Gaithersburg, Maryland 20877

Homeless Resource Day is a opportunity for Montgomery County residents who are experiencing homelessness or who are at risk of homelessness to access and learn about County services and resources. It also gives our community an opportunity to connect with their unhoused neighbors as well as donate their time and resources.

Become a Volunteer, Service Provider or a Sponsor.

We are seeking employment, vocational, financial empowerment, education, health and personal care providers (i.e., Beauticians and Barbers).
