Fall 2023

We celebrated National Voter Registration Day on Tuesday, September 19, 2023. This day is recognized as a nonpartisan civic holiday celebrating our democracy. It is designed to ensure every eligible voter can vote. National Voter Registration Day involves volunteers and organizations all over the country conducting outreach to register voters. The Montgomery County Board of Elections visited local libraries to register individuals to vote and recruit election workers and promoted voter registration on social media platforms – X and Facebook.

Community Outreach Drive The recruitment and outreach teams will be visiting local community events to inform and recruit new participants for the Election Worker Program.

For the calendar year, outreach efforts of the Montgomery County Board of Elections have included the promotion of voter registration and recruitment of election workers at over 160 events. These events were either organized by our Outreach Team or we were invited to present our efforts.
