# People and Activities in the Polling Place

Electioneering	4.2
xit Polling	4.3
Challengers and Watchers	4.3
Individuals Attired or Equipped as Officials	4.6
Polling Place Evaluators	4.7

#### **Electioneering**

Electioneering is prohibited in the polling place and between 25 and 100 feet of the entrance and exit to the polling place ("no electioneering zone"). The boundary lines for each precinct are shown on the Facility Report provided to Chief Judges. No electioneering, political activity, or posting or distributing of campaign materials may take place within the "no electioneering zone."

Election judges are forbidden from electioneering and/or partisanship while working at the polling place. You may not wear or display ANY political material or express political opinions while you are in the polling place or while performing the duties of an election judge.

"Electioneering" includes wearing clothing that supports or opposes a candidate, ballot issue, or political party. The ban on electioneering **does not** apply to political messages on clothing, buttons, badges, or the like worn by a voter who is on his or her way into the polling place or inside the polling place to vote. Voters are allowed to wear clothing, buttons, or the like with a political message but are not allowed to linger in the polling place or within the "no electioneering zone."

Throughout the day, monitor the activity outside the polling place and instruct anyone electioneering within the "no electioneering zone" to stay outside the marked boundary. If individuals persist, Chief Judges must call the Board of Elections at 240-777-8543 and the Board staff will advise the Chief Judge regarding the course of action; up to and including contacting local law enforcement and requesting that the individuals be removed from the property. Also, election judges are advised to immediately remove political materials left behind in the polling place by voters.

Election judges should not apply the "no electioneering zone" restriction to lawn signs or other speech on private property that falls within the 100 foot zone unless the election judge (or local board) can articulate a reason why the restriction is necessary to prevent voter confusion, harassment, or intimidation. Election judges may *request* that a property owner limit display of campaign signs to areas beyond

100 feet, but any effort to enforce compliance by a person at that person's residence should be referred to the local board of elections for appropriate action.

If you have any questions, ask the chief judges.

#### **Exit Polling**

Organizations and individuals sometimes conduct "exit polling" to gather information about how individuals voted. Exit polling is permitted within the "no electioneering zone" subject to the direction of the chief election judges.

Individuals conducting exit polling must:

- 1. Stay outside the polling room;
- 2. Not ask questions until after the voter has voted and left the polling room;
- 3. Inform voters that participation is voluntary; and
- 4. Not electioneer within the "no electioneering zone."

**Note:** Chief Judges should try to accommodate exit pollsters. However, chief judges are reminded of their duty to maintain order in and around the polling place including limiting activities that create delays or disruptions in the voting process or access to the polling room. Chief Judges may designate an area for exit polling outside the polling room and limit the number of people for each organization or the number of groups polling.

#### **Challengers and Watchers**

Maryland law allows designated individuals to serve as challengers and watchers. Challengers and watchers represent candidates, political parties, or proponents and opponents of ballot issues. Accredited challengers and watchers are election observers who have access to polling places to observe all Election Day activities.

- To be an accredited challenger and watcher, an individual must have a certificate completed by one of the following persons or entities:
  - A. The State Board of Elections;
  - B. A local board of elections;
  - C. A candidate (including filed write-in candidates);
  - D. A political party; or
  - E. Any other group of voters supporting or opposing a candidate, principle, or proposition on the ballot.
- 2. Challengers and watchers have the right to:
  - A. Be in the polling room at least a 1/2 hour (6:30 a.m.) before the polls open;
  - B. Be in the polling room at any time when the polls are open;
  - C. Be in the polling room during the completion of all tasks associated with closing the polls. Challengers and watchers must be inside the polling room before the polls close at 8:00 p.m.
  - D. Maintain a list of registered voters who have voted or individuals who have cast provisional ballots, and take the list outside of the polling place;
  - E. Be positioned where they can see and hear each voter as the voter checks in to vote and can observe the activities in the polling room. The chief judges will determine where challengers and watchers will be positioned. Chief judges are NOT required to place challengers and watchers directly behind the check-in table or where they can see the screen of the electronic pollbooks;
  - F. Challenge a voter's identity; and

- G. Periodically throughout the day, may request:
  - One of the Chief Judges to accompany him or her to the ballot scanner not currently being used by voters to verify the tamper tape and see the public counter; and
  - One of the check-in judges to allow him or her to see the number of voters who have been checked in to vote (located at the bottom, center of the "Find Voters" screen of the electronic pollbook). This action should not interfere with the election judges checking-in of voters.

Chief Judges have the discretion to determine if the polling place is too busy at the time of a request and then comply with the request during non-peak voting times.

- 3. Except as described in item G above, a challenger and watcher may **not** move about the polling place during voting hours. A challenger and watcher who wants to talk with a voter must do so outside the polling place and outside the "no electioneering zone."
- 4. In addition, a challenger and watcher **cannot** attempt to:
  - A. Find out how a voter voted or intends to vote;
  - B. Talk with any voter in the polling room;
  - C. Assist any voter in voting;
  - D. Interfere with the election process or impede a voter's access to an election judge;
  - E. Physically handle an original election document; or
  - F. Use a cell phone, laptop, pager, or other electronic equipment in the polling place.

Chief Judges may ask the challengers and watchers to leave a polling place before it opens if the challengers and watchers will

prevent the timely opening of the polling place. A majority of the election judges must agree.

Chief judges may remove any challenger or watcher who interferes with the work of the judges, violates the prohibitions listed above, or does not follow an election judge's order.

#### Challenger and Watcher Certificate - Sample

The right of an individual to vote may be challenged **ONLY** on the grounds of <u>identity</u>. The challenge must be made before the individual is issued a ballot, Ballot Activation Card, or a voter authority card.

#### **Individuals Attired or Equipped as Officials**

At a polling place and within the "no electioneering zone," a person may not wear clothes or equipment that creates the appearance that

the individual is performing an official or governmental function in connection with an election. This includes:

- 1. Wearing a public or private law enforcement or security guard uniform;
- 2. Wearing an armband: or
- 3. Carrying or displaying a gun or badge.

**Note:** The following is an **exception**:

Law enforcement officers or security guards who are on duty, traveling to or from duty, or who are performing an official governmental function may vote while wearing a uniform.

#### **Polling Place Evaluators**

Members and staff of the local board of elections or other individuals approved by the Maryland State Board of Elections or the local board of elections will make unannounced visits to polling places to evaluate the election judges' compliance with procedures and their general performance.

Evaluators use a Polling Place Evaluation Form when conducting evaluations. During the visit, evaluators may speak with election judges and inspect reports but are not allowed to hinder or interfere with the voting process.
