I'm working on Election Day when do I vote? Election Workers are asked to vote either by Mail-in ballot or during the Early Voting period at a time when you are not assigned to serve. There is still time to request a mail-in ballot for the Primary election. Your voted ballot may be returned to the Board of Elections, mailed with a postmark by the Postal Service dated by Election Day or dropped in one of the designated Drop-Boxes by 8:00 pm on Election Day. Full day Election Workers who are **not** assigned to work in their voting precinct on Election Day who have not voted and still wish to vote must vote a provisional ballot in their work precinct, since they will be unable to leave and go to their voting precinct. Detailed mail-in voting information is located at www.777vote.org.
