

The **Terence Hill Memorial Award** is presented to an individual with lived experience that has helped improve the quality of life for individuals and families experiencing homelessness. Terence tirelessly served his community as service provider, Chair of the People's Committee, and Commissioner for the Interagency Commission on Homelessness (ICH).

Today, we are proud to present the first annual Terence Hill Memorial Award to **Lisa Lowe, Chair of the People's Committee** and a founding member of the committee. Lisa is being honored for her years of leadership centering lived experience to improve service delivery, and her steadfast commitment to amplifying people's voices and advocating for meaningful change.
