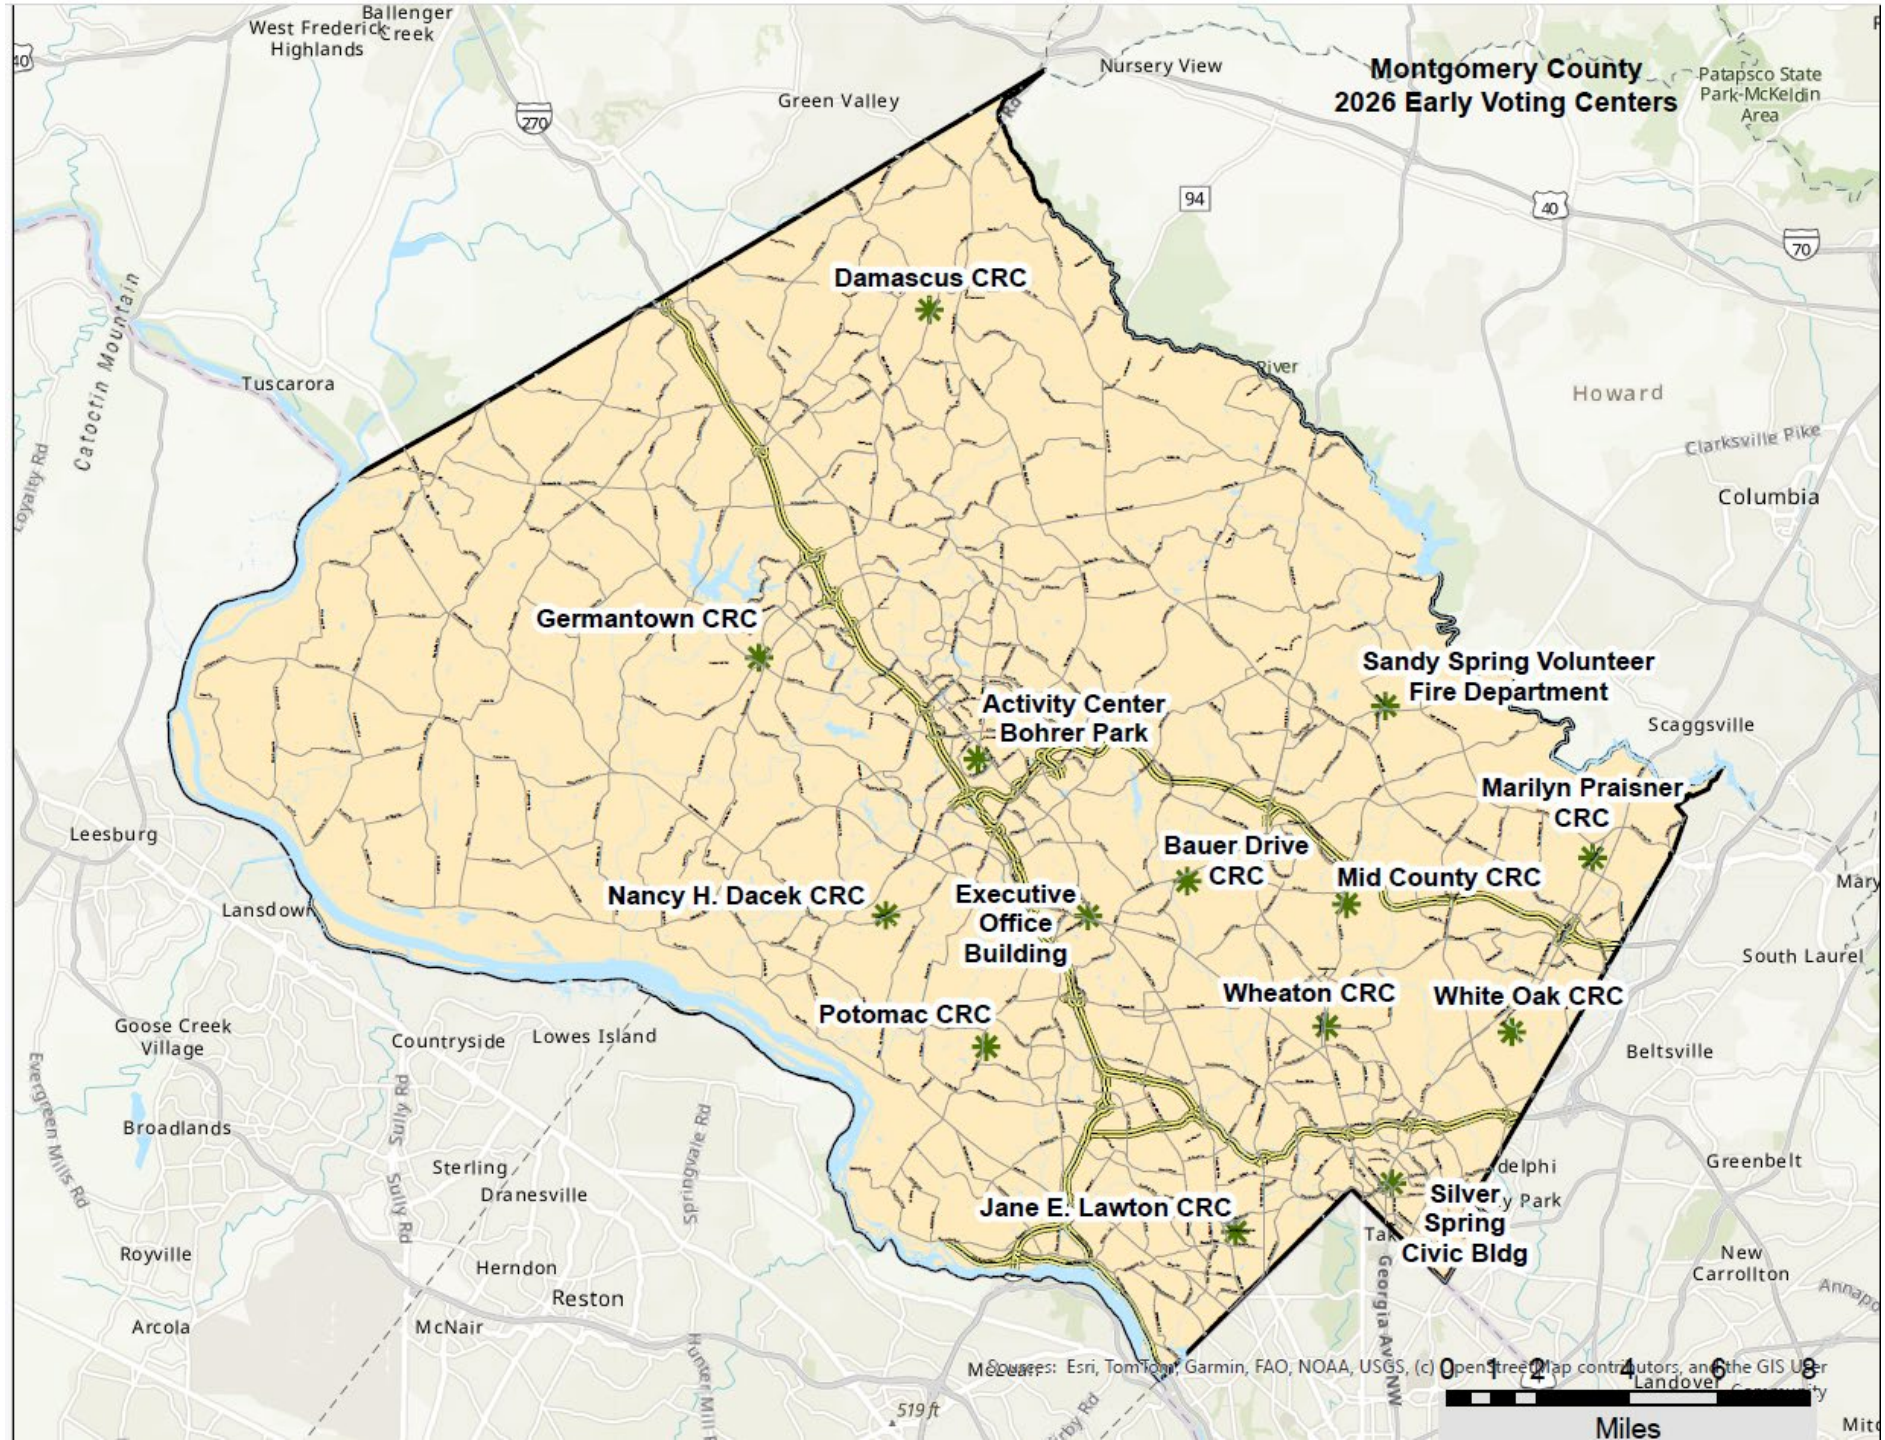

- Accessibility of the early voting center to historically disenfranchised communities, including cultural groups, ethnic groups, and minority groups;
- Proximity of the early voting center to dense concentrations of voters;
- Accessibility of the early voting center by public transportation;
- Ensuring equitable distribution of early voting centers throughout the county; and
- Maximizing voter participation, including through the use of community centers and public gathering places as locations for early voting centers.”

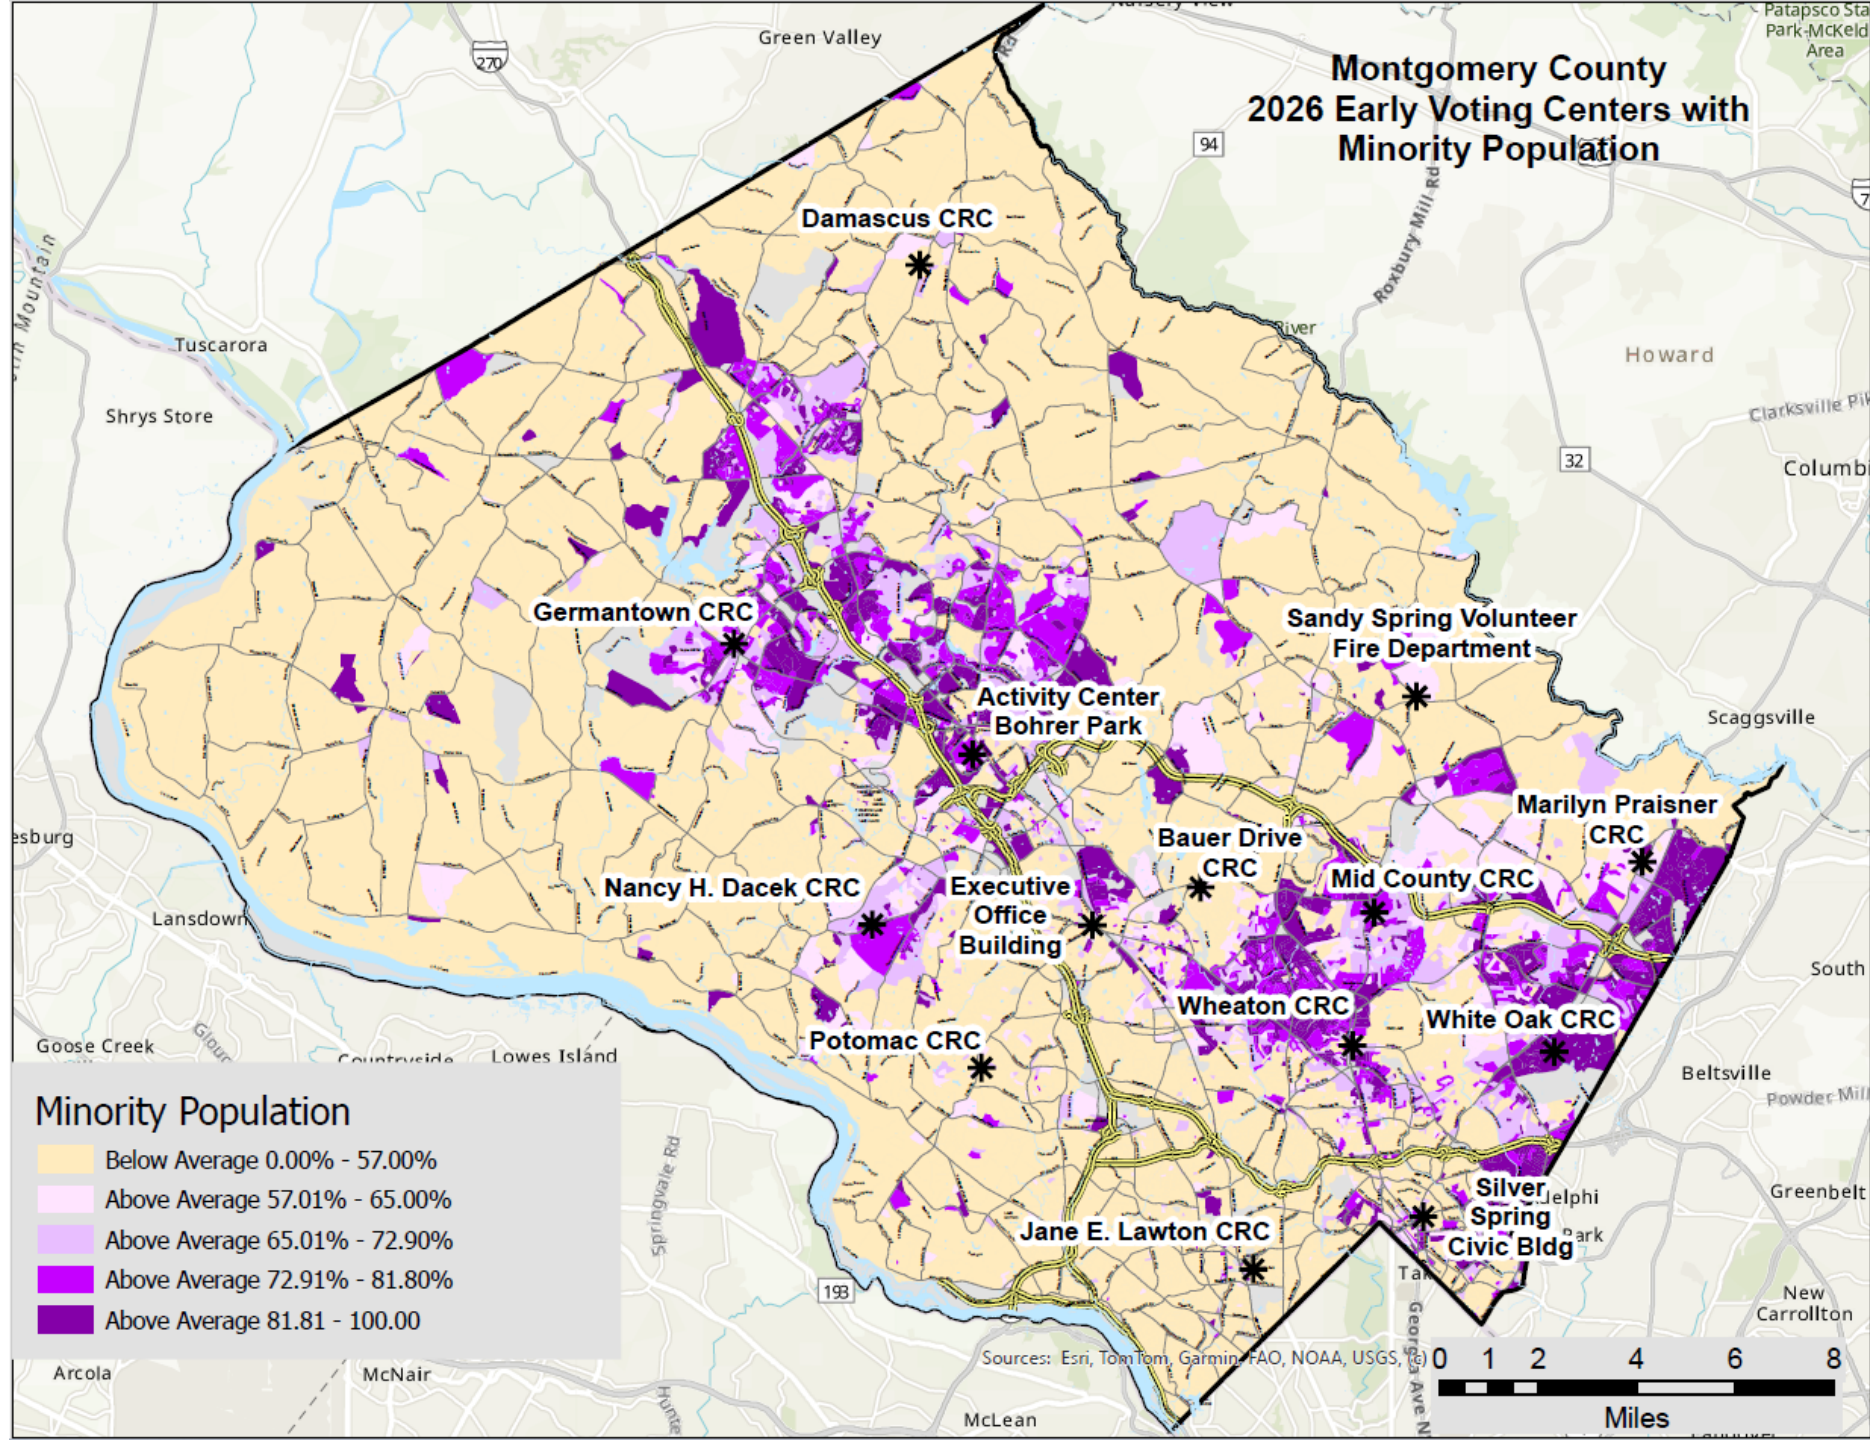

Staff's Approach – Reasoning

- Maintaining consistency to support standardization
- Increased public acceptance of Early Voting and Mail-In Voting
- Planning for accommodating maximum utilization of any voting option

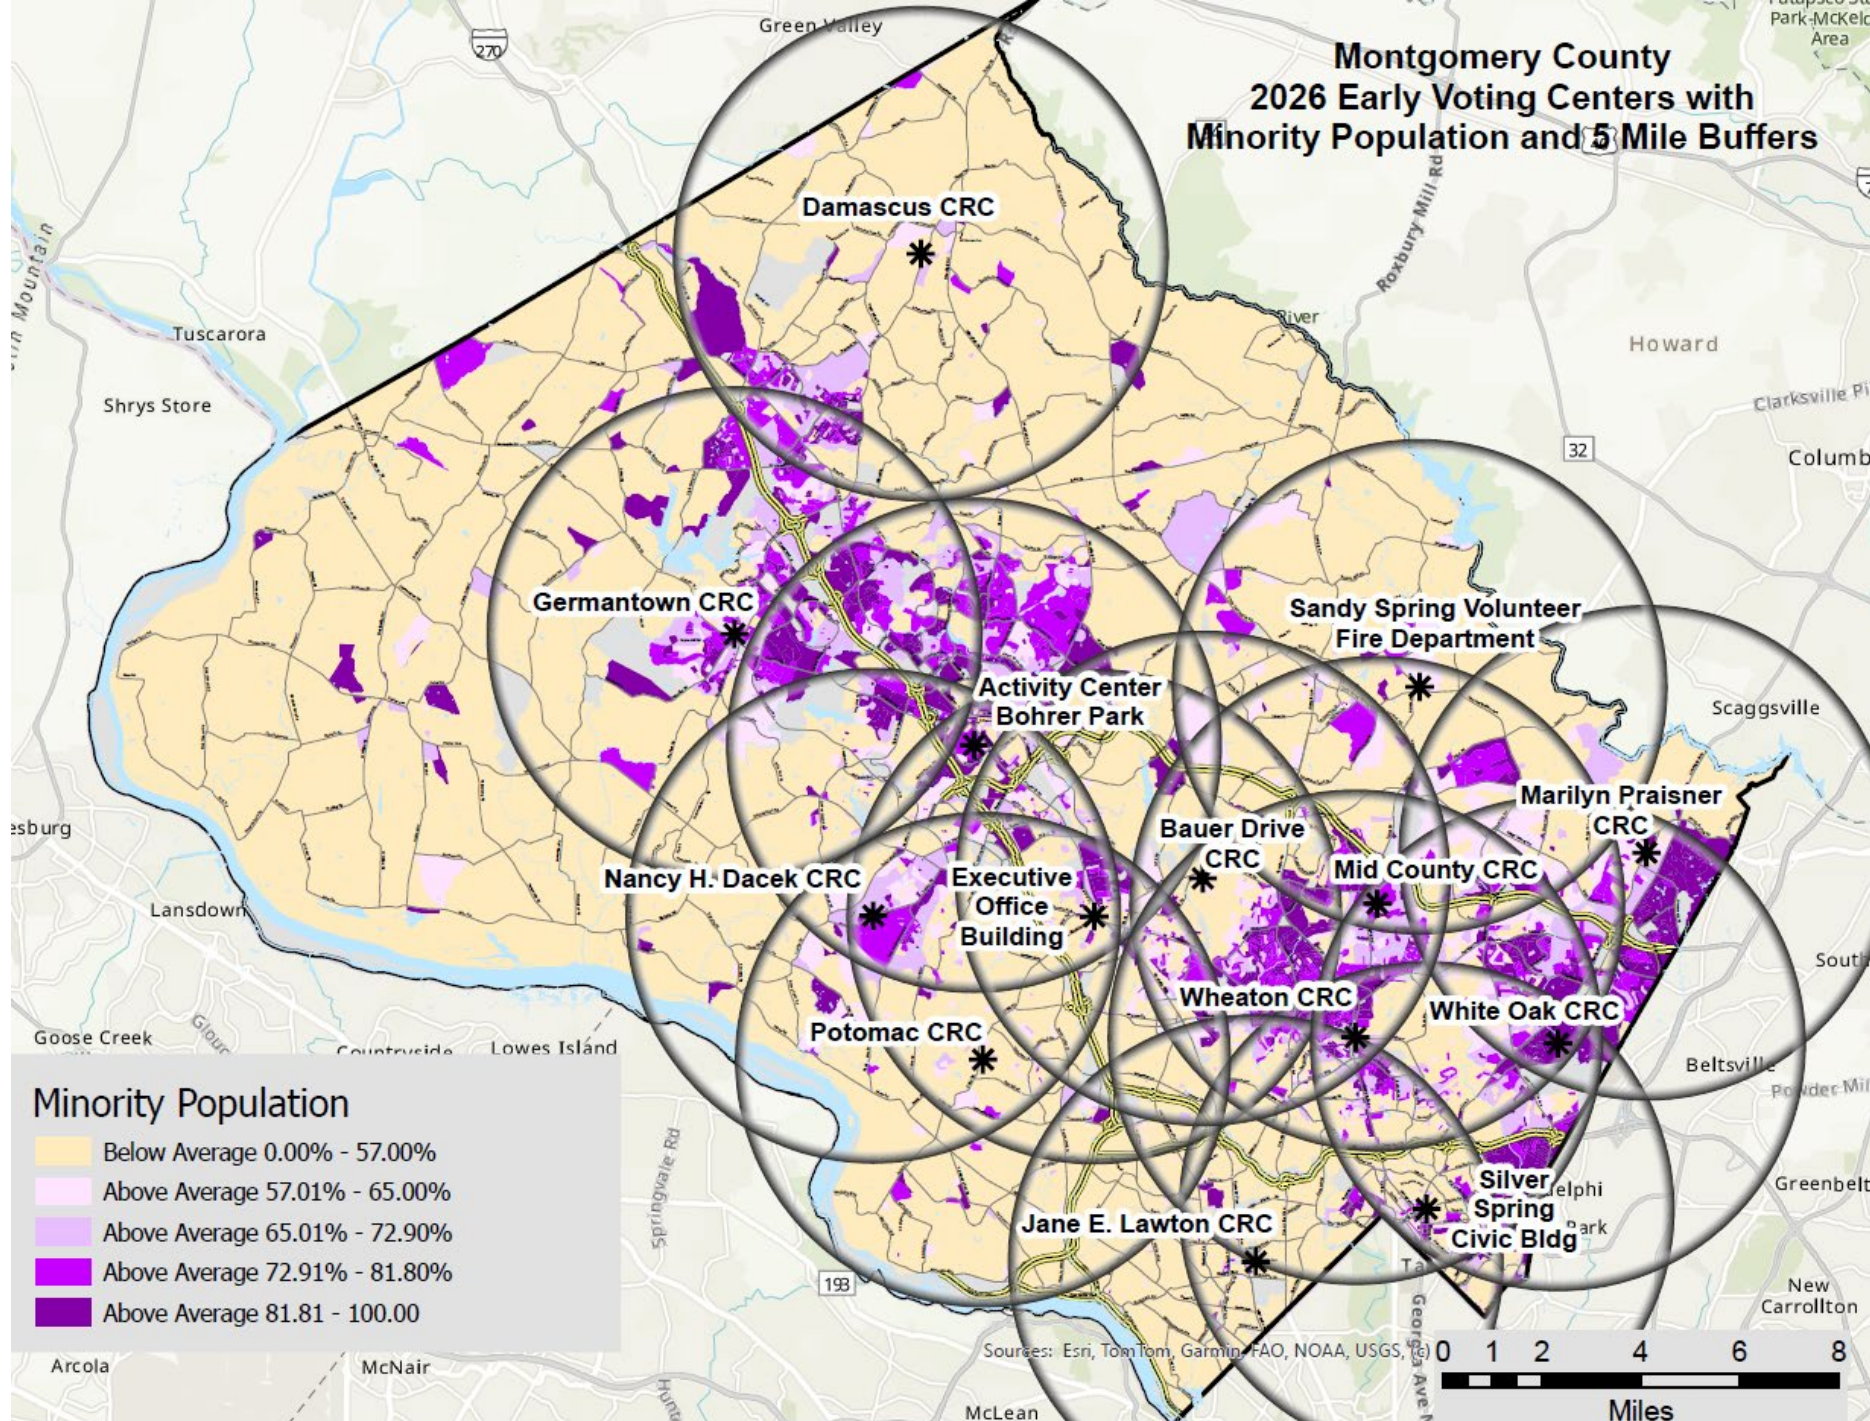

Staff's Approach – Outcome

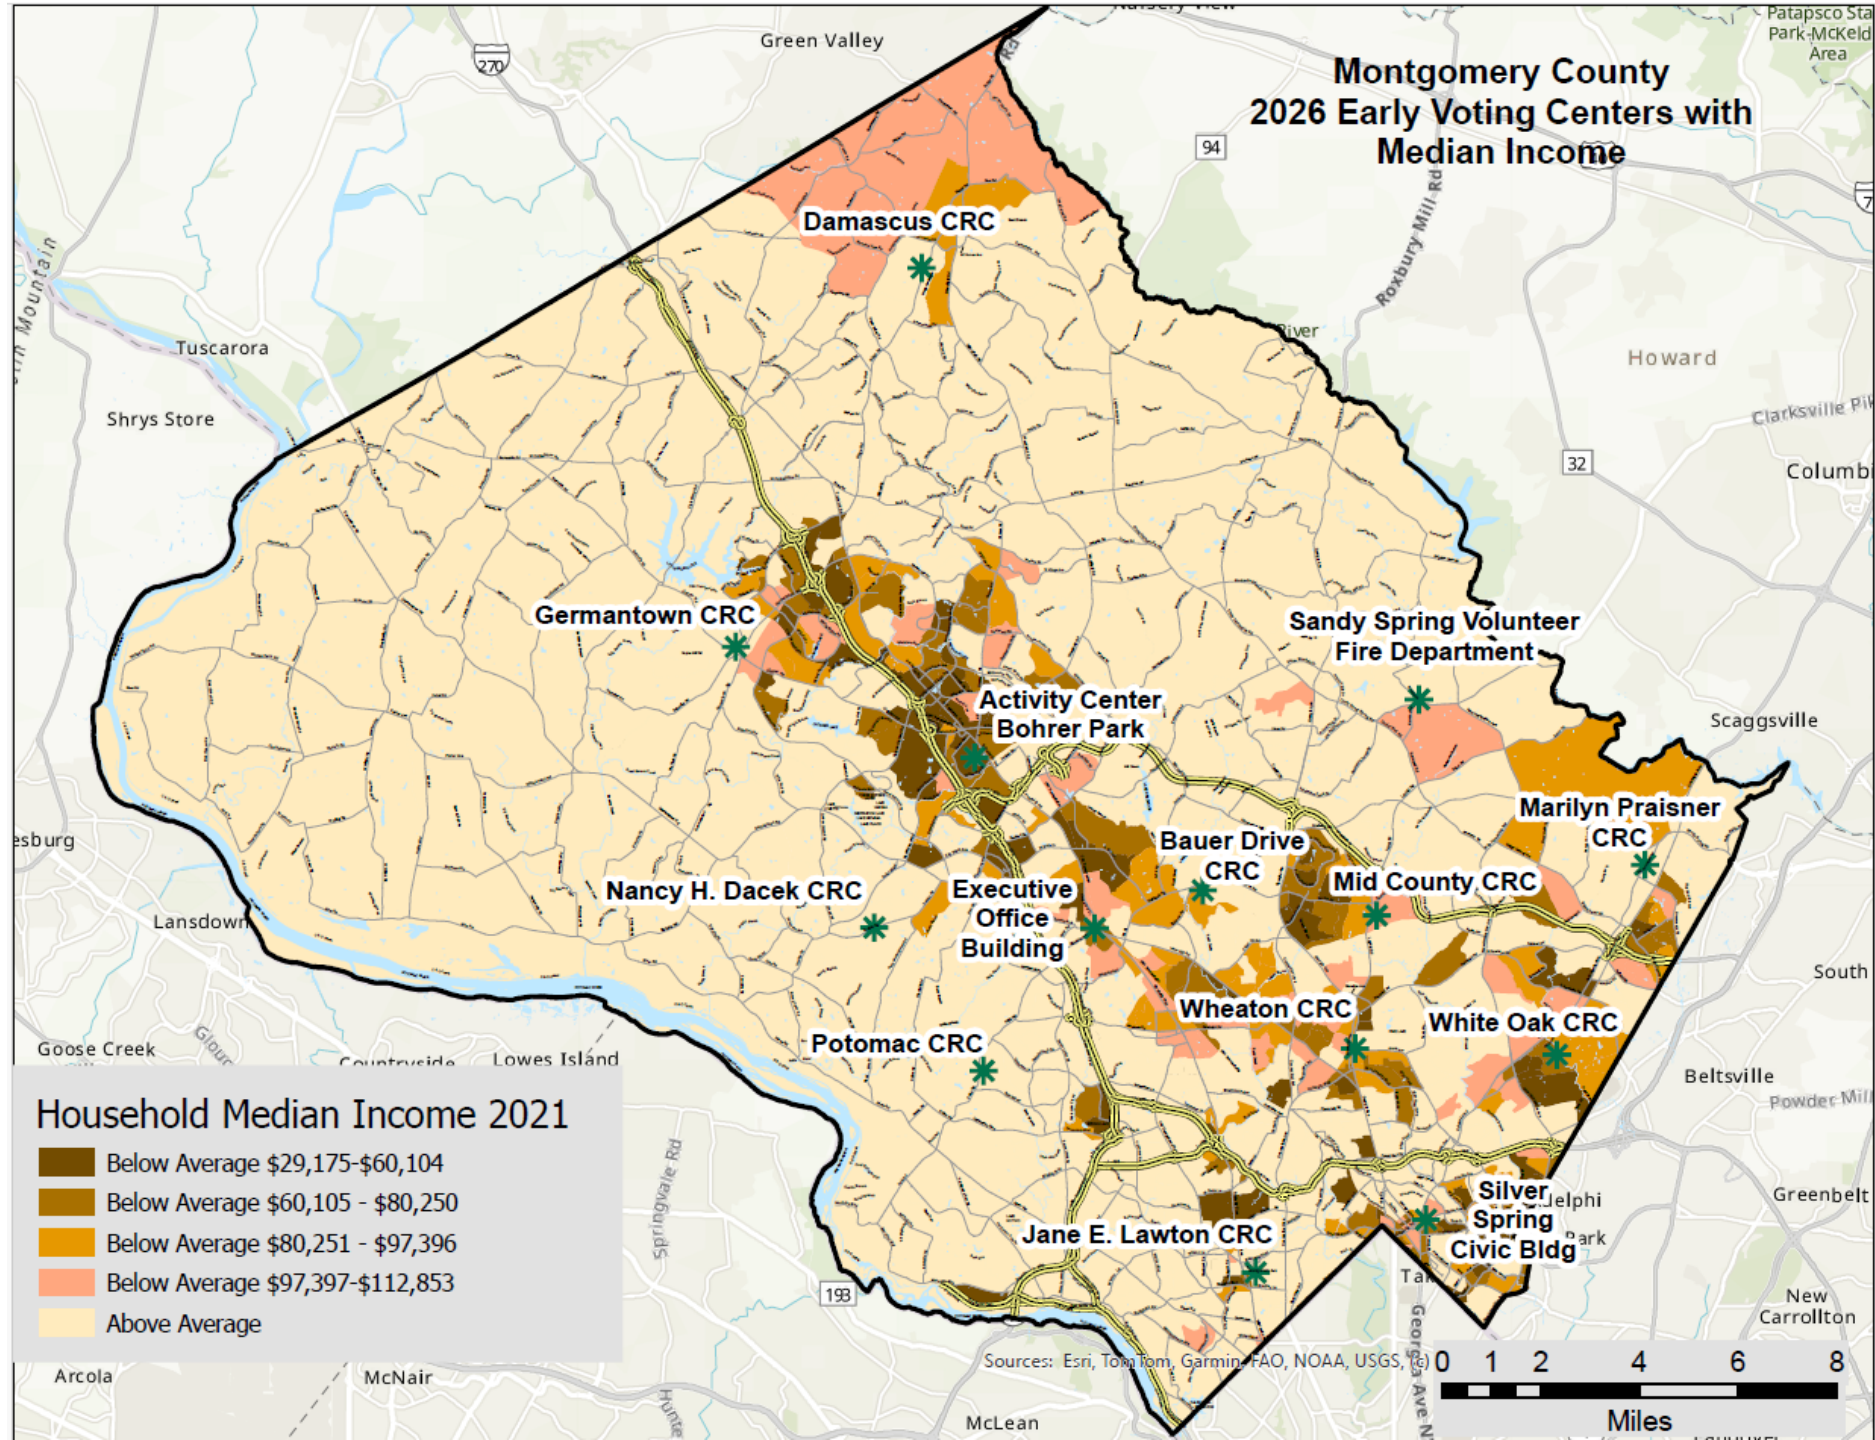

- Maintain consistency by using the same 14 locations
- Sustaining 98.4% coverage of voters within 5-mile radius
- Providing multiple Early Voting sites for the majority of voters within 5-mile radius
- Enabling the collection of data to support future planning
