Coordinated Entry System

Housing Opportunity/Grant Program Decline Form

Montgomery County Continuum of Care (CoC) coordinates housing through a Coordinated Entry System (CES). Consumers are matched with housing options based on their vulnerability and we prioritize resources based on need. Consumers may decline housing matches because of program requirements that are inconsistent with their preferences. Consumer choice is an important theme of the CES. Our goal is to make homelessness rare, brief and non-recurring.

Housing provider has met with me and provided written description of the program.

Through the CES you are being offered _____ operated by
