Chu, Erin;

Erin, my name was listed on the lobbying activity report of Ilana Branda who is with the Montgomery Housing Partnership. One listing was for a \$200.00 shovel for their groundbreaking event for Bonifant. I returned the shovel when I was made aware of the cost on March 13, 2015. The second item where I was listed was for \$61.61 for nothing other than just being at the event. I am officially filing an exception to these two items.

Thank you very much!
