Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	In-Network: \$0; Out-of-Network: \$300 individual/\$600 family	Generally, you must pay all the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family member(s) on the <a href="#">plan</a> , each family member may need to meet their own individual <a href="#">deductible</a> , OR all family members may combine to meet the overall family <a href="#">deductible</a> before the <a href="#">plan</a> begins to pay, depending upon plan coverage. Please refer to your contract for further details.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes, all In-Network services are provided without a deductible.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	There are no other specific deductibles.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Medical: In-Network: \$1,000 individual/\$2,000 family; Out-of-Network: \$2,000 individual/\$4,000 family.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a <a href="#">plan</a> year for covered services. If you have other family member(s) on the <a href="#">plan</a> , each family member may need to meet their own <a href="#">out-of-pocket limits</a> , OR all family members may combine to meet the overall family <a href="#">out-of-pocket limit</a> , depending upon <a href="#">plan</a> coverage. Please refer to your contract for further details.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.carefirst.com">www.carefirst.com</a> or call 855-258-6518 for a list of Network providers.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
