Free Online Courses through Udemy (Gale) Courses
Enhance Your Microsoft Office Skills and More

The Office of Human Resources (OHR) is pleased to provide information on free e-Learning training courses for Montgomery County Government employees, contractors, volunteers, and interns. Take a few minutes to discover the variety of free online courses through Udemy (Gale) Courses.
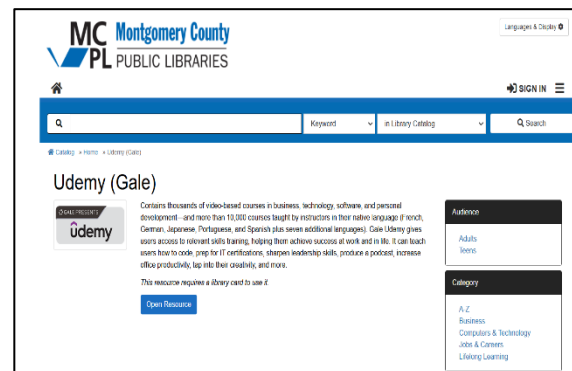

About Udemy (Gale) Courses

Funded by Montgomery County Public Libraries (MCPL), Udemy courses offer interactive, instructor-led online courses covering numerous subjects. All MCPL cardholders in good standing are eligible. County employees living inside or outside of the County may apply for a digital library card online, or may apply for a library card by visiting any library branch.

Free Microsoft Courses and More!

Udemy Courses offers thousands of video-based courses in business, technology, software, and personal development. Udemy gives users access to relevant skills training, helping them achieve success at work and in life. It can teach users how to sharpen leadership skills, increase office productivity, tap into their creativity, and prep for IT certifications. Udemy also offers technology e-Learning courses, including Microsoft Word, Excel, PowerPoint, Outlook, Access, and more.

Additional Udemy Course Topics
- Business
- Communication
- Customer Service
- Cybersecurity
- Finance & Accounting
- Leadership & Management
- Personal Development
- Project Management
- Workplace (Diversity & Inclusion, Implicit Bias, Team Dynamics)
