Voter ID Number	District Information (Congressional, Legislative, County Council, School)
Name	State and County Registration Dates
Residential Address	Party
Mailing Address	Mail-in Ballot Type
Mail-in Ballot Address	Mail-in Ballot Request Status
Precinct	County

Each file will contain a county-wide list of voters with mail-in ballot **requests** for the current election. Using the district fields and/or party affiliation, you will be able to create a subset of records to meet your specific needs.

You will be emailed the first mail-in ballot label file when the Board of Elections begins mailing ballots to mail-in ballot voters, about 4 to 6 weeks before the election. Supplemental files will be created and emailed twice weekly, until the last mail-in ballots are mailed, which is typically the last Thursday before Election Day.
