

CoC 2021 Competition - Renewal Project Evaluation Criterion

Organization Name:

Project Name:

Program Effectiveness (20 pts maximum)

Available Pts	Description	Score
15	Cost Effectiveness: For RRH- Cost per positive exit. For PSH- Annual cost per household compared to average annual cost per household in the CoC.	
5	Bed Utilization: Threshold 85%	
	Below 85% - 0 pts At 85% - 3 pts Above 85% - 5 pts	

Past Performance (10 pts maximum)

Available Pts	Description	Score
5	HUD and DHHS Audit and Monitoring Reports: No unresolved findings and clean monitoring reports. No non-compliance findings for two consecutive years	
5	HUD and DHHS Expenditures: Consistent quarterly drawdowns and at least 95% of funds expended for both HUD and DHHS grants	
	5pts - 95% 3pts - 90% 1pts - 85% 0pts - less than 85%	

Severity of Needs (20 pts maximum)

Available Pts	Description	Score
20	Description: Exent to which the project reaches the hardest to serve populations including but not limited to households with a history of victimization/abuse, criminal histories, chronic homelessness, low or no income, severe substance use or mental health challenges, or significant medical issues. Severity of needs is determined bu reviewing the acuity assessment of program participants. % of households served with high acuity and the % of households with extreme vulnerabilities	

Contribution of CoC System Performance Measures (20 pts maximum)

Available Pts	Description	Score
	Description: The extent to which projects support or harm overall system performance. All projects are benchmarked against the 2020 CoC System Performance Measures.	
5	For RRH - At least 75% exit to Permanent Housing	
	Below 75% - 0 pts At 75% - 3 pts Above 75% - 5 pts	
5	For PSH - At least 99% retain or exit to Permanent Housing	
	Below 90% - 0 pts 90-94% 3 pts 95-98% - 4pts 99% or above - 5 pts	
5	Rate of Returns to Homelessness: No more than 8% after 2 years	
	More than 8% - 0 pts At 8% - 3pts Less than 8% - 5 pts	
5	For RRH- At least 50% increased income via any sources	
	Below 50% - 0 pts At 50% - 3 pts Above 50% - 5 pts	
5	For PSH - At least 50% increased or maintained income	
	Below 50% - 0 pts At 50% - 3 pts Above 50% - 5 pts	
5	Rapid Exit to PH: % of households referred who obtain permanent housing within	
	5pts 100% - 75%, 3pts 74% - 50% , 0pts 49% & below	

Scope of Work (30 pts maximum)

Available Pts	Description: Exent to which the project is aligned with the CoC values and HUD priorities.	
5	Scope: # served, description of services provided, promote housing stability and connection to mainstream benefits, partnership with other service providers including behavioral health, employment, and in home medical support	
5	Program Response to COVID: how the program provided continuity of services, promoted testing and vaccines, and supported staff	
5	Meaningful participation of people with lived expertise in program design, planning, policy development and service delivery.	
10	Housing First Fidelity: Per review of Housing First Addendum	
5	Participation in Coordinated Entry System: For PSH and RRH projects - 95% of referrals come through CES	

Promoting Racial Equity

Yes/No	Do program participants <i>reasonably</i> mirror the homeless population demographics? If not, does project provide an explanation for the discrepancy and a plan to address the disparity?	
--------	---	--

5 Points Bonus - Cash funds from non-DHHS sources that exceed the required match of 25%
