Commission on Veterans Affairs

Meeting with HHS Committee of County Council on Priorities for FY27

Michael Wilson, Chair - Chris Thomas, Vice-Chair

October 22, 2025

1) Communication and Outreach Planning to Promote Programs and Services that Benefit Veterans and Their Families

Greater Community Outreach and Education on Veteran Issues - The Commission will develop a plan to increase communication with the public and other organizations that serve Veterans. There is a need for more face-to-face and real-time and non-real-time virtual interaction. Commission members will be encouraged to visit veteran service organizations such as local American Legions (AL), Veterans of Foreign Wars (VFW), AMVETS, Disabled American Veterans, Vietnam Veterans of America, Paralyzed Veterans to share information about the work of the Commission and learn from these organizations about what they believe are unmet needs of Veterans and their families.

Provide Support to the Office of Problem Solving Courts as they Plan and Implement a Veterans Treatment Court in Montgomery County The Commission is working in collaboration with the Maryland Military Coalition and the Military Officers Association of America (MOAA) to provide support as requested from Judge Koch and the Office of Problem-Solving Courts to establish a Veterans Treatment Court in Montgomery County. We would greatly appreciate the Council's support for this important initiative.

Permanent Supportive Housing Vouchers for Homeless Veterans Including those with Families -

We recommend the County make greater investment in permanent supportive housing which includes case management for homeless Veterans. This includes seeking additional HUD-VASH vouchers from the federal government. HUD-VASH is a collaborative program which pairs HUD's Housing Choice Voucher (HCV) rental assistance with VA case management and supportive services for homeless Veterans. Veterans who have case management along with a voucher have greater success with permanent housing in the community. At this time, there are an estimated 50 homeless Veterans in the county and too often they are placed in emergency shelters. We recommend less investment in emergency shelter response. We ask the Council to continue needed funding for vouchers for Veterans not eligible for Veterans Administration benefits including HUD-VASH vouchers.

2) Commission was Established to Recognize the Service of Veterans

Planning for Operation Green Light / Veterans Day and Memorial Day—Commission will plan and participate in Veterans Day and Memorial Day recognition events.

Websites and Digital Displays to Honor Veterans On www.montgomerycountymd.gov/veterans there are websites created by staff honoring County Veterans for Hometown Fallen Heroes going back to World War I, Vietnam Era Veterans, Women Veterans, Recognition for Veterans for Black History Month, and Thank You to County Veterans for Veterans Day.

Speakers Bureau Commission will develop a speaker's bureau to volunteer to speak at schools about Veteran issues and the meaning of Veterans Day and Memorial Day. The Commission publishes an annual report that includes information on the Commission's work and includes extensive data on Veterans. Go to www.montgomerycountymd.gov/cva.

Lastly, it is critical for Boards, Committees and Commissions (BCC) to have commissioners appointed in a timely manner so that they can be most effective and also respect the volunteer service of community members who serve. We ask that the County ensure proper staffing for the County Executive's Office for timely recruitment and appointment of BCC members.
