Montgomery County Board of Elections
August 2022

Deepest Gratitude Thank you to everyone who served in the Primary Elections. We recognize and appreciate your commitment to making sure the electoral process works, so that every voter has an opportunity to vote. We simply cannot conduct elections without you.

What's Next? The recruitment team is working on payroll for the Election Workers. Those who selected to receive the service stipend for their volunteer service, will receive their stipend checks six weeks after Election Day. The service stipend checks will be mailed to your address of record. The students who chose to receive SSL hours in lieu of the stipend can expect the SSL forms to be mailed by September 2, 2022. The SSL coordinator will forward the SSL form directly to you via email.

We will begin staffing for the Gubernatorial General Election in early September. We communicate heavily via email, so please keep an eye out.

We recommend reviewing the training materials that are available to you now. In EJ Connection, under the Training Materials tab, you will find the Election Judge Training Resources. There is valuable information in the Manuals/Guides provided. You may also complete the Part II Training-Online Training Module for review.
