MEETING AGENDA

COUNTING THE DAYS UNTIL THE CoA's MAY 21 FORUM ON REVALUING CARE: BUILDING POLICIES, PROGRAMS, AND CONNECTIONS TO SUPPORT CAREGIVING IN OUR COMMUNITY. TODAY'S SPEAKERS WILL SHARE INFORMATION ABOUT TECHNOLOGY TO SUPPORT CAREGIVING AND TO FACILITATE AGING IN PLACE.

- Review of minutes from April 8

Presentations and Discussion: Using Technology To Help Older Adults Age in Place

9:40-10- Update on WISE Cities—helping patients and caregivers

Kat Close, Co-Founder and CPO of Wise Cities will describe WiseCities and the types of information that is often looked for by caregivers and older adults to help older adults age in place. Update on development of WiseCities in Montgomery County.

10-10:45: What is AgeTech? How Technology Can Help Older Adults Age in Place.

Dr. Amy Schiffman is a nationally recognized physician and consultant with a deep expertise in aging-in-place, post-acute care, and Medicare policies and is the founder of AgingHere. She leads initiatives at the intersection of healthcare and technology, guiding senior-serving professionals and organizations through the complexities of care delivery, reimbursement, and innovation. With over 25 years of experience in home-based medicine, hospice leadership, and system design, Dr. Schiffman is a nationally recognized advisor on care models that support aging populations where they live.

Updates & New Business:

1. Update on meetings on housing
 - Spin off from last year's Housing Forum
 - a. Home sharing advisory committee
 - b. Contact from Urban Institute which resulted in their developing a proposal that will benefit Montgomery County if awarded.
2. Spin off from meeting with HOC—Development of senior housing info packet-
3. Topic for June 10th meeting and Adjourn
