## How To File Your Claim

There's no paperwork for In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to Cigna for reimbursement. Out-of-Network claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on your identification card or by calling Member Services using the toll-free number on your identification card.

### CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT/GROUP NUMBER WHEN YOU FILE CIGNA'S CLAIM FORMS, OR WHEN YOU CALL YOUR CIGNA CLAIM OFFICE.  
YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.  
YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

### Timely Filing of Out-of-Network Claims

Cigna will consider claims for coverage under our plans when proof of loss (a claim) is submitted within one year (365 days) after services are rendered. If services are rendered on consecutive days, such as for a Hospital Confinement, the limit will be counted from the last date of service. If claims are not submitted within one year, the claim will not be considered valid and will be denied.

**WARNING:** Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

## Important Information about Your Dental Plan

When you elected Dental Insurance for yourself and your Dependents, you elected one of the two options offered:

- **Cigna Dental Care; or**
- **Cigna Dental Choice**

Details of the benefits under each of the options are described in separate certificates/booklets.

When electing an option initially or when changing options as described below, the following rules apply:

- **You and your Dependents may enroll for only one of the options, not for both options.**
- **Your Dependents will be insured only if you are insured and only for the same option.**

### Change in Option Elected

If your plan is subject to Section 125 (an IRS regulation), you are allowed to change options only at Open Enrollment or when you experience a “Life Status Change.”

If your plan is not subject to Section 125 you are allowed to change options at any time.

Consult your plan administrator for the rules that govern your plan.

### Effective Date of Change

If you change options during open enrollment, you (and your Dependents) will become insured on the effective date of the plan. If you change options other than at open enrollment (as

## Covered Dental Expense

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III the service is started and completed while coverage is in effect, except for services described in the "Benefits Extension" section.

### Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

### Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

For the purposes of this section, the following terms have the meanings set forth below:

#### **Plan**

Any of the following that provides benefits or services for medical or dental care or treatment:

- Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- Governmental benefits as permitted by law, excepting Medicaid, Medicare and Medicare supplement policies.
- Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

#### **Closed Panel Plan**

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

#### **Primary Plan**

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

#### **Secondary Plan**

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

#### **Allowable Expense**

A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

#### **Reasonable Cash Value**

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

#### **Order of Benefit Determination Rules**

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan.
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee.
- If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
  - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
  - then, the Plan of the parent with custody of the child;
  - then, the Plan of the spouse of the parent with custody of the child;
  - then, the Plan of the parent not having custody of the child; and
  - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

#### **Effect on the Benefits of This Plan**

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans are not more than 100% of the total of all Allowable Expenses.

#### **Recovery of Excess Benefits**

If Cigna pays charges for benefits that should have been paid by the Primary Plan, or if Cigna pays charges in excess of those for which we are obligated to provide under the Policy, Cigna will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

Cigna will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

#### **Right to Receive and Release Information**

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

## **Expenses For Which A Third Party May Be Responsible**

This plan does not cover:

- Expenses incurred by you or your Dependent; (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage. The coverage under this plan is secondary to any automobile no-fault or similar coverage.

## Right Of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

## Lien Of The Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;
- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

## Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- The plan's right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat the plan's recovery rights by allocating the proceeds exclusively to non-medical expense damages.
- No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund

Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".

- The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.
- The plan hereby disavows all equitable defenses in the pursuit of its right of recovery. The plan's recovery rights are neither affected nor diminished by equitable defenses.
- In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney's fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.
- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.
- Participants must assist the plan in pursuing any recovery rights by providing requested information.

## Payment of Benefits

### To Whom Payable

Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Cigna may, in certain limited circumstances, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. You may assign the right of payment or reimbursement to the Dentist who provides the dental care services. We may pay

benefits to you directly in certain rare circumstances. Such circumstances may include if the provider is deceased, if the provider is located in a foreign country or if you have already paid the provider. When benefits are paid to you or your Dependent, you or your Dependent is responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

### Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment to the Dentist who provided the service.

### **The Following Will Apply To Residents Of Texas**

#### **When You Have A Complaint Or An Adverse Determination Appeal**

For the purposes of this section, any reference to "you," "your" or "Member" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

#### **When You Have a Complaint**

We are here to listen and help. If you have a complaint regarding a person, a service, the quality of care, or contractual benefits not related to Medical Necessity, you can call our toll-free number and explain your concern to one of our Customer Service representatives. A complaint does not include: a misunderstanding or problem of misinformation that can be promptly resolved by Cigna by clearing up the misunderstanding or supplying the correct information to your satisfaction; or you or your provider's dissatisfaction or disagreement with an adverse determination. You can also express that complaint in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on your Benefit Identification card, explanation of benefits or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your complaint, we will send you a letter acknowledging the date on which we received your complaint no later than the fifth working day after we receive your complaint. We will respond in writing with a decision 30 calendar days after we receive a complaint for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

If you are not satisfied with the results of a coverage decision, you can start the complaint appeals procedure.

### **Complaint Appeals Procedure**

To initiate an appeal of a complaint resolution decision, you must submit a request for an appeal in writing. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your Benefit Identification card, explanation of benefits or claim form.

Your complaint appeal request will be conducted by the Complaint Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. You may present your situation to the Committee in person or by conference call.

We will acknowledge in writing that we have received your request within five working days after the date we receive your request for a Committee review and schedule a Committee review. The Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

### **When You have an Adverse Determination Appeal**

An Adverse Determination is a decision made by Cigna that the health care service(s) furnished or proposed to be furnished to you is (are) not Medically Necessary or clinically appropriate. An Adverse Determination also includes a denial by Cigna of a request to cover a specific prescription drug prescribed by your Dentist. If you are not satisfied with the Adverse Determination, you may appeal the Adverse Determination orally or in writing. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. We will acknowledge the appeal in writing within five working days after we receive the Adverse Determination Appeal request.

Your appeal of an Adverse Determination will be reviewed and the decision made by a health care professional not involved in the initial decision. We will respond in writing with a decision within 30 calendar days after receiving the Adverse Determination Appeal request.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability

to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the dental plan will respond orally with a decision within 72 hours, but will not exceed one working day from the date all information necessary to complete the appeal is received followed up in writing.

In addition, your treating Dentist may request in writing a specialty review within 10 working days of our written decision. The specialty review will be conducted by a Dentist in the same or similar specialty as the care under consideration. The specialty review will be completed and a response sent within 15 working days of the request. Specialty review is voluntary. If the specialty reviewer upholds the initial adverse determination and you remain dissatisfied, you are still eligible to request a review by an Independent Review Organization.

### **Retrospective Review Requirements**

Notice of adverse determinations (denials only) of retrospective reviews must be made in writing to the patient within a reasonable period, not to exceed 30 days from the date of receipt.

The term retrospective review is a system in which review of the medical necessity and appropriateness of health care services provided to an enrollee is performed for the first time subsequent to the completion of such health care services. Retrospective review does not include subsequent review of services for which prospective or concurrent reviews for medical necessity and appropriateness were previously conducted.

### **Independent Review Procedure**

If you are not fully satisfied with the decision of Cigna's Adverse Determination appeal process or if you feel your condition is life-threatening, you may request that your appeal be referred to an Independent Review Organization. In addition, your treating Dentist may request in writing that Cigna conduct a specialty review. The specialty review request must be made within 10 days of receipt of the Adverse Determination appeal decision letter. Cigna must complete the specialist review and send a written response within 15 days of its receipt of the request for specialty review. If the specialist upholds the initial Adverse Determination, you are still eligible to request a review by an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this independent review process and the decision to use the process is voluntary. Cigna

will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by Cigna. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process. You will receive detailed information on how to request an Independent Review and the required forms you will need to complete with every Adverse Determination notice.

The Independent Review Program is a voluntary program arranged by Cigna.

### **Appeal to the State of Texas**

You have the right to contact the Texas Department of Insurance for assistance at any time for either a complaint or an Adverse Determination appeal. The Texas Department of Insurance may be contacted at the following address and telephone number:

### **Notice of Benefit Determination on Appeal**

Every notice of an appeal decision will be provided in writing or electronically and, if an adverse determination, will include: the specific reason or reasons for the denial decision; reference to the specific plan provisions on which the decision is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; a statement describing any voluntary appeal procedures offered by the plan and the claimant's right to bring an action under ERISA section 502(a); upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

You also have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the decision on review. You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance regulatory agency. You may also contact the Plan Administrator.

### **Relevant Information**

Relevant Information is any document, record, or other information which was relied upon in making the benefit determination; was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

### **Legal Action under Federal Law**

If your plan is governed by ERISA, you have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against Cigna until you have completed the Complaint or Adverse Determination Appeal process. If your Complaint is expedited, there is no need to complete the Complaint Appeal process prior to bringing legal action.

### Maximum Reimbursable Charge - Dental

The Maximum Reimbursable Charge (MRC) for covered services is determined based on the lesser of:

- the provider's normal charge for a similar service or supply; or
- the policyholder-selected percentile of charges made by providers of such service or supply in the geographic area where it is received as compiled in a database selected by Cigna and updated annually. If sufficient data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then state, regional or national data may be used. If sufficient data is unavailable in the database, then data in the database for similar services may be used.

The percentile used to determine the Maximum Reimbursable Charge is listed in The Schedule.

The Maximum Reimbursable Charge is subject to all other benefit limitations and applicable coding and payment methodologies determined by Cigna. Additional information about how Cigna determines the Maximum Reimbursable Charge is available upon request.

## Qualified Medical Child Support Order (QMCSO)

### Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

### Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

### Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

## Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

### A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

### B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;

- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

### C. Court order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

### D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

### E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

### F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

## Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and

effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

## Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

## Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

### Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

### Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

## **Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA)**

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

### **Continuation of Coverage**

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

### **Reinstatement of Benefits (applicable to all coverages)**

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

## **Claim Determination Procedures**

### **Procedures Regarding Medical Necessity Determinations**

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the booklet, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the booklet, in your provider's network participation documents as applicable, and in the determination notices.

### **Postservice Determinations**

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

### **Notice of Adverse Determination**

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline,

protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

## **COBRA Continuation Rights Under Federal Law**

### **For You and Your Dependents**

#### **What is COBRA Continuation Coverage?**

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

#### **When is COBRA Continuation Available?**

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

#### **Who is Entitled to COBRA Continuation?**

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline

COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

### **Secondary Qualifying Events**

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

### **Disability Extension**

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30

days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

### **Medicare Extension for Your Dependents**

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

### **Termination of COBRA Continuation**

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

### **Employer’s Notification Requirements**

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.

- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
  - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

### **How to Elect COBRA Continuation Coverage**

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

### **How Much Does COBRA Continuation Coverage Cost?**

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

### **When and How to Pay COBRA Premiums**

#### *First payment for COBRA continuation*

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

#### *Subsequent payments*

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

#### *Grace periods for subsequent payments*

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

### **You Must Give Notice of Certain Qualifying Events**

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

### **Newly Acquired Dependents**

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

### **COBRA Continuation for Retirees Following Employer’s Bankruptcy**

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation

coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

**Interaction With Other Continuation Benefits**

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.
