About Montgomery County

Montgomery County was established by the State Convention in 1776, and from its establishment until 1948, the Montgomery County Government functioned under the County Commission system. In 1948, the voters adopted a charter giving the County home rule and a council-manager form of government. In 1968, the voters approved a new charter providing for separate legislative and executive branches of government, with legislative power vested in an elected County Council and executive power in an elected County Executive. The new charter became effective with the election of the County Executive and Council in November 1970. Currently, the Montgomery County Council is composed of eleven members, four of whom are elected by all voters in the County. The remaining seven Councilmembers are each elected from one of seven Councilmanic districts.

Montgomery County contains 491 square miles (or 317,000 acres) of land area. The County population was 1,052,521 as of July 2023, consisting of 41.4 percent White (non-Hispanic) and 58.6 percent cultural minorities. About 32.7 percent of the population is foreign-born.

The 2022 median household income was \$118,323. According to the Maryland Department of Labor, the County's estimated labor force for October 2023 was 550,371 with an unemployment rate of 1.9 percent. Montgomery County is an employment center with 35.1 percent of persons residing in the County also working in the County. For the 2022 fall enrollment, 160,554 pupils were registered in the County's schools.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**Montgomery County
Maryland**

For the Fiscal Year Beginning

July 1, 2023

Christopher P. Morrill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented an award of Distinguished Budget Presentation to Montgomery County Government for its annual budget for the fiscal year beginning July 1, 2023.

In order to receive this award a governmental unit must publish a document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device.

The award is valid for the period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Debt Service

APPROVED FY25 BUDGET

\$480,087,720

FULL TIME EQUIVALENTS

0.00

MISSION STATEMENT

This section provides budget data for the repayment of general obligation bond issues, and other long- and short-term financing for public facilities, equipment, and infrastructure in the Debt Service Fund for all tax supported County agencies (Montgomery County Government, Maryland-National Capital Park and Planning Commission, Montgomery County Public Schools, and Montgomery College), as well as other associated costs. Non-tax supported debt repayment related to the Montgomery Housing Initiative Property Acquisition Fund, and Water Quality Protection bonds are also included.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for Debt Service is \$480,087,720, an increase of \$11,767,780 or 2.5 percent from the FY24 approved budget of \$468,319,940. This amount includes long-term lease expenditures of \$2,958,100, short-term financing of \$10,737,700 and other long-term debt of \$44,075,360.

FY25 Approved Changes

The Debt Service appropriation increase of 2.5 percent is primarily due to additional long-term debt.

G.O. Bonds are issued by the County to finance a major portion of the construction of long-lived additions or improvements to the County's publicly-owned infrastructure. The County's budget and fiscal plan for these improvements is known as the Capital Improvements Program (CIP) and is published separately from the Operating Budget and Public Services Program. Currently, G.O. Bonds are anticipated to fund approximately 30.0 percent of the County's capital expenditures for the six years of the Approved FY25-30 CIP. Other long-term debt includes financing for the Silver Spring Music Venue, Incubators, Affordable Housing (MHI Property Acquisition), Stormwater Management (Water Quality Protection Bonds), Wheaton Redevelopment, Rockville Core, and Energy Performance Contracting.

Long-term leases are similar to debt service in that they are long-term commitments of County funds for the construction or purchase of long-lived assets. They are displayed and appropriated within the Debt Service Fund. Short-term financing, where the payments represent a substantial County commitment for the acquisition of assets which have a shorter life, but still result in a substantial asset, are also displayed and appropriated within this Fund.

The FY25 Debt Service budget is predicated on the bond issuance requirements in the Approved CIP, adjusted for inflation. An interest cost of 5.0 percent was budgeted for the Fall 2024 issuance. Projected interest rates for bond issues for FY25 through FY30 are based on market expectations for coupon rates, which drive actual debt service costs. Under these projections and assumptions, total Debt Service will increase from \$480.1 million in FY25 to \$536.1 million by FY30.

Montgomery County Government

MISSION STATEMENT

The mission of the Montgomery County Government is to provide for the peace, good governance, health, safety, and welfare of the County in accordance with, and under authority of, the Constitution and laws of Maryland, and the Montgomery County Charter. To accomplish this mission, the Montgomery County Government provides: Public laws and oversight through the County Council and the offices and boards of the Legislative Branch; the administration of judicial offices; and public programs, services, and infrastructure through the County Executive and departments, offices, boards, and commissions within the Executive Branch.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the County Government is \$2,787,513,952, an increase of \$196,913,105 or 7.6 percent from the FY24 approved budget of \$2,590,600,847 (excludes debt service). The total approved FY25 tax supported operating budget for the County Government is \$2,197,255,713, an increase of \$177,300,061 or 8.8 percent from the FY24 approved tax supported budget of \$2,019,955,652.

The County Government is the agency responsible for providing general services to residents. To do this, the agency is organized functionally into departments, offices, boards, and commissions which undertake all activities and operations of the government. County Government accounting information is organized by fund; this includes both tax supported and non-tax supported special funds, which either encompass an entire department or portions thereof. Detailed budget presentations on each of these organizational units and funds are displayed, organized by function, in the following sections of this document.

Government Functions

The County Government functions organize departments, offices, boards, and commissions by related activity. The functions of the Montgomery County Government are:

- General Government
- Public Safety
- Transportation
- Health and Human Services
- Libraries, Culture, and Recreation
- Community Development and Housing
- Environment
- Other County Functions

Government Funds

County government funds are typically categorized by tax supported and non-tax supported funds. Tax supported funds are financed through Countywide taxes or special tax rates assessed on a geographic area encompassing the users of the respective services. In addition to taxes, these funds are also supported by inter-governmental aid, user fees, and other resources. Non-tax supported funds include enterprise funds and grants. Enterprise funds are operations that are financed and operated in a manner similar to private enterprise. The cost of providing these functions is primarily recovered through user charges.

MISSION STATEMENT

The Montgomery County Public Schools (MCPS) operates a countywide system of public schools for students from pre-kindergarten through high school. For the 2023-2024 school year (FY24), 159,717 students in prekindergarten classes through Grade 12 attend 211 separate public educational facilities. For the 2024-25 school year (FY25), enrollment is estimated to be 160,969 students.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for Montgomery County Public Schools is \$3,322.3 million, an increase of \$157.3 million or 5.0 percent from the FY24 Approved budget of \$3,165.0 million.

Tax Supported Funding for the Public Schools

For FY25, the total tax-supported portion of the approved Operating Budget (excluding grants and enterprise funds) is \$3,105.9 million, an increase of \$151.9 million or 5.1 percent compared to the FY24 Approved Operating Budget of \$2,954.0 million. In FY25, County revenue will provide 68.5 percent of the public schools' tax supported Operating Budget.

The table below summarizes the contributions to MCPS programs that are appropriated in other departments or agencies.

APPROVED FY25 BUDGET

\$334,695,418

FULL TIME EQUIVALENTS

1,926.35

MISSION STATEMENT

Montgomery College provides postsecondary educational programs from campuses located in Takoma Park/Silver Spring, Rockville, Germantown, and East County. It serves four broad groups of students:

- those who want the first two years of a university education, either for an associate's degree or preparation for another program;
- those who want to prepare for a career that does not require a bachelor's degree;
- highly capable high school juniors and seniors who participate in special programs; and
- adults who want to continue their education, either to improve job skills or for personal enrichment.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for Montgomery College is \$334,695,418, a decrease of \$10,469,640 or 3.0 percent from the FY24 Approved Budget of \$345,165,058. Personnel Costs comprise 0.00 percent of the budget for no full-time position(s) and no part-time position(s), and a total of 1,926.35 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 100.00 percent of the FY25 budget.

Montgomery College's approved budget is not detailed in this document. That budget may be found on the College's web site at www.montgomerycollege.edu/Departments/budget or obtained by contacting the Office of Management and Budget, Montgomery College, 9221 Corporate Boulevard, Rockville, Maryland 20850, phone 240.567.7292.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

◆ **Thriving Youth and Families**

◆ **A Growing Economy**

Housing Opportunities Commission

MISSION STATEMENT

The mission of the Housing Opportunities Commission (HOC) is to provide affordable and supportive housing services that enhance the lives of low- and moderate-income families and individuals throughout Montgomery County, Maryland, so that:

- no one in the County lives in substandard housing;
- families and communities are strengthened;
- an efficient and productive environment that fosters trust, open communication, and mutual respect is established; and
- advocates, providers, and community members can collaborate to maintain support for all the work of the Commission.

BUDGET OVERVIEW

Complete information regarding the budget of the HOC is available by contacting the Legislative and Public Affairs Division of the Commission at 240.627.9400. Copies of the budget are available online at www.hocmc.org.

The FY25 Approved appropriation in the Non-Departmental Account for services to be provided by the HOC is \$8,295,315. The Department of Finance reflects the amount as a transfer in the County's financial statements. This amount represents an increase of \$322,814 from the FY24 Approved budget of \$7,972,501.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

PROGRAM CONTACTS

Contact Terri Fowler of the Housing Opportunities Commission at 240.627.9507 or Anita Aryeetey of the Office of Management and Budget at 240.777.2784 for more information regarding this agency's operating budget.

Revenue Authority

MISSION STATEMENT

The purpose of the Montgomery County Revenue Authority is to own and operate self-sustaining projects to support the County's education, economic development, human services, recreation, and transportation needs through enterprises conducted within its authority as a public corporation. To accomplish its goals, the Revenue Authority engages in activities to:

- construct, improve, equip, furnish, and maintain projects devoted wholly or partially for the public good, use, or general welfare;
- initiate public projects designed to stimulate employment or economic growth;
- develop and operate recreational facilities in the County; and
- assist in financing County government projects through the issuance of Revenue Authority bonds or other debt.

Agency Description

The Revenue Authority is an instrumentality of Montgomery County and a public corporation created in accordance with State law in 1957 to construct and operate a variety of self-supporting projects. In 1992, State legislation authorized Montgomery County to establish the Revenue Authority in local law. In December 1992, the County Council enacted legislation that recreated the Revenue Authority in local law (Montgomery County Code, Chapter 42), and the operations of the existing Authority were assumed. The Revenue Authority Board of Directors consists of six members, five of whom serve five-year staggered terms, and are appointed by the County Executive, subject to confirmation by the County Council. In 1998, the County Council amended County Code, Chapter 42 to add the Chief Administrative Officer (CAO) to the Board as a non-voting member. The Revenue Authority is authorized to issue its own revenue bonds which are repaid solely from funds of, and revenues received by, the Authority. General tax receipts are not used for either the retirement of debt for projects developed and operated by the Authority or for the Authority's operating costs. Authority projects and debt are tax-exempt under State law unless declared taxable by the Authority. The Revenue Authority publishes an annual report, and is required to publish its annual budget by May 1 of each year.

Budgetary Requirements

The six-year Capital Improvements Program (CIP) of the Revenue Authority is subject to Executive review and Council approval, with further Executive approval required prior to the start of any specific project. Operating costs of maintaining, preparing, and operating Revenue Authority projects, including payment of principal and interest on bonds issued, are funded from rates, tolls, rents, and charges to users of its projects, such as golf course fees. The Revenue Authority Board of Directors reviews the operating budget recommendations of its staff during April, publishes its budget by May 1, and adopts an operating budget for the forthcoming fiscal year by July 1.

PROGRAM CONTACTS

Contact Keith Miller, Chief Executive Officer of the Revenue Authority at 301.762.9080 or Abdul Rauf of the Office of Management and Budget at 240.777.2766 for more information regarding this agency's operating budget.

WSSC Water

MISSION STATEMENT

WSSC Water (Washington Suburban Sanitary Commission) is a bi-county governmental agency established in 1918 by an Act of the Maryland General Assembly. It is charged with the responsibility of providing water and sanitary sewer service within the Washington Suburban Sanitary District, which includes most of Montgomery and Prince George's Counties. In Montgomery County, only the Town of Poolesville and portions of the City of Rockville are outside of the District.

WSSC WATER'S PROPOSED BUDGET

The total approved FY25 Operating Budget for WSSC Water is \$1,019,803,000, an increase of \$88,621,000, or 9.5 percent from the FY24 approved budget of \$931,182,000. The total approved FY25 Capital Budget is \$791,267,000, an increase of \$108,198,000, or 15.8 percent, from the FY24 approved budget of \$683,069,000.

WSSC Water's approved budget is not detailed in this document. The Commission's budget can be obtained from WSSC's Water Budget Group at the WSSC Water Headquarters Building, 14501 Sweitzer Lane, Laurel, Maryland 20707 (phone 301.206.8110) or from their website at <https://www.wsscwater.com/fin>.

PROGRAM CONTACTS

Contact Letitia Carolina-Powell of the WSSC Water at 301.206.8379 or Richard H. Harris of the Office of Management and Budget at 240.777.2795 for more information regarding this agency's operating budget.

 CAVEN WEST, EXECUTIVE DIRECTOR

MISSION STATEMENT

The mission of the County Council is to legislate for the peace, good government, health, safety, and welfare of Montgomery County and establish policies under which a system of public administration and finance provides services effectively, efficiently, and equitably.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the County Council is \$19,226,192, an increase of \$2,448,176 or 14.59 percent from the FY24 Approved Budget of \$16,778,016. Personnel Costs comprise 89.78 percent of the budget for 122 full-time position(s) and four part-time position(s), and a total of 111.60 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 10.22 percent of the FY25 budget.

Consistent with the County Charter, the County Executive makes recommendations on the operating budget for all County departments, offices, and agencies. However, recognizing the Charter-defined roles, the County Executive defers significantly to Legislative and Judicial Branch agencies. Questions regarding the approved budgets for Legislative Branch departments should be directed to Sandra Marin, 240-777-7923.

PROGRAM CONTACTS

Contact Sandra Marin of the County Council at 240.777.7923 or Grace Pedersen of the Office of Management and Budget at 240.773.1088 for more information regarding this department's operating budget.

PROGRAM DESCRIPTIONS

Council Staff Operations

Council Staff Operations is responsible for four activities in support of the Council: Legislative Program, Planning, and Budget; Legislative Information Services and Council Communications Office; Office of the Clerk of the Council; and Administration.

Legislative Program, Planning, and Budget staff perform research and analysis on issues before the Council and prepare written reports and recommendations for all agenda items at Council sessions and Committee meetings. Staff also respond to requests

from individual Councilmembers for research, legal advice, and data relevant to their work program. Staff draft legislation and resolutions for Council action; analyze reports, bills, plans, and budgets forwarded to the Council by the County Executive and County agencies; and advise Councilmembers on issues related to the Council work program. Personnel in this unit provide staffing for the Charter Review Commission and other groups created by the Council and represent the Council at meetings held on issues before the Council.

Legislative Information Services and Council Communications Office staff perform the public relations function of the Council. In order to facilitate two-way communication between the Council and County residents, staff prepare informational materials, serve as first-line telephone contact with the public, provide information about the legislative process, update the Council's website, and produce programs for the County's cable channel. Staff inform Councilmembers of the views of citizens through a correspondence control system, telephone tabulation system, and documentation of petitions. Legislative Information Services arranges for and provides notice of public hearings, and assembles packets of background material for Councilmembers, the press, and the public.

The Office of the Clerk of the Council prepares and maintains all official records of the Council; attends meetings of the Council; writes minutes; processes resolutions and legislation; prepares Council and Committee agendas; arranges for both regular and special meetings; and tracks sunset, expiration, and deadline dates of legislation and regulations.

Administration performs the Council's personnel, procurement, payroll, and budgetary functions; provides supervision; manages the automation system for the legislative branch; monitors inventory and office space; coordinates program issues; and serves as the liaison between Councilmembers and program staff. The staff in this unit contribute to the Legislative Program, Planning, and Budget work program. The administrative staff also provide staff orientation, training for the automation and telephone systems, backup support for all programs, volunteer coordination, and receptionist coverage for Councilmember offices.

Councilmember Offices

The eleven elected County Councilmembers enact all local laws, oversee zoning and planning, appropriate funding for the budgets of public agencies, establish spending affordability guidelines, set property tax rates, and meet as the County Board of Health. The Council holds regular weekly sessions, and conducts public hearings and work sessions throughout the year. Each Councilmember serves on two of the following seven Council Committees: Education and Culture; Economic Development; Government Operations and Fiscal Policy; Health and Human Services; Planning, Housing, and Parks; Public Safety; and Transportation and Environment. Seven Councilmembers are elected by district, and four are elected Countywide. Councilmembers have staffs which are responsible for carrying out their work programs. The County Charter provides for a Confidential Aide for each Councilmember. Staff may consist of interns, analysts, legislative services coordinators, legislative senior aides, and other administrative personnel.

BARBARA JAY, EXECUTIVE DIRECTOR

MISSION STATEMENT

The mission of the Board of Appeals is to implement the flexibility provided by the Zoning Ordinance, as approved by the County Council, in a fair and equitable manner, and to assist County residents, irrespective of race, ethnicity, nativity, gender, disability, or other relevant demographic or socioeconomic characteristics, in understanding and participating in the variance, administrative appeal, special exception modification, and conditional use appeal processes.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Board of Appeals is \$588,642, a decrease of \$56,273 or 8.73 percent from the FY24 Approved Budget of \$644,915. Personnel Costs comprise 93.82 percent of the budget for three full-time position(s) and no part-time position(s), and a total of 3.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 6.18 percent of the FY25 budget.

Consistent with the County Charter, the County Executive makes recommendations on the operating budget for all County departments, offices and agencies. However, recognizing the Charter-designed roles, the Executive defers significantly to the Legislative and Judicial Branch agencies. Questions regarding the approved budgets for Legislative Branch departments should be directed to Sandra Marin, 240-777-7923.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Effective, Sustainable Government

⁴ Outyear projections are based on FY23 actuals.

⁵ Matters considered and/or decided at worksessions include, but are not limited to: preliminary motions in Administrative Appeals, requests for major modifications (following the issuance of a report and recommendation by the Office of Zoning and Administrative Hearings) and administrative modifications of existing special exceptions, requests for by-right hearings, requests for oral argument regarding appeals of conditional use decisions, requests for the revocation of special exceptions, requests for the reconsideration of earlier Board decisions, requests for show cause hearings, complaints regarding the operation of special exceptions, inspection reports from the Department of Permitting Services and the Department of Housing and Community Affairs regarding such complaints, and the submission of documents fulfilling various Board-imposed reporting requirements.

PROGRAM DESCRIPTIONS

Zoning Related Hearings and Administrative Appeals

The Board of Appeals hears requests for variances as provided in the Zoning Ordinance. Development standards for each zone are set by the Zoning Ordinance. Variances from these standards require approval by the Board. In addition, the Board hears appeals of conditional uses decided by the Hearing Examiner, as provided in the Zoning Ordinance. The Board of Appeals also holds hearings and rules on appeals from administrative actions of certain governmental departments and agencies, as provided in the County Code. Finally, the Board considers modifications to those special exceptions that were filed or approved before the October 30, 2014 changes to the Zoning Ordinance.

☀️ MEGAN DAVEY LIMARZI, INSPECTOR GENERAL

MISSION STATEMENT

The mission of the Office of the Inspector General (OIG) is to promote the effectiveness and efficiency of programs and operations of County government and independent County agencies; prevent and detect fraud, waste, and abuse in government activities; and propose ways to increase the legal, fiscal, and ethical accountability of County government and County-funded agencies.

BUDGET OVERVIEW

The total approved FY24 Operating Budget for the Office of Inspector General is \$2,917,321, an increase of \$404,921 or 16.12 percent from the FY23 Approved Budget of \$2,512,400. Personnel Costs comprise 95.30 percent of the budget for 19 full-time position(s) and no part-time position(s), and a total of 19.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 4.70 percent of the FY24 budget.

Consistent with the County Charter, the County Executive makes recommendations on the operating budget for all County departments, offices, and agencies. However, recognizing the Charter-defined roles, the County Executive defers significantly to Legislative and Judicial Branch agencies. Questions regarding the approved budgets for Legislative Branch departments should be directed to Sandra Marin, 240-777-7923.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- ◆ **A Growing Economy**
- ◆ **Effective, Sustainable Government**

INITIATIVES

- ★ **OIG spearheaded multiple new outreach initiatives for County Employees.** The OIG now sends new County employees an email that explains OIG's role and ways to contact OIG. In addition, OIG was featured on a banner highlighting the OIG hotline for all outgoing County email for the month of November 2023 to recognize Fraud Awareness month.
- ★ **OIG began outreach efforts to MCPS to help educate Montgomery County Public Schools employees on how they can help the OIG to fight fraud, waste, and abuse, and improve the effectiveness and efficiency of the programs and operations of**

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  A mechanism to track savings and improvements identified \$133,000 in improper payments, \$23,661 funds that could have been put to better use, \$160,000,000 in potentially underreported spending, \$210,000 in revenue loss, and \$1,600 in theft through OIG audits, investigations, and referrals.
-  Bill 27-22 expanded protections against retaliation to all complainants to the OIG, extended the obligation to report fraud, waste, and abuse to County contractors, and enhanced the subpoena power to ensure OIG access to necessary records.

PROGRAM CONTACTS

Contact Becky Bolat of the Office of Inspector General at 240.777.8243 or Grace Pedersen of the Office of Management and Budget at 240.773.1088 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable). The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

¹ The Office of Inspector General (OIG) either completed preliminary inquiry work without further comment, or reclassified the item for continuation as an audit, inspection, investigation, evaluation, or review.

PROGRAM DESCRIPTIONS

Inspector General

The Inspector General conducts independent audits, reviews, and investigations; receives and investigates credible complaints; reports possible violations of the law to law enforcement or another appropriate organization; notifies the County Council and County Executive of serious problems in programs; reviews legislation and regulations to strengthen controls and increase accountability; and submits reports with recommendations to appropriate officials. The Inspector General periodically conducts projects jointly with other government agencies and contractors.

MISSION STATEMENT

The mission of the Office of Legislative Oversight (OLO) is to determine the effectiveness of legislation enacted by the County Council and to make findings and recommendations concerning the performance, management, and operation of programs and functions for which funds are appropriated or approved by the Council.

BUDGET OVERVIEW

Consistent with the County Charter, the County Executive makes recommendations on the operating budget for all County departments, offices, and agencies. However, recognizing the Charter-defined roles, the County Executive defers significantly to Legislative and Judicial Branch agencies. Questions regarding the approved budgets for Legislative Branch departments should be directed to Mary Jane Berry, 240-777-7930.

PROGRAM DESCRIPTIONS

Legislative Oversight

The Office of Legislative Oversight (OLO) conducts program evaluations, base budget reviews, and other special studies in accordance with a Council-approved work program. OLO studies the effectiveness of legislation enacted by the Council and makes findings and recommendations concerning the performance, management, and operation of programs and functions for which funds are approved or appropriated by the Council. In addition, OLO is the designated administrator for the Council's audit contracts, as required under Section 315 of the County Charter, and is responsible for preparing economic, racial equity and social

justice, and climate impact statements for all proposed County legislation. Also, OLO is responsible for preparing racial equity and social justice impact statements for zoning text amendments.

 LYNN R. HANNAN, DIRECTOR

MISSION STATEMENT

The mission of the Office of Zoning and Administrative Hearings (OZAH) is to conduct quasi-judicial trial-type hearings that are fair, understandable, and accessible to all participants regardless of race, ethnicity, disability, and financial income. OZAH is committed to establishing policies, processes, and internal training to minimize unconscious bias, remove barriers for non-English speaking or disabled participants, and mitigate barriers for those without financial resources to expend on the hearing process.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Zoning and Administrative Hearings is \$819,477, an increase of \$63,489 or 8.40 percent from the FY24 Approved Budget of \$755,988. Personnel Costs comprise 89.51 percent of the budget for four full-time position(s) and no part-time position(s), and a total of 4.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 10.49 percent of the FY25 budget.

Consistent with the County Charter, the County Executive makes recommendations on the operating budget for all County departments, offices, and agencies. However, recognizing the Charter-defined roles, the Executive defers significantly to Legislative and Judicial Branch agencies, including on their budget priorities. Questions regarding the approved budgets for Legislative Branch departments should be directed to Sandra Marin, 240-777-7923.

JAMES A. BONIFANT, ADMINISTRATIVE JUDGE

MISSION STATEMENT

The mission of the Circuit Court is to serve Sixth Judicial Circuit residents in the determination of litigation in serious criminal matters, substantive civil cases, domestic cases, and child support cases in accordance with the United States and Maryland Constitutions while administering justice in an honest, fair, and efficient manner.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Circuit Court is \$19,389,766, an increase of \$2,223,521 or 12.95 percent from the FY24 Approved Budget of \$17,166,245. Personnel Costs comprise 85.22 percent of the budget for 126 full-time position(s) and five part-time position(s), and a total of 128.50 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 14.78 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

- Effective, Sustainable Government**

PROGRAM CONTACTS

Contact Timothy Sheridan of the Circuit Court at 240.777.9103 or Vivian Ikoro of the Office of Management and Budget at 240.777.2780 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

✦ Adjudication

Adjudication encompasses support staff for the Judiciary, Case Management, and Data Quality. Conceptually, this division monitors case assignments (criminal, civil, and family cases), provides expedited case disposition for incarcerated offenders, and provides supervision consistent with the complexity of each case filed. Adjudication and case management improve the efficiency of case processing and reduce the demand for judicial intervention at various stages of litigation. To minimize case delay, each case is assigned to an appropriate track that allows for the performance of pre-trial tasks and allocates the appropriate level of judicial intervention. Tracks are monitored for performance and are evaluated based on established performance measures. The Data Quality department maintains the integrity of the information the Court generates and improves the quality of the data the Court collects.

✦ Administration

The Administrative Office of the Circuit Court serves as a conduit for many operations of the Court. The Court Administrator's role is to facilitate the administrative functions of the Court and to develop policies to enhance systems performance, while maintaining the independence of the Judiciary. Basic functions performed by the Court Administrator and staff include the following: fiscal administration of the budget, human resources, case flow management and statistics, technology management, information management, jury management, space management, intergovernmental liaison, and public information.

The Trial Court Researchers, funded in part by the Trial Court Research Partnership Grant, provide research and statistical support for judiciary-wide research projects; prepare reports based on statistics and other data collected from the Montgomery County Circuit Court; establish links to national research/statistical sources relative to courts; and analyze court-wide programs, functions, and organizations to determine whether current management systems accomplish objectives efficiently.

☀ Case Assignment

The Assignment Office schedules and maintains all hearings, trials, and motion dates as well as special event dates for Judges and Family Magistrates of the Court and ensures that these events are scheduled in accordance with the Court's Differentiated Case Management (DCM) plans. The Assignment Office maintains all scheduling information related to criminal indictments and information; criminal jury demands and appeals; civil, juvenile, and family trial assignments; civil, family, and juvenile motions; and bench warrants. The Assignment Office also manages all courtroom information sheets, locates all files for assigned calendars, reviews each file, and delivers files.

☀ Family Division Services

This program provides a variety of services for children and families, most of them funded by the Family Law Grant. Services include case managers that provide day-to-day management of cases supported by Family Magistrates, Judges, counsel, and litigants; custody mediation involving litigants in an effort to obtain a settlement of custody issues prior to litigation; the Family Law Self Help Center staffed by attorneys to help individuals representing themselves in uncomplicated family law cases involving divorce, custody, and child support; psychological evaluations when psychological testing is necessary as an adjunct to arriving at a decision in the best interest of the children; best interest attorney appointments to specifically represent the interests of children; and operating expenses associated with managing the division.

Family Division Services also handles adoption investigations, as well as child custody and visitation evaluations. After the establishment of a Court Order, independent evaluations for child custody and visitation and adoption investigations are conducted by Court staff possessing substantial experience in social science or suitable credentials in the field of social work. The evaluator meets with the litigants and children and interviews professionals and collateral references to ascertain the appropriate custodial situation for the children.

The Court has an initiative that is allowing litigants to meet with a courthouse appointed mediator at no cost to the community. This is a response to the pandemic to allow litigants to have a licensed mediator to help them reach an agreement before going to trial.

The Juvenile Division is also a part of Family Division Services and is responsible for oversight of delinquency petitions, Child in Need of Assistance (CINA) petitions, Termination of Parental Rights (TPR) petitions, Voluntary Placement petitions, and Petitions for Peace Orders. These matters, which are governed by strict statutory timeframes, require a high degree of judicial oversight by the Court on a long term basis.

Family Magistrates

Family Magistrates are qualified individuals appointed by the Judges of the Circuit Court to hear family matters and make reports and recommendations based on testimony and analysis of the testimony received at hearings. Family Division Judges continue to review the recommendations, make rulings, and issue orders based on the recommendations of the Family Magistrates and any exceptions filed. The Juvenile Magistrate is an officer of the Court assigned to conduct proceedings on matters within the Juvenile Court of the Circuit Court for Montgomery County, pursuant to the Annotated Code of Maryland and the Maryland Rules, and in accordance with the Juvenile Differentiated Case Management plan, procedures, and policies. Juvenile Judges continue to review the recommendations and hear immediate reviews and exceptions in addition to other juvenile and CINA matters.

Grants

The Family Law Grant is funded by the State Judiciary and provides services to families to reduce conflict and introduce the parties involved in litigation to problem-solving techniques to help reduce future litigation. See the Family Division Services Program for a description of the services supported by this grant.

The Trial Court Research Partnership Grant supports one Trial Court Researcher assigned to the Administration Program. This individual provides research, analysis, statistical support, and related reports on County and judiciary-wide research projects.

The Montgomery County Adult Drug Court is funded by the State Judiciary through a grant from the Office of Problem Solving Courts. The mission of the Adult Drug Court is to eliminate drug abuse, crime, and their consequences by forging continuing partnerships with the Court, health treatment providers, concerned community organizations, and law enforcement. By leveraging its partnerships and its authority, the Court directs substance-abusing offenders into evaluation and treatment to achieve personal responsibility and productive citizenship.

The Diversity, Equity, Accessibility, and Inclusion (DEI) Grant is funded by the State Judiciary to support one DEI Coordinator. The employee will raise awareness and support of equity, accessibility, and inclusion values. They will work on enhancing and strengthening system programs to ensure each service, program and activity operated in the Court building is readily accessible and usable by individuals with disabilities.

The Alternative Dispute Resolution (ADR) Grant is funded by the State Judiciary to support ADR programs and projects which benefit our Court and the residents of Montgomery County. The ADR programs and projects will focus on expanding access to justice, enable the resolution of disputes with efficiency and prevent conflicts from escalating into violence or litigation.

Law Library

The Law Library supports the research activities of the Court, the Bar, and the public, and is the only law library open to the public in Montgomery County. The Library has a comprehensive collection of law, including U.S. statutes and the codes of

Maryland, Washington D.C., Virginia, and local ordinances. It has a complete collection of judicial opinions and a variety of subject treatises and reference materials. The Law Library also offers free access to the major online legal databases. Library staff are available to answer questions regarding the library and its collection but cannot give legal opinions or advice. The staff will provide limited assistance over the telephone and by e-mail.

Technical Services

Technical Services is responsible for every aspect of the Court's information systems. The duties of, and services performed, range from installing and maintaining server/PC hardware and software applications to designing and troubleshooting complex computer networks and information databases. The department manages the electronic recording of all courtroom and hearing room proceedings. All video conferencing between the Circuit Court, District Court, Montgomery County Detention Center, and Montgomery County Correctional Facility is handled through this division. This equipment is used on a daily basis in order to conduct bond hearings via a video connection. Copies of court transcripts are purchased through this division. The Court's website and internal servers for the Court and Clerk's Office are administered by Technical Services.

 JOHN MCCARTHY, STATE'S ATTORNEY

MISSION STATEMENT

The State's Attorney's Office is a constitutionally-created independent agency. The mission of the State's Attorney's Office is to serve the public interest through the fair and honest administration of justice by exercising its responsibilities to:

- Prosecute criminal violations in Montgomery County;
- Educate the public concerning criminal justice issues;
- Provide training to lawyers for future service;
- Address inequality and promote fairness in the criminal justice system;
- Ensure access to the criminal justice system;
- Promote professional relations with judges and attorneys; and
- Further the efficient use of criminal justice resources.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the State's Attorney's Office is \$25,104,998, an increase of \$2,981,416 or 13.48 percent from the FY24 Approved Budget of \$22,123,582. Personnel Costs comprise 94.96 percent of the budget for 162 full-time position(s) and eight part-time position(s), and a total of 167.25 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 5.04 percent of the FY25 budget.

Consistent with the County Charter, the County Executive makes recommendations on the operating budget for all County departments, offices, and agencies. However, recognizing the Charter-defined roles, the County Executive defers significantly to Legislative and Judicial Branch agencies on their budget priorities.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

 **Safe Neighborhoods**

INITIATIVES

- ★ Create a new Evidence Review Unit to enhance digital evidence processing to facilitate the redaction, upload, and review of digital evidence.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ PROSECUTORbyKarpel (PbK) Prosecutor Case Management System (PCMS) was installed on June 12, 2023, and is the primary repository for all case-related information (reports, documents, statistics, body worn camera and surveillance videos, cell phone and computer data dumps) and eDiscovery material for the prosecution of cases within the Circuit and District Courts. The PbK system also contains an electronic eDiscovery portal which allows the Assistant State's Attorneys and discovery teams to electronically assemble and send discovery material to defense attorneys.
- ★ During the 2023 calendar year, the State's Attorney's Office had law students, undergraduate students, and high school students who volunteered their time to the office. These students worked a total of 25,186 hours which equates to over 12 full-time positions.
- ★ In partnership with Prosecutorial Performance Indicators and researchers at the University of Maryland, Towson University, and George Mason University, the State's Attorney's Office conducted a study on criminal prosecution in Montgomery County. The "Final Report on Racial Justice in Prosecution in Montgomery County" details key findings, study methodology, descriptive results, statistical analysis, and recommendations. The office will maintain a data dashboard including key graphics and highlights.

PROGRAM CONTACTS

Contact Lisa Russo of the State's Attorney's Office at 240.777.7407 or Derrick Harrigan of the Office of Management and Budget at 240.777.2759 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Administration

Staff provides central services in areas of budget, personnel, automated systems management, general office management, and public information. In addition, staff coordinates efforts and initiatives with other criminal justice agencies.

☀ Circuit Court Prosecution

The Circuit Court Prosecution program reviews cases for possible filing in the Circuit Court by presenting these cases to the Grand Jury for indictment or filing a Circuit Court information (charging document). After charges are filed, the State's Attorney's Office litigates these cases to disposition. Senior Assistant State's Attorneys provide support and guidance to ongoing police investigations and conduct Grand Jury investigations of major felony, drug distribution, gang crimes, internet crimes, and environmental cases. The Family Violence Unit prosecutes crimes of domestic violence, child abuse, and elder abuse. Appeals and demands for jury trials in the District Court cases are litigated in the Circuit Court.

☀ District Court Screening and Mediation

The District Court Screening program resolves cases before the trial date by contacting victims and witnesses to determine what outcome they would like to obtain from the criminal justice system. This program relies on volunteers and is supervised by permanent staff. It provides victim/witness assistance by delivering information about the criminal justice system to victims and witnesses whose cases are expected to go to trial. The Pre-Trial Mediation program is designed to resolve non-violent disputes

between individuals. Trained volunteers and a mediation specialist work to resolve issues and come to an agreement by which all sides will abide.

Juvenile Court Prosecution

The Juvenile Court Prosecution program prosecutes criminal violations committed by juvenile offenders in Montgomery County, and performs a preliminary review of all cases in which a juvenile is charged with a violent crime. This includes cases which have been reviewed by the Juvenile Services Administration and then referred to the State's Attorney's Office. In such cases, formal charges are filed where appropriate and litigated to disposition in the Juvenile Court, attempting to obtain restitution for victims when possible. This program also provides administrative support to Teen Court, a Countywide peer adjudication initiative for non-violent juvenile offenses.

FY25 Approved	2,555,764	17.50

Major Fraud and Special Investigations

The Major Fraud and Special Investigations Division investigates allegations of complex financial crimes such as real estate and other business investment fraud schemes for which the Police Department is unable to provide investigative resources. The division also investigates allegations of thefts involving attorneys stealing from clients, financial exploitation of elderly victims, and misconduct by public officials. When these investigations support criminal charges, the cases are charged, generally in the Circuit Court, and litigated to disposition by Senior Assistant State's Attorneys. A significant part of this program is attempting to obtain restitution for victims and businesses that have lost money in these complex cases. Program staff also provides guidance to police officers and investigators from other agencies in situations where financial crimes may be suspected.

☀ Victim/Witness Court Assistance

This program assists victims in criminal cases that have been designated as "victim-intensive" by virtue of the vulnerability of the victim or the type of crime. Victims receive direct court assistance from a Victim/Witness Coordinator. The coordinator guides the victim through the judicial process, provides assistance where necessary, and makes referrals to other County agencies as needed. In all other cases, Assistant State's Attorneys provide information and assistance to victims and witnesses. This program is staffed with permanent and volunteer personnel.

 MARC ELRICH, COUNTY EXECUTIVE

MISSION STATEMENT

The Office of the County Executive provides leadership to the community and administrative direction to the County's departments and offices. The Office is committed to providing accurate, timely, and effective support to the County Executive and the Chief Administrative Officer (CAO) as they carry out their responsibilities to residents and employees of Montgomery County in an atmosphere that is characterized by excellence, efficiency, openness, equity, and integrity.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of the County Executive is \$6,960,110, a decrease of \$110,413 or 1.56 percent from the FY24 Approved Budget of \$7,070,523. Personnel Costs comprise 81.87 percent of the budget for 44 full-time position(s) and six part-time position(s), and a total of 34.33 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 18.13 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Growing Economy**
-  **A Greener County**
-  **Easier Commutes**
-  **An Affordable, Welcoming County for a Lifetime**
-  **Safe Neighborhoods**
-  **Effective, Sustainable Government**

INITIATIVES

-  The Business Center Team has expanded proactive outreach. Business Liaisons spend about two days a week engaging businesses in the community to better assist and understand their challenges.

- ★ Launched client management system that provides faster, more reliable customer service to businesses. The system also ensures the County is tracking required metrics for the Racial Equity and Social Justice Act.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Increased staffing and efficiencies allowed the Business Center to assist more than 1,000 businesses to start and grow in the County, an increase of 230 percent from 2022.
- ★ Assigned Business Liaisons to regional offices to create greater synergies between the Regional Service Centers and County's service delivery. The Executive's support for more liaisons is to ensure all Regional Centers and Council Districts have at least one Business Liaison to personalize service delivery to more businesses.
- ★ Internal Audit completed nine audit reports in FY23 and FY24, including the following audits: Cash Management Reviews in the Recreation Department, Department of Transportation, Police Department, and Alcohol Beverage Services; Marriott Conference Center Management Agreement Audit; Vendor Administration; Information Technology Governance; and Purchasing Card Administration in Department of General Services and the Community Engagement Cluster. The audits are expected to be published in FY25.

PROGRAM CONTACTS

CAO - Supervision & Management of Executive Branch Departments

The Chief Administrative Officer (CAO) oversees the operations and services of all departments and offices of the Executive Branch. The CAO also advises the County Executive on all administrative and government operations/service-related matters and coordinates final review and decision-making on policies, programs, service delivery, budgets, legislation, regulations, and related matters. The CAO uses the following to carry out responsibilities: 1) The Constituent Services section coordinates responses to correspondence and electronic mail from our residents and identifies community/residents' concerns that require special attention/response; 2) The Innovation Program provides space and support for workers to collaborate cross-departmentally as they improve processes, reduce costs and errors, and improve constituent service; 3) The Business Center Team administers programs to support the growth and expansion of businesses in the County and serves as the business community's point of entry into the County government, providing direct services such as training and technical assistance through Business Connect, assistance with County processes and procedures, and economic development project incentives. The Business Center Team also manages the County's incubator network system and coordinates the implementation of the White Oak and White Flint Master Plans; and 4) The Criminal Justice Coordinating Commission (CJCC) seeks to enhance cooperation among the agencies involved in the criminal justice system in Montgomery County and to ensure that they address the issues facing the system.

Innovation

The Innovation Team Program supports colleagues across the Montgomery County government to more deeply understand challenges and redesign how government serves people. The Accelerator course guides employees through a structured problem-solving approach to make tangible improvements to their processes and systems. The Civic Design Team facilitates progress on cross-departmental challenges, such as improving hiring and the customer experience. The Innovation Team uses a human-centered design approach to build a government where those closest to the challenges shape the solutions leading to services that seamlessly meet user needs. The Innovation Team anticipates the future needs of the County and proactively builds the capacity to deliver better services internally and externally.

 BORIS BRAJKOVIC, ELECTIONS DIRECTOR

MISSION STATEMENT

The mission of the Board of Elections is to register voters, conduct elections, assist persons seeking elective office with candidate filings and campaign fund reports, assist citizens seeking to place questions on the ballot, and preserve election data.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Montgomery County Board of Elections is \$17,141,137, an increase of \$4,479,676 or 35.38 percent from the FY24 Approved Budget of \$12,661,461. Personnel Costs comprise 34.20 percent of the budget for 32 full-time position(s) and two part-time position(s), and a total of 56.35 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 65.80 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **Effective, Sustainable Government**

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  A new Election Worker Management System is currently being built to leverage a modern framework and mitigate vulnerabilities in the existing application. The new system will streamline the communications, recruitment, training, and staffing of election workers and Future Vote students as well as the future administration of elections.

PROGRAM CONTACTS

Contact Thomas "Chuck" Williams of the Montgomery County Board of Elections at 240.777.8585 or Katherine Bryant-Higgins of the Office of Management and Budget at 240.777.2764 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front

of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

☀ Administration

The Administration program of the Board of Elections is responsible for delivering a fundamental and legally mandated public good by ensuring that all eligible citizens have the right to vote, and that elections are accurate, fair, and equitable. This requires effective management of resources from the State Board of Elections and County Government, as well as adherence to all Federal, State, and local laws and regulations. This is accomplished through the following activities: public records management, including the certification of election results with the Board of Canvassers; support to the County Board of Elections and its attorney; compliance with Montgomery County Government policies and regulations related to human resources, procurement, budget, etc.; liaising with the Maryland State Board of Elections; compliance with Federal and State statutory and regulatory requirements; and the effective coordination of public information. These combined activities are essential to ensure the accuracy and integrity of the election process and to instill public confidence in election results.

☀ Election Operations

The Election Operations program consists of three independent sections that ensure that both early voting and Election Day is successful. These sections are Polling Place Management, Election Judge Recruitment and Training, and Outreach.

The Polling Place Management section is responsible for leasing early voting locations and Election Day polling places, assigning all Montgomery County voters to Election Day polling places that are in the same or an adjacent precinct to the voter's home address, ensuring each polling place complies with the Americans with Disabilities Act and other State and Federal requirements,

ensuring all polling places have adequate ballots and supplies, and providing the Board of Elections with information about the cost of facilities, the accessibility of voting sites, and other criteria.

The timeline of Montgomery County's election process is dictated by the Maryland State Election Calendar and begins with the establishment of early voting centers and Election Day polling places. As Polling Place Management is preparing the supplies and equipment necessary to facilitate an election, other sections within Election Operations are preparing Election Judges, and providing voter outreach to the public.

Election Judge Recruitment and Training is responsible for the recruitment of registered Maryland voters to serve as Election Judges during Early Voting and Election Day. This section also provides training, assigns Election Judges to sites, and provides payment to each volunteer. Recruitment of volunteers is done year-round utilizing a variety of methods, with increased effort and focus in the six months preceding an election. A database of interested volunteers is managed by the section to maintain the efficiency of the selection process.

Training for all election workers is required by State law and is necessary for successful operations on Election Day. The training program includes both on-line and in-person class instruction throughout the County over a period of approximately 12 weeks. Each precinct team includes volunteers that are registered in different political parties, have various levels of experience, and have bilingual language capabilities. Following each election, the Election Judge Recruitment and Training staff completes payroll processing and conducts a thorough precinct performance review and audit.

Montgomery County is required under Section 203 of the Voting Rights Act to provide voting information in Spanish as well as English, and the Outreach section is responsible for meeting the cultural and linguistic needs of Montgomery County voters. This section is responsible for working with community groups and providing direct assistance to eligible residents, including those who are unregistered, for whom English is a second language, who have special needs or disabilities, who are homeless, or who live in underserved communities. With over 170 recognized languages, Montgomery County is a nationally recognized leader in providing effective voter outreach through voter-focused planning and community engagement. A key asset for the Outreach section is its national award-winning Future Vote Initiative that has recruited over 48,000 students to participate in elections since 2004. The Initiative has also recruited nearly 11,000 students that are at least 16 years old to serve as Election Judges.

Information Technology

The Information and Technology (IT) program supports the year-round security of all data and the efficient performance of voting equipment for thousands of voters during an election cycle. The IT program is responsible for network infrastructure; the production of data reports; the maintenance of systems related to election operations; the maintenance, storage and security of equipment; and the maintenance of website and database applications mandated for use by the State Board of Elections. The program coordinates with the Maryland State Board of Elections to organize and integrate voter registration information, to modify polling place precincts and district boundaries, and to transport voting equipment.

The IT program collaborates with Montgomery County's Department of Technology and Enterprise Business Solutions (TEBS) to implement enhancements to the Election Management System. The Election Management System is used to manage election workers, Future Vote students, and polling places. The program also coordinates with TEBS to implement technology that provides valuable information and resources to voters such as the display of wait times on the department website and allows voters to request and receive voting information by text message.

Voter Services

Accurate voter registration records are the foundation for fair and equitable elections, and accurate voter registration records are the basis of effective election planning. The Voter Services program administers voter registration and mail-in voting under procedures established by the State Administrator of Elections and is consistent with election law. Voter Services is also responsible for answering voters' questions and ensuring compliance with Federal and State confidentiality requirements. In addition, the Voter Services program coordinates the counting of mail-in and provisional ballots and ensures that each ballot for an election corresponds to a single eligible voter who has not cast more than one ballot.

Voter Services is a deadline-driven program that diligently processes a constant stream of incoming data. The program processes all changes to name, address, and party affiliation, and maintains a database of citizens that may not vote for reasons of death, felony conviction, ineligibility for jury duty, residency outside of the jurisdiction, or other valid legal reasons.

The program provides legally required training for volunteer registrars; responds to various voter and candidate requests for voter registration applications, listings, and data regarding registered voters; files candidates for office; verifies nominating and referenda petitions; and issues and canvasses mail-in and provisional ballots. The program also tracks returned mail and sends multiple mailings to voters for whom new eligibility information is obtained in order to comply with State and Federal requirements.

The program also provides voter registration data to municipalities within Montgomery County, and is responsible for researching provisional ballots, verifying same-day registration, performing monthly peer audits of other jurisdictions within the state, assisting military and overseas voters, administering voting for residents of nursing homes and assisted living facilities, receiving and staging ballots, conducting the post-election canvassing, counting and auditing of ballots cast, and reconciling and auditing mail-in and provisional voter credit.

Community Engagement Cluster

APPROVED FY25 BUDGET

\$10,072,919

FULL TIME EQUIVALENTS

 FARIBA KASSIRI, DEPUTY CHIEF ADMINISTRATIVE OFFICER

MISSION STATEMENT

The Community Engagement Cluster (CEC) builds stronger, informed, and inclusive communities. The Cluster strengthens Montgomery County's commitment to civic engagement and community service by engaging residents, organizations, businesses, and other community groups. The Cluster maximizes communities' assets - time, talents, and other resources - working collaboratively to address and resolve community issues.

Established in 2011, CEC is a combination of five Regional Services Centers, the Commission for Women, and the Office of Community Partnerships, which includes the Gilchrist Center, Volunteer Center, and Translations Unit, with each office/function having its own focus and expertise. The CEC shares administrative staff to support the administrative functions of the cluster.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Community Engagement Cluster is \$10,072,919, an increase of \$1,330,006 or 15.21 percent from the FY24 Approved Budget of \$8,742,913. Personnel Costs comprise 68.83 percent of the budget for 37 full-time position(s) and 21 part-time position(s), and a total of 47.25 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 31.17 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **An Affordable, Welcoming County for a Lifetime**
-  **Effective, Sustainable Government**

INITIATIVES

-  Assist departments in developing and implementing language access plans to provide high-quality services to the County's

multicultural and multilingual communities. Assistance will include developing materials in simplified language and providing training to front-line staff regarding interpretation and translation standards.

- ★ Increase engagement with multilingual communities through community forums and meetings, and social media platforms in languages other than English.
- ★ Implement a robust legal immigration service referral and data collection system maintained by the Gilchrist Immigrant Resource Center.

PROGRAM CONTACTS

Contact Yvette Torres of the Community Engagement Cluster at 240.777.8044 or Eva Acevedo of the Office of Management and Budget at 240.777.2763 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

☀ Administration

The Administration Unit of the Community Engagement Cluster oversees the daily operations, administrative functions, and policies related to various areas, including budget, procurement, financial management, contract/grant management, human resources, information technology, office space coordination, fleet management, and record management for the CEC offices and the four Urban Districts.

☀ Commission for Women

The Commission for Women's mission is to identify gender-based inequities in laws, policies, practices, and procedures, and to advocate remedies by advising the public and local, state, and federal agencies on issues of concern to women, including organizing events relating to these issues. In addition, the Commission is responsible for providing support, guidance, and leadership to the Montgomery County Human Trafficking Prevention Committee. The purpose of the Committee is to reduce and prevent human trafficking in Montgomery County by increasing understanding of the issue and developing interagency coordination of strategies

for response and prevention.

Community Partnership

The Office of Community Partnerships (OCP) is a bridge builder between the County's diverse communities and County government. Due to OCP's deep reach into communities, OCP worked closely with the Regional Directors to lead the County's 2020 Census Campaign. "Everyone Counts in Montgomery County" was a multifaceted campaign targeted toward historically undercounted communities (communities of color, multilingual and LGBTQ communities, children under 5, and seniors) and specific census tracts. Strategies included developing materials in the top six spoken languages in the county (Spanish, Chinese, Korean, French, Amharic, and Vietnamese), creating multilingual and multicultural media, use of social media, and collaborating with nonprofit partners. OCP realized there was significant overlap between targeted communities/census tracts and communities most impacted by COVID-19, and therefore tied COVID information (rental assistance, food resources, etc.) to Census outreach. As a result of Montgomery County's successful 2020 Census campaign efforts, OCP will continue to take the lead on the County's multilingual and multicultural communication outreach efforts.

Regional Services Centers

The County has five Regional Services Centers: Bethesda-Chevy Chase, East County, Mid-County, Silver Spring, and Upcounty. The Regional Directors in each of the County's five regions work with their respective regional citizens advisory boards, residents, community groups, businesses, and other public agencies to proactively seek and gather information and assess community needs, problems, and issues in order to provide effective and timely input representing their regions in policy discussions and

collaborations with departments on service offerings and delivery systems. The Regional Directors of the Silver Spring, Wheaton, and Bethesda/Chevy Chase regions provide oversight of the operations of their respective Urban Districts.

 **JOHN MARKOV'S, COUNTY ATTORNEY**

MISSION STATEMENT

The mission of the Office of the County Attorney (OCA) is to act as the Chief Legal Officer of Montgomery County Government and to conduct all its legal business.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of the County Attorney is \$10,489,686, an increase of \$2,866,038 or 37.59 percent from the FY24 Approved Budget of \$7,623,648. Personnel Costs comprise 87.16 percent of the budget for 78 full-time position(s) and one part-time position(s), and a total of 50.75 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 12.84 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Effective, Sustainable Government

INITIATIVES

-  Shift tax-supported and non-tax-supported chargebacks of attorneys' time from the Departments of Finance, Police, Correction and Rehabilitation, Board of Appeals, Housing and Community Affairs, Health and Human Services, Risk Management, Cable Television Communications Plan, and the Compensation and Benefits Non-Departmental Account to simplify and streamline budgeting practices.
-  Implement KnowledgeLake, a searchable online imaging system, which will contain hearings files to make OCA less reliant on paper files and more efficient. This new system will provide greater file security, increase productivity, streamline access, and reduce staff time needed to archive paper files.
-  Coordinate with Technology and Enterprise Business Solution's (TEBS) Geographic Information System (GIS) Unit to enhance the GIS portal to allow the public to see the location of all citations issued in Montgomery County. Users will be able to click on a map to view the geographical location of issued citations.
-  Provide continuity and knowledge preservation for their workforce through several preservation projects that will include memorializing and cataloging legal resources on OCA's intranet site for new attorneys on a variety of topics that arise with

frequency, such as legislation review, Maryland Public Information Act, Open Meetings Act, and the County's ethics law. OCA will also create a readily accessible appellate brief bank to save time when preparing appellate briefs.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  Provide funds to implement a Health Insurance Portability and Accountability Act (HIPAA) audit to ensure continued compliance with Federal law.
-  Collaborate with the Office of Management and Budget's (OMB) Shared Services Team to implement an agreement intake and approval workflow encompassing all parties to allow departments and attorneys to collaboratively review, track, and approve non-procurement contracts and MOUs throughout their life cycles. This is an adjunct to the Non-Procurement Contract Portal OCA launched in FY22 (in accordance with Administrative Procedure 2-4) and the MOU Review Portal OCA launched last year.
-  Continue providing and expanding ongoing training initiatives for County employees on a wide variety of topics, including the Open Meetings Act, the Maryland Public Information Act, and use of social media on behalf of the County.

PROGRAM CONTACTS

Contact Carolyn Kilgariff of the Office of the County Attorney at 240.777.6766 or Veronica Jaua of the Office of Management and Budget at 240.777.2782 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Administration

Under this program, administrative support, financial and operational management, and oversight is provided in support of the Litigation Program and the General Counsel Program. This program also provides administrative, research, and technical guidance and support to divisions within the department, allowing for an equitable distribution of work assignments, cross-training of staff, and fair evaluations of staff performance. The program provides administrative support to the Risk Management Fund, Revenue Authority, and Solid Waste Fund.

General Counsel

This program provides general counsel services to the agencies and instrumentalities of the County government. These general counsel services include providing legal advice to the Executive and Legislative Branches of County government; review of legislation and transactions for legal sufficiency; collection of debts owed to the County; representation of the County in child welfare cases; representation of the County in appellate cases; and representation of the County before administrative agencies.

¹ Following the enactment of the Federal Families First Prevention Services Act of 2018, Child Welfare Services (CWS) is mandated to provide further enhanced efforts to maintain children and families in the home and avoid removal and placement in foster care.

² Total TRP petition filed is 34 and total denied is zero. Total pending is 14. Total granted is 9. Total withdrawn is 11. Even the number of granted is lower due to number of cases withdrawn and pending, but total denied is zero.

³ The percentage granted in FY23 is result of number of cases still pending. Total TPR/Adoption petition filed is 72 and total denied is zero. Total pending is 23. Total granted is 38. Total withdrawn is 11. The percentage of granted is 100% after deducting withdrawn and pending.

⁴ The number of CINA cases closed is outside the exclusive control of OCA or CWS. Once a CINA petition is filed with the Juvenile Court, the Court reviews the administrative actions of CWS in the context of active contested litigation and only closes a CINA case when permanency for the child (reunification, adoption, custody & guardianship, Another Planned Permanent Living Arrangement) is achieved.

Litigation

Through this program, OCA represents the County (and other members of the Self-Insurance Fund) before all courts and

administrative agencies in which claims for relief are sought in connection with alleged wrong-doing by members of the Self-Insurance Fund and their employees. The Litigation program also provides the County with legal representation in State and Federal courts in connection with legal actions brought by the County to enforce County law. For FY25, all attorneys and most of the staff in this program are fully charged to the Self-Insurance Fund (SIF).

¹ The amount of money Plaintiffs said they were seeking decreased. The Maryland Rules now provide that when a Plaintiff files suit in Circuit Court to recover damages that are more than \$75,000, their complaint should not specify the entire amount of damages they seek. Instead, their Complaint should simply say that their damages exceed \$75,000 in value. While this Rule has been in effect since 2014, it has taken a while for Plaintiffs' attorneys to limit their prayer amounts to "in excess of \$75,000" but most attorneys in Circuit Court are now doing so.

² The judgment amounts in FY23 increased from those in FY21 and FY22 in response to the court's resumption of full time operations after two years of Covid closures and delays. The judgments were due to some "catch up" trials in FY23. Additionally, there was one large judgment for attorney fees in a case where the jury found the County had discriminated against an employee due to her disability. While the jury awarded the Plaintiff herself zero damages, because of the finding of discrimination against the County, the Court awarded the Plaintiff a portion of her claimed attorney fees in the amount of \$837,925.49.

³ "Win" includes verdicts in favor of the plaintiff where the County pays a judgment below last demands.

⁴ Six of the seven judgments paid in FY23 were below last demand, which is still in the County's favor.

⁵ The lower number in FY22 is due to the court closure and backlog from COVID-19: both the delay in filing them due to the court closure for the corresponding criminal cases and the delay in getting them set in for hearings.

⁶ The Maryland Workers' Compensation Commission issues awards on the nature and extent of an employee's job related injuries. Independent medical evaluations are performed by the injured worker's physician and the employer/insurer's physician. The Commission's award is typically a number between the employee's and employer/insurer's evaluation. If the amount the Commission determines that the County must pay is below the average of the two evaluations, that is considered a net gain to the County.

Ethics Commission

APPROVED FY25 BUDGET

\$416,473

FULL TIME EQUIVALENTS

2.00

ERIN CHU, DIRECTOR

MISSION STATEMENT

The Ethics Commission exercises authorities granted to it under the Public Ethics Law to promote the public's trust of County government and to ensure the impartiality of County employees, including elected officials, in the execution of their responsibilities.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Ethics Commission is \$416,473, an increase of \$25,220 or 6.45 percent from the FY24 Approved Budget of \$391,253. Personnel Costs comprise 90.79 percent of the budget for two full-time position(s) and no part-time position(s), and a total of 2.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 9.21 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Effective, Sustainable Government

INITIATIVES

- Consistent with statutory requirements, the lobbying activity reporting system will be adjusted to require reporting of the specific matters on which lobbying has occurred. When activity reports are filed in July of 2024, lobbyists will be required to "list each matter on which lobbying occurred during the reporting period: use bill numbers, formal designations or other specific references or detail in describing the matter".
- Commission staff will implement a training video to support the mandatory one-hour online ethics training program for new County employees. This video will be available for those unable to attend the live online training provided by Commission staff.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

Changes to the Public Ethics Law through amendments to Montgomery County Code §11B-52 became effective in February

2023, resulting in Commission staff implementing new program requirements, including making changes to the financial disclosure system's reporting requirements.

PROGRAM CONTACTS

Contact Erin Chu of the Ethics Commission at 240.777.6676 or Eva Acevedo of the Office of Management and Budget at 240.777.2763 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable). The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Ethics Program Compliance

Financial Disclosure: The Public Ethics Law requires filing of financial disclosure reports by certain County employees. The Ethics Commission administers the electronic filing system for reporting and coordinates with the Office of Human Resources and all County agencies regarding the status of filers. It resolves all anomalous circumstances and questions from filers that routinely arise associated with the filing of financial disclosure reports and the system designed for that purpose.

Outside Employment: The Public Ethics Law requires that County employees obtain approval from the Ethics Commission prior to engaging in any employment other than County employment. The Ethics Commission administers an online process pursuant to which requests are made and reviewed by the employee's agency. The Ethics Commission staff prepares all requests for consideration by the Ethics Commission, including obtaining additional information from requestors and County agencies and conducting preliminary legal analysis of requests. The Ethics Commission approves requests, as appropriate, setting conditions on approval as necessary to ensure compliance with ethics requirements, and staff notifies requestors by letter of the disposition of requests. The Ethics Commission publishes and updates approved outside employment information required to be made public by the Public Ethics Law.

Lobbying: The Public Ethics Law requires certain persons who spend or receive over \$500 to communicate with County officials

and employees to register as lobbyists and to file semi-annual activity reports with the Ethics Commission. Annual registration fees are required and are paid to the Ethics Commission and processed and deposited in the General Fund. The Ethics Commission publishes and updates information required to be made public by the Public Ethics Law.

Complaints, Investigations, and Hearings: Pursuant to the Public Ethics Laws, the Ethics Commission receives complaints and, as appropriate, conducts investigations, and/or hearings; makes findings; and imposes sanctions and penalties, if warranted.

Advisory Opinions, Waivers, and Advice: In accordance with the Public Ethics Law, the Ethics Commission answers inquiries on the application of the Public Ethics Law, publishes opinions, and grants waivers of Ethics Law requirements, as appropriate.

Education: The Ethics Commission conducts public education and other information programs regarding the Public Ethics Law.

Legislative and Regulatory: The Ethics Commission recommends and prepares new ethics legislation and regulations.

Coordination and Outreach: The staff of the Ethics Commission coordinates with the Office of the County Attorney and the Office of the Inspector General as necessary on legal and investigative matters. The staff also serves as the principal public resource on the County's Ethics Laws, including managing a website that reflects Ethics Commission programs, activities, and publications such as annual reports, approvals of outside employment requests, lobbying data, and waivers and opinions.

Administration: The staff of the Ethics Commission is responsible for ensuring that Ethics Commission meetings are conducted in accordance with the Open Meetings Act and other applicable law. The Ethics Commission members are informed and advised as to all material matters under their jurisdiction.

MISSION STATEMENT

The mission of the Department of Finance is to prudently manage financial operations, recommend and implement sound fiscal policies, safeguard public assets, and encourage a safe environment on public property.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Finance is \$132,198,575, an increase of \$20,055,822 or 17.88 percent from the FY24 Approved Budget of \$112,142,753. Personnel Costs comprise 16.06 percent of the budget for 125 full-time position(s) and no part-time position(s), and a total of 129.24 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 83.94 percent of the FY25 budget.

The Finance Operating Budget is comprised of a General Fund component (the Director's Office and the Divisions of Fiscal Management, Treasury, Information Technology, and Controller) and the Division of Risk Management, which is funded by the Liability and Property Coverage Self-Insurance Fund. The total FY25 Operating Budget for the General Fund component is \$19,369,018 an increase of \$2,543,100 or 15.1 percent over the FY24 Approved Budget of \$16,825,918. Personnel Costs comprise approximately 81 percent of the General Fund budget for 114 full-time positions. A total of 97.87 FTEs includes these positions as well as any seasonal or temporary positions and positions charged to or from other departments or funds. Operating Expenses account for the remaining 19 percent of the budget.

The total FY25 Operating Budget for the Self-Insurance Fund component of Finance (Risk Management) is \$112,829,557, an increase of \$17,512,722 or 18.4 percent over the FY24 Approved Budget of \$95,316,835. Personnel Costs comprise approximately 5 percent of the Self-Insurance Fund budget for 11 full-time positions. A total of 31.37 FTEs includes these positions as well as any seasonal or temporary positions and positions charged to or from other departments or funds. Operating Expenses account for the remaining 95 percent of the budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

 **A Growing Economy**

INITIATIVES

- ★ Selected as an inaugural member of the Harvard Kennedy School Government Performance Lab's Green RFP Bootcamp to retool the upcoming printing and mailing services for tax operations to include a sustainability-related component.
- ★ Solicit Requests for Proposals (RFP) for third-party workers compensation claims services and insurance broker services.
- ★ Transition to a new banking vendor that was selected from a competitive RFP process.
- ★ Upgrade the County's enterprise timekeeping and all scheduling systems to the vendor's new software as a service platform before vendor's end-of-life date of these products.
- ★ Upgrade the property tax billing system to the vendor's newer software as a service platform.
- ★ Continue leveraging automation software, business process reengineering, and developing customized software applications to meet the unique requirements of the department.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Updated the Payment in Lieu of Taxes (PILOT) system that is utilized for property tax billing for certain accounts by leveraging newer technologies.
- ★ Implemented robotic process automation jobs to streamline tasks related to Accounts Receivables and Accounts Payable.

PROGRAM CONTACTS

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Controller

This program provides effective management and support to the operations of Accounts Payable and Receivable; General and Grant Accounting; Financial Analysis, Audit and Compliance; and Timekeeping and Payroll. This program, through its operations, is responsible for overseeing expenditures and cash flow management; preparing timely and accurate annual financial statements and other standardized reports; complying with Federal, State, and County mandates; and developing standardized County policies and procedures.

The Accounts Payable (AP) section is responsible for timely and accurate payments to vendors for goods and services provided to the County; complying with County policies and procedures; and carrying out State and Federal reporting requirements.

The Accounts Receivable (AR) section is responsible for the timely receipt and accounting for monies due to the County from residents, businesses, and government agencies. In conjunction with the implementation of the Enterprise Resource Planning (ERP) system and associated best practices, it also provides services including invoicing/billing, collection, accounting, reconciliation, and reporting reconciliation of monies due.

The General and Grant Accounting sections are responsible for the analysis, interpretation, and presentation of the County's financial position and results of operations through timely, accurate, and professional financial reports. These reports provide public assurance as to the accountability and integrity of the use of Federal, State, County, and other outside resources; adherence to budgetary policies established by management; and compliance with Federal, State, and County mandates. The program prepares the Annual Comprehensive Financial Report, Debt Service Booklet, the Single Audit Report on Expenditures of Federal Awards, and the State Uniform Financial Report, as well as numerous other standardized and specialized reports. This program also provides high-quality, timely service to County departments through analysis and technical assistance and through preparation, review, and approval of financial transactions, including grants.

The Financial Analysis, Audit, and Compliance (FAAC) section is responsible for performing extensive financial analysis to improve financial reporting, coordinate controls and requirements over enhancements to functions in Oracle EBS financial modules, perform audits of financial transactions, and ensure compliance with department and Countywide policies.

The Timekeeping and Payroll section is responsible for managing and maintaining the County's payroll system and functions as prescribed by Federal, State, County laws, and local regulations. It provides timely and accurate payroll disbursements to County employees, accounts for payroll deductions, issues W-2 statements to account for pre-tax and post-tax benefits, maintains official payroll and leave records, and responds to internal and external inquiries. Timekeeping and Payroll proactively operates in conjunction with other County departments to maintain and develop efficient and effective improvements to personnel/payroll by providing timekeeping and creating reporting tools available within the Oracle Business Intelligence Tool (BI).

Fiscal Management

This program provides effective management of County capital and operating fund; and the fiscal analysis and issue management associated with master plan development, economic development, and legislative issues. It is also responsible for issuing and managing the County's financial obligations to fund the Capital Improvements Program and manage cash flow; provide accurate revenue and economic forecasting and publishing reports on economic and revenue analysis on a quarterly basis for dissemination to the County Council, County Executive, and the public. One of the program's primary goals is to maintain the County's AAA General Obligation Bond debt rating and to actively invest the County's working capital to safely preserve principal, provide sufficient liquidity to meet cash flow requirements, and maximize investment returns while conforming to all State of Maryland laws and County statutes governing the investment of public funds.

Program objectives related to debt and cash management include: managing the timely and economic issuance of short and long-term financial obligations; developing and maintaining strong rating agency and investors relations; preparing accurate and timely financing documents, including the County's Annual Information Statement; ensuring strict compliance with disclosure requirements; coordinating bond counsel review; providing high-quality consulting services for County agencies, managers, staff, elected officials, and residents on issues related to debt and cash management; investing the County's working capital; and managing the County's relationship with the banking and investment community.

Program objectives related to policy and fiscal projects include the proactive development of intergovernmental policy alternatives and recommendations including: necessary local and State legislation and regulations; fiscal impact analysis for local and State legislation; fiscal impact analysis and effective management associated with the financing and implementation aspects of Master and Sector Plans; implementing and managing County initiatives such as the Public Election Fund and Commercial Property Assessed Clean Energy (C-PACE) programs; managing the administration of economic development initiatives that support growth and/or expansion of economic opportunities in the County; and high-quality financial consulting services for County agencies, managers, staff, elected officials, and residents.

☀ Risk Management

The Montgomery County Self-Insurance Program, established under County Code 20-37, provides comprehensive property and casualty insurance for the County and participating agencies. The program pays all claims for Self Insured Workers' Compensation, General and Auto Liability, Auto Physical Damage, and Property matters. The program is funded through contributions from the agencies, which are based upon an annual actuarial analysis of their exposures and outstanding and projected future claims. The program provides accurate and timely insurance and risk management advice to County departments and participating agencies and reduces County and participating agency exposure to risk by: comparing the cost of commercially available coverage to evaluate the best method of funding exposure to loss; transferring contractual risk under indemnification/hold harmless agreements; and recommending and reviewing contractual insurance requirements for County agreements. The program also purchases commercial insurance policies. The program maintains a contract agreement with a third-party claims administrator to handle all claims submitted to the County and agencies - including Workers' Compensation, General Liability, Automobile Liability, Auto Physical Damage, and Property damage.

Treasury

This program is responsible for providing coordination and oversight of treasury operations and customer services through the cashiering function. All money received by the county directly through the Treasury cashiering operation, from other County agencies, or through the internet and bank lockbox operation is processed, administered, and recorded in a timely fashion in the County's accounting system. This program handles property, transfer and recordation, excise taxes, fines, and fees. It also offers specific employee services, such as the fare media pass. Functioning as a banking operation, the tellers are the primary provider of person-to-person contact with County residents.

 DAVID DISE, DIRECTOR

MISSION STATEMENT

The mission of the Department of General Services Division of Fleet Management Services (DFMS) is to plan for, acquire, maintain, fuel, and dispose of the County's fleet of motor vehicles, buses, heavy equipment, and other vehicular equipment in support of the transportation and service delivery needs of all County departments. The division maintains four shop locations and thirteen fuel sites, and operates out of six depots Countywide.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Division of Fleet Management Services is \$102,321,758, an increase of \$14,024,806 or 15.88 percent from the FY24 Approved Budget of \$88,296,952. Personnel Costs comprise 27.64 percent of the budget for 206 full-time position(s) and no part-time position(s), and a total of 211.10 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 72.36 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **A Greener County**
-  **Easier Commutes**
-  **Effective, Sustainable Government**

INITIATIVES

-  Develop a solar microgrid project to support zero emission bus fueling at the Gaithersburg Bus Depot. The Division of Fleet Management Services is working with the DGS Office of Energy and Sustainability to plan the microgrid, which will provide a clean and resilient energy source to charge electric buses and produce green hydrogen for fuel cell buses by using electricity to extract hydrogen from water.
-  Procure approximately 100 electric Ride On buses in FY24-27. The buses will operate at the Silver Spring and Gaithersburg Depots to fully utilize the solar microgrids at these locations.

-
- ★ Build out additional electric vehicle charging infrastructure at County facilities and fueling sites to support the transition to a zero emission fleet.
 - ★ Pilot a program with Montgomery County Fire and Rescue Service to use the fully-electric Ford F150 Lightning as a Battalion Chief Vehicle. DFMS will provide vehicles and on-site charging infrastructure and help to evaluate the suitability of electric vehicles for this role.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Initiated an apprentice program in response to hiring challenges and the need to develop a workforce capable of supporting zero-emission technologies. After completing a 2- year training program, successful apprentice technicians are capable of performing skilled maintenance work on the County's fleet of transit buses and heavy equipment. DFMS is also working with Montgomery College and the State of Maryland to develop a hiring pipeline and enhance the apprentice training experience.
- ★ Procured a medium-duty electric truck, the first in the County fleet, to replace an older box truck currently operated by Montgomery County Public Libraries. The new electric truck purchase was assisted by a grant from the Maryland Energy Administration.
- ★ Provided a Ford Mach-E electric vehicle for the Montgomery County Department of Police as a pilot to explore the suitability of electric vehicles for police patrol use. Wide-scale availability of zero emission patrol vehicles is expected by 2025.
- ★ Replaced 24 vehicle lifts to provide a safe work environment while also reducing the County's carbon footprint. The new lifts, which replaced 20-year old equipment, use regenerative technology to recharge their batteries when a vehicle is lowered.

PROGRAM CONTACTS

Contact Luis Solis of the Division of Fleet Management Services at 240.777.5759 or Gary Nalven of the Office of Management and Budget at 240.777.2779 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Administrative Automotive Services

Administrative Automotive Services maintains and repairs the automotive light fleet for all administrative vehicles including automobiles, vans, and light trucks. Maintenance and repair of the automotive and light truck fleet are provided through contractual services at the Seven Locks maintenance facility. DFMS serves the transportation needs of 30 individual County departments and provides maintenance and repair services to several other agencies and governments in the area including fire departments and local municipalities. Without properly maintained vehicles, County services to residents would be severely impacted.

Business Support Services

Business Support Services prepares and monitors the budget, oversees financial management of the Motor Pool (MP) Internal Service Fund, and processes payments, solicitations, requisitions, and purchase orders. Fleet prepares MP Fund financial statements for the Annual Comprehensive Financial Report (ACFR) including Balance Sheet, Statement of Revenues, Expenses, Changes in Fund Equity, and Statement of Cash Flow. Fleet's Parts Team provides tools, equipment, and parts for the repair and maintenance of the Fleet via an end-to-end process flow including trained supervisors and technicians, stockroom policies and procedures, safety regulations, contracts, and a computerized inventory system that drives receiving, stocking, issuing, forecasting, reporting, and accountability.

Heavy Equipment Services

Heavy Equipment Services (HES) maintains and repairs heavy equipment, including heavy dump trucks, straight trucks, construction equipment, snow plows, leafers, mowers, backhoes, hydraulic excavators, and other specialized pieces of equipment.

HES provides maintenance support for public safety and other County vehicles that support services to County residents, without which such services would be severely impacted. HES maintains the County's dump trucks before, during, and after a storm, ensuring high availability of equipment to provide safe travel routes for emergency vehicles and County residents. HES provides direct vehicle maintenance support at the Gaithersburg, Poolesville, Damascus, Bethesda, Colesville, and Silver Spring depots.

Operational Management

Operational Management provides policy development and planning; operational, personnel, and management oversight; and support for division activities. The focus is to become the benchmarked leader of innovative fleet operations, maintenance excellence, and exceptional teamwork by leveraging technology to maximize operational efficiencies, fleet accountability, and customer service. Performance metrics illustrate trends, the results of work efforts, and the effects of policies. Fleet's zero-emission transition strategy combines sound management, fleet rightsizing, alternative fuel infrastructure, innovative technology to reduce fuel consumption, and acquisition of lower emissions vehicles, with zero-emission vehicles required in feasible use cases.

Public Safety Automotive Services

This program is responsible for the maintenance, repair, and upfitting of the light automotive fleet supporting Police, Fire, Sheriff, and other public safety services. Maintenance and repair service for the public safety light fleet is provided through contractual services at the Seven Locks maintenance facility. Transit Equipment Services

Transit Equipment Services (TES) provides scheduled and non-scheduled maintenance and repair of the Ride On Bus fleet at three locations: Brookville Maintenance Facility (BMF), Equipment Maintenance and Transit Operation Center (EMTOC), and Small Transit Shop (STS). TES supports FLASH, the County's bus rapid transit system with features that improve reliability and capacity; FLEX, an on-demand transit service that helps residents get around in defined Rockville and Glenmont/Wheaton zones; and the County's ongoing transition to a zero-emission bus fleet. TES implemented a contractor-based preventive maintenance business model which supplemented operations and increased capacity to meet federally mandated maintenance requirements.

The transit technician onboarding and training program has contributed to improved equipment availability and injury reduction.

² The Federal Transit Administration requirement is 12,000 miles. FY22 data is an anomaly based on low utilization as a result of COVID-19. Ride On added a new bus service with 16 new buses. It is expected that the reliability will be more in line with the fleet average as the vehicles age.

 HEATHER BOIS BRUSKIN, DIRECTOR

MISSION STATEMENT

The mission of the Office of Food Systems Resilience (OFSR) is to develop and implement interagency budgetary, regulatory, and operational strategies to build a more equitable, efficient, resilient, and sustainable food system in Montgomery County.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Growing Economy**
-  **An Affordable, Welcoming County for a Lifetime**
-  **Effective, Sustainable Government**

INITIATIVES

-  Lead the transition from federally supported pandemic-era funding approaches to a long-term framework for strategic investment in food security programs. This transition includes reinforcing the solid foundation of existing food security resources developed during the pandemic, while strategically implementing new initiatives to close service gaps, align investments with values of equity and resilience, and better leverage Federal and State funds. In FY25, OFSR will partner with the Capital Area Food Bank and the Manna Food Center to facilitate the transition and provide community food assistance providers specialized access to shelf-stable and fresh food for distribution to food insecure residents in a grant-centered approach that strengthens the capacity of the County's robust network of organizations.
-  Continue the phased implementation of long-term food security initiatives that began with Special Appropriation #24-37. OFSR will continue to implement the Strategic Plan to End Childhood Hunger through the Retail Food Access Program, the Food as Medicine Program, School-Based Food Security Partnership Grants, and grants that maximize enrollment in federal nutrition programs, as well as support community-based initiatives. In addition, OFSR will work to strengthen local food system infrastructure through investments in projects that aggregate, process, and/or distribute food from local producers to enhance immediate and long-term food security in the region.
-  In coordination with the Office of Racial Equity and Social Justice, address the racial inequities and disparities present in all aspects of the food system.
-  Engage with statewide, regional, and national partners to share best practices, maximize external resources, and implement collaborative strategies for policymaking that strengthen equity and food system resilience. Establish interagency coordination

mechanisms within County government, including the Food Systems Leadership Committee and a food systems workgroup.

- ★ Serve as a liaison between government and food system partners, including residents, businesses, and non-profit organizations. Establish communications, survey mechanisms, and feedback loops to ensure policy development and implementation is directly informed by the insight and expertise of the community.
- ★ Conduct landscape assessments and gap analyses of County food system financial investments and assets, County food systems policy, and currently available food systems data collected both internally and externally, including communication and analysis of data. Develop comprehensive grantee service data collection and reporting processes that gather essential data to evaluate program performance and inform future funding decisions.

PROGRAM DESCRIPTIONS

☀ Food Systems Resilience

OFSR is charged with developing and maintaining a strategy for improving the efficiency, equity, sustainability, and resilience of the food systems in Montgomery County. Through fostering public-private partnerships with the community for systems change, OFSR will expand upon the County government's investments in ensuring equitable and dignified access to nutritious, culturally diverse foods for all residents and harness the unique strengths of business, nonprofit, and government partners to enhance the health of our people, economy, and natural resources. Ensuring greater County government focus on food systems data collection, monitoring, and reporting (including food access and security data) is a priority of OFSR.

 DAVID DISE, DIRECTOR

MISSION STATEMENT

The Department of General Services (DGS) proactively serves the diverse business and service requirements of all County departments, providing a single point of government-to-government service, enabling departments to successfully complete their respective missions, and thereby, adding value to the services performed by Montgomery County to County residents.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of General Services is \$50,598,882, an increase of \$3,157,398 or 6.66 percent from the FY24 Approved Budget of \$47,441,484. Personnel Costs comprise 43.08 percent of the budget for 237 full-time position(s) and no part-time position(s), and a total of 173.30 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 56.92 percent of the FY25 budget.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **A Growing Economy**
-  **A Greener County**
-  **Effective, Sustainable Government**

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  Continuing the lighting and lighting control upgrades and monitoring-based commissioning of facilities to reduce energy use and improve efficiency.
-  Initiating a Virtual Commissioning program for future Building Energy Performance Standards (BEPS) in buildings in conjunction with Pepco to reduce energy use and improve efficiency.
-  Performing a feasibility study of the Oaks Landfill in conjunction with the Department of Environmental Protection to determine the viability of potential solar and hydrogen production on site.

-
- ✦ Initiating the construction of a large solar array and battery system at the Equipment, Maintenance, and Transit Operations Center (EMTOC) facility to produce solar energy and support green hydrogen production in support of the County initiative to move to a zero-emissions bus fleet.
 - ✦ Continuing the affordable housing initiative, AHC Inc. was selected as a partner to redevelop the former Department of Recreation headquarters property with 195 for-sale and rental housing units affordable to households earning between 30% and 70% of the area median income (AMI). This project has come to completion and a groundbreaking ceremony was held in January 2023. This project is the County's largest-ever affordable housing project.
 - ✦ Building on the County Executive's commitment to expand affordable housing in the County, the Office of Planning and Development continue to refine a plan to redevelop the Burtonsville Park & Ride site. This will include a new County-owned parking garage and approximately 300 apartments, of which 30% will be affordable for households earning between 30% and 85% of the AMI. In FY23, the office received a State grant to support the project.
 - ✦ Collaborating with the multifamily developer, Montgomery Housing Partnership, on development agreements and refining concept plans for locating the Wheaton Arts and Cultural Center (WACC) in a future affordable multifamily building within Wheaton Arts and Entertainment District. WACC will be a community-oriented arts incubator that will include performance spaces, classrooms, gallery space, and administrative space for local arts organizations.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

✦ Administration

The Administration program provides services in three key areas: 1) The Director's Office provides overall leadership for the department including policy development, strategic planning, emergency preparedness and operations, accountability, service integration, performance measures, and customer service; 2) The Office of Planning and Development in the Director's Office supports the County Executive's redevelopment and other key strategic capital initiatives; 3) The Division of Central Services provides oversight and direction for the preparation and monitoring of the operating budget and Capital Improvements Program (CIP) budgets for the Department; payment processing; management and administration of information technology; oversight of all personnel activities; and oversight and management for compliance with the Americans with Disabilities Act (ADA), and increasing access to County facilities for residents and employees with disabilities. The Division of Central Services also handles administration of the day-to-day operations of the department including direct service delivery, training, and oversight of procurements and contract management for the department.

Building Design and Construction

This program provides for the overall management of the department's Capital Improvements Program (CIP) for facilities. This program includes the comprehensive, timely, economic, and environmentally efficient planning, design, and construction of buildings for County use, as well as public venues owned by the County. This program also provides comprehensive architectural and engineering services from planning through design. Functional elements include programming, contract administration, planning management, design management, and project management. Each County project includes an array of sustainable features to reduce the impact of the facility on the environment and lifecycle costs. These features are derived from an integrated design process that evaluates each measure, such as energy efficiency, onsite renewables environmental site design, and enhanced monitoring, collectively reducing utility and other costs. The planning and design of facilities follows best practices in project design and construction estimating and the timely delivery of facilities based on project schedules in the County CIP. This program is fully charged to the CIP.

Central Duplicating, Imaging, Archiving, & Mail Services

This is an Internal Service fund program that provides timely and efficient document management to County Government through high-speed digital printing services, graphic design, electronic publishing, high-speed color digital printing, full-service bindery, large format and banner printing, digital imaging, and electronic and physical archiving of County records. The program administers and manages the Countywide paper and multi-functional printer contracts, as well as a full-service mail operation that processes and scans all classes of incoming/interoffice mail. Mail operations also processes outgoing mail to the U.S. Postal Service and delivers mail/partial packages to all County departments and agencies.

☀ Energy and Sustainability

The Energy and Sustainability (ES) program is responsible for facilitating comprehensive energy and sustainability strategies across County operations. It leads the County's green government programs which crosscuts County departments and DGS divisions. Specifically, ES supports, implements, or facilitates programs to improve energy efficiency, expand clean energy use, promote sustainable sites, enable clean transportation, encourage environmentally preferable purchasing, and foster resource saving behaviors by County employees. These initiatives foster collaboration, leadership, innovation, and performance measurement to ensure the County delivers the highest quality services at the lowest environmental impact.

☀ Facilities Management

The Division of Facilities Management's mission is to provide the comprehensive planning and delivery of maintenance services and oversight of building-related operations at County facilities used by County staff and residents. Components of these programs are:

- routine, preventive, and corrective maintenance;
- custodial and housekeeping, grounds maintenance, recycling, and trash removal services;
- building structure and building envelope maintenance;
- engineering support services and various project management services;
- electrical/mechanical systems operations and maintenance;
- small to mid-sized building remodeling projects;
- snow removal and storm damage repair from snow, wind, rain, and storm events; and
- internal customer services.

Through Building Automation Systems (BAS), technicians implement an energy management program to monitor and maintain heating and cooling systems, ensuring the most efficient use of these services.

In addition, Facilities Management oversees moving services and several comprehensive Capital Improvements Program (CIP)

projects aimed at sustaining efficient and reliable facility operations to protect and extend the life of the County's investment in facilities and equipment.

Real Estate Program

This program provides for leasing, site acquisition/disposition, space management, and site evaluation. The leasing function recommends, plans, coordinates, implements, and administers the leasing of real property for both revenue and expense leases, including closed school facilities, at the best economic and operational value to the County. Site acquisition is the purchase of property for County use and disposition is the sale or lease of surplus property. The space management function provides for the efficient and aesthetic utilization of space in County-owned and leased facilities. The site evaluation function provides technical support to site evaluation committees for Capital Improvements Program (CIP) projects.

 RAFAEL PUMAREJO MURPHY, DIRECTOR

MISSION STATEMENT

The mission of the Office of Grants Management is to develop and support best practices for grants management throughout Montgomery County Government that are consistent with racial equity and social justice goals. In addition, the office serves as a central point of contact regarding grants that the County receives or awards; provides technical assistance regarding grants management to Executive Branch departments and principal offices; and searches out and identifies Federal and State grant opportunities to Executive Branch departments and principal offices.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Grants Management is \$1,044,508, an increase of \$435,130 or 71.41 percent from the FY24 Approved Budget of \$609,378. Personnel Costs comprise 82.35 percent of the budget for six full-time position(s) and no part-time position(s), and a total of 6.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 17.65 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Effective, Sustainable Government

INITIATIVES

-  A second Incoming Grants Program Manager II position within the Office of Grants Management will coordinate cross-departmental efforts to apply for and win large-scale energy, environment, and infrastructure State and Federal grant opportunities. As awards come in, the position will provide departments grants management training, mentoring, and support with implementation, reporting, and other compliance requirements.
-  The Office of Grants Management will manage a pool of flexible funding for grants pursuit and management tools that can be strategically allocated across departments to meet emerging, major opportunities and/or to be shared amongst smaller departments and offices who have infrequent grant opportunities. These specific grant training, search, pursuit, and leveraging tools are important resources for getting departments "Grants Ready" to attack grant opportunities as they arise or better manage awards received.

-
- ★ The Office of Grants Management will organize an internal "Grants Ready" conference for MCG employees who have a grants role in their department. The conference events will include, but not be limited to, Federal grant writing and grant management best-practices led by outside experts as well as internally led trainings on County procurement strategies for grants, how to hire staff with grants experience, and key internal grants related processes.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Expand the use of the Office of Grants Management's Outgoing Grants online application platform to more efficiently and expeditiously manage grant agreement approvals, documentation tracking, processes transparency, and overall accountability.
- ★ Build upon successful FY24 Incoming Grant tool pilots to increase the use of grant application kick-off meetings, post-mortems, and other customized training practices that enhance the grant skills of existing MCG staff, expedite grant decision-making and maximize application development windows, and ensure lessons-learned are applied to future grant opportunities.
- ★ Formalize an Outgoing Grants Learning Path that covers the full life-cycle a grant, from appropriation to close-out compliance, to help departments understand grants when grants may be an appropriate alternative funding tool to procurement contracts, how to design effective competitive grant programs, and oversee implementation of resulting grant awards.

PROGRAM CONTACTS

Contact Rafael Pumarejo Murphy of the Office of Grants Management at 240.777.2775 or Mahnoor Anjum of the Office of Management and Budget at 240.777.2771 for more information regarding this department's operating budget.

PROGRAM DESCRIPTIONS

★ Grants Management

The Office of Grants Management leads Countywide grants strategy and planning by developing Countywide policies and procedures to implement best practices regarding grants management; maximize the County's use of Federal, State, and non-governmental grant opportunities; maximize the efficiency and effectiveness of grants awarded by the County; ensure public transparency and ethical practice in grants management; and ensure that grants management in the County is consistent with the County's racial equity and social justice goals. The Office of Grants Management's five core functions in County government are to integrate Racial Equity and Social Justice considerations into all aspects of County grants management, assist departments with winning and complying with outside grant awards, organize equitable and inclusive competitive grant programs in partnership with departments, issue County awards as grant agreements, and report County grants management activities to the County Executive, County Council, and public.

The office also maintains a grants database that includes current information regarding each grant opportunity offered by the County as well as each grant received or awarded by the County. The Director is responsible for submitting quarterly reports on the activities of the office to the County Executive and County Council. These include an overview of the grants process and awards; data regarding grants received or awarded by the County; public outreach activities and outcomes; progress in racial equity and social justice goals; and any recommendations to improve policies and procedures regarding grants management in the County.

Operating Expenses account for the remaining 96.77 percent of the FY25 budget.

The Office of Human Resources Budget is comprised of a General Fund component of \$12,831,821 and a Employee Health Benefit Self Insurance Fund component of \$373,381,118.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Effective, Sustainable Government

INITIATIVES

-  Launched the Montgomery County Leadership Academy, a leadership development program for management MLS employees, in partnership with the Universities at Shady Grove.
-  Executed Countywide career fairs, creating space in the community to engage with jobseekers and increase employer brand awareness.
-  Initiated a monthly benefits newsletter for employees that contains important tips and information about their benefits.
-  Implemented virtual office hours for employees to sign up and attend to get one-on-one attention to answer health benefits questions.
-  Launched a protocol to review and update outdated medical protocols to align with industry standards and best practices.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Modernized the careers site, work4mcg.com, to streamline the jobseeker user experience, resulting in a 33% increase in unique OHR webpage views per month in the first six months from implementation, from 47,300 to 63,050.
- ★ Expanded social media outreach to jobseekers through LinkedIn and X, resulting in a 26% increase in followership on LinkedIn since March 2023, from 13,894 to 17,446 followers.
- ★ Implemented a retirement estimator tool for employees to access and determine the future cost of retiree health insurance and to cut down on the manual calculations the Health Insurance team performs for employee inquiries.
- ★ Removed barriers to recruitment and strengthened hiring options through collaborations with Hiring Leads to create a non-clinical job classification for Social Workers in the Department of Health and Human Services (HHS) - the Licensed Bachelor Social Worker (LBSW) - to build a pipeline of candidates from colleges and universities; expand use of the Licensed Practical Nurse (LPN) role created for use in the Department of Correction and Rehabilitation to HHS; removed the recreation-specific degree requirement from the Department of Recreation position series; and revised minimum qualifications for Legislative Analysts I, II, III in County Council to remove legislative-specific experience that hindered recruitment efforts.

PROGRAM CONTACTS

Contact Jennifer Shovlin of the Office of Human Resources at 240.777.5039 or Shantee Jackson of the Office of Management and Budget at 240.777.2751 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Business Operations and Performance

The Business Operations and Performance Division includes the Classification and Compensation Team, and the Policy, Practice and Data Management Team.

The Classification and Compensation Team reviews and evaluates the duties and responsibilities of individual positions and occupational classes to ensure that positions are assigned at appropriate classification and grade levels. The team also ensures that employees are compensated appropriately and consistently with the County's personnel regulations, and collectively bargained agreements.

The Policy, Practice, and Data Management Team manages the County and departments' human resources policies and procedures, and monitors fidelity to and drives improvements to HR governance and service delivery models. The team also drives OHR's data management and analysis, and functional performance analysis.

Health & Employee Welfare

The Health Insurance team manages and administers the County's health and welfare plans in accordance with County policy and local, State, and Federal laws. In addition to maintaining operations associated with annual open enrollment and program eligibility, the team provides customer service, communications, education, and counseling to County employees, participating County agency employees, retirees, and their dependents (over 45,000 total people) in a manner that ensures an understanding of program provisions and their value as part of total compensation.

The Wellness Program uses a dynamic, comprehensive, and data-driven strategy to promote employee engagement in health and well-being. The Wellness Program provides employee wellness activities such as health screenings, educational seminars, wellness and fitness classes, and incentive programs, and utilizes communication channels such as web, social media, and a monthly newsletter.

The Stress Management team promotes the emotional, mental, and physical well-being of Montgomery County Police Department employees and their family members through counseling, training, consultation services, and peer support.

Training and Organizational Development

The Training and Organizational Development team coordinates training and professional development activities that increase the knowledge, skills, and abilities of the County's workforce. Training is delivered through online learning and instructor-led classes and collaborations with adult learning partners to address specific business training needs. The team also designs short- and long-term business strategies to enhance organizational performance and effectiveness, and champions organizational change efforts to support the County's objectives.

The team also includes Workforce Performance Management, including training and monitoring compliance related to the annual performance evaluation process. Performance management includes creating performance appraisals, observing and documenting performance and behavior, providing feedback, coaching, mentoring, and evaluating employees. The goal is to help employees and supervisors achieve Montgomery County's overall vision of efficient, effective, innovative, and responsive delivery of quality services.

 JAMES STOWE, DIRECTOR

MISSION STATEMENT

The Mission of the Office of Human Rights is to enforce the County's anti-discrimination laws in housing, commercial real estate, employment, public accommodations, and intimidation. The Office also provides training, public education programs, and promotes the increased understanding and tolerance among diverse groups.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Human Rights is \$2,117,953, an increase of \$154,158 or 7.85 percent from the FY24 Approved Budget of \$1,963,795. Personnel Costs comprise 82.47 percent of the budget for 11 full-time position(s) and no part-time position(s), and a total of 11.60 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 17.53 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **Effective, Sustainable Government**

INITIATIVES

-  Review and revise compliance process and regulations for more efficient resolution of complaints.
-  Expand the compliance efforts to include five additional banks for the Community Reinvestment Act.
-  Complete the final training series on the Intergenerational Workplace focusing on the impact of Artificial Intelligence (AI) and Algorithms in employment.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  Coordinated and assisted in the planning of the 2023 International Association of Official Human Rights Agencies Annual Human Rights Conference in Rockville, MD.

- ☀ Coordinated a special installation ceremony of historical markers at the County Council Office Building in recognition of three men lynched in Montgomery County in the late 1800s: George Peck, John Diggs Dorsey, and Sidney Randolph.

PROGRAM CONTACTS

Contact James Stowe of the Office of Human Rights at 240.777.8490 or Alicia Singh of the Office of Management and Budget at 240.777.2780 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

☀ Administration

The Office of the Director has the responsibility for the overall management and leadership of the Department. This program also includes overall policy development for the office, as well as the administration of the County's anti-discrimination laws.

 MELANIE WENGER, DIRECTOR

MISSION STATEMENT

The mission of the Office of Intergovernmental Relations is to represent County interests at the regional, State, and Federal levels to: prepare the annual State Legislative Program; prepare the annual Federal priorities request; and to be the liaison with State government and the State and Congressional delegations. The Office of Intergovernmental Relations is the lead Executive Branch agency representing the County in the Maryland Association of Counties and the National Association of Counties. The work of the office is guided by the fundamental vision of a more equitable and inclusive Montgomery County.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Intergovernmental Relations is \$1,010,462, an increase of \$54,074 or 5.65 percent from the FY24 Approved Budget of \$956,388. Personnel Costs comprise 88.42 percent of the budget for four full-time position(s) and one part-time position(s), and a total of 4.30 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 11.58 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Growing Economy**
-  **A Greener County**
-  **Easier Commutes**
-  **An Affordable, Welcoming County for a Lifetime**
-  **Safe Neighborhoods**
-  **Effective, Sustainable Government**

INITIATIVES

- ★ Continue to enhance collaboration with the County Executive; County Council; County departments; independent agencies (Montgomery County Public Schools, WSSC Water, Montgomery County Revenue Authority, Montgomery College, Housing Opportunities Commission); and various Boards, Committees, and Commissions to enhance (1) the process for developing Federal and State priorities to maximize opportunities; and (2) Federal and State advocacy efforts regarding legal, legislative, fiscal, and regulatory matters.
- ★ Continue to enhance the Office of Intergovernmental Relations' new Legislative Tracking System (Engagifii) that was implemented for the 2023 legislative session, to maximize its workflow management and public information capabilities.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Narrowed the types of requests for information made by the Office of Intergovernmental Relations to Executive and Legislative staff to lessen the workload of legislation-related policy and fiscal informational requests.
- ★ Continued to strengthen collaboration between the County and the Congressional delegation to establish a more efficient process to secure Federal earmarks.
- ★ Continued to enhance outreach and training for Executive and Legislative staff liaisons regarding the new Legislative Tracking System (Engagifii) to maximize opportunities for higher level collaboration and efficiency.

PROGRAM CONTACTS

Contact Wanda Wells of the Office of Intergovernmental Relations at 240.777.6550 or Richard H. Harris of the Office of Management and Budget at 240.777.2795 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable). The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Intergovernmental Relations

The Office of Intergovernmental Relations (OIR) advocates on behalf of the County before the Maryland General Assembly, Governor, and State administrative agencies, task forces, and committees. It responds to legislation, regulations, or other policy

issues involving nearby counties and states, municipalities within the County, regional agencies, the District of Columbia, and the Federal government. Staff analyzes and evaluates legislation before the Maryland General Assembly and prepares written comments and testimony. Staff also analyzes County department requests for legislation and participates in the drafting of legislation or amendments. OIR serves as the liaison to the County's Congressional delegation which is represented by three House members and two Senators serving on key authorization and appropriations committees. Staff works collaboratively with County departments and Council on developing policy priorities and project requests for Federal discretionary funding that could be advanced as earmarks by the Congressional delegation in annual appropriations bills. OIR also advocates on Federal policies and legislation of interest to the County and pursues opportunities for Congressional delegation support for Federal grant funding sought by County departments.

The Office of Labor Relations fosters high-performing labor-management relationships through the use of collaborative and interest-based methods that demonstrate the possibilities of effective labor-management partnership and confirm the value of the County's workforce.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Labor Relations is \$2,213,839, an increase of \$592,669 or 36.56 percent from the FY24 Approved Budget of \$1,621,170. Personnel Costs comprise 86.42 percent of the budget for 13 full-time position(s) and no part-time position(s), and a total of 13.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 13.58 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Effective, Sustainable Government

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  Created and began implementation of a centralization plan to reassign countywide labor and employee relations functions to the Office of Labor Relations.
-  Negotiated a new Collective Bargaining Agreement (CBA) with the International Association of Fire Fighters and a new Direct Bargaining Agreement (DBA) with the Montgomery County Volunteer Fire-Rescue Association.
-  Modified the County's Collective Bargaining Issues Development and Strategy Process for Term Bargaining in order to streamline and expedite the process, and re-established a Collective Bargaining Policy Committee to set County priorities ahead of term bargaining.
-  Launched a new website highlighting the services that OLR provides.
-  Created and implemented multiple Standard Operating Procedures for ensuring that labor and employee relations issues are addressed timely and consistently, and developed training content on multiple labor and employee relations subjects that will ultimately become a comprehensive training library to guide and support departments.

- ✦ Established countywide Labor Management Relations Committee (LMRC) subcommittees on health and safety topics; department-level LMRCs in nearly every department in the County; and quarterly training for all LMRC members.
- ✦ Re-established the Conflict Facilitation Program - a program that affords employees and managers the opportunity to informally resolve workplace conflict.
- ✦ Modified and improved grievance processing through use of a new grievance tracker as well as software that allows OLR to track the status of all grievances in real time, and restarted the OLR scanning project effort to digitize and organize paper files.
- ✦ Modified and streamlined the Bargaining Unit determination process to ensure compliance with personnel regulations.
- ✦ Expanded and resourced the OLR Racial Equity and Social Justice Core Team with a second equity lead.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable). The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

Measure	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Program Measures					
Number of trainings on labor relations offered to County employees ¹	18	8	20	24	28
Number of County employees that attended trainings on labor relations	142	746	1,000	1,200	1,350
Total number of Labor Management Relations Committee (LMRC) meetings held with the three County employee unions (MCGEO, FOP, and IAFF)	17	29	40	46	52
Percent of LMRC meetings attended by an Office of Labor Relations representative	88%	79%	85%	85%	85%
Percent of grievances by a bargaining unit resolved without the intervention of a third party ²	98%	95%	97%	98%	98%

¹ The fluctuation of this performance measure may be attributed to leadership and staff transitions.

² The dip in this performance measure for FY23 may be attributed to the increased number of grievances filed.

PROGRAM DESCRIPTIONS

✦ Labor Relations

The Office of Labor Relations (OLR) administers the County's labor and employee relations programs. These include conducting collective bargaining with the three County unions and volunteer Firefighters; administering and ensuring compliance with collective bargaining agreements (CBAs) and other labor-management agreements and personnel regulations; managing collaborative labor-management programs and joint initiatives, including Labor-Management Relations Committees (LMRCs) and other joint committees; administering grievance and dispute procedures, including both negotiated and regulatory, including the Alternative Dispute Resolution and Conflict Facilitation processes, and facilitating the timely resolution of workplace disputes; advising County managers on CBA issues, personnel policies and procedures, and employee relations matters; and conducting

training for County managers and employees on labor-management and employee relations topics.

 JENNIFER R. BRYANT, DIRECTOR

MISSION STATEMENT

The Office of Management and Budget (OMB) offers a broad-based, objective perspective on public policies, fiscal policies, and performance management to the County Executive, County Council, and other County partners. The analytical work performed in OMB provides policymakers with data and options to make informed decisions, and supports the goals of advancing racial equity and social justice as well as addressing climate change. The office supports and enhances the effective operation of County government, ensuring funds are spent in the most fiscally prudent and socially responsible way and that performance objectives are achieved. OMB also ensures that County expenditures are made in accordance with Executive policies and Council appropriations, consistent with the County Charter.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Management and Budget is \$7,693,959, an increase of \$450,261 or 6.22 percent from the FY24 Approved Budget of \$7,243,698. Personnel Costs comprise 93.11 percent of the budget for 42 full-time position(s) and one part-time position(s), and a total of 42.25 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 6.89 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Effective, Sustainable Government

INITIATIVES

-  Planned and executed ten operating budget forums during development of the FY25 County Executive's Recommended Operating Budget to provide residents an opportunity to have their voices heard. Three of the budget forums were conducted in a language other than English (Spanish, Chinese, and Amharic).
-  Refined the Operating Budget Equity Tool, along with the Office of Racial Equity and Social Justice (ORESJ).

- ★ Improved the management of capital project advances involving non-County funding in collaboration with the Department of Finance and departments that manage capital projects.
- ★ Performed a survey of Executive Branch departments and offices to compile a comprehensive record of every resident and customer touchpoint, including incoming communication through digital platforms, paper documents and mail, calls, and walk-ins, as well as outgoing communication. This inventory will inform the work of the Customer Service Initiative in implementing organization-wide customer service standards.
- ★ Introduced a Program Inventory Initiative, a strategic effort to enhance performance management and accountability throughout the organization. This initiative aims to standardize the process of documentation, data collection, and evaluation of government services, thus enabling data-driven decision-making and evidence-based allocation of resources.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Made improvements to nine workflows used by departments to submit and track requests to OMB, increasing ease of use and providing better visibility of request progress.
- ★ Added dashboards for OMB staff and managers to track all workflow requests to ensure timely processing of requests.
- ★ Implemented a grievance intake and tracking workflow for the Office of Labor relations.
- ★ Added a Position Cost Calculator to the BASIS Operating Budget System to simplify and standardize department budget preparations.

PROGRAM DESCRIPTIONS

★ Fiscal, Policy, and Performance Analysis

The Fiscal, Policy, and Performance Analysis Program is comprised of three teams: the Fiscal and Policy Analysis Team, the

Performance Analysis Team (CountyStat), and the Shared Services Team. Together, these teams ensure prudent management of County resources and services to achieve desired outcomes. Staff on the Fiscal and Policy Analysis Team prepare the County's Operating and Capital Budgets, Public Services Program, and Capital Improvement Program ensuring compliance with the County Charter and the decisions of elected officials. The Performance Analysis Team provides data analytics services to improve performance and support for ongoing monitoring the effectiveness of County government services to improve performance, reinforce accountability, and focus on results. The Shared Services Team promotes the efficient use of County resources by providing core administrative and business functions to smaller County departments and offices, thereby allowing those departments and offices to focus their duties directly on their core missions and functions.

 AVINASH G. SHETTY, DIRECTOR

MISSION STATEMENT

The mission of the Office of Procurement is to facilitate the use of public funds, in partnership with County departments, to effectively procure goods, services, and construction in an inclusive, transparent, and equitable manner that best serves County residents, businesses, and the public interest.

The Office of Procurement is tasked with preserving the public trust and ensuring the integrity of the County's procurement process. The Office of Procurement ensures compliance with all related laws, regulations, and policies. The Office of Procurement focuses on identifying opportunities for improvement of inter- and intra-departmental purchasing processes and implementation of recognized best practices to increase organizational efficacy, promote transparency, improve accountability, and facilitate compliance. In its interactions with all County departments and agencies, external governmental agencies, members of the business community, and the general public, the Office of Procurement serves as a resource for policy and program initiatives involving public contracting.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Procurement is \$5,641,088, an increase of \$572,482 or 11.29 percent from the FY24 Approved Budget of \$5,068,606. Personnel Costs comprise 93.02 percent of the budget for 38 full-time position(s) and one part-time position(s), and a total of 37.40 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 6.98 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **A Growing Economy**
-  **Effective, Sustainable Government**

INITIATIVES

-  Initiate the first stage of identifying an eProcurement solution to consolidate various applications used throughout the lifecycle of a contract from sourcing to execution. This solution will incorporate sourcing, contract management, vendor management,

and compliance management.

- ★ Develop a contract audit program to review and confirm that all contract actions follow appropriate workflow approvals and County regulations. This program will aid in Procurement's mission to facilitate the use of public funds to efficiently procure goods and services in an inclusive, transparent, and equitable manner.
- ★ Include the apprenticeship panels in the annual Procurement Fair to better position the County as it relates to infrastructure funding. The Office of Procurement hosts an annual fair with approximately 500 plus individuals in attendance. This year the office will be shining a spotlight on the value and importance of apprenticeship programs as it relates to County construction contracting opportunities.
- ★ Develop, through the division of Business Relations and Compliance, an enforcement program of the existing Minority, Female, and Disabled-Owned Business law to be more proactive rather than reactive/complaints-based.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Implemented a digital solution to address the inefficiencies of conventional, paper-based procurement practices to a more streamlined digitized approach, which resulted in the complete virtualization of County contracting. The County's contracts and all related documentation (including inter-departmental communications, contracting actions, meeting minutes, and sourcing records) were printed and stored in folders and numerous file cabinets within Procurement. This method of managing contracts faced many challenges that were further magnified with the onset of the pandemic in 2020.
- ★ Implemented web-based tools to assist County departments in managing informal solicitations by providing immediate access to County solicitation data which increased transparency, eliminated errors due to manual processes, and improved efficiency of the overall process.
- ★ Implemented a new workflow management tool used by County departments to expedite the receipt and approval of emergency purchases for any dangerous conditions or unforeseen curtailments, diminution, or termination of an essential service that poses an immediate danger to health, life, or property.
- ★ Implemented the first phase of the web-based Contract Review Committee application to improve the efficiency of the overall process, and to maintain compliance with updates to the Open Meetings Act. Additional phases will further improve the process and include reporting features.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Business Relations and Compliance

The mission of the Division of Business Relations and Compliance (DBRC) is to plan and implement programmatic strategies to expand business opportunities for minority, female, and disabled business owners as well as Montgomery County small businesses. The division administers the County's Wage Requirements and Prevailing Wage programs for service and construction contracts. The DBRC is responsible for ensuring County government contracting compliance with the socioeconomic laws, programs, and policies of the County.

- **Minority, Female, and Disabled Persons (MFD):** The MFD program objectives focus on ensuring that contracts awarded by the County include equitable participation by certified minority, female, or disabled-owned businesses. The program identifies MFD firms, encourages and coordinates their participation in the procurement process through community outreach and internal seminars, and monitors contracts subject to MFD participation to ensure compliance.
- **Local Small Business Reserve Program (LSBRP):** The Local Small Business Reserve Program ensures that County departments award a minimum of 25 percent of total eligible contract dollars for goods, services, or construction to registered local small businesses. The program certifies local small businesses that meet the requirements set by law, assists County departments in identifying contracting opportunities and solicitations appropriate for LSBRP competition, and provides training and networking to help local small businesses compete with businesses of similar size and resources for County contracts to strengthen the local small business sector.
- **Wage Requirements Law (WRL):** The Wage Requirements Law program ensures that County contractors and subcontractors pay employees a "living wage" in compliance with the annually adjusted rate established by the Maryland State Commissioner of Labor and Industry for the Montgomery County region.
- **Prevailing Wage Law (PWL):** The Prevailing Wage Law is patterned after the Federal Davis-Bacon and State of Maryland's prevailing wage laws. It requires the local prevailing wage be paid to workers on County-financed construction contracts. The prevailing wage rate is a rate paid for comparable work in the private sector within the County. The rates are calculated by the State, based on surveys of construction company employers.

Procurement Operations

The core components of this program are to purchase goods, services, and construction required by County departments in the most timely and cost-effective manner possible. Program staff assist departments in the development of procurement strategies and documents to ensure a competitive, transparent, and fair procurement process in accordance with the County Code and the

Procurement Regulations. Program staff also educate vendors about the County's procurement process and procedures.

Procurement staff also provides County departments with training, assistance, and guidance of department contract administrators. Procurement Specialists develop contract administration procedures, research vendors, review contracts, and recommend revisions to County procurement policies and regulations to streamline the procurement process. In addition, testimony and other evidence regarding claims and contract disputes with contractors are reviewed to resolve issues.

Procurement staff participates with local, State, and national procurement purchasing associations to promote and teach continuing procurement education and learning credits, latest industry trends, latest source selection methods, and cooperative purchases. Staff also participates in recognized professional purchasing organizations at the local, State, and national levels.

Procurement Services

The Procurement Services section provides for departmental direction, oversight, and support for the Contract Review Committee, analysis, budget preparation, and monitoring. This section also manages contract scanning activities for documents, contracts, and subsequent contract actions, manages archiving standards, and provides departmental customer service assistance. Additionally, it centrally coordinates departmental training and tracking including national certifications and re-certifications, expenditure control, escrow management, human resources activities, management of departmental Knowledge Base Articles and MC311 service requests, and coordination of interpreter services for departmental activities or customer needs.

The Information Technology (IT) staff provides support to develop and maintain information systems for the department's business operations. This includes purchase and maintenance of IT equipment, and service and support for major end-user systems on a Countywide basis. IT management of applications, databases, systems, and department website design and maintenance is included in this program, as well as coordination with the County's Department of Technology and Enterprise Business Solutions (TEBS).

 BARRY HUDSON, DIRECTOR

MISSION STATEMENT

The mission of the Office of Public Information (PIO) is to provide timely, accurate, and effective communication to the public. PIO works with the County Executive, departments and agencies, media, County employees, the County Council and other elected officials, businesses, civic groups, and every other segment of the Montgomery County community. PIO provides information through the mass media, social media, internet, presentations, publications and graphics, cable television programming, and telephone and electronic requests for information and assistance via the MC311 Customer Service Center.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Public Information is \$2,957,149, a decrease of \$4,189,560 or 58.62 percent from the FY24 Approved Budget of \$7,146,709. Personnel Costs comprise 94.48 percent of the budget for 17 full-time position(s) and one part-time position(s), and a total of 17.50 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 5.52 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

 **Effective, Sustainable Government**

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

 To take advantage of efficiencies generated by technological advancements, MC311 is shifting from the Public Information Office (PIO) into Department of Technology and Enterprise Business Solutions (TEBS). This realignment will allow MC311 to continue to provide excellent customer service for Montgomery County residents while leveraging TEBS's expertise with chatbots and artificial intelligence to help residents find answers to their questions faster.

PROGRAM CONTACTS

Contact Barry Hudson of the Office of Public Information at 240.777.6507 or Seamus McNamara of the Office of Management and Budget at 240.777.2755 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Public Relations

Under this program, the Public Information Office:

- Educates and informs residents about County issues, programs, and services through press releases, media advisories, news, public events, the County website, online newsletters, YouTube, Facebook, Twitter, and podcasts.
- Works directly with media organizations to ensure that reporters and editors have accurate and timely information about County issues, programs, and services.
- Develops promotional campaigns to increase awareness of critical issues such as public health and emergency preparedness.
- Develops culturally competent outreach (radio programming) to inform and engage the County's Spanish speaking constituency.
- Provides television and video direction/production services at no cost to the County Executive's Office, and any additional County department requesting assistance.

Web Content and Graphic Management

The Web Content and Graphic Development Program has four major functions:

- Provides creative and technical support to Public Relations, Cable Programming, MC311, and County departments.
- Develops and oversees the County's graphic identity program to ensure consistency in the County's printed communication for the public. The program develops printing guidelines for departments in accordance with Administrative Procedure 1-7, Use of the Montgomery County Coat of Arms, Logotype and Emblem, and Public Communication Guide.
- Manages the growth and activity on the County's website and the MC311 web portal, which involves the development of policies and procedures for adding information to the website, as well as providing a leadership role in internet management.
- Produces artwork and design services for publications, fliers, decals, exhibits, charts, maps, and other promotional and educational products. Graphic artists provide advice to departments in cost-effective and attractive ways to meet project requirements and objectives.

☀️ TIFFANY WARD, CHIEF EQUITY OFFICER

MISSION STATEMENT

The mission of the Office of Racial Equity and Social Justice is to establish Racial Equity and Social Justice (RESJ) as a core principle in all County decision making. The Office of Racial Equity and Social Justice will work with all County departments to ensure race is not a predictor of outcomes for Montgomery County residents. The office will assist departments to examine their own policies, procedures, and practices as well as to develop their community engagement plans to determine if they are creating or exacerbating current racial disparities in the County. The office will also assist departments in developing more equitable practices and policies by examining and developing data and creating racial equity assessments and racial equity action plans.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Racial Equity and Social Justice is \$1,567,682, an increase of \$168,703 or 12.06 percent from the FY24 Approved Budget of \$1,398,979. Personnel Costs comprise 84.91 percent of the budget for eight full-time position(s) and one part-time position(s), and a total of 8.50 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 15.09 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

◆ **Effective, Sustainable Government**

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ☀️ Conducted a Racial Equity Impact Assessment (REIA) revamp process to improve its impact on decision-making.
- ☀️ Conduct on-going focus groups with department users of the Office of Racial Equity and Social Justice (ORESJ) budget tools and services.
- ☀️ Added training opportunities for County staff, including another facilitated Advancing Racial Equity Training, a self-guided version of the Advancing Racial Equity Training that can be accessed anytime by County staff, added inclusive language

training every two months, and revamped the Groundwater training.

PROGRAM CONTACTS

Contact Tiffany Ward of the Office of Racial Equity and Social Justice at 240.777.5334 or Anita Aryeetey of the Office of Management and Budget at 240.777.2784 for more information regarding this department's operating budget.

PROGRAM DESCRIPTIONS

Office of Racial Equity and Social Justice

After many years of spending on programs and initiatives to close racial disparities in Montgomery County, the Montgomery County Council decided it was time to take an approach that looked at race as the primary determinant of disparities. In April 2018, the County Council passed Resolution # 18-1095 to establish an equity framework for policy and decision making. The resolution required the County to perform a baseline study by the Montgomery County Office of Legislative Oversight (OLO) to describe current racial disparities in education, employment, housing, health, land use, and others. Following the completion of the study, the County Council passed Bill 27-19 to adopt a Racial Equity and Social Justice law. The law mandates 1) the creation of an Office of Racial Equity and Social Justice (ORESJ), 2) that all County employees receive racial equity training, and 3) that all departments examine their policies, procedures, and protocols for racial inequities. In December 2020, the County Council passed Bill 44-20 that requires the ORESJ to provide racial equity impact assessments (REIA) on supplemental appropriations. The ORESJ will also provide a racial equity analysis of the Montgomery County Public Schools operating and capital budgets.

The Office of Racial Equity and Social Justice partners with Montgomery County departments and regional and national non-profit organizations to accomplish the following actions mandated by law:

- perform an equity assessment to identify the County policies and practices that do not advance racial equity and that must be modified to address racial disparities;
- develop metrics to measure the progress in redressing disparate outcomes based on race and social justice;
- work diligently with each Montgomery County department to develop racial equity and social justice action plans to remedy issues adversely impacting County residents that include community engagement;
- provide training to County employees on racial equity and social justice; and develop long- and short-term goals for success in redressing disparate outcomes based on race and social justice as well as their own metrics to measure their success and progress.

 GAIL M. ROPER, CHIEF INFORMATION OFFICER/DIRECTOR

MISSION STATEMENT

The mission of the Department of Technology and Enterprise Business Solutions (TEBS) is to be responsive, collaborative, and innovative in providing technology solutions and services to facilitate the delivery of a wide range of services in all branches of government. The department strives to provide its solutions and consultative services in a cost-effective, timely, and high-quality fashion to reduce service times, avoid inflated costs, reduce information security risk, and improve the quality of County services through automation-assisted process improvement. The department facilitates business and reengineering processes to improve legacy workflow and streamline services to our customers.

TEBS is responsive by providing measurable solutions and services to internal and external partners, customers, and constituents, when and where they are needed; securely enabling County employees to provide quality services and information to internal entities, residents, and businesses; and enhancing project management to improve contract management and overall performance.

TEBS is collaborative as it provides expert consultative service to partners including internal customers, external agencies, the general public, and the private sector to increase the productivity of County government, businesses, and residents; and assists with technology enabled economic, workforce development, and community digital equity initiatives.

TEBS is innovative as it identifies and implements technology solutions to address business needs that enhance value and enable continuous measurable improvement.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Technology and Enterprise Business Solutions is \$73,468,256, an increase of \$21,254,620 or 40.71 percent from the FY24 Approved Budget of \$52,213,636. Personnel Costs comprise 49.24 percent of the budget for 241 full-time position(s) and one part-time position(s), and a total of 231.45 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 50.76 percent of the FY25 budget.

Additional support for TEBS programs are provided and detailed in the Cable Television Communications Fund.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- ◆ **Thriving Youth and Families**
- ◆ **An Affordable, Welcoming County for a Lifetime**
- ◆ **Effective, Sustainable Government**

INITIATIVES

- ★ TEBS has a large year-over-year growth in budget primarily due to the transition of MC311 from the Office of Public Information (PIO) into TEBS. This transition will take advantage of efficiencies generated by technological advancements, allowing MC311 to continue to provide excellent customer service for Montgomery County residents while leveraging TEBS's expertise with chatbots and artificial intelligence to help residents find answers to their questions faster.
- ★ Develop a data management strategy and continue to establish guidelines that classify data Countywide according to data security thresholds and define how the data in each class needs to be collected, stored, archived, and disseminated in compliance with local, State, and Federal regulations. This data framework will strengthen our cybersecurity efforts by securing sensitive data across the County. In addition, data classification is the building block for other strategic initiatives such as artificial intelligence (AI) solutions.
- ★ Montgomery Connects is expanding community partnerships to deploy an additional 69,000 free laptop computers to low-income, senior, African-American, and Latino residents and provide an educational awareness campaign to help 28,000 Montgomery County families find low-cost broadband alternatives to the discontinued Federal and State Affordable Connectivity Program which provided broadband subsidies for low-income households. TEBS continues to seek Maryland broadband grant funding to expand MoCoNet, the County's residential broadband network to affordable housing developments. Additionally, TEBS is expanding the Montgomery Connects Digital Equity Coalition to leverage an AmeriCorps staff planning grant in partnership with Digital Harbor in Baltimore.
- ★ In accordance with the Enterprise Office of Project Management (EOPM) governance structure, TEBS is managing the successful implementation of a single Applicant Tracking System (ATS) within the Office of Human Resources (OHR) to make the hiring process more efficient, decrease time to hire, and increase communication with applicants throughout the experience. Technology enhancements such as automation, digitization, and dashboards will drive continuous improvement and maximize the experience for applicants, staff, and residents.
- ★ In order to refocus the Cable Fund on Public, Educational, and Governmental (PEG) media efforts, all remaining TEBS programs have been moved out of the Cable Fund back into TEBS in the Office of Broadband Programs.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Established the Artificial Intelligence Center of Excellence (AICOE), a governing body to lead the responsible integration and optimization of AI within the County's public service systems. The AICOE leverages knowledge and experience from private industry, government partners, and academia to use and govern AI to improve service delivery, optimize resource utilization, and ensure higher quality experiences for stakeholders and residents.
- ★ Implemented a new website chatbot powered by generative AI technology with close consultation from TEBS, MC311, the Community Engagement Cluster (CEC), and public safety stakeholders; resident focus groups were also conducted with

assistance from Innovation@MCG. The chatbot, Monty 2.0, replaces the existing website chatbot (Monty 1.0) previously deployed in April 2021. Implementing the Monty 2.0 chatbot improves the resident experience and exponentially expands the information available for public consumption, allowing residents to acquire County services-related information from over 3,000 topics.

- 
 Launched XR Montgomery to offer extended reality (XR) pilots throughout Montgomery County including Augmented Reality (AR) at Oakley Cabin African American Museum and Park in seven languages, and Virtual Reality (VR) Seniors at senior centers. The County is leveraging this technology to provide new ways to discover history and expand access to historical sites by providing the ability to see a 3D model of the inside of Oakley Cabin everyday online instead only visiting on one of the few days Oakley Cabin is open to the public. This technology is enabling us to find innovative ways to reduce social isolation for seniors and provide youth employment in partnership with TeenWorks Tech Connect.
- 
 Continue our modernization efforts to improve the public-facing experiences for County residents.

PROGRAM CONTACTS

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Digital Transformation

The Office of Digital Transformation provides a digital vision for the County to meet the County's priority objectives, enhance the value of services provided to stakeholders, and lower the overall cost of service delivery. The Office of Digital Transformation is responsible for ensuring that the enterprise's business strategy is optimal, given the current and evolving digital realities, opportunities, and threats. The Chief Digital Officer leads the Office of Digital Transformation and champions the use of information, data, and technology in improving the business model of County stakeholders, innovating upon all aspects of the business, and creating business success for Montgomery County.

The Office of Digital Transformation is responsible for Geographic Information System (GIS), web solutions, data services, technical support and Enterprise Resource Planning (ERP) which includes human capital management, payroll, compensation, business intelligence, security and system administration, and financials.

☀ MC311

Transitioning to TEBS in FY25, MC311 is a key strategic, enterprise-wide initiative that provides the public with a single three-digit number (311) to call for County information and service from anywhere within Montgomery County. In addition, MC311 provides the County with a sophisticated ability to count, track, and respond to resident requests. MC311 is the County's main hub for customer service and provides the general public with a higher quality of service delivery and accountability while helping the government achieve operational efficiencies. MC311 actively partners with other County departments and offices to discover process improvement opportunities that will benefit the customers' experience while simultaneously increasing operational efficiencies within the County. The County's Siebel users receive their training through MC311, as the Siebel system tracks the status of service requests throughout the County.

☀ Office of Broadband Programs and Infrastructure Modernization

The Office of Broadband Programs (OBP) is responsible for Countywide broadband governance, planning, implementation, and operations; encouraging broadband related economic development; and enabling digital equity initiatives. This office leads the County Executive's digital equity programs; manages the County's cable television and telecommunications franchise agreements and the Cable Revenue Fund; ensures that consumer cable and broadband services are of high quality, and that communications providers comply with safety and construction codes; enforces cable and broadband customer service requirements; promotes community and civic engagement through Public, Educational, and Government (PEG) programming utilizing multi-media platforms; and manages the County's FiberNet fiber optic network and related broadband services. FiberNet is the County's critical infrastructure communications network that enables all email, video, Internet access, and Cloud services, and supports County voice telephony and broadband and networking for County government, MCPS, MC, HOC, M-NCPPC, and WSSC.

Infrastructure Modernization: OBP is responsible for modernizing and maintaining the County's infrastructure supporting FiberNet, voice and broadband services as well as the County's data center infrastructure.

Telecommunication Solutions: The Enterprise Telecommunications and Services Division (ETSD) provides integrated communications services and solutions for County government departments and agencies, including MC311. ETSD is responsible for the programming, operation and maintenance of the County's telephone system and related services, e.g., voicemail, automatic call distribution (ACD).

OBP Community Engagement: OBP Community Engagement provides channel management for the County's cable television station (CCM) and its three cable channels, and a Technical Operations Center to support transmission of 14 local PEG channels over three cable systems. CCM program content is created by the County Council, Office of Public Information (PIO), and other County government entities. Community Engagement provides production services to record and transmit programming from the Council Office Building, production support for offsite Council Town Halls and County Executive Forums, closed captioning of programs, dynamic promotion of channel and video programming across multiple media platforms, engineering staff for the Technical Operations Center to monitor the audio and video signals provided to the Comcast, RCN and Verizon cable systems, contract administration, liaison and support services for other municipal and community media channels' PEG Channels in the County. This program was formerly part of the County Cable Montgomery and Public Educational Government (PEG) Operations programs.

The Community Engagement team also provides media services support for the Office of Broadband Programs and other County departments including website development and content management, podcast production and distribution, live/hybrid event streaming, as well as creative digital and video asset creation such as Public Service Announcements, flyers, postcards, etc. In addition, Community Engagement plays a critical role in the County's Digital Equity and XR Montgomery initiatives.

OBP Community Technology: OBP Community Technology manages use of public rights-of-way in Montgomery County by cable television providers, negotiates and enforces obligations in cable franchise agreements, provides consumer assistance with cable issues and complaints, and supports County policies addressing compensation for use of public rights-of-way by communications providers. Community Technology manages the Transmission Facility Coordinating Group to provide engineering review of applications to deploy towers and antennas for wireless services in Montgomery County, and coordination for deployment of wireless facilities among department and agencies.

☀ Public Safety Programs and Regional Interoperability

The newly created Office of Public Safety Programs and Regional Interoperability (OFPS) is responsible for the strategic planning and consultative design, implementation, operation, and maintenance of mission-critical Countywide and regionally integrated public safety systems and services. OFPS will assist in the identification and adoption of emerging public safety technologies. OFPS will look to leverage new and existing public safety programs within the National Capital Region (NCR).

Radio Communications Services (RCS) is responsible for 24-hour operations and maintenance of the County's 800 MHZ radio and mobile communications systems and infrastructures that support public safety and public service departments/agencies. RCS manages the newly created radio life-cycle replacement program.

The Public Safety Data System (PSDS) is responsible for 24-hour operations and maintenance of the 9-1-1 Computer Aided Dispatch (CAD) system and processes, working collaboratively with the Emergency Communications Center (ECC) senior management. PSDS manages the CAD system upgrade program and integration of the advance messaging and responder location program.

☀ Strategic Partnerships

The Office of Strategic Partnerships (OSP) supports innovation by bridging the gap between County departmental business partners and technology solution providers to accomplish quick and agile solutions that address longstanding technological or work challenges facing departments. The Chief Technology Officer oversees this office and manages business process reengineering and maintains a consulting relationship with all department partners. OSP directs the planning to ensure alignment of required goals to support enterprise business demands. OSP focuses on envisioning how departmental technology and business needs can be better supported to improve service to our customers. OSP establishes Cloud governance, architecture, and best practices, and implements Cloud solutions. This office pushes technology services from an administrative, back-office function to a strategic partner for departments in innovating service to residents.

OSP manages DevOps & Server Support, Employee Productivity Services, Enterprise Cloud Solutions, Enterprise Services, Infrastructure & Cloud Services, and Low Code Governance and Administration, which manages the deployment and governance of low code platforms to meet aggressive delivery timetables of applications and for faster iterative updates, while deploying solutions to the customer or public end-users.

Urban Districts

APPROVED FY25 BUDGET

\$12,782,043

FULL TIME EQUIVALENTS

59.70

 FARIBA KASSIRI, DEPUTY CHIEF ADMINISTRATIVE OFFICER

MISSION STATEMENT

Urban Districts support and enhance the County's unincorporated downtowns (Bethesda, Silver Spring, Wheaton, and Friendship Heights) as prosperous, livable urban centers by maintaining streetscape and its investments; providing additional public amenities such as plantings, seating, shelters, and works of art; promoting the commercial and residential interests of these areas; and programming cultural and community activities.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Urban Districts is \$12,782,043, an increase of \$1,234,858 or 10.69 percent from the FY24 Approved Budget of \$11,547,185. Personnel Costs comprise 44.64 percent of the budget for 61 full-time position(s) and one part-time position(s), and a total of 59.70 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 55.36 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Growing Economy**
-  **A Greener County**
-  **Safe Neighborhoods**
-  **Effective, Sustainable Government**

INITIATIVES

-  The Urban Districts created and convened the Urban District Equity Core team to drive forward and fully integrate equity principals into all Urban Districts services.
-  Silver Spring Urban District and Wheaton Urban District will implement initiatives to address the increase of hazardous conditions in heavily damaged streetscape and roadside areas. The projects completed will improve walkability and make the

areas safer for pedestrians.

- ★ The Bethesda Arts & Entertainment District will provide a new public art element to downtown Bethesda by covering several signal boxes with a vinyl wrap based on original designs by local artists.
- ★ The Bethesda Urban District converted 10 streetlights to energy-saving LED heads and painted the poles of 274 aging streetlights. This initiative continues the district's mission to reduce greenhouse emissions and will make downtown Bethesda a more vibrant and livable place.
- ★ The Friendship Heights Urban District launched litter removal and street cleaning services along Wisconsin Avenue from Western to Oliver Streets, five days per week.
- ★ The Friendship Heights Urban District continued to maintain its branded planter program and median planting and maintenance program along Wisconsin Avenue, bringing color and vibrancy along the Wisconsin Avenue corridor.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ The Bethesda Urban District purchased and will install 10 new recycling containers on the street in Woodmont Triangle. This improvement furthers the district's goal of becoming a greener county by increasing the total number of recycling containers downtown.
- ★ The Bethesda Urban District is creating an updated website which will feature downtown Bethesda's events, local businesses, information on the Bethesda Urban Partnership, and more.
- ★ The Wheaton Urban District increased civic engagement by opening up the Marian Fryar Plaza, Wheaton Maryland-National Capital Park and Planning Commission Plaza, and Conference Room for utilization by the Community members.
- ★ The Wheaton Urban District completed the transition from gasoline-powered maintenance and snow equipment to electric-powered maintenance snow equipment in FY24.
- ★ The Wheaton Urban District activated a Community Access Grant to allow non-profits and public community groups to rent/utilize County resources and spaces within the Wheaton Urban District at a reduced rate.
- ★ The Friendship Heights Urban District supports marketing and communications for local businesses along the corridor, providing social media outreach, business listings, and promotional activities to drive customers to retailers and restaurants.
- ★ The Friendship Heights Urban District supports a business public safety program, convening regular meetings for business and community members with Montgomery County Police Department, District of Columbia Metropolitan Police Department, and Metro Transit police.
- ★ The Silver Spring Urban District developed a planting plan that incorporates the beauty and function of native plant material in tree beds on Georgia Avenue from Spring Street to East-West highway and flowerpots throughout many other areas of the district. Native species are important because they allow pollinators, such as birds and bees, to thrive and can naturally adapt to local growing conditions and quickly contribute to a successful ecosystem.
- ★ The Silver Spring Urban District coordinated quarterly meetings of the 'marketing minds of Silver Spring' to discuss objectives for aligned and strategic marketing, offer networking opportunities, and provide training to participants. The Urban District will extend a social media, branding, and marketing series to local small businesses in partnership with the Business Center in the remainder of FY24.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Administration

This program provides staff support for contract administration, the Urban District Advisory Committees, and for the administration of Urban District corporations. This program also provides for budget preparation and monitoring, payment authorization, records maintenance, and the Bethesda Circulator contract.

Enhanced Security and Ambassadorship

This program promotes clean, safe, and welcoming Urban Districts through uniformed aides. The program provides visual deterrents and/or trained observer documentation for theft, vandalism, and violations in the Silver Spring and Wheaton Urban Districts. Aides also act as ambassadors by providing information, directions, first aid and CPR, and roadside assistance to residents, visitors, and the business.

The goal of the program is to provide an enhanced physical presence and reduce the likelihood of crime. The Safe Team serves as an uniformed visual presence that promotes a safer environment and supports residents and visitors.

☀ Promotion of Community and Business Activities

This program enhances the quality of life in the Urban Districts and surrounding communities by fostering a strong, vibrant business climate within each Urban District and creates a positive image and a sense of identity for the Districts. These goals are accomplished through sponsorship of community events that may include festivals, concerts, and parades; the installation of seasonal banners, unique signs, holiday decorations, and other amenities to give each District a sense of place; and the development and distribution of newsletters, brochures, and other promotional material highlighting the Districts. Each Urban District develops its programs with the active participation of its advisory committee or Urban District Corporation.

Animal Services

APPROVED FY25 BUDGET

\$10,500,840

FULL TIME EQUIVALENTS

78.00

 CAROLINE HAIRFIELD, EXECUTIVE DIRECTOR

MISSION STATEMENT

The mission of the Montgomery County Office of Animal Services (OAS) is to serve and protect the animals and residents in our community with a high level of competency and compassion. The OAS strengthens the human-animal bond through education, humane law enforcement, and the promotion of responsible guardianship.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Animal Services is \$10,500,840, an increase of \$1,103,394 or 11.74 percent from the FY24 Approved Budget of \$9,397,446. Personnel Costs comprise 82.82 percent of the budget for 77 full-time position(s) and no part-time position(s), and a total of 78.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 17.18 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Safe Neighborhoods

INITIATIVES

-  Add a Registered Veterinary Technician to increase the productivity of animal shelter operations as recommended by the Maddie's Million Pet Challenge Report.
-  Funding provided to enhance free or reduced spay and neuter services to low and moderate-income residents.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  OAS completed an operational review in partnership with Maddie's Million Pet Challenge in October 2023 to drive improvements based on nationally recognized guidelines.
-  Expand and simplify access to pet licensing services for Montgomery County by working with a full-service animal licensing provider.

- ☀ Implement new processes to enhance volunteer retention.

PROGRAM CONTACTS

Contact Bonnie White of the Office of Animal Services at 240.773.5641 or Derrick Harrigan of the Office of Management and Budget at 240.777.2759 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

☀ Animal Shelter

The Animal Shelter program maintains and operates the only open-admission shelter in Montgomery County, and provides a high standard of care for lost, abandoned, abused, and unwanted animals, as well as the County's wildlife. Dogs and cats make up the largest populations at the shelter, but many other animals also come through the shelter doors. Rabbits, guinea pigs, and mice are the most common, though it is not unusual to find turtles, lizards, and birds. The Animal Shelter offers a variety of programs and services to support both the community and the animals housed at the shelter. Programs include Adoption, Volunteer, Foster and Rescue, Community Outreach, and Pet Licensing. The shelter communicates to the public through a dedicated website and various social media outlets to advertise and promote the Department's services and animals available for adoption. The shelter also conducts tours, participates in promotional events, and provides outreach to student groups and housing/community organizations about responsible pet ownership and animal laws and regulations.

☀ Field Services

Field Services is responsible for enforcing State and County animal laws and regulations to include investigating resident complaints and responding to animal emergencies 24 hours a day, seven (7) days a week. In addition to enforcement efforts, Animal Services Officers distribute humane education informational brochures and materials on a variety of topics to include animal ownership requirements, reporting suspected violations, pet licensing and rabies vaccinations, wildlife mitigation, appropriate housing and restraint techniques, and livestock and poultry care standards. The Animal Services Dispatch/Call-Taking Operation is responsible for answering and dispatching animal related calls and complaints from resident, identifying problems, and making appropriate referrals. This operation provides residents with information regarding State and County laws and regulations, department policies and procedures, and animal care and welfare standards for domestic animals and wildlife.

☀ Veterinary Services

Veterinary Services provides medical care and support to shelter animals, particularly animals that are sick and/or injured. Shelter animals are vaccinated, provided with flea treatment and de-wormer, and are tested for highly contagious diseases, as needed.

Veterinary Services performs spay/neuter surgeries on intact animals in the shelter's surgical suite prior to adoption, and works

closely with other veterinary clinics and hospitals in the County providing specialized treatments and surgeries beyond the scope of services provided by the shelter's highly professional veterinary staff. Veterinary staff also assist on Animal Services investigations involving inadequate care, abuse or cruelty, and neglect by performing medical exams, treatment, necropsies, and testifying, as needed.

Consumer Protection

APPROVED FY25 BUDGET

\$2,839,549

 ERIC FRIEDMAN, DIRECTOR

MISSION STATEMENT

The mission of the Office of Consumer Protection (OCP) is to enforce consumer protection laws prohibiting unfair and deceptive business acts or practices to ensure a fair marketplace for consumers and businesses. Activities include complaint resolution, business registration, law enforcement, education, legislation, advocacy, and outreach to vulnerable consumers.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Consumer Protection is \$2,839,549, an increase of \$272,755 or 10.63 percent from the FY24 Approved Budget of \$2,566,794. Personnel Costs comprise 95.42 percent of the budget for 19 full-time position(s) and no part-time position(s), and a total of 18.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 4.58 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Growing Economy**
-  **Effective, Sustainable Government**

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  In FY25, the Office of Consumer Protection plans to improve its process for submitting consumer complaints by enhancing its customer relationship management (CRM) system. The current system, CALMS, developed in 2017, serves as the cornerstone for customer interactions, facilitating the submission of complaints and the processing of registration or licensing documents. Despite its benefits, users have encountered challenges due to its complex interface and stringent time constraints for form submissions, which detract from the overall user experience. Recognizing these issues, OCP conducted a thorough assessment and plans to refine the CRM and user interface by integrating solutions like SeamlessDocs and SharePoint to streamline and enrich the user experience.

¹ Actual FY23 amount includes registrations issued for new home builders, new home sellers, motor vehicle repair and towing operators, secondhand personal property dealers, and small electrical repair dealers.

PROGRAM DESCRIPTIONS

Consumer Protection

The Consumer Protection program is a law enforcement function established in 1971 responsible for enforcing consumer protection laws to prohibit unfair and deceptive business acts to ensure fairness and integrity in the marketplace for consumers and businesses. The program is responsible for receiving, investigating, and resolving complaints, educating consumers and merchants, and registering and licensing certain businesses. The program has the authority to issue civil citations for violations of law, issue subpoenas to compel testimony and documents, and collaborate with other agencies to advocate for legislation. The program also staffs the Patient Advocate, administers the Domestic Worker law, and beginning in May 2021, the program now provides the County's Public Election Fund Liaison Service.

Correction and Rehabilitation

APPROVED FY25 BUDGET

\$84,203,400

FULL TIME EQUIVALENTS

544.07

 BEN STEVENSON , DIRECTOR

MISSION STATEMENT

The mission of the Department of Correction and Rehabilitation (DOCR) is to protect and serve the residents of Montgomery County and the general public by providing progressive and comprehensive correctional, rehabilitative, and community re-entry services. These functions are achieved through the operation of well-managed and effective correctional programs, including: the use of pre-trial supervision; secure incarceration; community treatment; reintegration programs; highly accountable security methods and procedures in each operating unit and program; and effective, progressive administration and management oversight.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Correction and Rehabilitation is \$84,203,400, an increase of \$7,346,159 or 9.56 percent from the FY24 Approved Budget of \$76,857,241. Personnel Costs comprise 88.45 percent of the budget for 535 full-time position(s) and no part-time position(s), and a total of 544.07 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 11.55 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

Safe Neighborhoods

INITIATIVES

-  Implement a new tablet program that will support improved access to educational resources, reduce staff assaults and use of force, increased family engagement, and additional programming opportunities for the confined population.
-  Relaunch the Alternative Community Services Work Crew to assist with department and community related service projects.
-  Provide increased community and social media presence with updated departmental information, and information on current activities and DOCR related business.
-  Manage all outside mail coming into secure confinement settings, reducing the illegal introduction of contraband that comes through the mail each day.

- ★ Partner with the Office of Innovation to review and optimize all aspects of the DOCR employment cycle to increase employee recruitment and retention.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Implemented Jail Management System modules in collaboration with the Department of Technology and Enterprise Business Solutions to address diminution and restitution changes required by the Justice Reinvestment Act. Existing criminal justice applications systems will be transferred to low-code solution and CRIMS Management System to enhance security. The department application systems will have one user interface login to streamline the process of accessing multiple systems, which will improve staff productivity.
- ★ Collaborated with the Department of Finance to consolidate multiple timekeeping and scheduling software platforms into one optimized application.
- ★ Updated DOCR internet and intranet sites to provide transparent and relatable information about DOCR operations to the community, and important information to County employees.
- ★ Completed the microgrid installation at the Montgomery County Correctional Facility (MCCF). The microgrid interfaces with the large solar installation previously completed to further increase energy independence, environmental protection, and cost savings. This project received State and National accolades.

PROGRAM CONTACTS

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Administration and Support

Management Services and the Director's Office serve an advisory function to the Department of Correction and Rehabilitation (DOCR) and implement performance accountability programs and general management practices. The program is comprised of the Director's Office; Accreditations and Professional Standards; Human Resources; Training; Procurement; Employee Health, Welfare and Safety; Fiscal Management; Information Technology; Capital Improvement Projects (CIP); and Special Projects.

Detention Services

Under the supervision of the Warden, Detention Services is responsible for the operation of two detention facilities, the Montgomery County Detention Center (MCDC) located in Rockville, and the Montgomery County Correctional Facility (MCCF) located in Clarksburg.

MCDC is responsible for the intake, reception, and diagnostic functions of the Department including law enforcement processing of adult offenders arrested in Montgomery County. The facility has the capacity to accommodate approximately 200 inmates. Over 11,000 offenders arrive annually at MCDC's Central Processing Unit (CPU) for arrest processing.

MCDC conducts psychological screening, medical screening, and risk assessment to determine the appropriate classification level of inmates and provides for the initial care, custody, and security of inmates for up to 72 hours prior to transfer to MCCF. At MCDC, bond hearings are conducted by the Maryland District Court Commissioners. They also determine eligibility of offenders for legal representation by the Public Defender's Office.

Following an initial intake at MCDC, inmates may transfer to the 1,029-bed Montgomery County Correctional Facility (MCCF), normally within 72 hours. MCCF is responsible for the custody and care of male and female offenders who are either in a pre-trial status or serving sentences of up to 18 months. Progressive and comprehensive correctional services and programs are provided to all inmates covering substance abuse treatment, mental health issues, cognitive behavioral modification programs, education, life skills, and workforce development.

☀ Pre-Release and Re-entry Services

The Pre-Release and Re-entry Services (PRRS) is a correctional program that provides community-based residential and non-residential alternatives to secure confinement for sentenced adult offenders in which they engage in work, treatment, education, family involvement, and other services as they transition back into the community. The program primarily serves inmates who are within one year of release and are sentenced to the Department of Correction and Rehabilitation (DOCR). In addition, the program provides re-entry services to federal- and state-sentenced inmates and federal probationers who are within one year of release and returning to Montgomery County and the greater Washington Metro area upon release.

The residential program, located in Rockville, is a 144-bed 24/7 community corrections facility that houses female and male offenders. The non-residential Home Confinement program allows individuals to live in their homes, although they are required to report to Community Corrections several times a week for drug testing and other required programming. The program provides for all aspects of care, custody, and security of all offenders on the program. Staff provide rehabilitative and case management services, as well as perform security responsibilities to maintain operations, offender accountability, and to ensure safe clean and orderly program operations.

Pre-Trial Services

There are four independent programs within Pre-Trial Services (PTS): Pre-Trial Assessment Unit, Pre-Trial Supervision Unit, Alternative Community Service Program (ACS), and Intervention Program for Substance Abusers (IPSA).

The Pre-Trial Assessment Unit is housed at the Montgomery County Detention Center and is responsible for assessing those who have been newly arrested and have been unable to make bond. Staff verifies personal information, analyzes criminal histories, and formulates recommendations to the Court to enable Judges to make informed bond decisions. Recommendations are made with public safety as the main priority following the national models of assessment for pre-trial programs.

The Pre-Trial Supervision Unit provides monitoring of court-ordered conditions to offenders released to the community while awaiting trial. Advanced technology, such as GPS tracking and radio frequency curfew equipment, are used to monitor offenders' movements in the community. Drug testing is also performed. Violations of release conditions are immediately reported to the Court for possible re-incarceration.

The diversion programs, ACS and IPSA, are predominantly for first-time misdemeanor offenders who will ultimately have their charges expunged following successful completion of one of these programs. Community service, drug education, and treatment are core functions of these programs.

Emergency Management and Homeland Security

APPROVED FY25 BUDGET

\$4,766,028

FULL TIME EQUIVALENTS

22.20

 **LUKE HODGSON, DIRECTOR**

MISSION STATEMENT

It is the mission of the Office of Emergency Management and Homeland Security (OEMHS) to plan, coordinate, prevent, prepare for, and protect against major threats that may harm, disrupt, or destroy our communities, commerce, and institutions; and to effectively manage and coordinate the County's unified response, mitigation, and recovery from the consequences of such disasters or events should they occur. Key objectives are to:

- Coordinate County plans and actions to minimize harm to residents, employees, and visitors in Montgomery County before, during, and after emergencies.
- Coordinate the services, protection, and contingency plans for sustained operations of County facilities.
- Coordinate and provide public education to ensure the resilience of our communities during disasters.
- Coordinate Homeland Security policies and priorities for grant-seeking, management, and reporting.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Emergency Management and Homeland Security is \$4,766,028, an increase of \$644,978 or 15.65 percent from the FY24 Approved Budget of \$4,121,050. Personnel Costs comprise 67.88 percent of the budget for 21 full-time position(s) and one part-time position(s), and a total of 22.20 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 32.12 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Safe Neighborhoods**
-  **Effective, Sustainable Government**

INITIATIVES

- ★ Integrate \$900,000 into the base budget for the Non-Profit Security Grant Program, transitioning from one-time funding for non-profit and faith-based organizations to augment costs for security personnel or other security planning measures for nonprofit organizations located in Montgomery County.
- ★ Allocate additional financial resources to support Regional Preparedness Program personnel, previously funded by a federal grant, to maintain stability and continue critical services provided.
- ★ Transition a current Division Chief to Deputy Director to collaborate with the Director to implement the strategic vision for the Office of Emergency Management and Homeland Security and oversee the day-to-day operations.
- ★ Continue to expand weather and flood monitoring equipment throughout the County to enhance real-time situational awareness and forecasting in preparation for and response to major weather events.
- ★ Coordinate a Community Preparedness event for September 2024 to educate citizens on topics such as emergency preparedness; Alert Montgomery; Narcan education and training; Avoid, Deny, and Defend training; and Public Access Trauma Care for the residents and visitors of the County.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Coordinated with the Office of Grants Management (OGM) to launch the FY24 Nonprofit Security Grant Program. A total of \$900,000 was awarded to the 136 applicants. Expedited an additional \$311,000 in security funding to Jewish, Muslim, Sikh, and Zoroastrian communities to invest in security measures to protect their facilities.
- ★ On behalf of all County agencies, OEMHS pursued reimbursement for COVID-19 expenses incurred by the County through the Federal Emergency Management Agency's (FEMA) Public Assistance program. Over \$218 million was submitted for consideration. Of that, \$77 million has been reimbursed to the County, \$33 million more has been approved, and the remaining \$108 million is currently under review by FEMA.
- ★ Applied for, received, and managed over \$4.6 million in federal Homeland Security grants on behalf of public safety agencies, funding a number of key personnel, equipment enhancements, trainings, exercises, and plans.
- ★ As of February, responded to 45 distinct emergency events at the request of public safety partners, including building fires, flooding, evacuations, emergency notifications, weather events, gas leaks, water disruptions, civil disturbance, hazardous material spills, air quality degradations, communications interruptions, and others.
- ★ Hired a Climate Adaptation Program Manager and Hydrologist to support the OEMHS-led action items in the County's Climate Action Plan. OEMHS is currently supporting the County Comprehensive Flood Management Plan and watershed studies.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24

Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Administration

The Emergency Management Administration program handles grant and financial management, office administration, budget management, procurement, and human resources. This program also includes overall policy development for the office, as well as the administration of the County's Hazardous Materials Permitting Program.

Emergency Management Planning, Response, and Recovery

The Emergency Management Planning, Response, and Recovery program represents the core programmatic activities of OEMHS. This program includes the planning, training, and exercising activities aimed at preparing County departments, non-profit partners, critical infrastructure, and County residents for large-scale emergencies. Major threats that this program addresses include, but are not limited to, cybersecurity, impacts from climate change, terrorism and other acts of violence, major storms, pandemics, and other large-scale events such as building fires. This program also includes the County Facility Emergency Action Plan and Continuity of Operations planning, employee training for emergency events, and other activities aimed at ensuring an effective countywide response to events impacting County government and residents. It also supports the Alert Montgomery system and associated emergency alerting, preparing, and operating the Emergency Operations Center (EOC), and administration of the Hazard Materials Permitting process.

Fire and Rescue Service

APPROVED FY25 BUDGET

 GARY COOPER, INTERIM FIRE CHIEF

MISSION STATEMENT

The mission of the Montgomery County Fire & Rescue Service (MCFRS) is to create and enhance public safety through measures to reduce vulnerability and improve resilience.

MCFRS consists of the Office of the Fire Chief; Division of Operations; Division of Human Resources; Division of Fiscal Management; Division of Support Services; Division of Volunteer Services; the Fire and Emergency Services Commission; and 19 Local Fire and Rescue Departments (LFRD). MCFRS operates 37 fire and rescue stations and several satellite offices.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Montgomery County Fire and Rescue Service is \$292,436,391, an increase of \$25,641,237 or 9.61 percent from the FY24 Approved Budget of \$266,795,154. Personnel Costs comprise 84.29 percent of the budget for 1,370 full-time position(s) and one part-time position(s), and a total of 1,372.01 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 15.71 percent of the FY25 budget.

The Debt Service for the Fire Tax District Fund is appropriated in the Debt Service Fund and is, therefore, not displayed in this section. To pay for the Debt Service, a transfer of funds from the Fire Tax District Fund to the Debt Service Fund of \$9,311,730 for General Obligation debt and \$6,511,050 for other debt is required.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following is emphasized:

 **Safe Neighborhoods**

INITIATIVES

-
- ★ Provision of enhanced cancer screenings options that include the early detection of multiple types of cancers via blood testing, and ultrasound diagnostic of cancer for career firefighters.
 - ★ Improve staffing within the Fire & Explosive Investigations Unit (FEI) in a manner that efficiently accounts for rigorous training requirements and promotes longterm savings.
 - ★ Increase support to the local fire rescue department (LFRD) with the addition of staffing at Station 40 to address failure to respond metrics.
 - ★ Fully deployed a High School Cadet Training Program in collaboration with MCPS. The cadet program now includes Emergency Medical Technician Training geared towards preparing Cadets for successful performance on national licensure requirements, and preparation for professional Fire Fighter careers.
 - ★ Provision of vaccine boosters for career firefighters against COVID-19.
 - ★ Maximize the impact of existing resources through adjustments to the Emergency Medical Services disposition unit and redeploying staff from an advanced life support chase car to establish a new EMS Duty Officer to improve health outcomes in diverse areas of the County.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Added a Clinical Disposition Officer (EMS700) in FY24 to manage the flow of EMS transport units into crowded emergency departments and avoid overloading any one hospital with patients whenever possible. EMS700 also improves care navigation for patients with specialty needs such as strokes, traumatic injuries, heart attacks, palliative care, and pediatrics.
- ★ Added an additional EMS Duty Officer (EMS702) to the Bethesda area in FY24, increasing the supervisory coverage in the field. This directly improves the geographic coverage of the entire county and reduces staffing stress for each of the three supervisors. This additional supervisor improves relationships with our field clinicians and hospital partners and increases supervisory attendance to high acuity patients, such as those suffering cardiac arrests or significant trauma.
- ★ Placed a reserve ambulance at Station 33 and allowed the local fire-rescue departments to staff the unit in response to patient transportation demand surges.
- ★ Redeployed several EMS resources in FY24 to improve EMS capacity/coverage, including an ambulance (A725C) from Station 25 to Station 18 (A718); the chase car (ALS741) from Rescue 1 to Station 1 (ALS701); and a daywork (Monday - Friday) medic unit (M732).
- ★ Improved the quality of care to EMS patients by providing access to new equipment (IV pumps) and processes (norepinephrine administration) that could potentially improve outcomes following out-of-hospital cardiac arrest. These improvements reduce the cognitive workload of the clinician and eliminate error points in patient care.
- ★ Early in 2023, MCFRS enhanced outreach and education efforts beginning with the Fire Chief's "call to action," a non-sprinklered high-rise safety campaign. Implemented additional enhancements through process changes, including more robust information and data-sharing between the Community Risk Reduction Section and Operations in support of After-the-Fire initiatives and the addition of the Community Action Lieutenant at the beginning of FY24. Applied a "whole-of-government" approach to a significant high-rise fire incident through the creation of a learning team, which brought together several County departments to analyze the community and explore methods to enhance public safety.

PROGRAM CONTACTS

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Fiscal Management

The Division of Fiscal Management is responsible for the overall management of the MCFRS operating budget; the management and administration of State and Federal funding; management oversight of the EMS reimbursement program; accounts payable and receivable; and contract management and development.

The Budget and Grants Section handles budget development; grant coordination, administration and close-out; expenditure and revenue analysis and tracking; ordering and payment for office and station supplies; and department-wide financial procedures.

The Emergency Medical Services Transport (EMST) Reimbursement Section manages the department's ambulance transport reimbursement program. The section reviews patient care reports; ensures compliance with various local and federal regulations, manages the contract with the billing company, reconciles revenues, distributes and tracks EMST revenues that are sent to the 19 volunteer departments; and monitors the expenditure of EMST reimbursement funds by MCFRS.

The Procurement Section advises and assists in the acquisition of all goods and services for the department. The expertise on procurement procedures and regulations resides in this section, which develops and administers contracts throughout MCFRS. All payments and purchase orders are entered and approved by the Procurement Section, and the section coordinates and oversees the department's purchasing card accounts.

Human Resources Division

The Division of Human Resources is a comprehensive support function of MCFRS focused on the management and maximization of potential for human capital. The division is comprised of various sub-functions.

The Administrative Services Section is responsible for personnel and labor related issues, including coordination with County Office of Human Resources, recruiting and hiring, promotional exams, discipline, and the collective bargaining process. Further, they represent MCFRS, in cooperation with the Office of the County Attorney, in mediation, arbitration, alternative dispute resolution, and in front of the Merit System Protection Board.

Fire Rescue Occupational Medical Services provides focus on MCFRS health needs. Services provided include entry level physicals, annual physicals, injury care, return to work exams, fitness for duty exams, and vaccinations. This team also monitors employees injured on the job to ensure appropriate care and timely return to work.

The behavioral and mental health component of MCFRS is addressed by the Behavioral Health Section. Staff professionals provide direct clinical services to MCFRS personnel and assist with the Critical Incident Stress Management Team. The staff psychologist also trains and educates personnel.

The Training Academy is responsible for all job-related training for MCFRS personnel. The Training Academy is an accredited institution that provides multi-level training, education, and certification that is compliant with applicable regulations.

Office of the Fire Chief

The Office of the Fire Chief (OFC) has the ultimate responsibility for the overall management, direction, planning, and coordination of all MCFRS programs and operations. The OFC manages the overall service needs and delivery requirements of MCFRS, including fire and rescue master planning and resource deployment plans; oversees community risk reduction programs and community outreach; develops and recommends capital improvement projects; manages and integrates information technology into the MCFRS' business processes; and recommends policy initiatives and programs to the County Executive.

The Office of the Fire Chief includes the Internal Affairs Section, Community Risk Reduction Section, the Planning Section, and the Public Information Office.

The Internal Affairs Section investigates complaints and serious violations of the personnel regulations and department policy and conducts procedural background investigations of applicants for firefighter/rescuer positions.

The Community Risk Reduction Section identifies and mitigates certain risks to the community in an effort to reduce the number of 911 calls. Initiatives include smoke alarm distribution, home safety visits for seniors, child safety seat installation and bicycle safety education.

The Planning Section is primarily responsible for the development of the Fire, Rescue, Emergency Medical Services, and Community Risk Reduction Master Plan and oversees the department's accreditation program. Among the tasks assigned to this office are the analyses of risk and historical emergency incident activity; monitoring development and growth to project strategic resource needs, facility placement, special operational requirements, and future workforce levels; performance measurement; and geographical incident data analyses and technical support.

The Public Information Office facilitates media relations, messages, and imaging/brand management and is responsible for disseminating information to the public on departmental programs and services; conducting outreach and fire safety education; and ensuring high quality customer service.

Operations

The Operations Division is responsible for the day-to-day delivery of critical emergency medical services (EMS), fire suppression, hazardous materials, and technical rescue mitigation to the residents and visitors of Montgomery County.

The overall responsibility for Fire and Rescue Service operations lies directly with the Fire Chief. The Division Chief of

Operations is assigned by the Fire Chief to manage the division. The career and volunteer components of the combined service work in an "Integrated Emergency Command Structure" that defines the authority and responsibility for all members of the service. MCFRS responds to approximately 130,000 emergency incidents annually. Requests for emergency medical assistance comprise the majority of those incidents; approximately 100,000 calls resulting in the transport of 75,000 people to local hospitals. There are approximately 27,000 fire incidents, technical rescue, and hazardous materials incidents annually.

The Operations Division is organized into four major sections, including Field Operations, Emergency Communications Center (ECC), Special Operations (SOPs), and Emergency Medical and Integrated Healthcare Services (EMIHS). MCFRS personnel operate from 37 Fire and Rescue stations. Thirty-five paramedic engines, 15 aerial units, six heavy rescue squads, 11 Advanced Life Support medic units, three paramedic chase cars, and 32 Basic Life Support (BLS) ambulances make up the primary fleet of first response apparatus. There are additional units that can be placed in service with available volunteer or recalled career personnel to increase the MCFRS capability.

Support Services

The Division of Support Services provides central administrative and management service and direction for support functions

across the department. Core services include the Capital Improvements Program, logistics, fleet services, facilities, technology services, and safety.

The logistics function consists of Fleet Support, Fleet Maintenance, Property and Supply, Emergency Medical Service Logistics, and Self-Contained Breathing Apparatus & Meters. The Property and Supply Section maintains and distributes uniforms, apparel and firefighting personal protective equipment needs for career and volunteer fire and rescue personnel. This includes the procurement, order placement, receipt, storage, inventory, and distribution of a wide array of items, as well as related contract and budget administration and invoice processing. The section coordinates special services such as uniform tailoring and alterations, shoe repair, and protective clothing inspection, cleaning, and repair.

Maintenance of MCFRS heavy apparatus is performed and managed by Fleet Maintenance. The section ensures compliance with State and Federal regulations pertaining to emissions, inspections, and safe vehicle operation.

The Fleet Support Section handles the acquisition and disposal of County-owned apparatus as well as assisting LFRDs with acquisition of apparatus. The section selects, acquires, maintains and repairs tools, equipment, hose, and appliances used by fire and rescue personnel. Fleet Support also purchases and manages fuel for the department.

The Facilities Section is responsible for ensuring fire and rescue facilities that are properly maintained to enable all elements of the MCFRS to meet their mission. This includes monitoring, management and maintenance of the department's infrastructure.

The Capital Improvements Program manages the construction of new facilities and capital improvements to existing facilities.

The Technology Services Section is responsible for development, implementation, and ongoing support of all information technology needs for the department. This section ensures compliance with all Department of Technology and Enterprise Business Solutions' requirements; is responsible for radio and telecom infrastructure; manages Computer Aided Dispatch; maintains the Data Warehouse; oversees station alerting, and maintains desktops, firehouse reporting, and inventory control software.

The Safety Section ensures the occupational health and safety of personnel through management of safety capacity. The program develops and promotes proactive prevention initiatives to reduce injuries to personnel and damage to property through compliance monitoring, investigations and follow up.

Volunteer Services

The Division of Volunteer Services (DVS) manages and provides support and volunteer advocacy, oversight, mediation, and enforcement of MCFRS policies, coordination and technical assistance, incentives, and administrative services to support the Local Fire and Rescue Departments (LFRD) within MCFRS.

This program promotes consistent and balanced integration of the activities of volunteer and career firefighters and rescuers; promotes recruitment and retention of volunteers, assists LFRDs in training, risk management, the formulation and standardization of LFRD/MCFRS business plans, use and maintenance of fire and rescue apparatus, budget preparation, and formulating department-wide policy.

The program makes recommendations to the Fire Chief, monitors legislative and regulatory actions involving volunteer activities, and informs the affected groups.

 MARCUS G. JONES, CHIEF OF POLICE

MISSION STATEMENT

The mission of the Montgomery County Police Department (MCPD) is to safeguard life and property, preserve the peace, prevent and detect crime, enforce the law, and protect the rights of all citizens. The department is committed to working in partnership with the community to identify and resolve issues that impact public safety.

Community Policing Philosophy

The Montgomery County Police Department embraces the concept of community policing as a philosophy and an organizational strategy. This approach allows the police and the community to work closely together in creative ways to solve the problems of crime or fear of crime, address physical and social disorder, and advance the overall quality of life in the community. This philosophy rests on the belief that the community deserves input into the process and that solutions to today's community problems require both the public and the police to address neighborhood concerns beyond a narrow focus on individual crime incidents. These partnerships and strategies have allowed the department to address community concerns quickly, to improve the department's ability to communicate with and better serve the community, and to enhance the department's ability to accomplish its mission.

BUDGET OVERVIEW

The total approved FY24 Operating Budget for the Department of Police is \$312,520,754, an increase of \$16,019,176 or 5.40 percent from the FY23 Approved Budget of \$296,501,578. Personnel Costs comprise 85.05 percent of the budget for 1,817 full-time position(s) and 224 part-time position(s), and a total of 1,903.10 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 14.95 percent of the FY24 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Safe Neighborhoods**
-  **Effective, Sustainable Government**

INITIATIVES

- ★ Enhance real time crime fighting by adding funds for the expansion of FUSUS software which tracks technologies related to cameras, license plate readers, and the Drone as First Responder (DFR) Program.
- ★ Expand the innovative Drone as First Responder program allowing for quick and efficient police response to incidents in Bethesda, Germantown/Gaithersburg, Silver Spring, and Wheaton.
- ★ Add funds to enable the department to better respond to community requests for increased transparency through digitization of critical historical records catalogs.
- ★ Add funds to execute an external workload analysis and staffing study to address staffing challenges.
- ★ Add funds for eSoph background investigation software to manage background investigations.
- ★ Fund the expansion of the Police Cadet program to bolster the recruitment of police officers.
- ★ Add funds for NeoGov employee evaluation software to provide a centralized solution that increases efficiency and effectiveness in completing employee performance evaluation for the Fraternal Order of Police (FOP) and the Municipal & County Government Employees Organization/United Food and Commercial Workers Local 1994 (MCGEO).
- ★ Add funds to expand the Police Department's technology maintenance contract which provides comprehensive packaging and/or bundling of technological improvements including license plate readers, body worn cameras, data storage, tasers, and virtual reality.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ MCPD expanded the Drone as First Responder Pilot program, which is an end-to-end public safety drone program, to increase the effectiveness of police response and to reduce incidences of unnecessary use of force through improved surveillance and information on calls. Information on whether a suspect is armed can inform and improve officer decision-making.

PROGRAM CONTACTS

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ [Community Resources](#)

The Community Resources Bureau embraces the philosophy of community policing which highlights the importance of working in partnership with our communities to identify and resolve public safety issues. MCPD acknowledges and fully supports the use of this philosophy regarding the department's interaction with Montgomery County Public Schools and the Maryland Center for School Safety. This bureau coordinates the operations of the Community Engagement Division and the Policy and Planning Division.

The Community Engagement Division (CED) directs the Community Engagement Officers, Community Outreach, the Crisis Response Support Section, and Peer Support. Together these operations provide positive outreach encounters and confidential support to community members by:

- Delivering high-quality customer service;
- Providing effective and accurate communication with department and community members while being both responsive and transparent;
- Helping to build trust and establish legitimacy of the Police Department within our communities;
- Encouraging community engagement and outreach; and
- Serving as a liaison between the MCPD and Federal, State, and local government agencies.

The Policy and Planning Division is responsible for policy development, planning and research activities, and ensuring compliance with department policies, procedures, and standards.

- The Policy Development Section develops and updates departmental directives, forms, and other policy documents for department-wide distribution and may assist with inspections and audits of departmental units to ensure proper administrative and operational controls are being followed.
- The Planning and Research Section coordinates long-term strategic planning, research, and analysis in addition to various special projects for the department as well as for public and private partners.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of community engagement events ¹	530	223	240	280	320
Number of Use of Force incidents ²	982	1,574	1,600	1,550	1,500

¹ Decrease incorporates moving away from virtual meetings to more time-demanding in-person interactions.

² Increase due to new UOF policy and pointing of service weapon criteria. Projected increase due to July 1, 2022, legislation - counteract physical struggle changed to the intentional use of any physical effort(s) by law enforcement other than compliant handcuffing or unresisted escorting in order to control, restrain, or place an individual in custody.

☀ Field Services

The mission of the Field Services Bureau (FSB) is to provide specialized police services in support of other divisions within the MCPD and the residents of Montgomery County. These services are coordinated through the Special Operations Division (SOD), Traffic Operations Division (TOD), and the Security Services Division (SSD).

FSB accomplishes its purpose by partnering with other divisions and the community to enhance and further the overall mission of the Montgomery County Police Department. This is accomplished through:

- Traffic safety education, engineering, and enforcement which addresses both vehicle and pedestrian safety;
- Safety and security of County employees, visitors, facilities, and property utilizing physical security measures, policies that incorporate the industry's best practices, and education;
- Participating in community engagement activities designed to educate, build trust, and sustain relationships with those we serve; and
- The use of units that have specialized equipment and/or training that enables them to provide unique support and functions to the department and community.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of Managed Search Operations Team (MSOT) responses to missing-at-risk calls	1,012	1,114	1,200	1,250	1,300

Number of traffic collisions in Montgomery County	10,058	10,077	10,000	10,000	9,500

¹ FY23-FY25 projections reflect projected averages based on an increase of 50 speed cameras and 25 red light cameras over the next two years. Any change in the number of cameras deployed will affect the targets. FY23 decrease incorporates the program's success at modifying driver behavior through the presence of cameras. The program was recently included in the published "Safe System Approach for Speed Management" report from the Federal Highway Administration.

☀ Investigative Services

The mission of the Investigative Services Bureau (ISB) is to provide specialized investigative services in support of felony and misdemeanor offenses that occur in Montgomery County. These investigations are coordinated through the MCPD Major Crimes Division (MCD), Special Victims Investigations Division (SVID), Special Investigations Division (SID), Criminal Investigations Division (CID), and the Crime Laboratory.

The Investigative Services Bureau is responsible for providing investigative and forensic services directed at preventing and deterring future victimization of those that reside, work, or travel in Montgomery County. This is accomplished through:

- Conducting investigations and forensic examinations aimed at identifying suspect(s) responsible for perpetrating crime with the goal of successfully prosecuting them;
- Providing victim assistance and services to help limit the negative consequences of being a crime victim;
- Developing positive relationships with the residents and the business community in Montgomery County by conducting proactive and follow-up investigations which helps reduce victimization, helps victims recover property, prevents future crimes from reoccurring, and helps build a level of trust and cooperation with the community; and
- Sharing information and working cooperatively with Federal, State and local law enforcement partners to address ongoing crime in the County.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of lab examinations completed by the Montgomery County Police Crime Lab	7,725	7,431	9,000	9,500	10,000

Crime investigation and closure rate: Property crime	11%	10%	16%	30%	35%
Number of fatal overdoses from opioids ²	82	84	80	75	70

¹ Offenses that were unfounded or referred to another jurisdiction or where arrest warrants were issued, but arrests not made yet, are not included in the clearance rate. By definition, the clearance rate does not take offenses that were closed administratively into account which affects the clearance rates.

² As of the report date, there have been 84 confirmed fatal overdoses during FY23 and 15 suspected cases awaiting toxicology confirmation. The number of confirmed cases for 2022 & 2023 may adjust as toxicology reports are completed. Please note, this data exclusively includes fatal opioid overdoses that were reported to or managed by SID personnel.

Management Services

The Management Services Bureau (MSB) is responsible for providing fiscal, personnel, and technological resources and services to all bureaus and programs within the MCPD in the following ways:

- Provide the safe and secure storage and preservation of evidence, property, and currency taken into custody by department personnel or authorized allied agencies;
- Receive and process all 911 and other emergency and non-emergency calls, dispatch public safety units within the County, and keep status on public safety units;
- Maintain personnel files on all employees, process pay and personnel actions, maintain the department complement/assignment roster, conduct background investigations on all potential employees, and recruit qualified employees;
- Manage budget, finances, facilities, fleet, procurement/logistics, and other various programs that support field functions;

- Provide and maintain records on all entry-level, in-service, firearm, and Field Training Officer related training, as well as conduct specialized training for department employees and outside law enforcement agencies; and
- Manage the department's capital improvement projects/renovations, and coordinate building and property maintenance services.

Office of the Chief

The Office of the Chief has responsibility for the overall management, direction, planning, and coordination of all MCPD programs and operations. The Chief is responsible for administering the department in accordance with applicable laws and regulations and ensuring that organizational objectives are met.

The mission of the Internal Affairs Division (IAD) is to conduct fair, unbiased, and timely investigations into allegations of misconduct on the part of officers and professional staff employees of the Police Department. IAD strives to maintain an environment of unparalleled integrity and accountability through comprehensive proactive and reactive investigations, inspections, and adjudication of misconduct so that the department's internal and external stakeholders have confidence and trust in the ability of the MCPD to execute its mission with the highest possible standards of impartiality, fairness, mutual trust, respect, and

accountability. IAD also collects extensive statistical data for review, assessment, and trends on an ongoing basis to provide advice and recommendations to the Chief of Police.

The Professional Accountability Division (PAD) ensures compliance with established policies, procedures, and legislative mandates through internal inspections and audits of all bureaus, divisions, and sections. Section 35-3(i) of the Montgomery County Code mandates that the Chief of Police establish an internal inspections program to ensure that the department is operating within established policies, procedures, and legislative mandates. This division assists the Chief of Police to ensure that the department is operating within established parameters. PAD is comprised of 3 sections: Accreditation, Staff Inspections and Audits, and Quality Assurance.

The Media & Public Information Office disseminates information to the public on matters of interest and safety through both traditional and social media outlets.

Patrol Services

The Patrol Services Bureau (PSB) is the largest bureau within the Montgomery County Police Department. It operates 24 hours a day, seven (7) days a week and is responsible for the most contacts with those that reside, work and travel within Montgomery County. The PSB currently consists of six districts - Rockville (1D), Bethesda (2D), Silver Spring (3D), Wheaton (4D), Germantown (5D), and Gaithersburg (6D).

PSB consists of several specially trained units, including the District Traffic Officers, Special Assignment Teams (SAT), District Community Action Teams (DCAT), Patrol Investigations Unit (PIU), and Community Services Officers (CSO). PSB is responsible for providing priority and routine services to the public, directed at preventing, deterring and responding to crime throughout Montgomery County with the primary goal of building trust, and developing and maintaining strong relationships between the department and the communities we serve, as part of the department's community policing philosophy. This is accomplished through:

- Enforcing proactively, by recognizing problems and preventing criminal activity, to prevent victimization;
- Responding to calls for service regarding criminal situations and providing general (non-emergency/non-enforcement) public assistance;

- Identifying victims of crimes and providing victim assistance;
- Enforcing traffic laws with the specific goal of reducing traffic collisions while promoting traffic and pedestrian safety and education;
- Educating the public in crime prevention methods;
- Protecting students and facilities within Montgomery County Public Schools; and
- Participating in community engagement efforts with the residents and business communities of Montgomery County to promote cooperative, transparent, and trusting partnerships.

MAXWELL UY, SHERIFF

MISSION STATEMENT

The mission of the Sheriff's Office is to provide general law enforcement, judicial enforcement, and specialized public safety services to the residents of Montgomery County in a lawful, fair, impartial, and non-discriminatory manner; and to ensure that Court mandates are carried out with respect for individual rights and freedoms. The Sheriff's Office is committed to establishing and maintaining cooperative working relationships with all other law enforcement, governmental, and criminal justice agencies, and the Courts to ensure that the residents of Montgomery County receive the full range of law enforcement services required for a safe and orderly society.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Sheriff's Office is \$30,558,372, an increase of \$1,598,722 or 5.52 percent from the FY24 Approved Budget of \$28,959,650. Personnel Costs comprise 84.97 percent of the budget for 189 full-time position(s) and five part-time position(s), and a total of 191.80 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 15.03 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- Safe Neighborhoods**
- Effective, Sustainable Government**

INITIATIVES

- Add funds for the installation of Wi-Fi connectivity in the Sheriff's Office terrace-level workspace to alleviate logistical and operational challenges as well as safety concerns.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- The Office of the Sheriff partnered with other public safety agencies, local businesses, and higher education institutions to promote hiring opportunities including Planet Fitness, Montgomery College, Hood College, and Liberty University.

PROGRAM CONTACTS

Contact Mona Cabrera of the Sheriff's Office at 240.777.7000 or Derrick Harrigan of the Office of Management and Budget at 240.777.2759 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Administration

This division provides general administrative support to the Sheriff's Office including personnel and labor relation matters, planning and policy, training, background investigations, payroll, purchasing, internal investigations, automation, grants, and budget-related functions. The Administrative Division provides technical support for the Sheriff's Records Management System (E*Justice). The Administrative Division also oversees the Sheriff's compliance with recognized accreditation standards. The Assistant Sheriffs direct research and development of policies, procedures, and regulations to meet professional standards developed for law enforcement agencies.

The Assistant Sheriffs oversee internal investigations, represent the Sheriff's Office in legislative matters, and provide legal direction. The Sheriff's Office participates in school functions, civic association meetings, and serves on commissions and committees. The Sheriff's Office also serves on applicant, promotional, and disciplinary boards of other public safety agencies. Administrative personnel organize and teach in-service and specialized deputy training and periodic weapons qualification, as required by the Maryland Police Training Commission. The Sheriff's Office also responds to mutual-aid calls as necessary. The office also participates in law enforcement task forces and units such as the Special Response Team, Special Events Response Team, and Hostage Negotiation Team in cooperation with the Montgomery County Police Department, Montgomery County Fire and Rescue Services, and other law enforcement agencies.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

Number of safety check violations resulting in arrest ²	1	0	0	0	0
Number of weapons seized as a result of Protective Orders	304	230	230	230	230

¹ The Sheriff's Office is required to immediately serve Court issued Peace and Protective orders in cases where petitioners seek protection from abuse. Each year, a higher number of Interim and Temporary Orders are received that require full processing through State and Federal law enforcement databases prior to physical service of the orders on the respondent.

² Safety checks involve efforts by Sheriff's deputies to ensure that victims are safe and court orders are being obeyed after the issuance of an Interim or Temporary Order. Safety checks are conducted by site visit or phone.

Civil Process

The Sheriff's Office is mandated to serve all civil processes as directed by the Courts or private litigants and file returns to the Court. These papers include summons, subpoenas, failure-to-pay rent notices, and other court documents. The Civil Process function is supported by deputies, who research and serve papers, and by administrative staff, who maintain the tracking process. The Sheriff's Office also executes court-ordered attachments, personal and real property seizures, and replevins (a civil action to recover property wrongfully held). As a final step in resolution of a court judgment, the Sheriff's Office conducts sales of seized or attached property. In the case of evictions, the Sheriff's Office restores real property to property owners by evicting tenants and their possessions as directed by the Court. When appropriate, tenants are referred to human service agencies.

Courtroom/Courthouse Security and Transport

The Sheriff's Office is responsible for transporting inmates between the Montgomery County Correctional Facility (MCCF), Montgomery County Detention Center (MCDC), and various jails and court-holding facilities, as well as to and from healthcare facilities. The Sheriff's Office also guards inmates while at these facilities. When a writ is received from other counties, deputies are required to transport MCDC and MCCF inmates to other Maryland District and Circuit Courts. The Sheriff's Office administers temporary detention facilities in the Silver Spring and Rockville District Courts, the Circuit Court, and the Juvenile Court holding facility located in the South Tower of the Circuit Court complex.

The Sheriff's Office provides security for the County's Circuit Court and operates X-ray machines and magnetometers to screen visitors entering the buildings at three public entrances. The Sheriff's Office uses trained canines to detect explosives, weapons, and to serve as a general crime deterrent within the courthouses.

The Sheriff's Office Canine Section is also the primary responder for explosive device detection calls, Monday through Friday, and responds to mutual-aid calls from the Montgomery County Police Department, Montgomery County Fire and Rescue Services, and other law enforcement agencies as necessary.

Criminal Process/Warrants and Extraditions

The Sheriff's Office is responsible for serving District Court civil warrants, District Court criminal warrants associated with domestic violence, all Circuit Court warrants, both adult and juvenile, and Child Support Enforcement warrants. The Warrant Section maintains on-line warrants in the following systems: Maryland Electronic Telecommunications Enforcement Resource System (METERS), National Crime Information Center (NCIC), and E*Justice. METERS and NCIC are used to share data with other State and Federal systems. E*Justice is a local database used by Montgomery County law enforcement agencies to track warrants. It also interfaces with the Law Enforcement Information Exchange to enable data sharing with law enforcement agencies in the National Capital Region. The Sheriff's Office also conducts investigations to locate and apprehend those fugitives for whom the Sheriff's Office holds a warrant. In addition, the Sheriff's Office is responsible for returning fugitives to Montgomery County from other jurisdictions for outstanding Circuit Court warrants and processing those fugitives when returned.

Domestic Violence

The Sheriff's Office is the lead agency in Montgomery County for serving court orders related to domestic violence, including Protective and Peace Orders. The Office is also responsible for serving Child Custody Orders. The Domestic Violence Section serves domestic violence court orders 24 hours a day, seven days a week. The Section works collectively with other County agencies to ensure that the petitioners are referred to essential County services available to them and their families. In an effort to enhance protection for the victims of domestic violence, the Sheriff's Office offers cellular phones to domestic violence victims. The Sheriff's Office also serves Emergency Evaluation Petitions that include obtaining custody and transporting residents to the hospital for court ordered mental evaluation.

 CHRISTOPHER CONKLIN, DIRECTOR

MISSION STATEMENT

The mission of the Department of Transportation (DOT) is to provide an effective and efficient transportation system that ensures the safe and convenient movement of persons and vehicles on County roads; to plan, design, and coordinate development and construction of transportation and pedestrian routes; to operate and maintain the traffic signal system and road network in a safe and efficient manner; and to develop and implement transportation policies to maximize efficient service delivery. DOT's supported programs include the Division of Traffic Engineering and Operations, the Division of Parking Management, the Division of Highway Maintenance, the Division of Transportation Engineering, the Division of Transit Services, and the Director's Office.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Transportation is \$63,647,476, an increase of \$4,034,376 or 6.77 percent from the FY24 Approved Budget of \$59,613,100. Personnel Costs comprise 49.57 percent of the budget for 456 full-time position(s) and four part-time position(s), and a total of 268.44 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 50.43 percent of the FY25 budget.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Greener County**
-  **Easier Commutes**
-  **Safe Neighborhoods**
-  **Effective, Sustainable Government**

INITIATIVES

-  Enhance residential resurfacing slurry seal to provide additional lane miles of improvements.

- ★ Enhance Vision Zero efforts by increasing funding for the Safe Routes to School Program.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Created an internal tracking system to organize review requests and submissions to the Office of the County Attorney.
- ★ Hosted bi-monthly meetings with the Office of County Attorney to ensure legal counsel is kept informed on project development/negotiation status, and reviewed case studies/Right of Way scenarios and best practices.
- ★ Added a Property Acquisition Section deadlines calendar to ensure important deadlines, dates, and reminders can be tracked in a central location.
- ★ Initiated development of "Sorry We Missed You" door hangers for Property Acquisition Section (PAS) staff to leave on residential properties in the event contact could not be made via mail, email, or phone for upcoming projects that require land acquisition or easements to their property. This innovation will aid PAS in ensuring efforts to contact property owners regarding these necessary actions are documented prior to seeking alternative methods of settlement.

PROGRAM CONTACTS

Contact Brady Goldsmith of the Department of Transportation at 240.777.2793 or Gregory Bruno of the Office of Management and Budget at 240.777.2773 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Community/Transportation Safety

This program provides engineering studies and investigations that evaluate pedestrian and traffic operations and safety deficiencies. The studies and investigations identify the need for alternative pedestrian crossing signalization or beaconing; parking conflicts; streetlighting conditions, upgrades, and maintenance; additional traffic signing and pavement marking; and sight distance deficiencies on neighborhood streets, arterial roads, and major roadways. The program also provides for the installation and maintenance of traffic control devices along County roadways.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of traffic studies completed ¹	963	1,167	1,300	1,350	1,400
Percent of traffic studies completed within scheduled timeframe	94%	95%	90%	90%	90%
Number of serious and fatal crashes on Montgomery County maintained roads ²	79	88	84	80	75

¹ DOT continues to receive a significantly increased number of traffic studies requested in FY23. Vehicle speeds on residential roadways and reduced law enforcement support contribute to this increase.

² Overall, crashes have been increasing due to increased travel coming out of the COVID-19 pandemic when vehicular traffic was abnormally

low.

Non-Roadway Right of Way Maintenance

Elements supported under this program provide positive value to the quality of life for residents and visitors through green infrastructure maintenance activities located in the County right-of-way.

Through scheduled maintenance and emergency response to hazardous conditions, efforts to ensure the safety of all pedestrians, bicyclists and motorists traveling within the County are priority non-roadway maintenance. Some examples of non-roadway maintenance include hazardous tree removal, tree pruning, traffic barrier repair, shoulder mowing, and foliage removal to provide adequate road clearance and sign, signal, and streetlight visibility. Many tree maintenance activities also contribute to the County's efforts to mitigate damage to public and private property due to severe weather events and unanticipated environmental risks.

In addition to the elements of safety, this program also offers positive environmental impacts and contributes to aesthetically mindful maintenance that help the County create and maintain a healthy and thriving environment. Some examples of environmentally conscious activities include street tree preservation and planting, tree stump removal for the establishment of new planting sites, vacuum leaf collections through the Annual Leaf Collection Program within the established leafing districts, street sweeping which contributes to the County's Municipal Separate Storm Sewer System (MS4) environmental permit, maintenance of a dedicated trail and bike network, beauty spot improvements, and shoulder litter removal.

Parking Outside the Parking Districts

This program administers, operates, and maintains the parking program outside the Parking Districts. Included in this program are

residential permit parking and peak hour traffic enforcement. The residential permit parking program is responsible for the sale of parking permits and parking enforcement in these areas. Participation in the program is requested through a petition of the majority of the citizens who live in that area. The program is designed to mitigate the adverse impact of commuters parking in residential areas. Peak hour traffic enforcement in the Bethesda and Silver Spring Central Business Districts assures the availability of travel lanes during peak traffic periods. The program is also responsible for the management of the Council Office Building (COB) garage and County employee parking in the Rockville Core area.

Transportation Infrastructure Construction & Maintenance

This program provides an effective and efficient transportation system, ensuring the safe and convenient movement of persons, bicycles, and vehicles throughout Montgomery County. The primary focus of this program is to proactively identify and address infrastructure within the County right-of-way that is in need of maintenance and to utilize industry standard best practices to determine the highest quality and most cost-effective method of repair. Infrastructure elements within this program include 5,200 lane miles of roadway; 1,665 miles of sidewalk, curb, and gutter; bridges; culverts; and an extensive storm drain system. Work performed under this program ranges from extensive redesign with reconstruction, to preventative maintenance measures that extend the longevity of existing infrastructure in good condition at a lower cost of repair. In addition to scheduled construction and maintenance, this program also supports reactive measures to address unanticipated emergencies within the County right-of-way that must be expeditiously addressed to ensure the safety of the traveling public and clear passage of the extensive transportation network.

Since 2005 the Montgomery County Department of Transportation has been a member of the Montgomery County Infrastructure Maintenance Task Force whose mission is focused on operating programs engaged in preventative maintenance that preserves the quality of capital assets so that they can be functional throughout their usual life. Because of the continuous efforts made to improve maintenance operations, repairs can be made using a more proactive and affordable strategy. Through routine and emergency maintenance operations, existing infrastructure is monitored and appropriate repairs are made as necessary to ensure the County can keep roads in good or better condition.

Common activities associated with this program include, but are not limited to: pavement surface treatment of residential and rural roadways; hot mix asphalt road patching (temporary and permanent repairs, crack sealing); concrete sidewalk, curb, and gutter repair; storm drain maintenance including repair and/or replacement of failed storm drain pipes; basic maintenance of bridges and box culverts; construction administration and management; and inspection and testing of materials. The surface treatment activity within this program represents only the preventative maintenance measures for roadway condition repairs, and is supplemental to the more extensive, and costly, repair strategies utilized under the roadway maintenance Capital Improvements Program (CIP). Projects and repair strategies under this program are often identified through condition assessments and collaborative efforts between department staff, County agencies, local utilities, municipalities, and local community leaders/Homeowners' Associations.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Linear feet of sidewalk construction completed (000s) ¹	30	37	25	25	25
Number of lane miles rehabilitated	139	234	150	157	157

Percent of rural/residential road quality rated good or better	51%	51%	43%	36%	30%

¹ The cost per linear foot of sidewalk can increase dramatically if retaining walls or the acquisition of right-of-way is required. This significantly impacts the linear feet constructed per year. The Sidewalk Program also helped manage the construction of CIP, Traffic Calming, Pedestrian Safety, Safe Routes to Schools, and Bicycle and Pedestrian Priority Area (BIPPA) projects.

Transportation Management, Operations and Emergency/Storm Response

This program supports the department's mission to provide an effective and efficient transportation system to ensure the safe and convenient movement of persons, bicycles, and vehicles throughout the County through daily traffic management operations, as well as its response to emergency events such as winter snow storms, severe wind/rain storms, natural disasters, and man-made emergency incidents.

This program focuses on the general elements associated with daily traffic management, including general engineering and maintenance activities relative to the design, construction, and maintenance of traffic signals, the Advanced Transportation Management System (ATMS), and communication infrastructure that includes the County's fiber optic network. For real-time management of the traffic signal infrastructure, this program also operates the County's Transportation Management Center (TMC) to monitor the computerized traffic signal system, assist with multi-agency incident management response activities, and coordinate special event traffic management. Daily operations relative to the traffic signal system management account for approximately 50 percent of the program's proposed budget.

In addition to the daily traffic management of signal functionality, this program is an integral part of coordinating the response to emergencies and severe weather events through the preparation, active response, and post-storm/emergency cleanup. Tasks performed during these operations include snow pretreatment, roadway snow removal, sidewalk snow removal, salt application, post-snow storm street sweeping, wind and rain storm debris removal, and immediate emergency repairs to damaged and unsafe infrastructure. Emergency operations often require rapid deployment of resources to clear debris/snow to ensure all transportation systems are passable for emergency first responders and the traveling public. During emergency events, this program operates the Storm Operations Center which monitors and coordinates real-time activities countywide with Fire and Rescue, Police, Emergency Management and Homeland Security, local utility companies, and other County agencies and local jurisdictions as needed. The primary goal for the emergency response component of this program is to keep County residents and the traveling public safe, while providing reliable access to the extensive transportation network. Emergency operations under this program are

funded by approximately 50 percent of the program's proposed budget. Actual annual costs associated with the emergency response activities can exceed the approved budget by over 900 percent, therefore expenditures over the budgeted program amount are covered by the Weather Response Non-Departmental Account.

Transportation Policy, Planning, and Project Development

This program formulates transportation and related environmental policy and provides leadership in developing a Capital Improvements Program that achieves policy goals. In addition, this program provides coordination with regional entities to ensure compliance with environmental requirements and reviews developer plans to ensure that transportation infrastructure constructed by the private sector also achieves these policy goals.

Transportation Services General Administration

The Director's Office provides overall leadership for the department and its five divisions, including policy development, planning, accountability, service integration, customer service, and the formation of partnerships. It also handles administration of the day-to-day operations of the department, including direct service delivery, budget and fiscal management oversight (capital and operating), training, contract management, logistics and facilities support, human resources management, and information technology. In addition, administration staff coordinates the departmental review of proposed State legislation and serves as a liaison between the County and Washington Metropolitan Area Transit Authority (WMATA).

Parking District Services

APPROVED FY25 BUDGET

\$28,878,623

FULL TIME EQUIVALENTS

 CHRIS CONKLIN, DIRECTOR

MISSION STATEMENT

The mission of Parking District Services is to:

- Support the role of public parking in commercial areas throughout the County, as parking management is an important tool for achieving public objectives of economic development and transportation management;
- Support the comprehensive development of the Silver Spring, Bethesda, and Wheaton central business districts and promote their economic growth and stability by supplying a sufficient number of parking spaces to accommodate that segment of the public demand, which is neither provided for by development nor served by alternative travel modes;
- Promote and complement a total transportation system through the careful balance of rates and parking supply to encourage the use of the most efficient and economical transportation modes available; and
- Develop and implement parking management strategies designed to maximize the usage of the available parking supply in order to enhance the economic development of specific central business districts.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Parking Districts is \$28,878,623, an increase of \$1,613,646 or 5.92 percent from the FY24 Approved Budget of \$27,264,977. Personnel Costs comprise 21.56 percent of the budget for 49 full-time position(s) and no part-time position(s), and a total of 48.73 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 78.44 percent of the FY25 budget.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- ◆ **A Growing Economy**
- ◆ **Easier Commutes**
- ◆ **Effective, Sustainable Government**

INITIATIVES

- ★ Improve Security Systems and public safety elements to address high-incident/high-crime threat areas in off-street parking. Add some additional cameras, network improvements to sustain the new cameras, additional fencing, and wayfinding painting to improve pedestrian safety.
- ★ Implement new security guard services contract to enhance PLD off-street parking security and incident reporting.
- ★ Install canopy solar panels on a parking facility roof to provide energy for low-voltage systems. The department is looking at opportunities to partner with Greenbank and/or other stakeholders to install solar canopies on garages in the PLDs that can provide discounted electricity to Low to Moderate Income (LMI) customers and the County. Community solar project has gone through the request for proposal (RFP) and is currently at the award stage. The PLD is evaluating garage 4, 5, and 7 to determine the first installation.
- ★ Convert single space meter lots in Wheaton PLD to master meter pay and display or pay by plate operations. Wheaton Lots are converting legacy coin-only single space meters with master meters which allows pay and display (coin, cash or credit card) or pay-by-cell.
- ★ Convert end of life single space meters in Transportation Management Districts (TMD) and PLDs to new and more capable single space meter systems. TMD off-street and PLD lots/on-street replace legacy smart meters with recently awarded single space smart meter contract.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Pilot License Plate Reader (LPR) integration into select off-street Parking Pay by Plate facilities to better track payment records and offer automated payment reminder and/or enforcement.
- ★ Completed parking ambassadors to off-street garages to patrol during peak hours providing payment support, service advertising, security enhancements, and community assistance.
- ★ Digital permits for garage specific parking in the Parking Lot Districts.
- ★ Expand cloud-based security cameras with integrated notification system.

PROGRAM CONTACTS

Contact Jeremy Souders of the Parking Districts at 240.777.8706 or Vivian Ikoro of the Office of Management and Budget at 240.777.2780 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

☀ Parking Enforcement

The Parking Enforcement program provides for the enforcement of parking laws within the Parking Lot Districts (PLDs) and Transportation Management Districts (TMDs) primarily to promote business activity, ensure public safety, and ensure the smooth flow of traffic. The program also conducts Residential Permit Parking (RPP) enforcement in all RPP zones within the County. In addition to citation issuance, the program is also responsible for the processing and management of citation payments.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

☀ Parking Operations

The Parking Operations program has overall responsibility for the management of County-owned garages and lots with over 20,000 parking spaces, which represent at least a fifty percent market share of available parking spaces. This program has overall responsibility for the collection and processing of all parking revenue, including revenue from individual meters, automated pay stations, cashiered facilities, parking permits, and parking fines. The program also includes renovating and improving existing parking facilities to ensure the preservation and integrity of the parking system and its continued service to the public. Moreover, the program is responsible for the maintenance of parking facilities that includes: snow and ice removal; janitorial services; equipment maintenance for elevators, electrical systems, heating, ventilation, and air conditioning systems (HVAC); facility repairs for maintenance of damaged glass, asphalt, concrete, plumbing, painting, and space stripes; and grounds-keeping services. Furthermore, this program provides a comprehensive meter maintenance program to ensure all meter devices function properly. Augmenting the public safety mission of the Montgomery County Police Department, this program also provides contract security guard services for parking facilities to detect and report theft, vandalism, and threats to personal security.

Parking Services General Administration

The General Administration program provides executive direction and support functions for parking programs that include human resources, information technology, fiscal/procurement services, and the redevelopment of real property to promote the economic growth and stability of associated urban districts. The program's responsibilities are for drafting and releasing Requests for Development Proposals; generating property appraisals; negotiating and overseeing the execution of General Development Agreements and Purchase Sales Agreements, including related development documents. The program also leads project management efforts including design and construction of PLD real property as part of mixed-use redevelopment projects.

Transit Services

APPROVED FY25 BUDGET

\$193,665,417

FULL TIME EQUIVALENTS

909.36

 CHRISTOPHER CONKLIN, DIRECTOR

MISSION STATEMENT

The mission of the Division of Transit Services is to provide an effective mix of public transportation services in Montgomery County.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Division of Transit Services is \$193,665,417, an increase of \$13,932,870 or 7.75 percent from the FY24 Approved Budget of \$179,732,547. Personnel Costs comprise 58.71 percent of the budget for 884 full-time position(s) and nine part-time position(s), and a total of 909.36 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 41.29 percent of the FY25 budget.

The general obligation bond and other Debt Service for the Mass Transit Fund is appropriated in the Debt Service Fund and is not displayed in this section. To pay for the Debt Service, a transfer of funds from the Mass Transit Fund to the Debt Service Fund of \$30,177,370 is required.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Greener County**
-  **Easier Commutes**

INITIATIVES

-  The Ride On Reimagined study will guide the future direction of the County's transit system through data analysis and community engagement. Goals, outcomes, and performance measures have been established for three priority areas: Safety and Vision Zero; Environment and Climate Resiliency; and Economic Development and Equitable Access. County residents, transit passengers, advocacy groups, and other stakeholders have participated throughout the study's development. Service concepts are expected to be finalized in spring 2024, with service and implementation plans to be completed shortly

thereafter. The implementation plans will include service changes to be phased in over several years.

- ★ The Great Seneca Transit Network will provide frequent transit options and improve mobility and access to crucial jobs in the healthcare, biotech, and educational sectors. The network is being implemented in two phases. The first phase, which includes Ride On Extra service on the new Pink and Lime transit lines, will launch in fall 2024. The Pink route links the busy Shady Grove corridor with Life Sciences Center via Medical Center Drive. The Lime route uses 1-370 to provide an express route to RIO, Crown Farm, and the heart of the Life Science Center.
- ★ A study to develop a zero-emission bus fleet transition plan will be completed in spring 2024. The plan will contain concrete strategies to reach zero greenhouse gas emissions by 2035 in accordance with the goals outlined in the County's Climate Action Plan. The study includes an evaluation of current and future facilities necessary for the transition to a zero-emission bus fleet. The County continues to purchase zero-emission vehicles, including both battery electric and hydrogen fuel cell buses, to work toward the Climate Action Plan goals.

PROGRAM CONTACTS

Contact Ken Sloate of the Division of Transit Services at 240.777.5808 or Gary Nalven of the Office of Management and Budget at 240.777.2779 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

☀ Community Mobility Services

The Community Mobility Services program provides a wide range of transportation-related services and options for County residents and commuters. The program includes components to inform people about services available, enabling them to make the best choices for their needs; programs to reduce the cost of using those options; and programs to increase the array of choices. Those components include the following units:

- Commuter Services: Working with the business and residential community, this program unit promotes alternatives to single occupant vehicles (including transit, car/vanpooling, biking, bikesharing, micromobility services, walking, and telework) in order to reduce traffic congestion, improve air quality and other environmental factors, and address climate change. Outreach and services are targeted to employers, employees, and residents of multi-unit buildings within the County's six Transportation Management Districts (TMDs): Silver Spring, Friendship Heights, Bethesda, North Bethesda, Greater Shady Grove, and White Oak, and in the Wheaton Transportation Planning and Policy area. Large employers and residential complexes outside the TMDs are also serviced on a more limited basis as resources permit. The unit coordinates with other agencies in the development approval process and works with developers within TMDs to incorporate supportive measures into their projects through implementation of Transportation Demand Management (TDM) Plans. The unit also coordinates with Parking Management to provide parking opportunities within the TMDs but outside

Parking Lot Districts (PLDs). Revenues from these non-PLD parking areas help support the unit's services. The unit supports and helps coordinate actions to reduce greenhouse gas emissions from the transportation sector in order to meet the County's climate change goals, consistent with actions identified in the Climate Action Plan. These include programs promoting use of electric vehicles by residents, businesses and their employees, developers, and the community at large.

- **Senior & Special Transportation:** This unit provides travel options for seniors and residents with disabilities who have low incomes, under a user-side subsidy program (Call-n-Ride); transportation to and from medical appointments for participants with low incomes (Medicaid); and outreach and information on public and private transportation programs for populations with special needs (Senior and Special Transportation Services). It ensures these populations have transportation options to meet their unique needs, provides access to necessary services, promotes independence, and prevents social isolation.
- **Taxi Services:** This unit administers taxicab regulation, licensing, and permit activities of Chapter 53 of the Montgomery County Code (Taxi).
- **Cross-Coordination of Services:** The Community Mobility Program coordinates implementation of programs and grants to support a broad range of mobility options with community groups, County departments, and other local, state, and regional agencies.

¹ Due to continuing after-effects on businesses from the Covid-19 pandemic, following up with employers regarding filings of TDM Plans and the related reports continues to be more challenging than in the past. Commuter Services works with employers to complete as many of their filings as possible, but it has not been possible to reach many employers, some of whom have or may have moved or ceased operations. Others have continuing staff shortages and other priorities, making it difficult to assist with completion of TDM Plans and reports.

² Commuter Surveys are conducted every other year. Figures for intervening years carry forward the results for the prior survey year - - thus NADMS figures will only change at most every other year. The most recent Commuter Survey was conducted in fall 2022 (FY23), with final analysis completed in FY24. Telework was especially high among employees and residents responding during the FY23 survey, resulting in high percentages of NADMS in most TMDs. NADMS is anticipated to be lower in subsequent survey years, due to a reduction in telework and increased return to in-person work post pandemic.

Transit Services

Public transit plays a vital role in maintaining the livability of Montgomery County's growing communities, easing commutes for County residents, and reducing emissions of greenhouse gases. The Transit Services program provides Ride On fixed route bus service, the FLASH limited stop transit service, and the FLEX on demand zone-based service in the County. The program plans and schedules all transit service, evaluates and develops routes and zones, and adjusts bus schedules three times a year.

Ride On bus service provides critical mobility options for County residents. Ride On operates fixed route service primarily in neighborhoods and provides a collector and distributor service to the major transfer points and transit centers in the County. Ride On bus service coverage extends to many residents and employers in the County and provides vital service to low-income households and households without cars.

The FLEX bus provides on demand service in several community zones. The FLASH Transit service operates on Route 29 from Briggs Chaney and Burtonsville to the Paul S. Sarbanes Transit Center in the Silver Spring business district. Transit Services supplements and coordinates the County's mass transit services with Metrobus and Metrorail service, which are provided by the Washington Metropolitan Area Transit Authority (WMATA).

Ride On bus service is provided with a fleet of more than 350 buses. Transit Services is committed to transitioning to a zero-emission bus fleet. Ride On currently has fourteen zero-emission electric buses in service and a procurement is underway for additional zero-emission buses.

 JAMES BRIDGERS PH.D., MBA, DIRECTOR

MISSION STATEMENT

The Department of Health and Human Services (DHHS) assures delivery of a full array of services to address the somatic and behavioral health, economic and housing security, and other emergent needs of Montgomery County residents. To achieve this, the Department (directly and/or via a network of community partners) develops and implements policies, procedures, programs, and services that: 1) offer customer-focused direct care and supports; 2) maximize financial and staffing resources to deliver services through effective management, coordination, and pursuit of strategic funding opportunities; 3) pilot and evaluate innovative approaches to service delivery and systems integration; and 4) develop, enhance, and maintain a broad network of community-based organizations, public agencies, and private entities to promote and sustain partnerships which increase the availability of needed services.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Health and Human Services is \$510,954,898, an increase of \$34,544,826 or 7.25 percent from the FY24 Approved Budget of \$476,410,072. Personnel Costs comprise 49.54 percent of the budget for 1,793 full-time position(s) and 318 part-time position(s), and a total of 2,002.27 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 50.46 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Greener County**
-  **An Affordable, Welcoming County for a Lifetime**
-  **Safe Neighborhoods**
-  **Effective, Sustainable Government**

INITIATIVES

-  Shifts the focus of the Services to End and Prevent Homelessness (SEPH) service area toward prevention services and away

from distribution of Federal funding for emergency rental assistance, as prevention services are more cost effective than shelters or motels. The Federal Emergency Rental Assistance Program (eRAP), which began during the COVID-19 pandemic, ends in FY24. Funding of almost \$842,000 is recommended in FY25 for a team within DHHS to work directly with households to help them stay housed.

- ★ Adds funding of \$1,900,000 to upgrade the existing enterprise Integrated Case Management system (eICM).
- ★ Provides approximately \$3.2 million to support various school health initiatives, including approximately \$1.3 million to annualize new school health room staff in community schools, \$908,000 for seven new community schools that are expected to be designated in FY25, \$580,000 for the opening of a School Based Health Center at South Lake Elementary School, and almost \$385,000 to cover inflation in school based health center contracts.
- ★ Provides \$1.5 million general funds to replace an ending Federal grant to continue Mobile Crisis Outreach Team (MCOT) services and expand capacity from five to seven teams. MCOTs are a crucial intervention for individuals with behavioral health issues and prevent unnecessary hospitalizations, interactions with law enforcement, and incarcerations.
- ★ Expands capacity in the dental program to meet increased demand. There are over 750 youth and 450 adults waitlisted for DHHS' dental services. In a promising development for dental care access, Medicaid has recently expanded dental care eligibility to adults ages 19-59, a population that did not previously have access to Medicaid dental coverage. This \$600,000 expansion provides essential dental care to the County's most vulnerable residents while offsetting costs with newly available Medicaid revenues. With additional staff, the dental program will be able to reduce its waitlists and improve access to dental services through the Mobile Health Clinic.
- ★ Enhances supplemental funding for reimbursements to critical providers, including \$697,000 for a 3% increase to the Developmental Disability Provider Supplement and the Adult Medical Day Care Provider Supplement. In addition, \$200,144 is added to the Adult Medical Day Provider Supplement to support two new providers in the County.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ DHHS' enterprise Integrated Case Management (eICM) Modernization system project updates the current DHHS eICM system for improved functionality, support, and cybersecurity. The contractor has been meeting with stakeholders to refine requirements and consolidate an inventory of all enterprise-wide reports applicable across DHHS service areas. In parallel, the contractor has started to design and prototype the new application to obtain early user feedback. The goal is to complete design and prototyping by mid-May 2024 and then start the build phase of the project.
- ★ eICM includes an interface with the Maryland Department of Health CARES system. The CARES system was replaced by the MD THINK Eligibility and Enrollment (E&E) system at the end of 2021. The conversion from CARES to E&E was supposed to be an "as is" conversion but the eICM support team discovered numerous issues with the data sent by E&E. Over the course of the previous year, a significant collaborative effort between the E&E and eICM teams resolved all the data issues. This work involved numerous rounds of requesting data, testing, and then requesting changes in the E&E system to resolve the issues identified in testing.
- ★ QLESS is a lobby management system that was implemented in DHHS' heavily trafficked locations in 2017. The initial implementation focused on serving some programs at some locations. Based on the success of this system in helping programs manage the lobbies, the Department has expanded to nine locations over the past year. Additional functionalities implemented or planned in FY24 include the ability to track service request volumes, virtually queue so clients no longer need to physically enter DHHS spaces, tracking clients by location, enabling individuals to view their place in a queue for services, working with MC311 to queue individuals requesting Office of Eligibility and Support Services (OESS) assistance, installing commercial displays that can easily change content to not only show QLESS information but other HHS priority information for customers, and replacing kiosks at all locations with larger screens for easier sign-in access for customers.

- ★ Licensure and Regulatory (L&R) Services selected the commercial CivicGov software to process applications, receive payment, better communicate with businesses, and combine multiple databases. DHHS Information Technology (IT), L&R, and the vendor have been working with County stakeholders to implement the software and expect to "Go Live" by the end of March 2024. CivicGov will also make processing the applications and payments easier for the County and the almost 4,400 constituents or businesses that will use CivicGov.
- ★ The DHHS Community Connect Application will improve the client experience and increase the efficiency of Case Workers in providing benefits and services to the community, such as reduced foot traffic, increased flexibility, improved document sharing, reduced application intake time, application tracking, screening for other needs, and easier reporting of changes. DHHS is currently in user acceptance and community testing and expects to "Go Live" with the first two phases of implementation in the fourth quarter of FY24. In FY25, the focus will be on development of the provider portal module of the platform which will be aimed at providing improved invoicing and transactions processing related to customer benefits approved by the County.
- ★ DHHS Information Technology team completed the Hyper-Converged Infrastructure (HCI) system project. All HHS applications that were at their end of life for maintenance support were successfully transferred to this newer, more efficient, and secure hardware.
- ★ The Services to End and Prevent Homelessness (SEPH) division worked with DHHS Information Technology to implement additional updates to the online application system for COVID Rent Relief and emergency Rental Assistance Program (CRR and eRAP). FY24 updates included creating duplicate applications to support households with additional funds, updating the reporting capability to more easily respond to data requests, and enhancing data validation and alerts for required fields to improve the accuracy of the applications.

PROGRAM CONTACTS

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

FUNCTION

The staff of Aging and Disability Services shares the Montgomery County vision where seniors, persons with disabilities, and their families are fully participating members of our community. The mission of this service area is to affirm the dignity and value of seniors, persons with disabilities, and their families by offering a wide range of information, home and community-based support services, protections, and opportunities, which promote choice, independence, and inclusion.

PROGRAM CONTACTS

Contact Patrice McGhee, DPA of the HHS - Aging and Disability Services at 240.773.1089 or Grace Pedersen of the Office of Management and Budget at 240.773.1088 for more information regarding this department's operating budget.

PROGRAM DESCRIPTIONS

Admin - Aging & Disability Services

This program provides leadership and direction for the administration of Aging and Disability Services.

FY25 Approved Changes	Expenditures	FTEs
FY24 Approved	96,129	3.00
Multi-program adjustments, including negotiated compensation changes, employee benefit changes, changes due to staff turnover, reorganizations, and other budget changes affecting multiple programs.	408,139	0.00
FY25 Approved	504,268	3.00

Adult Foster Care

This program provides subsidies and case management for low-income seniors who live in group homes for the frail elderly, and adult foster care homes for frail seniors and adults with disabilities.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of ongoing clients in Adult Foster Care - unduplicated annual count ¹	92	96	101	106	110
Assisted Living Services - Percent of clients remaining in community placement (i.e., not entering institutional setting) ²	94%	96%	95%	95%	95%

¹ There was a slight increase in new cases in FY23 due to more placements through Adult Protective Services. Twenty-four cases closed from the prior year due to deceased client, transfer to long-term care or nursing facility, relocation out of county, etc. The program projects an

increase in coming years based on past years' trends.

² Adult Foster Care maintains the least restrictive alternative to institutionalization/nursing facility placement as a goal and has been successful in maintaining a very high percentage of clients in the community, thereby reducing the higher cost of institutional care.

FY25 Approved Changes	Expenditures	FTEs
FY24 Approved	2,356,506	7.00
Multi-program adjustments, including negotiated compensation changes, employee benefit changes, changes due to staff turnover, reorganizations, and other budget changes affecting multiple programs.	54,607	1.00
FY25 Approved	2,411,113	8.00

Aging & Disability Resource Unit

This program assists seniors, persons with disabilities, and their families, in defining their needs, locating required services, and facilitating the application process to access services.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of incoming calls - monthly average ¹	1,464	1,382	1,400	1,425	1,450
Percent of ongoing clients to the Aging and Disability Resource Unit who said they were better able to make decisions about options after talking with staff ²	94%	95%	95%	95%	95%

¹ Call volume varies year-to-year but remains within expected range.

² Surveys are sent with mailings, kept in lobby, and given to clients met in person. In FY23, approximately 500 surveys were distributed and 31 surveys returned.

FY25 Approved Changes	Expenditures	FTEs
FY24 Approved	1,168,554	9.00
Multi-program adjustments, including negotiated compensation changes, employee benefit changes, changes due to staff turnover, reorganizations, and other budget changes affecting multiple programs.	519,398	0.00
FY25 Approved	1,687,952	9.00

Area Agency on Aging

The Area Agency on Aging provides programs and services to help seniors remain independent in the community including: nutritious senior meals; assisted living subsidies; technical assistance to community "villages"; support to caregivers; legal representative payee and health promotion services; health insurance counseling; visits to isolated seniors; grocery shopping; transportation and mobility management; subsidized employment; and problem resolution for residents of nursing home and assisted living facilities.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Percent of Representative Payee clients who report that they are satisfied with volunteers' management of their money, enabling them to have adequate funds for shelter, food, medical care, and clothes ¹	88%	91%	91%	91%	91%
Ombudsman Services - Percent of complaints resolved and partially resolved ²	89%	84%	85%	87%	90%

¹ In FY23, 27 of the program's 56 clients responded to the survey. The increase in performance is likely driven by a higher proportion of clients responding that they have adequate funds for medical care and clothing.

² Several internal and external factors affected the ability of the Ombudsman Program to resolve complaints in FY23: a decrease in Staff Ombudsmen; a decrease in Volunteer Ombudsmen; and the dissolution of the County's licensing and enforcement agency for nursing homes.

FY25 Approved Changes	Expenditures	FTEs
FY24 Approved	9,299,523	23.50

FY25 Approved Changes	Expenditures	FTEs
Multi-program adjustments, including negotiated compensation changes, employee benefit changes, changes due to staff turnover, reorganizations, and other budget changes affecting multiple programs.	489,645	1.00
FY25 Approved	9,789,168	24.50

☀ Assessment & Continuing Care Management Services

This program provides multi-disciplinary assessments, care planning, and case management services to frail seniors and adults with disabilities to remedy and prevent abuse, neglect, self-neglect, financial exploitation, or inappropriate institutionalization.

Services include Adult Protective Services, Social Services to Adults, and the Public Guardianship Program.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
New Adult Protective Services Investigations ¹	1,052	966	1,100	1,150	1,200
Number of clients receiving case management services ²	832	905	950	997	1,046
Percent of seniors and adults with disabilities that avoid institutional placement while receiving case management services ³	94%	93%	93%	93%	93%
Percent of APS Clients with another investigation within six months (recidivism) ⁴	8%	6%	6%	6%	6%

¹ The Covid-19 pandemic affected the number of APS referrals which fluctuated with the emergency of different variants. The at-risk population served by APS was more reluctant to leave their homes and thus community referral sources were less likely to make referrals. Future projections are based on increased community outreach/education, referrals from Community/Preferred partners and the senior community, along with the official ending of the public health emergency.

² The increase from FY22 to FY23 is due to clients re-engaging in post-Covid services.

³ The percentage remained stable between FY22 and FY23. No change is anticipated in upcoming years as case management has been effective in assisting clients to remain in the community with supports such as personal care and medical coordination.

⁴ Adult Protective Services investigations are voluntary for clients with capacity. Therefore, due to self-determination, some clients choose not to follow the program's recommendations, and, as such, rates of recidivism may fluctuate. Six percent is the state's goal, and the program anticipates that the rate will remain at this level.

FY25 Approved Changes	Expenditures	FTEs
FY24 Approved	11,877,575	58.17
Increase Cost: Adult Medical Day Care Add Two Providers	200,144	0.00
Enhance: Reduce Waitlist for Adult Protective Services Case Management	196,756	3.00
Increase Cost: Three Percent Increase to the Adult Medical Day Care Provider Supplement	64,743	0.00
Multi-program adjustments, including negotiated compensation changes, employee benefit changes, changes due to staff turnover, reorganizations, and other budget changes affecting multiple programs.	1,236,943	0.58
FY25 Approved	13,576,161	61.75

☀ Community Provider Support

This program provides financial support to the providers and agencies in the community that work with the entire spectrum of clients served by the Department through Aging and Disability Services.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Turnover rate for direct service professionals for developmental disabilities providers ¹	32.9%	28.0%	30.5%	30.5%	30.5%
Number of Clients served by Developmental Disability and Medical Adult Day Care Providers ²	5,106	5,126	5,275	5,425	5,575

¹ The program received responses from all 41 providers. Turnover rate has decreased post-pandemic as agencies are more successful in finding and retaining staff. Additionally, supplemental County funds are used to pay higher wages. Projections are based on three-year average.

² The program projects that the number of clients served by Developmental Disability providers will increase due to the the impact of the End the Wait Act, which requires the Maryland Department of Health to reduce the waitlist for its waiver programs by 50% over the next few fiscal years.

Community Support Network for People with Disabilities

Community Support Network for People with Disabilities (CSN) provides services that enable individuals to remain in their home or in the least restrictive environment and provides general support, guidance, and assistance to clients with developmental disabilities and their families. The My Turn program provides summer camp placements, support, and programmatic/financial assistance to families with children with developmental disabilities ages 3 to 13 years old. CSN also conducts site visits to group homes that serve clients with developmental disabilities in the County and monitors contracts that provide services to people with various disabilities including visual and hearing impairments.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Placements in Summer Camp Programs ¹	32	50	60	65	70

¹ The number increased in FY23 as more families felt comfortable having their children return to camp. DHHS anticipates the number will increase over the next few fiscal years.

Home Care Services

This program provides personal care assistance to seniors and eligible adults with disabilities who are unable to manage independently due to physical and/or mental impairments. Home Care Services prevent abuse, neglect, and exploitation of vulnerable adults, and enhance overall quality of life by providing personal care, chore assistance, therapeutic support, self-care education, and escorted transportation.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Home Care Services - Number of clients served annually ¹	350	323	339	356	374
Home Care Services - Percent of clients with no unmet personal care needs ²	70%	61%	70%	75%	80%

¹ The decrease in the actual number of clients served from FY22 to FY23 was a result of staff shortages, attrition, and an increased number of clients who needed higher levels of care. Future projections are based on an annual increase of 5%.

² 192 surveys were distributed in April 2023 and the program received 69 responses (35.9% response rate.) Unmet needs that clients noted were around transportation, skilled medical care, housing, and financial assistance -- most of which cannot be directly addressed by the program itself.

☀️ Medicaid Funded Long-Term Care Services

This program administers and operates Maryland's Long-Term Care Medicaid program, Coordination of Community Services (CCS), and Community First Choice (CFC). CFC Supports Planners and Nurse Monitors provide a continuum of services designed to allow people of all ages and in need of long-term care to live in the community, rather than in institutions. Adult Evaluation and Review Services (AERS) provides mandatory medical evaluations for clients seeking these services and for those referred by Adult Protective Services. In addition, this program area provides service coordination to eligible young people funded under the Maryland Home and Community Based Services Waiver for Children with Autism Spectrum Disorder (Autism Waiver Program).

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

Percent of person-centered plans in the Coordination of Community Services (CCS) program that are reviewed and updated within 365 days of the anniversary date ³	71%	68%	70%	72%	74%

¹ In FY23, Maryland Department of Health processed new clients faster than in prior years contributing to the 10% increase in clients served. Additionally, the program saw limited client disenrollment with the end of the Public Health Emergency in May 2023.

² The program increased its capacity to serve more clients in FY23 with additional staff. Three new staff members will each serve an additional 25 clients once fully onboarded.

³ The compliance percentage decreased in FY23 for a variety of reasons including staff turnover (including the significant amount of time it takes to onboard new staff) and delays with getting required documents from providers.

¹ The number of clients served increased in FY23 due to additional American Rescue Plan Act (ARPA) funds via the Area Agency on Aging. These additional funds are not expected in FY24-26.

² As of August 2023, 126 surveys were received from the families that received Respite services in FY23 (of 452 total families served).

JAMES BRIDGERS PH.D., MBA, DIRECTOR

FUNCTION

The mission of Behavioral Health and Crisis Services (BHCS) is to promote the behavioral health and well being of Montgomery County residents. BHCS works to promote mental wellness, prevent substance abuse and suicide, and to ensure access to a comprehensive treatment and recovery system of effective services and support for children, youth and families, adults, and seniors in crisis or with behavioral health needs. BHCS is committed to ensuring culturally and linguistically competent care and the use of evidence-based or best practices along a continuum of care. BHCS works with the State's Behavioral Health Administration, Health and Human Services service areas, County agencies, and the community to provide strength-based and integrated services to persons in need.

PROGRAM CONTACTS

Contact Mark Hodge of the HHS - Behavioral Health and Crisis Services at 240.777.1568 or Grace Pedersen of the Office of Management and Budget at 240.773.1088 for more information regarding this department's operating budget.

PROGRAM DESCRIPTIONS

24-Hours Crisis Center

This program provides telephone, walk-in, mobile crisis outreach, single adult shelter system screening and referrals, and crisis residential services to persons experiencing situational, emotional, or mental health crises. The Crisis Center provides all services, twenty-four hours/day seven days/week. Much of the work of the Crisis Center focuses on providing the least restrictive community-based service appropriate to the client's situation. The Crisis Center coordinates the mental health response during disasters and community critical incidents, and serves as the afterhours contact for Public Health, STEER (Stop, Triage, Engage, Educate, Rehabilitate), APS (Adult Protective Services), APP (Abused Person Program), and CWS (Child Welfare Services).

Program Performance Measures	Actual	Actual	Estimated	Target	Target
	FY22	FY23	FY24	FY25	FY26

Percent of students identified by schools to be at risk that are stabilized utilizing community resources without hospital intervention	89%	89%	85%	85%	85%

¹ The program projects increased need in coming years due to growing overdose and mental health-related issues in middle schools and high schools.

² FY23 outcome remains high post-pandemic, in conjunction with the expansion of Crisis Center staff and services. The decrease from FY22 reflects the stabilization of need after a surge post-pandemic in FY22.

Access To Behavioral Health Services

Access to Behavioral Health Services connects uninsured and low-income consumers with mental health and/or substance abuse problems to the appropriate community services by providing information and referral, and behavioral health screenings and assessments. To provide effective engagement in needed services, program staff also provide short-term case management and psychiatric services to vulnerable clients, such as those recently discharged from a psychiatric hospital or jail until they can be linked to a community outpatient mental health program. More intensive social work services are provided to individuals with serious mental illness to ensure effective engagement in needed services and sufficient community supports to reduce negative outcomes and foster the wellness and recovery of the consumer. The Urine Monitoring Program serves clients referred by the courts, social service agencies, or behavioral health providers, and others required to submit to breathalyzer and urine surveillance or who require or request such screening and testing to support recovery from substance abuse.

Program Performance Measures	Actual	Actual	Estimated	Target	Target

Percent of clients referred keeping first appointment with community provider ²	77%	74%	75%	76%	77%

¹ The program saw an increase in the unduplicated client count through expansion of its programming into parole and probation offices as well as homeless shelters. The program is in the midst of taking its services into the community to work with the client population that has the most needs.

² FY23 outcome is in line with historic levels prior to the pandemic. There are many factors that can contribute to a decrease in clients showing up to an appointment, including transportation, incarceration, and transient population, but most referrals continue to show up.

☀ Adult Behavioral Health Services

Adult Behavioral Health Services is an Outpatient Mental Health Center (OMHC) that serves a primarily immigrant population with severe and persistent mental illness. Services are site-based and include psychiatric evaluation and medication management; individual, group and family therapy; as well as office-based management services. Collaboration with family members, collateral treatment providers, and formal and informal community supports is an integral part of the treatment process and is highly encouraged. The program accepts public benefits such as Medicare and Medical Assistance but also utilizes the annual Maryland Department of Health-Behavioral Health Administration sliding fee scale. Most of the clinical staff is bilingual in English and either Spanish, Vietnamese, or French, and clients speaking other languages are assisted using the Language Line, a telephone translation service.

Percent of clients showing improvement in functioning and decreased symptoms - BASIS 24 Scale ²	60%	49%	60%	60%	60%

¹ The slight decrease in number of clients served is due to personnel shortages in FY23 which the unit is working to fill for FY24.

² Decline in performance affected by a 30% increase in number of clients assessed in FY23 from FY22, alongside increased acuity among clients.

☀ Adult Forensic Services

Adult Forensic Services is comprised of four programs: 1) Clinical Assessment and Transition Services (CATS) provides assessment and post-booking diversion services to newly booked inmates with behavioral health issues, and discharge planning for those being released to the community. The Forensic Liaison supports the Competency Docket with reentry recommendations for those returning from State Hospitals; 2) Jail Addiction Services (JAS) is an ASAM II.5 level jail-based residential addiction treatment program for inmates with Substance Use Disorders at the Montgomery County Correctional Facility; 3) The Justice Clinical Assessment and Planning (JCAP) Team provides clinical assessment, care planning, and care-coordination to the clients of

Mental Health Court; and 4) Stop, Triage, Engage, Educate, Rehabilitate (STEER) is a team of peer specialists who respond 24/7/365 to opioid overdoses and provider referrals for high risk Substance Use Disorder clients.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Total number of unduplicated clients served ¹	1,704	1,603	1,800	1,800	1,800

Percent of clients who successfully graduate from Mental Health Court ⁴	85%	78%	80%	80%	80%

¹ The slight decline in FY23 client count is due to the FY22 surge in client needs brought by the recovery from the pandemic. The FY23 figure shows client needs starting to stabilize but still is much higher than the volume seen in pre-pandemic years.

² Through increased efforts of experienced peer support specialists, FY23 saw improved outcomes for STEER clients served who are connected to the appropriate level of treatment. STEER program outcome exceeds national trends for this type of program.

³ The decline in FY23 may be due to staff shortages in JAS and lack of community-based accessible treatment and housing resources that would engage the inmates released from jail to prevent incarceration.

⁴ The decline in successful graduates may be due to staff shortages and barriers to obtaining services such as Assertive Community Treatment or proper housing services that would have assisted clients who were decompensating.

☀ Local Behavioral Health Authority

As the State-mandated Local Behavioral Health Authority (LBHA), this program is responsible for system planning, management, and oversight of the Montgomery County behavioral health system across the lifespan (behavioral health, mental health, and substance use disorders). The LBHA manages State and Federal grants as well as County-funded programs and ensures quality of care, quality improvement, and access to behavioral health fee-for-service programs. The LBHA has the responsibility of system planning, which involves assessing and determining gaps in behavioral health treatment and rehabilitation and working closely with community service providers and partners, forensic services, and public safety. The LBHA ensures the ongoing development of a resiliency and recovery-oriented continuum of services that provide for consumer choice and empowerment. This program manages all BHCS service area contracts.

☀️ Outpatient Behavioral Health Services - Child

Adolescent Outpatient Behavioral Health Services - Child offers comprehensive substance use prevention, substance use and mental health screenings, mental health treatment, and care coordination services for Montgomery County youth and their families, particularly for the most vulnerable. Services are individualized, child-focused, family-driven, culturally and linguistically appropriate, and accessible via office, school, and community-based settings. The program strives to serve the behavioral health needs of youth and families along a continuum of care from prevention to treatment

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

Percent of clients who showed symptom reduction at post-test or upon discharge ²	72%	67%	67%	67%	67%

¹ In FY23, the program experienced staff shortages as well as more severe presentations in youth - both of which decreased capacity to open new cases. Clinic staff are being trained in group psychotherapy to be able to see more youth in need of mental health services in the coming year.

² The client population served in FY23 had more severe presentations and acuity than in previous years, contributing to lower rates of symptom reduction.

☀️ Specialty Behavioral Health Services

Specialty Behavioral Health Services is comprised of the Adult Drug Court Treatment Program, the Medication Assisted Treatment Program (MAT), and the Urine Monitoring Program. The Drug Court program delivers Outpatient and Intensive Outpatient levels of care, in addition to psychiatric interventions and medication assisted treatment. The MAT program works with opioid use disorders and alcohol disorders and delivers methadone, buprenorphine, and naltrexone therapies. The urine monitoring program is an onsite Urinalysis Collection Program which monitors for substance use within these programs, the Mental Health Court program, Child Welfare, and Probation and Parole.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of Specialty Behavioral Health Services clients served (Outpatient, Intensive Outpatient Program, Medication Assisted treatment Program, and Adult Drug Court) ¹	211	178	200	210	220

¹ Adult Drug Court admits 95%+ of the referrals from the Circuit Court so the decline in referrals likely led to the decline in client count in FY23. Another factor contributing to the slight decline in FY23 client count is personnel shortage. The program will see increased capacity in FY24.

Trauma Services

Trauma Services (TS) includes the Abused Persons Program (APP) for partner violence and the Victim Assistance and Sexual Assault Program (VASAP) for sexual assaults and general/violent crimes, including services to surviving family members of homicide and tragic/traumatic deaths. Trauma Services provides comprehensive, individualized, and culturally appropriate clinical and victim assistance services to domestic violence victims and offenders, sexual assault victims, and victims of general crime of all ages. Programming for domestic violence, sexual violence, and human trafficking victims also includes information and referral, lethality assessments, crisis intervention, safety planning, outreach to hospitals/police stations for victims of sexual assault, and placement in emergency shelters.

Program Performance Measures	Actual	Actual	Estimated	Target	Target
	FY22	FY23	FY24	FY25	FY26
Number of new Partner Abuse victims served ¹	1,258	1,639	1,803	1,983	2,181
Number of Partner Abuse victim clients waiting for counseling service (monthly average) ²	37	17	15	10	5
Percent of clients receiving therapy that demonstrate improvement on a domestic violence rating scale ³	97%	98%	99%	100%	100%

¹ In FY23, there was an overwhelming demand for services combined with an increase in the severity and complexity of violence, resulting in a 30% increase in client count from FY22. The projections are based on a 10% increase from FY23 considering the trend of increasing demand for services.

² In FY23, as the program continued to stabilize its workforce and overcome the limited staffing issue encountered in previous fiscal years, the accessibility of clinical services increased and the waitlist decreased significantly. The projections have been adjusted down to reflect the program's increased capacity.

³ The program continues to see improved symptom reduction in clients served in FY23 due to operating more domestic violence groups and offering services both in person and via Zoom to meet the clients' needs.

FUNCTION

The mission of Children, Youth and Family Services is to promote opportunities for children to grow up safe, healthy, ready for school, and for families and individuals to achieve well being and self sufficiency. This mission is realized through the provision of protection, prevention, intervention, and treatment services for children and their families, and through educational, support, and financial assistance for parents, caretakers, and individuals. These services work to build on the strengths of both the individual and the community in addressing issues of child development, abuse, neglect, health, and economic security.

Child & Adolescent School & Community Based Services

This program provides for the coordination, planning, and implementation of key interagency initiatives among public and private agencies in the community to meet the needs of the children, youth, and their families. The Cluster Projects utilize cross-sector multi-agency teams and care coordination services to rapidly connect families from large school catchment areas to needed social and mental health supports to improve family stability. The East County Initiative provides care coordination services to East

County residents and integrates project management of a Kresge Foundation Opportunity Ecosystem grant to advance human services, employment coaching, and other needed supports. Other services provided through this program are delivered through contracts with community-based partners and include youth academic support, mentoring, skill building and mental health services, family services, and community empowerment efforts.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of families served by Cluster Projects	401	402	400	400	400
Number of families receiving ongoing services in East County Opportunity Zone (ECOZ) ¹	N/A	83	80	80	80
Percent of families completing surveys that are satisfied with services ²	84%	97%	85%	85%	85%

¹ In FY23, this metric changed to focus on East County coordination services, as the Kresge-funded East County Opportunity Zones project ended. The metric is solely focused on ongoing care coordination services, rather than also including one-time services as it had under the grant-funded program. The program projects stable staffing levels, referrals, and service intensity in coming years.

² FY23 percentage is based on 250 survey responses (189 youth + 61 adults). Percentages over time are not fully comparable because the mix and number of programs represented changes. The projection of 85% is based on previous years' average data adjusted to reflect service characteristics.

Child Care Subsidies

The Child Care Subsidies program administers the County's Working Parents Assistance (WPA) program which provides child care subsidies for County residents who are over the income eligibility for the Maryland Child Care-Subsidy Program (CCSP) as well as supplemental payments for those in CCSP.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

Percent of Childcare Benefit Dollars Paid ²	79%	79%	81%	81%	81%

¹ Projections based on expectations that expanded eligibility criteria will continue to increase participation in subsidy in the short term, which will level off in the future.

² This measure reflects invoices processed through July 2023. Please note that the percentage may increase as the program continues to receive and process FY23 invoices for payment. The projected amount for FY24-26 is based on an average of the last 3 years.

Child Welfare Services

This program provides protective, rehabilitative, and supportive services for children who are maltreated and their families. This program also provides supportive and financial help to relatives, foster parents, and adoptive parents. Investigations, protective

services, kinship care, foster care, adoption, and in-home services are also provided through this program. In-Home/Family Preservation Services provide social services to families with children who are at risk of removal from home due to neglect or abuse. These services are provided by the County on behalf of the State of Maryland Department of Human Services.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of children served in foster care ¹	484	451	532	516	506
Number of families receiving in-home services ²	267	233	263	268	262

Percent of children receiving in-home services that do not have a child protective service investigation with an abuse or neglect finding within one year after receiving services ⁵	100%	92%	95%	96%	96%

¹ Numbers reflect total number of children served in foster care during the fiscal year rather than a monthly average or point-in-time count. The decrease in children served in foster care is attributed to enhanced efforts to involve relatives and kin throughout the life of the cases, which shortens involvement with child welfare. Projections are based on five-year historical average.

² Numbers reflect total number of families receiving in-home services during the fiscal year rather than a monthly average or point-in-time count. The drop in number of families receiving in-home services from FY22 to FY23 is attributed to enhanced efforts to involve relatives and kin throughout the life of the cases, which shortens involvement with child welfare. Projections are based on five-year historical average.

³ Numbers reflect total number of newly accepted investigation (IR), alternative response (AR), and non-Child Protective Services (CPS) cases during the fiscal year rather than a monthly average or point-in-time count. Projections are based on five-year historical average.

⁴ Percentage reflects annual average of children placed in a family setting while in care. Family setting is defined as: family foster, relative foster, formal kinship, treatment foster care-private, pre-adoptive, emergency home, and trial home visit. Projections based on five-year historical average.

⁵ Percentage reflects annual average of children receiving Family Preservation (Consolidated or IFPS) services in a 12-month period that did not have an indicated or unsubstantiated finding within 12 months of the Family Preservation case closure. The 8 percentage point drop from FY22 to FY23 is due to 18 children with an abuse or neglect finding within one year after receiving services. Projections based on five-year historical average.

Early Childhood Services

Early Childhood Services (ECS) serves children from birth to age five with services that support families, early care and education programs, and the community. The program administers the Federally mandated Infants and Toddlers Program (ITP) in collaboration with Montgomery County Public Schools (MCPS), the County's Resource and Referral Center (R&R) which is part of the statewide R&R Network for support of high-quality child care and the early education workforce, the State Infant & Early Childhood Mental Health Project (IECMH), and the County Child Care in Public Space Program (CCIPS). ECS oversees several contractual services including community-based pre-kindergarten, home visiting, and family support.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of children served by the Infants and Toddlers program ¹	5,416	6,250	6,375	6,503	6,633

Percent of regulated family child care programs that hold a quality of care rating of at least 3 out of 5 in Maryland EXCELS ⁴	10%	12%	20%	30%	50%

¹ The increase in the number of children served by the Infants & Toddler Program between FY22 and FY23 is attributed to the lingering impact of the pandemic. Parents felt more comfortable accessing public services in FY23 to seek support for their children's development.

² 79 individuals received surveys, of which 10 individuals responded. Every parent receives a survey and responses are not mandatory. Projections are based on the goal of 100% satisfaction.

³ The large increase between FY22 and FY23 is due to 2 factors: Maryland State Department of Education reduced its EXCELS backlog, and child care providers generally increased their attention to quality after the pandemic. New financial incentives are expected to spur gains in this measure.

⁴ Low numbers on this measure are due to persistent low enrollment numbers at family child care programs, limiting available funds for investment in accreditation. Family child care programs qualify for financial incentives that are anticipated to increase this measure over time.

Linkages To Learning

Linkages to Learning is a community-school partnership with an integrated focus on health, social services, community engagement, and leadership to support student learning, strong families, and healthy communities. Linkages to Learning services include mental health and social wraparound services to mitigate the effects of poverty and reduce non-academic barriers to learning. This program is a partnership with Montgomery County Public Schools and local public and private non-profit agencies. Services are provided in elementary and middle school communities with high indicators of poverty.

Office of Eligibility and Support Services

The Office of Eligibility and Support Services (OESS) serves low-income families and individuals facing significant challenges in

meeting basic needs including food, medical coverage, and childcare. OESS determines eligibility for Temporary Cash Assistance (TCA); Temporary Disability Assistance Program (TDAP); Refugee Cash Assistance; Supplemental Nutrition Assistance Program (SNAP- formerly known as Food Stamps); Medical Assistance for the Aged, Blind, and Disabled (including long-term care); and the Affordable Care Act which includes Community Medical Assistance, Maryland Children's Health Program, Medical Assistance for Families and Children, and Refugee Medical Assistance. OESS provides these services on behalf of the State of Maryland Department of Health and Human Services. In addition, OESS determines eligibility for the County's healthcare for the uninsured services (Maternity Partnership, Care for Kids, Senior Dental Program, and Montgomery Cares).

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

Temporary Cash Assistance (TCA) job retention rate 90 days ³	96%	94%	94%	94%	94%

¹ Value for base year (FY05) is 12,927. OESS saw an increased number of applications filed by refugees and asylees, undocumented customers with eligible children, Medicare eligible customers, customers applying due to the economy, and customers that were not eligible for SNAP due to ending of the pandemic.

² Number of applications approved is expected to remain relatively stable.

³ Retention rate has remained consistently high. The target for this measure, based on the contract agreement, is 80%.

Positive Youth Development

This program focuses on providing culturally-based and healing-informed positive youth development and family strengthening services, including violence prevention; gang prevention; intervention and support for youth and families who are at-risk of gang involvement and those already involved in gang activity; and youth and their families who may have been involved in or exposed to violence and complex trauma. The key elements include a Program Administrator who manages and monitors the Upcounty and Downcounty Youth Opportunity Centers, High School Wellness Centers, the Safe Space Program, and the Street Outreach Network. Services and supports are provided through community-based work, community education, and partnerships. This program works closely with multiple County agencies as part of the Positive Youth Development Initiative (PYDI) and other community groups to address gang, youth, and community violence issues throughout the County.

FUNCTION

The functions of the Public Health Services programs are to protect and promote the health and safety of County residents. This is accomplished by monitoring health status and implementing intervention strategies to contain or prevent disease (including bio-terrorism and emerging diseases); fostering public-private partnerships, which increase access to health services; developing and implementing programs and strategies to address health needs; providing individual and community level health education; evaluating the effectiveness of select programs and strategies; and licensing and inspecting facilities and institutions affecting public health and safety.

PROGRAM DESCRIPTIONS

Admin - Public Health

This program provides leadership and direction for the administration of Public Health Services. Service area administration also includes Health Promotion and Prevention, the Community Health Improvement Process (Healthy Montgomery) and Special Projects, as well as oversight for medical clinical volunteers, the Commission on Health, contracts, grants, budget oversight, and partnership development.

Cancer & Tobacco Prevention

The Tobacco Use Prevention and Cessation Program and the Cancer Prevention, Education, Screening, and Treatment Program are two programs funded through the State Cigarette Restitution Fund. State funding supports coordination activities among community groups for outreach, screenings, education, and treatment. Each program has established coalitions consisting of public health partners, community-based organizations, hospitals, and other existing resources that work collaboratively to implement either tobacco-control programs or the statewide goal of early detection and elimination of cancer disparities.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Total number of new and repeat clients who undergo colonoscopies (CRF-Funded) ¹	172	222	220	220	220

Percent of clients reached who completed smoking cessation program ⁵	43%	25%	50%	50%	50%

¹ The number of clients undergoing colonoscopies increased between FY22 and FY23. The number of screenings performed is anticipated to remain about the same as residents resume scheduling elective procedures post-Covid.

² As community events began to resume post Covid, there were higher attendance rates at outreach events for education and recruitment.

³ During the pandemic, there was a reduction in the number of participants in smoking cessation classes. Increased tobacco use during this time has been associated with coping strategies and mental health. As many users switch to the use of vaping products, a continued decrease in participation rates is likely as the public continues to be educated on vaping products being equally as harmful and addictive as cigarettes.

⁴ The number of new clients undergoing colonoscopies remained stable between FY22 and FY23. The program anticipates an increase in coming years as clients resume scheduling elective procedures.

⁵ Since the pandemic, participation rates in smoking cessation programs have continued to decline. Even with the transition to virtual platforms, the trend continues.

Communicable Disease & Epidemiology

Communicable Disease and Epidemiology has the mission of investigation, surveillance, diagnosis, and in some cases, treatment of individuals living in Montgomery County. Tuberculosis Control and Sexually Transmitted Infections programs will test, diagnose, and treat. HIV Medical and Dental Services will case manage and provide medical care for individuals who are HIV+ and have limited insurance coverage. The Maryland Department of Health mandates that each county does surveillance of certain communicable diseases. The Disease Control Program case manages rabies exposures in Montgomery County residents.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of rabies investigations that occur in Montgomery County annually by Disease Control Program ¹	693	764	760	740	720

Percent of customers satisfied with STD Services ⁴	N/A	98%	98%	98%	98%

¹ Investigations increased in FY23, possibly due to changes in resident activities related to increased purchases of pets during the pandemic

and subsequent disruption in pet vaccination schedules, etc.

² The program successfully reached out to all known infected mothers and 99% of their newborns completed the vaccine regimen within one year of age. It is anticipated that the program will continue to reach all known infected mothers.

³ Decrease in percentage from FY22 to FY23 was possibly due to the increased volume of contacts and large community investigation screenings. The program anticipates this performance to remain stable over the next fiscal year.

⁴ 42 survey respondents in FY23 represent 21% of total patients with kept appointments in May/June. The program expects this level of satisfaction to continue in the future.

Community Health Services

Maternal and Child Health Services provides preventive health access services to uninsured and underinsured populations.

Services include Women Health Services, Maternity Partnership Program, nurse case management, and home visits to targeted populations such as pregnant women, pregnant and parenting teens, children up to one year of age, and at-risk infants. Other services include staffing support for immunization clinics, STD services, pregnancy testing in regional health centers, and care coordination services for women and children in the Medical Assistance-managed care program. Referral services are provided for individuals with specific health issues (i.e., sexually transmitted diseases).

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of pregnant women screened and enrolled in a Managed Care Organization (MCO) for prenatal services ¹	1,696	1,773	2,000	2,000	2,000

Percent of Infant at Risk referrals that receive a contact by the Area Health Center staff within 10 days ⁴	77%	82%	90%	90%	90%

¹ The number of screenings is expected to rise significantly in FY24 due to the Healthy Babies Equity Act that will add about another 1,000 to the Medicaid rolls.

² Percentages of repeat pregnancies within 18 months remains low. The Maternity Partnership Program ended in FY23.

³ This data has come from the hospitals where the babies were born and the metric has remained stable. The Maternity Partnership Program ended in FY23.

⁴ Clients have been harder to contact post-pandemic and are less likely to want a Community Health Nurse in their home. Additionally, the transient nature of the client population makes it challenging to ensure follow up.

Dental Services

This program provides dental services in five clinics to promote oral health. Services include instruction in preventive health practices, primary assessments, targeted dental services, and emergency services. Services are provided to income-eligible Montgomery County children, pregnant women, adults, and seniors.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

Number of pediatric encounters seen by pediatric specialist in house (excluding preventive treatment) ⁴	1,933	2,544	3,000	3,000	3,000

¹ The number of pediatric dental referrals to outside pediatric specialists increased from 25 in FY22 to 33 in FY23 (an increase of 32%). Reasons for this include that there were more children in general treated by the dental program overall: 2,237 in FY22 compared to 2,691 in FY23 (an increase of 20%). The program added 0.2 FTE in-house pediatric dentist staff, increasing in-house pediatric dental services to 0.6 FTE. With the end of the Covid pandemic, there are more patients with more severe oral health and medical conditions requiring advanced specialty dental care and children requiring more advanced behavior management than can be provided in-house. This number will more than likely continue to increase as preventative dental services will be provided in MCPS schools this fall and are able to identify more children in need of oral health care.

² A 30% missed/no show rate is what is expected in dental safety-net clinics. The dental program has been working hard to decrease the number of appointments missed by patients. New front desk staff were hired who are more familiar with the dental industry and are able to complete daily appointment confirmations and patient scheduling more efficiently.

³ The percentage increase is due to the addition of another pediatric dentist providing an additional day of pediatric dental services. Pediatric dental services are now provided 3 days per week.

⁴ Please note that the pediatric dentists have been performing more atraumatic restorative dental procedures that align with value-based care. This is very different than traditional dentistry as it focuses more on minimally invasive dentistry, preventative treatment, and dental caries management. This approach is recommended in public health dentistry and has become more widely accepted and recommended during Covid. Recent studies suggest this approach has the potential to reduce the number of children requiring operating room services in publicly-funded dental programs.

Health Care for the Uninsured

This program includes Montgomery Cares and Care for Kids. Through public-private partnerships, these programs provide primary health care services for low-income uninsured children and adults, using private pediatricians, a network of safety net clinics, and other health care providers. This program area also provides care coordination to uninsured children and adolescents with chronic or disabling conditions needing specialty diagnostic, medical, and surgical treatment.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

Percent of vulnerable populations that have a primary care visit - Children ⁵	35%	65%	52%	52%	52%

¹ The increase projected in FY24 is due to anticipated utilization rates returning to pre-pandemic levels.

² Encounters increased from FY22-FY23 due to visits returning to pre-pandemic numbers. The number of eligible patients is expected to increase

in FY24 due to the increase in the immigrant population and the addition of two new Montgomery Cares clinics.

³ Increased percentages for FY22-23 and projections for FY24-FY26 are due to an increase in encounters/return to pre-pandemic levels.

⁴ Following the pandemic, performance has remained stable, and program anticipates same level of performance in coming fiscal years.

⁵ This calculation has been updated from previous years reporting to account for transition of staff and as a way to more accurately represent this data point. Due to the pandemic, numbers have greatly fluctuated. The Covid-19 pandemic affected clinics' service delivery methods and patient behaviors in accessing services in FY21 and FY22; FY23 saw an increase in performance with the end of the public health emergency.

Health Planning and Epidemiology

The Health Planning and Epidemiology program serves as the expert in planning and analytic epidemiology within HHS and is responsible for community health needs assessment, program evaluations, disease surveillance and outbreak investigations, health statistics and data management, epidemiology and biostatistics, ongoing development and maintenance of a population data warehouse, and special research projects in collaboration with internal and external partners and academic institutions. The program coordinates and assists with annual performance measure reporting and is responsible for coordinating the students' internship and practicum within Public Health Services. The program provides data and epidemiology support to programs within Public Health Services and DHHS, internal/external partners, as well as support to the Health Officer and the DHHS Director's Office.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of community health outcome and social determinants of health indicators tracked ¹	250	250	250	250	250
Number of presentations accepted or invited to conferences/meetings to communicate health statistics and research findings ²	1	3	2	2	2
Expansion of the knowledge base on community health outcomes for improved decision making as measured by the number of foundational public health surveillance/research reports/publications released ³	3	1	1	1	1

¹ The program does not anticipate any change to the number of community health outcomes and social determinants of health indicators tracked in the coming years, unless there are major changes to how or what health assessments are conducted or standard processes for improving population health change.

² The number of abstracts and presentations submitted is impacted by team's workload and responsibilities related to other projects. All potential submissions also require DHHS leadership approval.

³ There were fewer reports in FY23 than FY22 due to limited availability of updated data from the State. The program has published and released statistical reports for most health topics and outcomes over the years, but will look to expand to new topics. Prior reports will be updated with more recent data as possible.

☀️ Licensure and Regulatory Services

This program inspects and licenses nursing homes, domiciliary homes (large assisted living facilities with less intensive care than nursing homes), and group homes serving children, the elderly, and mentally ill to ensure compliance with County, State, and Federal laws and regulations. Staff respond to complaints and provide advice and consultations to licensees to maintain high standards of care. This program also enforces State and local laws related to food service facilities, smoking in public places, nursing homes, group homes, swimming pools, camps, vermin control, private educational institutions, short-term residential rentals, hotels, and other various business licenses including those required for raffles, bingo, tanning salons, massage, body works, enterprises, and video games.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of routine inspections of food service facilities ¹	5,720	5,459	6,000	6,250	6,500
Percent of mandated inspections completed ²	65%	61%	66%	69%	72%

¹ Drop in service between FY22 and FY23 was due to vacancies and time spent training new employees.

² Drop in service between FY22 and FY23 was due to staff vacancies and time spent training new employees.

³ Program estimates the drop in service may be due to a lack of oversight carried over from Covid and vacancies.

☀️ Public Health Emergency Preparedness & Response Program

This program is responsible for the planning, readiness, and response activities of a public health emergency or bio-terrorism threat. Planning efforts are made in collaboration with the County Emergency Management Group; the Office of Emergency Management and Homeland Security; the Department of Fire and Rescue Service; the Police Department; hospitals; and a variety of other County, State, regional, and Federal agencies. Efforts are targeted at training and staff development, communication strategies, emergency response drills, partnerships, resources and equipment, the establishment of disease surveillance systems, mass immunization clinics, medication dispensing sites, and readiness.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

School Health Services

This program provides health services to students in Montgomery County Public Schools (MCPS). These services include: first aid and emergency care; health appraisal; medication and treatment administration; health counseling, consultation, and education; referral for medical, psychological, and behavioral problems; case management for students with acute and chronic health conditions, and pregnant and parenting teens; and hearing, vision, and lead certification screenings. Immunizations and tuberculosis screenings are administered at School Health Services Immunization Centers, primarily to international students enrolling in MCPS. Primary health care, provided by nurse practitioners and physicians, is provided to students enrolled at one of the County's School Based Health and Wellness Centers (SBHWC) or High School Wellness Centers. Head Start/Pre-K provides federally mandated health services to eligible three and four-year old children and is a collaborative effort of HHS, Office of Community Affairs, School Health Services, and MCPS.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Immunizations administered to students at SHS Immunization Center and SBHWCs ¹	19,342	19,181	20,000	20,500	21,000
Percent of students that return to class and are ready to learn after a health room visit ²	87%	81%	85%	85%	85%

¹ Immunizations remained stable between FY22 and FY23. The program anticipates there will be a slight increase in coming years due to increased student enrollment.

² About 15% of students who visit a health room are sent home. This number has little variance from year to year regardless of the number of students enrolled or who visits the health room.

JAMES BRIDGERS PH.D., MBA, DIRECTOR

FUNCTION

The programs of Services to End and Prevent Homelessness (SEPH) have a common vision: access by all people to safe, affordable housing, and opportunities to improve quality of life. The mission of SEPH is to make homelessness a rare, brief, and non-recurring event by operating from a Housing First philosophy. Housing First recognizes that people are most successful when they have a choice in housing and seeks to eliminate barriers such as sobriety requirements or treatment compliance. SEPH provides a full continuum of services including housing stabilization, homeless diversion, and permanent housing; and employs evidence-based and promising practices. SEPH programs collaborate with public and private partners through the Interagency Commission on Homelessness. Special needs populations include: veterans; both individuals and families; persons with behavioral health challenges; individuals with developmental disabilities; transitioning youth; and seniors with disabilities experiencing or at risk of homelessness.

PROGRAM CONTACTS

Contact Christine Hong of the HHS - Services to End and Prevent Homelessness at 240.777.1179 or Deborah Lambert of the Office of Management and Budget at 240.777.2794 for more information regarding this department's operating budget.

PROGRAM DESCRIPTIONS

Admin - Services to End and Prevent Homelessness

This program provides leadership and direction for the administration of Services to End and Prevent Homelessness and advises the Interagency Commission on Homelessness (ICH) and Montgomery County Continuum of Care (CoC).

FY25 Approved Changes	Expenditures	FTEs

Coordinated Entry

Coordinated entry is a process developed to ensure that all people experiencing a housing crisis have fair and equal access to

remedies and are quickly identified, assessed for, referred, and connected to housing and assistance based on their strengths and needs. Within a Coordinated Entry System, each person is prioritized for housing based on vulnerability using a data-driven, real-time process. Montgomery County's Coordinated Entry System embraces Housing First principles of low barrier access, consumer choice, community integration, and housing orientation.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of homeless individuals with a completed vulnerability assessment (Using the VI-SPDAT) to determine housing placement ¹	1,028	982	1,004	970	932
Coordinated Entry: Days from housing program assignment to housed ²	93	119	106	90	76
Percent of homeless households with a completed vulnerability assessment (using the VI-SPDAT) to determine housing placement ³	67%	79%	72%	78%	85%

¹ The number of individuals with completed assessments decreased in FY23 because of less client engagement due to staff turnovers in emergency shelters.

² The housing rental market increased which made it harder to find affordable units. Coordinated entry is looking at both permanent supportive housing and rapid rehousing clients. In addition, rental application requirements were more restrictive in accepting program clients as tenants. The program projects these two conditions will continue into FY24 and is working to strengthen landlord relationships, recruit new landlords, and ensure the housing locator team is equipped with necessary trainings.

³ In FY23, homeless services staff pushed for the completion of up-to-date assessments for clients, resulting in an uptick of assessments completed. There were also more households exiting emergency shelters, which allowed the program to assign incoming households to case managers. In the coming fiscal years, a newly hired social worker will be conducting regular assessment training to ensure all case managers are equipped to complete timely and accurate assessments.

Healthcare for the Homeless

Healthcare for the Homeless provides medical and dental services to individuals experiencing homelessness in emergency shelters, street outreach, and transitional housing. Medical services are also provided to individuals and families served in permanent supportive housing programs. Healthcare for the Homeless is committed to reducing the health disparities for people experiencing homelessness by providing low barrier access to services and reducing re-admissions to hospitals.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of individuals receiving primary care services through Healthcare 4 the Homeless (Key Collaborative Medicine) ¹	202	403	463	486	510
Number of hospital transfers from year-round shelters (based on 911 emergency calls) ²	395	689	586	557	529

¹ In FY23, the program saw an increase in the number of homeless individuals, most of whom have significant medical and psychiatric conditions. There has also been an increase in the number of uninsured clients with chronic issues and terminal illnesses that require specialists.

² The increase in the number of clients in FY23 brought a greater number of individuals with psychiatric conditions and an increased number of emergency petitions. There has been an increase in overdoses. The program anticipates that numbers will decrease as it places greater focus on education and training on emergency services and works closely with shelter staff to utilize primary care on site more efficiently.

☀ Homeless Services for Families

Homeless Services for Families provides emergency shelter and transitional housing to families with children. Services include intake and assessment, case management, and housing location to link families experiencing homelessness to housing, behavioral health, financial, and legal programs. All services are housing focused with a goal of connecting families with permanent housing as quickly as possible and removing systemic barriers to accessing housing and services.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of individuals as part of a family unit experiencing homelessness for the first time ¹	428	473	563	473	433
Average length of stay in days by homeless families in emergency shelter ²	50	66	91	79	67
Percent of households returning to homelessness ³	13%	9%	13%	10%	7%

¹ The increase in families experiencing homelessness is due to an increase in evictions and limited Rapid Rehousing capacity. Families are losing access to housing without access to additional financial resources that were made available during the public health emergency, so the number of individuals in need of Family Emergency Shelter is expected to increase in FY24. In FY25 and FY26, the program expects to have greater capacity to house clients and expand prevention work to gradually decrease family inflow.

² The program experienced an increase in evictions and put-outs alongside very limited Rapid Rehousing (RRH) capacity. Families are losing housing without access to additional financial resources made available during Covid, so the number of individuals in need of Family Emergency Shelter is expected to increase in FY24. In FY25 and FY26, the program anticipates greater capacity to house clients and further prevention efforts to gradually decrease family inflow.

³ FY23 performance improved due to the continuous supportive services provided by Permanent Supportive Housing programs and other innovative permanent housing options to ensure clients remain housed. The availability of federal eviction prevention funding associated with the COVID public health emergency also helped people maintain housing and prevent return to homelessness.

☀ Homeless Services for Single Adults

Homeless Services for Single Adults provides emergency shelter, street outreach, and transitional housing to adults experiencing homelessness. All services are housing focused with a goal of connecting adults with permanent housing as quickly as possible by removing barriers such as poor credit, criminal history, limited or no access to behavioral and somatic healthcare, and low or no income. Homeless services include centralized shelter intake and diversion, comprehensive case management, assertive engagement, housing location, employment training and job development, legal services, and assistance with entitlements like Food Stamps and Medicaid.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of homeless single adults counted during Annual Point in Time Count ¹	408	625	590	531	478
Length of time homeless in days for adults in emergency shelter, outreach, or transitional housing ²	164	215	194	174	157
Percent of positive exits to permanent housing from street outreach, emergency shelter, or transitional shelter ³	47%	48%	52%	56%	60%

¹ Several factors contributed to the increase in FY23: the end of the pandemic-related moratorium on evictions; high-income requirements imposed by landlords; and high rents alongside client barriers such as no income, poor credit, and/or criminal history. The program projects a decreasing trend in coming fiscal years due to a new grant from the U.S. Department of Housing and Urban Development to house unsheltered persons and a partnership with the State to get more permanent supportive housing slots.

² The increase in length of time is likely due to high-income requirements imposed by landlords and high rents alongside client barriers such as no income, poor credit, and/or criminal history. Performance is also affected by turnover among staff for direct service providers and inadequate access to behavioral health services.

³ The increase in the percent of positive exits in FY23 is due to increased housing options including rapid rehousing, up to 12-month rental assistance subsidy, light-touch case management, and other rental assistance programs.

Housing Initiative Program

The Housing Initiative Program is a Housing First permanent supportive housing program serving individuals and families with disabilities. Program participants are quickly connected to permanent scattered site units without any preconditions and offered intensive wraparound support services. The rental assistance is provided by the Department of Health and Human Services staff and services are offered via contracts with non-profit partners. This program also acts as the lead entity for the 1115 Medicaid Waiver Assistance in Community Integration Services through the State Department of Health.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Housing Initiative Program: Number of clients served ¹	923	936	963	983	1000
Housing Initiative Program: Days from housing program assignment (to accepted) to housed ²	123	103	220	90	60
Percent of households who retain permanent housing after 12 months ³	74%	71%	73%	77%	80%
Percent decrease in acuity score, measuring the severity of presenting issues impacting housing stability ⁴	27%	27%	31%	29%	33%

¹ Program capacity is gradually increasing with additional Housing Initiative Program subsidies.

² FY23 performance improved due to the continued efforts of the Housing Initiative Program staff to house clients and ensure that clients have all the necessary documentation prior to searching for housing units. The program anticipates in coming fiscal years increased rents and more restrictive rental application requirements will contribute to a growing wait in transition from assignment to housed. SEPH programs are working to strengthen landlord relationships, recruit new landlords, and ensure the housing locator team is equipped with the necessary trainings to house clients.

³ Performance decreased alongside landlords' more restrictive policies around lease violations. Clients need a more intensive supportive survey to remain housed. Rents also increased more than expected due to inflation, with amounts above county's allowable rent payment standards. As a result, the Housing Initiative Program had to relocate some clients.

⁴ The program had a minor expansion in the beginning of FY23 that will have a positive effect on acuity, but anticipates it will take approximately a year to see its effects. Due to the expansion, HIP providers hired more direct service staff. The program also hired a social worker who will conduct regular assessment training to ensure all case managers are equipped to complete timely and accurate assessments.

☀ Interagency Commission on Homelessness

The Montgomery County Continuum of Care (CoC) coordinates the community's policies, strategies, and implementation of a housing and services system to prevent and end homelessness through a collaboration of public and private sector groups. Responsibilities include promoting a community-wide commitment to ending homelessness, providing funding for efforts to promote community-wide planning and strategic use of resources to address homelessness, and improving coordination and integration with mainstream resources and other programs targeted to people experiencing homelessness. The Interagency Commission on Homelessness is a group of appointed leaders of the CoC who have authority to make decisions on behalf of the CoC.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Dollars brought into the continuum from non-County funds ¹	\$35,017,603	\$8,130,512	\$5,766,676	\$4,791,667	\$4,791,667
Number of individuals with lived experience participating as ICH Commissioner or on committees ²	8	5	11	11	11
Number of total homeless individuals counted during the Annual Point in Time Count ³	581	894	819	753	693

¹ There was no additional Covid grant funding in FY23.

² The current 5 committee members are actively recruiting additional members to get the committee membership to 11 in FY24. The Interagency Committee on Homelessness (ICH) full commission has two terms (3 years each, a total of 6 years), but the ICH committees do not have a set term of service. In FY23, the committee had multiple recruiting events but was not successful in getting consistent membership due to several barriers both the committee members and people with lived experiences face.

³ In FY23, homelessness increased due to many factors, including: fewer housing vacancies, higher rents, continued denials due to criminal and/or credit background issues, increased evictions, growing ineligibility for federal Emergency Rental Assistance Program funds, and increasing usage of County shelters by clients from neighboring jurisdictions.

FY25 Approved Changes	Expenditures	FTEs
FY24 Approved	4,000	0.00
FY25 Approved	4,000	0.00

☀ Permanent Supportive Housing

Permanent Supportive Housing is an evidence-based practice that provides immediate access to a permanent housing subsidy and long-term, wraparound support services to households with disabilities. All programs use a Housing First approach that offers housing without preconditions such as sobriety, treatment compliance, or participation in services.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Permanent Supportive Housing: Number of clients served ¹	2,262	2,300	2,420	2,540	2,660
Permanent Supportive Housing: Days from housing program assignment (to accepted) to housed ²	266	107	187	247	307
Percent of households who retain permanent housing after 12 months ³	99%	98%	98%	98%	98%
Percent of clients retaining permanent housing	98%	98%	98%	98%	98%
Percent of people that graduate from the program ⁴	19%	14%	10%	12%	13%

¹ Permanent supportive housing programs expanded in FY23, increasing the number of clients served. Programs are balancing meeting full capacity with current staff capacity. The stable increase in coming fiscal years accounts for new permanent supportive housing units becoming

available and full staffing, as well as accounting for the rate of matriculation. New programs and their units take months to years to become fully functioning once approved.

² FY23 performance improved due to the continued efforts of the permanent supportive housing (PSH) staff to house clients and ensure that clients have all the necessary documentation prior to searching for housing units. The improvement is also because of the more thorough data clean-up efforts carried out by the HMIS team and the PSH providers to enter the housing move-in date correctly. The program anticipates an increase in time until housed due to continued challenges housing individuals with any criminal-related barriers to housing.

³ The program expects continued high rates of permanent housing retention due to the supportive services provided that assist clients in maintaining housing by proactively resolving issues that arise. Higher levels of evictions and higher rent do not affect Permanent Supportive Housing (PSH) as much as other programs. PSH staff have relationships with PSH landlords; thus, any issues that arise are solved through mediation and evictions are not necessary. Also, the continued supportive services unique to PSH prevent these issues from occurring.

⁴ Numbers are expected to remain low unless more Move On vouchers or low income housing programs become available.

Prevention

Prevention provides conflict resolution, mediation, financial assistance, housing location, and case management to County residents at risk of or experiencing homelessness. The program's focus is to partner with families and individuals to resolve their housing emergency through creative problem-solving. State and County grants are provided to prevent evictions and utility cut offs or secure new housing. Short-term case management services are provided to help at-risk households develop and implement plans to prevent a future housing crisis.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Households receiving emergency grants to prevent eviction/homelessness (County and State funds) ¹	6,632	3,700	6,600	5,600	4,600
Percent of households who received prevention assistance and within 12 months enter the homeless continuum ²	2.0%	2.7%	3.5%	2.5%	2.5%

¹ The number of households decreased in FY23 due to more restrictive Covid rent relief criteria. The program expects the number of households to increase in FY24 with the expansion of Covid rent relief eligibility and an increase in evictions.

² The increase in FY23 is due to an increase in evictions and changes to the eligibility requirements for Covid rent relief which, in turn, decreased the number of households receiving support to prevent them from entering the homeless continuum.

Rapid Rehousing

Rapid Rehousing (RRH) is an intervention program designed to help individuals and families to quickly exit homelessness, return to housing in the community, and not become homeless again in the near term. The core components of a rapid rehousing program are housing identification, move-in and rent assistance, and rapid rehousing case management and services. The goal of the program is to help people quickly obtain housing, increase income, and support self-sufficiency to stay housed. Rapid re-housing is offered

without any preconditions, such as employment, income, absence of criminal record, or sobriety.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Rapid Rehousing: Number of clients served ¹	966	833	858	884	911

Percent of households with increased income since entering rapid rehousing ³	24%	31%	33%	35%	36%
Percent of exits to permanent housing ⁴	83%	79%	80%	82%	83%

¹ The program anticipates an increase in the number of clients served due to increased staff and full development of new programs. While certain RRH programs are funded, they are still in their infancy and finalizing logistics. Once finalized, programs will be able to serve more clients.

² In FY23, the program exited fewer clients than in the past due to decreased capacity and staff.

³ Career Catchers are working with rapid rehousing providers and hope the employment landscape will soon expand for entry-level workers. Additionally, case managers should have more access to SOAR certification in order to help clients gain social security benefits.

⁴ Performance has remained relatively stable. The program anticipates Rapid Rehousing providers will become fully staffed such that clients will become more self-sufficient and integrated into the community.

Rental Assistance Program

The Rental Assistance Program (RAP) provides a shallow subsidy to individuals and families at risk of or currently experiencing homelessness. The target populations for this program are seniors, people with disabilities, and others on a fixed income.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of unique households with an active rental subsidy during the year ¹	911	806	943	1,071	1,200
Percent of clients who utilized housing stabilization services (HSS) within a year after receiving rental assistance (RAP) ²	45%	27%	27%	26%	25%

¹ Despite having funding, RAP enrollment continues to slow down due to clients no longer meeting RAP eligibility criteria. Although referral numbers continue to rise, current participants that are being reviewed during recertification are no longer eligible. For FY24, the updated eligibility requirements have allowed for additional referrals along with the expansion of other housing benefits.

² FY23 is based on cases initiated in FY22 due to a one-year lag in the metric. The decrease in FY23 is likely due to clients relying on available Covid funding rather than HSS. Additional appropriate housing options and resources were also carefully considered at move in which allowed clients to maintain housing stability. Program projects similar performance in FY24 as FY23 since there are no major programmatic changes and the same financial resources.

JAMES BRIDGERS PH.D., MBA, DIRECTOR

FUNCTION

The function of Administration and Support Services is to provide overall leadership, administration, and direction to the Department of Health and Human Services (DHHS), while providing an efficient system of support services to ensure effective management and delivery of services.

PROGRAM CONTACTS

Contact Mark Hodge of the HHS - Administration and Support at 240.777.1568 or Deborah Lambert of the Office of Management and Budget at 240.777.2794 for more information regarding this department's operating budget.

PROGRAM DESCRIPTIONS

Admin - Office of Community Affairs

This program oversees, supports, and implements the mission of the Office of Community Affairs, which is to lead the development of equitable and inclusive health and human services systems that are responsive to racial/ethnic and economically disinvested communities. This Office takes a global view of equity and inclusion that transcends the mandate of individual service units and offices to ultimately drive for systems change.

Admin - Office of the Chief Operating Officer

This Office oversees the administrative services that support direct service delivery and the day-to-day operations of the Department including: budget development and expenditure analysis; management of the Department's fiscal operations including payments, medical billing, Federal claiming, and State financial reporting; contract management; logistics and facilities support; information technology support and development; grant acquisition; and oversight of compliance activities such as internal audits and coordination of external audits. The Office also oversees the implementation of Department-wide policies and procedures for

administrative functions and coordinates and facilitates service delivery practices to promote consistency across programs and to further the goal of integrated practice across the Department.

Community Action Agency

The mission of the Community Action Agency (CAA) is to use an equity lens to advance social and economic mobility among communities and neighbors through services, partnerships, and advocacy. Responsibilities include administration of Federal and State Head Start and Community Services Block Grant (CSBG) funding. In addition to Head Start, programs include the Takoma-East Silver Spring (TESS) Community Action Center, Volunteer Income Tax Assistance (VITA), the Community Action Board, and its Community Advocacy Institute. CAA staff and volunteers join with 30+ partners to deliver critical services that strengthen the social and economic assets of low-income communities.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
The number of residents who receive free tax preparation services through the CAA VITA program ¹	1,463	1,946	2,022	2,400	2,400

¹ The increasing trend is due to both capacity and demand. During the pandemic, a law enabled residents to file for both State and Federal returns. Program capacity is dependent on staffing and volunteers; cuts in either will affect the number of residents the program can serve in a given year.

Equity and Language Access

Limited English Proficiency (LEP) is a barrier between customers, colleagues, and the community and equitable access to services designed to promote their health, safety, and self-sufficiency. The focus of the Equity and Language Access Program is to use principles of equitable access to guide how staff plans, implements, and evaluates activities that provide access to language. This program is charged with delivering an LEP Policy and Implementation Plan, Department-wide, to fulfill an essential systemic strategy to create equitable access to services by mitigating language barriers and to comply with a Federal mandate for language access.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of referrals made for Multilingual Health Navigation Line/Interpretation Services ¹	35,895	33,362	30,500	30,500	30,500

Percent of participants of Equity Workshop who will be able to apply behaviors learned ⁵	97%	98%	98%	98%	98%

¹ The decrease in the numbers from FY22 to FY23 may be related to the reduction in the number of calls on referrals to Covid-19 related services.

² The fluctuation in use of telephonic interpretation over the past few years was affected by the pandemic: In FY21, at the height of Covid, these services were in high use. In FY22, with many Covid programs no longer funded, there was a decrease in usage. In FY23, utilization increased due to greater familiarity with accessing language resources, increased staffing across DHHS, and more frequent use of virtual communication. We expect usage in the coming years to be on par with FY23, with a slight increase each year.

³ Metric reflects satisfaction with services provided by CASA (contract with Latino Health Initiative) and Cross Cultural Infotech (contract with Asian American Health Initiative.) In FY23, there were 978 survey respondents across both programs. FY24-FY26 projections are based on percentages of satisfied clients from FY21-FY23.

⁴ There was a decline in this measure due to the complex nature of the needs presented by clients and a lack of programs that could satisfy those needs. For example, this year, the Asian language navigation line started serving Afghani clients, who had urgent needs for housing or immediate cash assistance. Due to service limitations or client ineligibility, some clients were not able to access the service they were seeking. FY24-FY26 projections are based on percentages of satisfied clients from FY21-FY23.

⁵ In FY23, the survey was distributed to 201 workshop participants and received 139 responses. FY23 performance likely increased due to the return of in-person workshops, where participants seem to be more engaged in the content than in virtual sessions.

Head Start

This program oversees the Federal Head Start funding that the County receives to provide a comprehensive child development

program for income-eligible families with young children ages three through five. Montgomery County Public Schools serves as the Head Start delegate agency and the Department of Health and Human Services provides health services to eligible Head Start children through the School Health Service program.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of children in full-day program ¹	540	540	540	540	648

Percent of 4-year olds with demonstrated school readiness ⁵	84%	83%	87%	87%	87%

¹ The federal 5-year program goals were established in FY21 to serve 648 children. Of these 648, 540 are full-time, and the program expects to continue at full capacity. The program hopes that in FY26, when the new project period starts, all 648 slots will be funded for full-time participation.

² The current Head Start 5-year project period ends in FY25 and funds full day for 540 of the 648 participating children. In the next five-year project period in FY26, program anticipates receiving funds to enroll all 648 slots full time.

³ Program estimates 1,580 applications are received per year. The number served by the program has consistently remained at 648, per the approved project period funding from FY21 through FY25.

⁴ Head Start children returned to uninterrupted in-person learning. Consistency in curriculum instruction may have impacted the increase in readiness for kindergarten.

⁵ MCPS instituted a new curriculum to promote more rigorous instruction and learning for the Pre-K program that may have resulted in the slight decrease in school readiness assessment of children.

Minority Programs

The three minority programs - the African American Health Program (AAHP), the Latino Health Initiative (LHI), and the Asian American Health Initiative (AAHI) - support Department-wide efforts to eliminate disparities in delivery of health services and others and continue to achieve equitable delivery of population-targeted programs and services. The knowledge, expertise, and experiences of incumbent personnel in racially, ethnically, and linguistically diverse communities informs Department-wide program, policy, and budget decisions.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of individuals served by the Minority Health Initiatives & Program ¹	65,983	185,274	161,507	131,328	131,161

Average percent increase in wages from time participants entered program until hired as health professionals ⁴	134%	161%	155%	160%	160%
Percent of clients who improved A1C blood sugar level test at 3-month follow up (diabetes management/prevention) ⁵	97%	75%	75%	75%	75%

¹ FY23 experienced a significant increase from past years as it includes individuals served through contracts and large programs such as LHI's Por Nuestra Salud y Bienestar Program and AAHI's Healthy Communities Fund. Additionally, the increase is also due to more regular in-person

community outreach events and the return of larger health events held by the MHIP such as LHI's Ama Tu Vida, AAHI's AAPI Heritage Month Celebration, and AAHP's Community Day. With Covid-19 activities winding down, the program anticipates a decrease in the number of clients served in the future.

² The decrease in satisfaction can be attributed to the fact that this data is now being collected from more programs and from contractors or grantees, some of which are still building their capacity to implement health and wellness programs. In FY23, 666 surveys were distributed and programs received 552 responses in total. FY24-FY26 projections are based on percentages of satisfied clients from FY21-FY23.

³ There was a decrease in this measure for several reasons. First, some of the programs implemented this year were new and experimental. Second, this measure includes outcomes from the Healthy Communities Fund grant. This was the first year that this data was collected from grantees and they are still getting acclimated to collecting this data.

⁴ The annual average increase in wages includes three participants' career advancement securing RN jobs from an average of \$16.42 per hour when entering the program to an average of \$42.83 per hour when hired as RNs.

⁵ In FY23, there were 129 enrolled Diabetes Self-Management Education (DSME) participants with A1Cs. Of those, 97 reached the goal of some reduction in A1C. This may increase or decrease at the 6, and/or 9-month mark but usually increases in percentage lowering A1C.

RAMONA BELL-PEARSON, DIRECTOR

MISSION STATEMENT

The mission of the Office of Community Use of Public Facilities (CUPF) is to maximize the community's use of schools and other public facilities and to identify and facilitate activities and programs that respond to the community's needs without disrupting the instructional program of the Montgomery County Public Schools (MCPS) or County operations.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Community Use of Public Facilities is \$11,440,573, an increase of \$301,237 or 2.70 percent from the FY24 Approved Budget of \$11,139,336. Personnel Costs comprise 35.51 percent of the budget for 30 full-time position(s) and one part-time position(s), and a total of 31.07 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 64.49 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- Thriving Youth and Families**
- A Greener County**
- Effective, Sustainable Government**

INITIATIVES

- Complete a fee study analysis to determine whether a fee adjustment is necessary for permitting purposes and to perform the required level of service.
- Continue coordination efforts with Montgomery County agencies, Montgomery County Collaboration Council and local municipalities, to improve access and availability of programs and resources to support low-income at-risk children and youth during out of school time.

- ★ Expand programming at the Silver Spring Civic Building with the addition of a Program Specialist position.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Awarded \$80,000 from the Safe Summer Initiative grant from the State of Maryland to create and support opportunities for at-risk youth. Funding supported the Fee Facility Assistance Program (FFAP), Community Access Program (CAP), and Out of School Time programs.
- ★ Developed partnerships with Collaboration Council, WorkForce Montgomery, Latin American Youth Council, and local municipalities in support of increasing out of school activities for children and youths.
- ★ Continue expansion of outreach efforts and marketing strategies to inform the public about the permitting process by incorporating media campaigns, workshops, CUPF newsletters, and website content.

PROGRAM CONTACTS

Contact Ramona Bell-Pearson of the Office of Community Use of Public Facilities at 240.777.2722 or Alicia Singh of the Office of Management and Budget at 240.777.2780 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable). The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

Measure	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

¹ CUPF returned to pre-pandemic hours of use in FY23 and hopes to continue to increase at a rate of 1.5% for FY24 and beyond.

² In FY23, 976 customers responded to CUPF's 5 Star Survey. CUPF went through a software transition in FY23 which might have contributed to the slight decrease in the satisfaction survey. The department expects users to be more satisfied as they become more familiar with the new software.

³ In FY23, 42 groups were awarded FFAP through the special appropriation through CARES funding and 17 groups were awarded through traditional funding. There were 59 groups awarded through CAP funding. In FY24, CUPF had an additional \$20,000 for FFAP and \$20,000 for CAP funding through a state funded grant.

⁴ All FY23 applicants for Fee Facility Award Program and Community Access Program were granted subsidy awards. For FY24 and beyond, CUPF is projecting to maintain a 100% applicant approval rate.

⁵ In FY22, the County Council appropriated \$500,000 to the FFAP to cover the facility fees for youth sports and organizations to make field use more available. For FY23, the County Council appropriated an additional \$125,000 for FFAP funding. For FY24, CUPF is projecting a modest 3.5%

PROGRAM DESCRIPTIONS

Community Access to Public Space

This program provides community organizations and public agencies with access to public schools and government facilities for community services, programs, and events. Services performed by staff in support of this function include: user education training; centralized scheduling of schools, MCPS fields, libraries, regional service centers, County government meeting rooms, and the Silver Spring Civic Building; managing on-line customer facility requests; administering connectivity access to the facility database for school and County staff; providing information and referrals; and problem and conflict resolution. Additionally, working with MCPS staff, Parent Teacher Associations, and community-based groups in the implementation and review of facility use policies and procedures is an integral component of this program. This program also provides: general management and staff support to the Interagency Coordinating Board (CUPF's policy-making authority) and administration for community use operations, including financial processes and budgeting for the Community Use Enterprise Fund.

 ANITA VASSALLO, DIRECTOR

MISSION STATEMENT

Montgomery County Public Libraries (MCPL) provide equitable access to information, ideas, and experiences that spark imagination and expand possibilities for all. The department's libraries are an essential component of a just and equitable community, where all can thrive and grow.

MCPL'S VALUES

Discovery - MCPL is a champion of curiosity, exploration, and growth. MCPL supports members of the community to expand their knowledge, learn new skills, spark ideas, and make connections.

Intellectual Freedom - MCPL believes in free, open, and confidential access to ideas and information for all as a cornerstone of a thriving democratic society.

Equity - MCPL believes all residents of Montgomery County deserve equal and inclusive access to all the library's resources, regardless of race, age, gender, religion, sexual orientation, income, education, language, disability, and/or immigration status.

Respect - MCPL strives to treat everyone with kindness, provide a safe and welcoming environment for all, and honor the knowledge and lived experience of all members of the community.

Service - MCPL connects members of the community with the information they want and need, as efficiently as possible. MCPL anticipates and adapts to the changing needs, desires, and expectations of community members.

Community - MCPL is the backbone of the community, a place to connect with each other. MCPL forges strong, reciprocal relationships with residents, community organizations, and other County departments in service of our shared goals.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Public Libraries is \$52,847,301, an increase of \$3,162,972 or 6.37 percent from the FY24 Approved Budget of \$49,684,329. Personnel Costs comprise 80.69 percent of the budget for 247 full-time position(s) and 187 part-time position(s), and a total of 384.61 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 19.31 percent of the FY25 budget.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- ◆ **Thriving Youth and Families**
- ◆ **A Growing Economy**
- ◆ **A Greener County**
- ◆ **Effective, Sustainable Government**

INITIATIVES

- ★ Adds \$315,240 in MCPL's FY25 collection acquisitions budget to meet demand for digital materials through the Hoopla platform for ebooks, eaudiobooks, emagazines, emusic, and evideo.
- ★ Complete and deploy a branded outreach van to create an outdoor pop-up library experience in any safe location, provide wireless internet access, and visit housing communities, childcare centers, recreation centers, senior centers, and group homes. In 2024, the Outreach Team will continue expanding its mission of public service beyond the library's physical walls with the launch of the first all-electric mobile library outreach info vehicle in Maryland. The need for the Outreach Team to bring the library to the people was not just about a new delivery model for library resources and services but also the agility and efficiency to target specific zip codes, housing communities, age groups, and ethnic backgrounds that were disproportionately impacted by the pandemic.
- ★ Participate in the Maryland pilot cohort of the "Building Equity-Based Summers" project in partnership with the Maryland State Library Agency (MSLA) and Insitute for Museum and Library Services.
- ★ Renovate and create Makerspaces/Digital Media Labs at multiple MCPL locations in support of digital equity and digital literacy. The Teen Studio at Rockville is a part of a connected library approach MCPL is taking toward teen services.
- ★ Implement the MCPL Teen Gaming Initiative (MCPL TGI). This initiative encourages teens to learn more about potential workforce opportunities in STEAM (Science, Technology, Engineering, Arts, and Mathematics), focusing explicitly on the hard scientific, technological, engineering, or mathematical skills to drive progress, create new concepts, and solve complex problems.
- ★ Develop partnerships with selected county non-profits in support of the 2024 Summer Reading Challenge. Past non-profits who have worked with MCPL include *Montgomery County Animal Services and Adoption Center*, *Friends of Montgomery County Animals*, *Manna Food Center*, *Montgomery Parks Foundation*, and others.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Expanded LaunchPad tablet collection to encourage early digital literacy and kindergarten readiness.
- ★ Established Teen Advisory Boards at 17 branch libraries and one virtual board.
- ★ Grew the Summer Reading Challenge! program to highest participation level in eight years.
- ★ Created a Facilities Master Plan in partnership with the Department of General Services and an architect and engineering firm which will guide decision making for maintenance, upgrades, renovation, and new construction of MCPL facilities throughout

the County for the next three years.

- ☀ Refreshed and re-opened the Potomac Library on April 15, 2023.
- ☀ Installed security cameras and badge access readers at 21 locations to make MCPL a safer space for staff and the public.
- ☀ Automated Branch Newsletters: MCPL worked with our newsletter vendor to develop custom code that populates events from our calendar into individual branch newsletters on a rolling monthly cycle. This automation then sends a custom branch-specific newsletter highlighting MCPL programs and services to all MCPL cardholders based on their selected home branch location. This automation has increased MCPL's marketing reach by 21-fold, without adding any additional work to the Digital Strategies Unit.
- ☀ Implementation of CollectionHQ with a new tool to improve diversity, equity, and inclusion in MCPL's Library Collections.

PROGRAM CONTACTS

Contact Steve Kapani of the Department of Public Libraries at 240.777.0045 or Deborah Lambert of the Office of Management and Budget at 240.777.2794 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

☀ Administration

The Office of the Director has the responsibility for the overall management and leadership of the department. The Director's Office also oversees strategic planning and evaluation of services, public relations with the community, marketing the department's services, partnerships, Memoranda of Understanding (MOUs), and the Library Board. The Director's Office directly manages the Human Resources Unit and three Assistant Directors.

The Human Resources Unit oversees human resources, staff development and training, customer accounts, workplace competency, Equal Employment Opportunity (EEO) issues, recruitment and training, and labor/management relations.

The Assistant Directors are responsible for programming, outreach, community partnerships, facilities maintenance, ADA compliance/oversight, emergency management/Continuity of Operations Planning (COOP), workplace safety, technology management, data and performance analytics, collection management, digital strategies, the department's budget, contracts, and procurement.

Library Services to the Public

MCPL consists of 23 library sites including the Noyes Library for Young Children, the Montgomery County Correctional Facility Library, and the Collection Management Center.

Library services are available to all County residents, Maryland residents, and those working or attending school in Montgomery County, free of charge. Library customers use MCPL services including information services for children and adults delivered in person, over the telephone, and outside the walls; a Public Access Catalog for access to indices and full text materials; downloadable content and streaming services; automated renewal, online catalog, and customer account access (24 hours, 7 days a week); programming for children, teens, seniors, and adults; technologies such as Launchpads, wireless hotspots, and in-house laptops; and meeting rooms and collaboration spaces for public use. MCPL is a fine free library system.

The Collection Development Unit provides for the selection, acquisition, cataloging, processing, and delivery of library content and materials, including electronic resources, ebooks, eaudiobooks, and streaming services. It is responsible for planning and inclusion of new formats and the evaluation of collections in relation to community information needs. Collections are purchased for English learners, as well as collections in world languages.

The materials delivery service delivers new materials, customer requested items, and returned materials among MCPL branches.

The Cataloging and Processing Unit prepares all library materials for use in the branches.

The inter-library loan service provides opportunities for Montgomery County cardholders to use materials from public library systems throughout Maryland, from out-of-state public libraries, and from academic and special libraries throughout the world.

Number of participants in early literacy programming ⁵	22,763	54,465	60,000	64,200	68,000

¹ This performance measure includes the number of physical items checked out from the library, plus the items used in-house by customers, and the checkouts of ebooks, eaudiobooks, and similar electronic materials. The Potomac Library was closed for renovation from May 2, 2022 to April 15, 2023, which would account for the slight reduction in circulation in FY23.

² "Library visits" represent customer branch access to services and resources inside the facility. Facilities closure for COVID affected in-person visits by the public. Branches re-opened for public access in three "rolling" phases, beginning June 1, 2021, and ending July 6, 2021. Library

public service hours were 48 hours per week per location when they reopened. These public service hours were expanded to 64 hours per branch per week beginning on February 27, 2022.

³ Numbers represent onsite and virtual program attendees.

⁴ "Active user" is a registered MCPL borrower who has used their library card at least once within the 12 month period from current date of data search. These users are associated with a Montgomery County ZIP code.

⁵ "Early Literacy Programming" comprises the number of attendees at Storytimes. Facilities closure for COVID affected this metric as there was no longer in-person programming. Branches re-opened for public access in three phases, beginning June 1, 2021, and ending July 6, 2021. Library public service hours were 48 hours per week per location when they reopened. These public service hours were expanded to 64 hours per week beginning on February 27, 2022. Programming continued to be held virtually through FY21, and in-person early literacy programming resumed May 1, 2022.

 **ROBIN RILEY, DIRECTOR**

MISSION STATEMENT

The mission of the Department of Recreation is to provide high quality, diverse, and accessible programs, services, and facilities that enhance the quality of life for all ages, cultures, and abilities.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Recreation is \$64,615,217, an increase of \$4,905,556 or 8.22 percent from the FY24 Approved Budget of \$59,709,661. Personnel Costs comprise 60.27 percent of the budget for 190 full-time position(s) and no part-time position(s), and a total of 598.70 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 39.73 percent of the FY25 budget.

The Debt Service for the Recreation Fund is appropriated in the Debt Service Fund and is, therefore, not displayed in this section. To pay for the Debt Service, a transfer of funds from the Recreation fund to the Debt Service Fund of \$10,653,890 is required to cover General Obligation Bond costs.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **Thriving Youth and Families**
-  **A Greener County**

INITIATIVES

-  Increase Excel Beyond the Bell Elementary (EBB) services and expand existing out of school time programming with the addition of two new sites: Eastern and Benjamin Banneker Middle Schools.
-  Aquatics division launched free youth water polo clinics to residents in the Long Branch and Upper County outdoor pool areas to provide an opportunity to increase engagement in water sports that are traditionally not available in the area. Aquatics

offered water safety lessons at outdoor pools to engage patrons in safe practices around water.

- ★ Increased financial assistance available to qualified residents from \$200 to \$400 per person per calendar year in an effort to make more Recreation programming available to County residents that receive social services from other County agencies.
- ★ Expansion of senior programming at various senior centers to include access to multi-lingual programs and culturally diverse celebrations and events. Continue to develop programming that will cater to the "working seniors or semi-retired seniors" with selected programs offered during various times in the evenings or weekends, during non-traditional senior center hours.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

★ Youth Development Accomplishments/Innovations:

- National Association of Counties (NACo) awards won across the department.
- Launch of Teens Day Out - school year and summer programming for middle schoolers on days out of school.
- Launch of Teen Summer Camp - full-day summer camp program for middle schoolers at two locations.
- Teen Mental Health First Aid - partnered with local organization Global Sustainable Partnerships to offer the first in-state program/curriculum/certification for youth.

Collaborations and Partnerships:

- Buckets & Beats - Youth Block Party in partnership with County Councilmember Kate Stewart's office and other County departments/agencies and community partners (September 2023).
- Investigative Team Program - afterschool partnership with Montgomery County Police Department (MCPD) within RecXtra programs (March 2023).

★ Countywide Accomplishments:

- NACo awards for HerTime2Shine Volleyball Leagues and Kids Day Out/Teens Day Out.
- Expansion of youth sports opportunities to include:
 - Two locations (Wheaton and Damascus) for Youth Flag Football with 694 enrollments over six seasons.
 - Four locations (East County, Ross Boddy, Plum Gar, and White Oak) for HerTime2Shine Volleyball with 3,908 enrollments over nine seasons.
 - Enrichment program in summer camps for youth lacrosse with 1,992 enrollments over one summer.
 - Launched the Department of Recreation's first Cricket Program in the East County, serving 33 youth.
- Established the County's first Sports Advisory Committee. Screened over 100 applications, and the committee met for the first time in June 2023.

- ★ Modernized the Recreation Insider Newsletter and Rec Bulletin to streamline program information, services, events, and activities calendar. In addition, launched the first Department of Recreation's podcast which provides educational content and information to a wider audience.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Administration

The Administration Program provides oversight, leadership, management, and supervision to accomplish the Department's mission. The Administration Program includes the Department's senior management, the Director's Office and staff, as well as business and information technology services, communications and outreach, facility planning, asset replacement, and fixed-cost management.

The Business Services and Information Technology Teams provide key infrastructure and support to the Department's operations. The Business Services Team provides human resource management, procurement and contracting services, budget and financial administration, and customer services. The Information Technology Team ensures availability and efficiency of technical tools, equipment and interfaces, responds to help tickets from the Department's centers and other satellite locations, and delivers training related to the Department's business operations software. Both teams collaborate with agencies of County government, community, and other partners to address the needs of internal and external constituencies.

The Administration Program includes development and management of the Department's capital improvement projects and plans and implements the lifecycle asset replacement activities to protect the Department's investments and efficient-reliable operations of all facilities and equipment in service to County residents. The Program also includes fixed costs associated with utilities, property insurance, Workers' Compensation Insurance, and community grants. This Program also includes Communications and Public Outreach, which supports marketing of, and media relations concerning, all recreation and leisure activities in collaboration with the County's Public Information Office (PIO), Maryland-National Capital Park and Planning Commission (M-NCPPC), and Community Use of Public Facilities (CUPF). Outreach activities include summer camps and employment fairs, holiday events and commemorations, and coordination of visits from local, State, and Federal dignitaries and agencies as requested.

Percent of allocated recreation financial assistance dollars used ²	46%	61%	65%	70%	80%

¹ The Department continues to be a vital quality of life service and expects to see moderate program growth as it rebounds from the pandemic and demand for programs and services continues to rise.

² The Department continues to make RecAssist program modifications to address factors impacting use such as logistical/registration constraints for families, program awareness and outreach, and competing financial priorities. In FY24, the Department increased the amount awarded to individuals from \$200 to \$400 to help cover a greater percentage of program costs and to reduce competing financial priorities which may prevent

or limit participation in programs which are known to have positive quality of life and health impacts.

Aquatics

The Aquatics programs provide recreational, fitness, instructional, competitive, therapeutic, and rehabilitative water activities that serve all residents. The broad ranges of programming include lessons, instructional wellness classes, and competitive programming such as dive and swim teams. Facilities also host a wide variety of local, regional, and national events and competitions each year. The Department operates seven regional outdoor pools, five indoor aquatics facilities, and one spray park and supports operations at Piney Branch Elementary School pool.

¹ Our aquatics facilities continue to be a community asset offering health and wellness benefits, life-saving swim skill development, recreational and competitive swimming, heat relief, and serving as an affordable summer oasis for families. The Department anticipates increased use of aquatics facilities, however, it's important to note that this measure may be influenced by future expanded subsidies, price adjustments, and major facility repairs and/or renovations. It's important to note that FY22 (summer 2021) continued to be impacted by COVID as compared to FY23 (summer 2022).

Countywide Programs

Countywide Programs offers essential and universally accessible recreation and leisure services to all residents across the region--an indicator of a healthy, affordable, and welcoming community. Program staff generates partnerships with local small businesses and non-profit organizations to activate key public and private spaces and to offer culturally responsive programs, activities, and services such as classes, performing arts, camps, sports, workshops, therapeutic recreation, inclusion services, and special events which provide a wide range of economic, health, and social benefits. Additionally, community outreach such as

events and festivals provide a wide platform to bridge diverse groups of people, generate social networks, and create community cohesion. Countywide Programs promote positive social capital through the provision of equal access to programs, which cultivates community ties through programs and services for all produces public benefits by connecting people more deeply to the fabric of the community. The benefits include public enjoyment and engagement; improved perception of community performance; economic well-being; quality recreation time with family and friends; strengthening social and familial bonds; improvement of mental and physical health thus reducing the impacts of chronic diseases; and measurable decreases in rates of crime and other detrimental activities making our communities safer.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26

Percent of planned countywide recreation programs completed ²	77.60%	89.43%	91.22%	93.04%	94.90%

¹ Due to the migration of registration software systems, the Department could not recreate the methodology used previously to retrieve the data associated with this measure and is working with IT staff on a future solution. Individuals with disabilities face significantly greater barriers to access. It's the Department's mission to ensure programs, opportunities and services are universally accessible. Looking forward the Department looks to improve in this area through its "Program Access," an inclusive companion support program which enables participation in traditional recreation programs. It's notable to mention this measure is based on participant's self-reporting or identifying as having a disability.

² Recreation programs are critical indicators of quality of life in a community. The Department expects demand to continue to increase particularly as it examines ways to remove barriers to participation by reducing fees, improving accessibility, and offering more culturally diverse program offerings.

Recreation Community & Neighborhood Centers

The Department of Recreation has 23 recreation centers throughout the County. These facilities provide affordable programs featuring leisure activities, social interaction, family participation, and community civic involvement, as well as promote community cohesion and identity for all ages.

Centers are designed to support sports, fitness, dance, community/social activities, and art programs. Activities include instructional programs, organized competitions, performances and exhibitions, recreational clubs and hobby groups, and accessibility initiatives for special populations. Center spaces are available for community activities, party rentals, receptions, and civic group meetings. Designated sites offer afterschool programs for children and youth, such as Club Adventure and Club Friday, at affordable pricing. The centers are a place where individuals, families, communities, and government are connected, as well as a thriving hub of activities.

☀ Senior Adult Programs

The Senior Programs Team offers a wide range of supports, opportunities, programs, services, and facilities, which are designed to enhance the quality of life and help community members 55 and over remain active, engaged, and independent in their communities. Lifestyle and leisure program offerings such as fitness and wellness, sports, arts and culture, social clubs, trips, and special events help to attract and retain active retirees while providing critical tools and resources to improve and maintain the health span and independence of those who are isolated or more vulnerable.

☀ Youth Development

The Youth Development Team uses recreation to ensure young people are healthy, connected, and productive during out-of-school time. Program staff work to change the landscape of communities by tackling pressing and diverse issues, reducing barriers to participation, and improving equitable access to high quality out-of-school time opportunities which improve outcomes for young people. Positive youth development strategies are used to meet youth where they are and include opportunities, programs, and services which emphasize active and healthy living, youth leadership and social equity, engagement in learning, workforce readiness, and connection to caring adult role models.

Program Performance Measures	Actual FY22	Actual FY23	Estimated FY24	Target FY25	Target FY26
Number of participants registered in youth development programs ¹	8,300	11,041	11,433	11,662	11,895

Percent of youth development program participants who attend 11 or more sessions	56.74%	56.56%	56.10%	57.22%	58.37%

¹ Our youth programs play a critical role in post COVID recovery because they are the environmental container where young people acquire developmental assets necessary for resilience. Restoring connections with youth is among our top priorities. The Department has seen a strong recovery, returning to pre-COVID participation numbers.

² Several factors consistently impeded attendance rates including addition of new after-school program sites and overall school attendance rates. New programs often impact average daily attendance due to the time required for these initiatives to gain momentum and visibility within the community, underscoring the importance of implementing long-term programs with sustainable results over time. The Department implemented several new long-term programs in FY23. Additionally, there continue to be ongoing concerns regarding public health and attendance participation post-COVID, as the school system continues to battle with chronic absenteeism. Restoring connections with youth and families continues to be

among our top priorities.

MISSION STATEMENT

The Office of Agriculture (OAG) was created in July 2016 and exists to promote agriculture as a viable component of the County's economic sector, as well as to preserve farmland as a resource for future agricultural production. The goal of the OAG is to promote Montgomery County as a leader in the agricultural industry by providing support to our farm community and working to educate our residents.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Agriculture is \$1,455,952, an increase of \$95,610 or 7.03 percent from the FY24 Approved Budget of \$1,360,342. Personnel Costs comprise 62.31 percent of the budget for ten full-time position(s) and no part-time position(s), and a total of 5.90 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 37.69 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- Thriving Youth and Families**
- A Growing Economy**
- A Greener County**

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- The OAG is partnering with the County's Business Center to participate in the procurement of a customer relationship management (CRM) system in the hopes of having a more efficient way to track and report its work.
- The OAG is currently working with the Department of Technology and Enterprise Business Solutions to update/convert its forms and applications from PDF documents to seamless docs that can be completed and submitted online.
- The OAG is partnering with the Institute for Local Self-Reliance and the University of Maryland Extension Master Gardener Program on the installation of a Composting Education Hub that will be used to train gardeners and farmers on how to properly compost food scraps.

PROGRAM DESCRIPTIONS

Agricultural Services

The Office of Agriculture (OAG) serves in a variety of capacities to provide the following services: implement agricultural policies and programs; provide financial and technical assistance to farmers; manage agricultural education programs; provide financial and staff support to its partner agencies; serve as a liaison between the Executive Branch and the agricultural community via the Agricultural Advisory, Agricultural Preservation, and Montgomery County Farm Bureau Boards; oversee the various land preservation programs; co-sponsor farmers' markets, an annual farm tour, and other activities that promote agricultural businesses and products; and provide mentoring and specialized business training programs. Additionally, the OAG collaborates with its partner agencies, which are all co-located at the Agricultural History Farm Park in Derwood to provide seamless one-stop client interactions and program offerings. These Federal, State, and local partners include the University of Maryland-Extension, the Montgomery Soil Conservation District, the Natural Resource Conservation Service, and the Farm Service Agency.

Soil Conservation

This program is comprised of staff and other resources from Federal, State, and local agricultural agencies. It provides technical and outreach educational assistance to farmers/rural landowners for implementing best management and conservation practices. The Montgomery Soil Conservation District (MSCD) assists the County to achieve the nationally mandated, state-assigned, Rural MS4 Permit - Chesapeake Bay Nutrient Diet - Watershed Implementation Program (WIP-III) goals. Failure to achieve the WIP-III goals will likely result in the Federal Environmental Protection Agency (EPA) instituting the backstop measure which will

negatively impact the County and the agricultural community by denying all permits moving forward, and harming the County's rural economy/infrastructure with increased regulatory requirements.

University of Maryland-Extension (UMD-Extention)

The Montgomery County Extension Office serves as the non-formal outreach and education arm of the University of Maryland. This agency is funded cooperatively through local, State, and Federal governments to make nonformal education accessible to all Montgomery County residents. Adults, families, and youth are the primary audiences Extension programs serve across four major program areas: Agriculture and Food Systems; Family and Consumer Science; Environment and Natural Resources; and 4-H Positive Youth Development. Educational programs for farmers include raising crops and livestock, protecting the environment through good agriculture practices (GAP) and nutrient management planning, farm and business management, reducing farm stress (financial, emotional, and physical wellbeing), marketing commodities, and integrated pest management (IPM). Programs for families include home horticulture, financial literacy, and nutrition education. 4-H youth programs focus on healthy living and nutrition, leadership development, civic engagement, public speaking, and agricultural programs to learn how to care for, raise, and show livestock. The Close Encounters with Agriculture (CEWA) program engages over 3,000 4th grade students annually, from across Montgomery County, to learn about Agriculture through a hands-on learning experience at the Agricultural History Farm Park. Extension Office faculty and staff engage and rely upon a large network of over 2,000 volunteers to support facilitation of program delivery. Over 100,000 information requests are received annually and UME faculty, staff, and volunteers help to field and respond to these inquiries with research-based solutions. Outreach education efforts are facilitated through one-on-one consultations, telephone assistance, responses to internet inquiries, classes and workshops, field days, website, radio, television, and print media publications.

 MICHAEL COVEYOU, DIRECTOR

MISSION STATEMENT

The mission of the Economic Development Fund (EDF) is to assist private employers who are located, plan to locate, or substantially expand operations in the County. Each program under the EDF is administered by the Department of Finance. EDF staff work in conjunction with the Montgomery County Economic Development Corporation (MCEDC), a nonprofit economic development organization created by the County in 2015, to identify prospects for many of these programs.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Economic Development Fund is \$4,169,168, an increase of \$713,429 or 20.64 percent from the FY24 Approved Budget of \$3,455,739. Personnel Costs comprise 4.72 percent of the budget for no full-time position(s) and no part-time position(s), and a total of 1.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 95.28 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

PROGRAM DESCRIPTIONS

Economic Development Fund

The Economic Development Fund consolidates all economic development programs into one program providing effective management and support. The consolidated programs are: Economic Development Grant and Loan Program, Biotechnology Credit Supplement, MOVE Program, the Small Business Innovation Research and Small Business Technology Transfer Matching

Grant Program, and the Impact Assistance Fund.

- The Economic Development Grant and Loan Program was established in FY96 to assist private employers who will either retain jobs already in the County or create additional jobs in the County through the expansion of current operations or relocation of new operations in the County. This program is administered by the Department of Finance through its Fiscal Management Division. The Montgomery County Economic Development Corporation (MCEDC) identifies and develops prospects that meet the criteria for a grant or loan from the Economic Development Fund (EDF) and works with Finance to develop an assistance package. Frequently, MCEDC and Finance work in close cooperation and coordination with the State of Maryland to enhance financial incentives being offered. The County Executive submits an annual report by March 15 on the status and use of the EDF as required by Chapter 20-76 (b) of the Montgomery County Code.
- The Biotech Credit Supplement authorizes the County to provide a local supplement to the State of Maryland's Biotechnology Investment Tax Credit Program. Investors in Montgomery County-based biotechnology companies that are certified to receive biotechnology tax credits under the State program are eligible for a supplemental monetary match from the County of up to 50 percent of the State tax credit, with the final amount dependent and subject to the annual appropriations by the County Council.
- The MOVE Program is designed to accelerate business attraction, thereby reducing vacant office spaces in the County. It provides a one-time grant for the initial lease of up to 20,000 square feet of class A and B vacant office space. The program is limited to businesses that are new to the County, including craft breweries, cideries, wineries, and distilleries.
- The Small Business Innovation Research and Small Business Technology Transfer (SBIR/STTR) Matching Grant Program allows Montgomery County companies that have been awarded a SBIR or STTR Phase I or Phase II grant from a federal agency and that conducts at least 51 percent of their research & development operations in Montgomery County to apply for a local Montgomery County match.
- The Impact Assistance Fund (IAF) is a program that provides financial assistance and/or technical assistance to financially healthy small businesses in designated areas of the County that are adversely impacted by a redevelopment project initiated by the County, on County-owned property, or of a County facility. Currently, there are designated geographic areas in Silver Spring, Bethesda, and Clarksburg.

Housing and Community Affairs

APPROVED FY25 BUDGET

\$78,527,281

FULL TIME EQUIVALENTS

121.00

 SCOTT BRUTON, DIRECTOR

MISSION STATEMENT

The Department of Housing and Community Affairs (DHCA) works to preserve and increase the supply of affordable housing; maintain existing housing in a safe and sanitary condition; preserve the safety and quality of residential and commercial areas; ensure fair and equitable relations between landlords and tenants; and support the success of common ownership communities - all with a focus on reducing racial inequities and climate change impacts.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Housing and Community Affairs is \$78,527,281, an increase of \$1,767,739 or 2.30 percent from the FY24 Approved Budget of \$76,759,542. Personnel Costs comprise 21.39 percent of the budget for 127 full-time position(s) and no part-time position(s), and a total of 121.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses and Debt Service account for the remaining 78.61 percent of the FY25 budget.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **A Greener County**
-  **An Affordable, Welcoming County for a Lifetime**
-  **Effective, Sustainable Government**

INITIATIVES

-  Provide \$160.5 million in funding to produce and preserve affordable housing units in Montgomery County. This funding commitment includes the allocation of \$13.5 million in the Montgomery Housing Initiative (MHI) Fund, \$97 million in the Affordable Housing Acquisition and Preservation CIP project, and a total of \$50 million in FY24 and FY25 in the Nonprofit Preservation Fund CIP.

-
- ★ Provide \$56 million in new resources for the Montgomery Housing Initiative Fund to continue various programs and projects dedicated to creating and preserving affordable housing, and related services. The funding will provide for the renovation of distressed housing, creation of housing units for special needs residents, rental assistance and rapid rehousing, homeless prevention and relocation assistance, homeowner downpayment assistance, home accessibility rehabilitation, services to the "Building Neighborhoods to Call Home", "Housing First" programs, and the creation of mixed-income housing.
 - ★ Provide funds for the new Rent Stabilization Program to be fully operational in FY25. This program establishes maximum allowable rent increases to stabilize rents in the County while ensures landlords can earn a fair return on their investment.
 - ★ Provide annualized funding to support the implementation and enforcement of Bill 22-23 Short-term Residential Rental reassigned from the Department of Health and Human Services to the Department of Housing and Community Affairs (DHCA). The funding allows for improvement of the licensing application processes and enhancement of required housing inspections. The funding sources come from the adjusted licensing fees that allow the program to be self-supporting.
 - ★ Restructure DHCA's organizational functions by creating a new "Rental Housing" Division to support more synergy and collaboration between the Office of Landlord and Tenant Affairs (OLTA) and the Rent Stabilization Program, realigning some programs among different divisions for more effective operations, and adding needed staffing to close operational gaps and enhance service delivery.
 - ★ Create a Manager II position to manage the new Rental Housing Division to ensure rent stabilization mandates are fully implemented and integrated with other relevant services and functions across the department.
 - ★ Increase licensing fees on multifamily rental units and other housing types to align with the fees charged by surrounding jurisdictions and offset staffing needs. The revenue generated from the licensing fees will be utilized to directly support programmatic operations and improve service delivery in Licensing and Registration, Code Enforcement, Landlord-Tenant Mediation, Rent Stabilization, and the Short-term Residential Rental programs.
 - ★ Add CIP funding to create a new loan program for the revitalization of troubled and distressed Common Ownership Communities (COC). This new loan program will help COC communities to address needed capital improvements and avoid loss or displacement of housing units, particularly for low-income homeowners.
 - ★ Add one Program Manager II position in the Asset Management unit to provide loan servicing and monitoring for the new COC loan program, as well as multifamily housing loan projects funded with additional resources in the Montgomery Housing Initiative Fund and the new Nonprofit Preservation Fund.
 - ★ Continue to actively underwrite affordable housing loans to preserve and produce affordable housing. Three developments for multi-family projects have already been identified for potential funding in FY25. These developments would preserve or produce a total of 655 units, including 357 affordable units.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ DHCA's Moderately Priced Dwelling Unit (MPDU) program continues to generate new affordable units throughout the County. During FY23, the MPDU program generated 378 new MPDUs offered either for sale (43 units) or for rent (335 units).
- ★ DHCA's Multifamily Housing Development team successfully closed thirteen residential real estate loan transactions in FY23. Montgomery County provided more than \$96 million towards these developments. These transactions preserved, rehabilitated, or produced 975 units of affordable housing at an average cost of \$98,847 per unit throughout the County.
- ★ The Focused Neighborhood Assistance (FNA) program provides financial and technical assistance to improve the quality of life, safety, and welfare of their residents. Construction was substantially completed in FY23 for the Grover's Forge, Center Stage, Walker's Choice, and The Hamptons neighborhoods of Montgomery Village. All these communities will benefit from new LED lighting and site improvements. Additionally, the FNA program advanced a drainage and landscaping improvement

project in the Wedgewood neighborhood and a lighting and common area improvement plan for the Montclair neighborhood.

- ☀ Historically, the Code Enforcement team completes an average of 28,000 site visits and responds to 10,000 service requests annually. In FY23, the team completed 40,970 site visits and responded to more than 9,600 service requests.
- ☀ DHCA's Code Enforcement unit continues to implement a contract established in 2003 with the City of Takoma Park to inspect the City's residential rental facilities. This agreement was established to ensure the protection of the health, safety and welfare of persons residing in over 500 residential rental facilities and 3,200 rental units within the City of Takoma Park.

Affordable Housing Programs

This program oversees the creation, selection, and oversight of inclusionary affordable housing units. It primarily enforces Chapter 25A of the County Code to ensure that both rental and sale Moderately Priced Dwelling Units (MPDUs) are provided. The housing units produced are marketed at controlled prices, which makes them affordable to moderate-income households.

Additional single-family housing programs are also overseen by this program to provide energy efficiency solutions and savings, and home accessibility rehabilitation.

Common Ownership Community Program

The Office of Common Ownership Communities (OCOC) is committed to providing owners, tenants, residents, boards of directors, and management companies of self-governing residential communities with information, assistance, and impartial dispute resolution programs that improve the quality of life in the community, strengthen the self-governing community structure, and enhance the value of residential property in community associations." The OCOC enforces Chapter 10B, Common Ownership Communities of the Montgomery County Code.

The OCOC program ensures fair and equitable relations between the governing bodies of homeowner associations, condominium associations, and cooperatives, and the individuals living within these common ownership communities, and encourages the maintenance and improvement of housing. Activities include mediating and arbitrating disputes; providing information and technical assistance to all parties; and taking legal action as necessary, including referring unresolved complaints to the Montgomery County Commission on Common Ownership Communities.

Grants Administration - Federal Programs

Staff provides management and oversight to ensure compliance with all regulatory requirements for Federal funding awarded to Montgomery County by the U.S. Department of Housing and Urban Development (HUD) for the Community Development Block Grant, the HOME Investment Partnership Grant, and the Emergency Solutions Grant programs. Funds from these programs support both operating activities and capital projects. Activities funded may include property acquisition, new construction, housing rehabilitation, commercial area revitalization, and handicapped accessibility improvements. Staff administers contracts with the cities of Rockville and Takoma Park, as well as nonprofit organizations awarded funding to provide a variety of public services involving assistance to persons with low incomes.

Housing Code Enforcement

This program enforces Chapter 26 of the County Code, *Housing Maintenance*, by inspecting rental condominiums, multi-family apartments, and single-family housing to ensure safe and sanitary conditions; Chapter 48, *Solid Wastes*; and Chapter 58, *Weeds*, the County's residential weeds and rubbish codes. Approximately 80 percent of the single-family inspections result from tenant and/or neighbor complaints; other inspections are the result of concentrated code enforcement efforts in specific areas. The multi-family inspections are based on a requirement for triennial inspections and in response to tenant and/or neighbor complaints. This program is supported by the collection of single-family and apartment/condominium licensing fees.

☀ Landlord-Tenant Mediation

The Office of Landlord-Tenant Affairs (OLTA) is charged with informing the public of the general rights and responsibilities of tenants and landlords and helping resolve disputes amicably, free of charge, without having to go through the District Court process. Landlord-Tenant enforces Chapter 29, Landlord-Tenant Relations of the Montgomery County Code, along with parts of Title 8, Landlord-Tenant of the Real Property Article, Annotated Code of Maryland, the State of Maryland Landlord-Tenant law.

This program ensures fair and equitable relations between landlords and tenants and encourages the maintenance and improvement of housing. Activities including mediating and arbitrating disputes; providing information and technical assistance to all parties; and taking legal action as necessary, including referring unresolved complaints to the Montgomery County Commission on Landlord-

Tenant Affairs.

☼ Multi-Family Housing Programs

This program creates, preserves, and rehabilitates affordable multi-family housing units. This section provides funding to supplement rents through rental agreements, negotiates Payments In Lieu of Taxes (PILOTS), reviews and approves rental building sales through the Right of First Refusal (ROFR) program, and negotiates and completes loans to create or preserve affordable units. Loans are made to the Housing Opportunities Commission (HOC), nonprofit organizations, property owners, and for-profit developers.

Major funding for these projects is provided from the Montgomery Housing Initiative Fund and other County Funds, the Federal HOME Grant, the Federal Community Development Block Grant, and State grants. The program emphasizes the leveraging of County funds with other public and private funds in undertaking these activities.

Assumptions:

1. Approximately \$63 million, including \$56.2 million in new funding, will be allocated in this fund to support the acquisition and preservation of affordable housing units, renovation of distressed housing, creation of housing units for special needs residents and mixed-income housing, first-time homeowner downpayment assistance, rental assistance, and a variety of services for permanent supportive housing and community development.
2. A total of \$113.2 million will be funded through the FY25-30 CIP Budget in support of affordable housing, including \$97 million for the Affordable Housing Acquisition and Preservation CIP Project# 760100, \$15 million for the Nonprofit Preservation Fund CIP Project# 762301, and \$1.23 million to create a new revolving loan program for the Revitalization of Troubled and Distressed Common Ownership Communities CIP Project# 762504.
3. A supplemental Request totaling \$19.999 million in loan repayments for the Nonprofit Preservation Fund CIP Project#762301 was introduced by the Council on February 27, 2024.
4. Montgomery County Council Resolution #15-110 provides for an allocation from the General Fund to the Montgomery Housing Initiative fund (MHI) of the equivalent to 2.5% of actual General Fund property taxes from two years prior to the upcoming fiscal year for the purpose of maintaining and expanding the supply of affordable housing. However, the actual transfer from the General Fund will be determined each year based on the availability of resources.

Notes:

1. These projections are based on the County Council's Approved budget and include the revenue and resource assumptions of that budget. The projected future expenditures, revenues, and fund balances may vary based on changes not assumed here to fee or tax rates, usage, inflation, future labor agreements, and other factors not assumed here.
2. Operating budget includes personnel costs, contracts for homeownership education, and miscellaneous expenses for consultants, technology upgrades and loan asset monitoring.

Permitting Services

APPROVED FY25 BUDGET

\$45,659,555

FULL TIME EQUIVALENTS

252.03

 RABBIAH SABBAKHAN, DIRECTOR

MISSION STATEMENT

The Department of Permitting Services' (DPS) primary mission is to ensure the health, safety, sustainability and economic vitality of residents, businesses, communities and the built environment in Montgomery County. This is accomplished by accurate, consistent and timely review and issuance of submittal documents and permits and extensive outreach. DPS conducts prompt and thorough inspections for residential, commercial, land development, zoning and code compliance and responds to service requests and emergencies.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Permitting Services is \$45,659,555, an increase of \$3,996,659 or 9.59 percent from the FY24 Approved Budget of \$41,662,896. Personnel Costs comprise 80.64 percent of the budget for 244 full-time position(s) and no part-time position(s), and a total of 252.03 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 19.36 percent of the FY25 budget.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **A Growing Economy**
-  **A Greener County**
-  **Easier Commutes**
-  **Effective, Sustainable Government**

INITIATIVES

-  Two new positions will be responsible for developing data analytics, customer and internal facing tools, and assisting with code development. This requires in-depth knowledge and understanding of how the energy code, green code, and general DPS functions interact with the Climate Action Plan.

-
- ★ Plan review staff will absorb responsibility for reviewing plans related to Streetlights, Signs and Markings and Mobile Cranes, historically reviewed by MCDOT. This change is in line with the "One Stop Shop" model and will eliminate conflicts with review comments and result in faster permit issuance. One reviewer will be responsible for the entire public right-of-way construction plan set.
 - ★ The Department of Permitting Services is working with the Department of Health and Human Services to streamline the restaurant plan review process. Two new Environmental Health Inspector positions, to be funded in the Permitting Fund, will be added to ensure timely completion of plan reviews and provide education and assistance through outreach to local restaurants.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ Adoption of 2021 IBC, IECC, IEBC, IgCC, 2020 NEC and 2021 NFPA Codes (Building, Energy, Existing Building, Green Building, Electrical & Fire Codes), 2021 International Residential Code (IRC) and the 2020 National Electric Code (NEC).
- ★ Upgrade electronics plans submission system to improve system reliability, scalability, collaboration, security, and performance.
- ★ Adopted and implemented the Compliance Engine application to better protect county residents and businesses with enhanced, proactive fire prevention related to maintenance and testing compliance of fire protection systems in buildings.
- ★ Permitting Services' Podcast is an archive of topics featured on social media platforms that include news releases that raise awareness, feature subject-matter experts, and discuss a variety of topics that promote innovation and outreach within the community.
- ★ Reinstated the Residential Fast Track program with the goal of significantly shortening the issuance time (1 day) for small residential projects.

PROGRAM CONTACTS

Contact Barbara Suter of the Department of Permitting Services at 240.777.6244 or Justine Jones of the Office of Management and Budget at 240.777.2627 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

The department combines department and applicant time components when measuring "total time to issue a permit." These times may be impacted by satisfaction of related preconditions such as sediment control submissions, approvals, and outside agency approvals.

PROGRAM DESCRIPTIONS

★ Administration Central Services Unit

The Administration program provides policy development and leadership for all programs within the Department.

The administrative staff are specialists responsible for a full range of administrative, financial, and budgetary tasks, including daily operations, revenue collection (fees and development taxes and charges), reporting and management, automation, human resources, fleet management, training, safety, quality assurance, legislative coordination, space management, historic files maintenance, and management services.

Information Technology

DPS' Office of Information Technology (DPS-IT) leverages technology to deliver better services to the department that enables staff and the public to access their resources at their convenience anywhere at any time. The IT unit's mission is to provide a robust and secure IT infrastructure to support mission-critical applications, mobile computing, and desktop support employing industry best practices. The IT unit has embarked on an IT modernization project to enhance multimedia improvement by enabling Microsoft Teams telephony and conference rooms. The IT unit will incorporate teamwork and technology enhancement with TEBS to access their services and provide IT services to help DPS achieve its mission. IT services will include, but will not be limited to, IT desktop and server support, land use, and cloud application.

Commercial Building Construction

The Commercial Construction program is responsible for ensuring public safety through the effective application of commercial building, structural, electrical, mechanical, fire-safety, accessibility, and sustainability construction codes and standards. As the "First Preventers," this is accomplished through plan review and construction site inspections to facilitate compliance with approved plans and regulations. This program processes applications for and issues building, mechanical, fire protection, and electrical permits. The program also handles construction complaints during natural and other disasters and assists in disaster recovery.

☀ Customer Support & Outreach

The Customer Support and Outreach Division is responsible for all administration and issuance of building, land development, and zoning-related permits, applications and licenses, information requests, pre-design consultations, and other specialty services. This Division was formed to provide a multi-prong approach to enhance the methods in which our services are delivered and to provide enhanced communication for our clients. This heightened focus on service will include empowerment of staff to act as facilitators rather than regulators.

Residential Construction & Fire Code Compliance

The Residential Construction staff is responsible for ensuring public safety through the effective application of residential building, structural, electrical, mechanical, and energy conservation codes. This is accomplished through technical plan review and inspection processes.

The Fire Code Compliance staff is responsible for ensuring compliance with adopted National Fire Codes and Standards, the Montgomery County Fire Code, and the Maryland State Fire Prevention Codes in existing buildings. This is accomplished through reviews and preventive inspection processes for businesses, schools, multi-family buildings, healthcare facilities, places of worship, and all other commercial buildings or occupancies.

The Division staff respond to and investigate code violations and aid in recovery during disasters and other incidents.

☀ Zoning and Code Compliance

The Zoning and Code Compliance Division protects the quality of life, public health, safety, and welfare of Montgomery County. This is accomplished through the effective application and enforcement of the Montgomery County Zoning Ordinance development and use standards; Maryland-National Capital Park and Planning Commission certified site plan requirements; and ensure compliance of M-NCPPC certified site plan projects. Division Permit Specialists perform zoning reviews of plan applications prior to permit issuance, monitor applicant adherence to M-NCPPC certified site plans and provide direct staff support to the Sign Review Board, M-NCPPC Development Review Committee, Predesign Consultation Services and the Tower Committee - Transmission Facilities Coordination Group. Division Field Staff inspect for compliance with M-NCPPC certified site plan projects, and Conditional Uses/Special Exceptions. Moreover, ensure zoning ordinance compliance through scheduled inspections, investigations of constituent complaints and when necessary, issue civil citations, and enforce the orders issued by the Hearing Examiner, Board of Appeals, District Court, Circuit Court, and Maryland Court of Special Appeals.

 JON I. MONGER, DIRECTOR

MISSION STATEMENT

The mission of the Department of Environmental Protection (DEP) is to enhance the quality of life in our community by protecting and improving Montgomery County's air, water, and land in a sustainable, innovative, inclusive, and industry-leading way while fostering smart growth, a thriving more sustainable economy, and healthy communities.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Department of Environmental Protection is \$45,693,162, an increase of \$2,679,340 or 6.23 percent from the FY24 Approved Budget of \$43,013,822. Personnel Costs comprise 35.88 percent of the budget for 129 full-time position(s) and one part-time position(s), and a total of 132.69 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 64.12 percent of the FY25 budget.

The debt service for the Water Quality Protection Fund is appropriated in the Debt Service Fund and is, therefore, not displayed in this section. To pay for the debt service, a transfer of funds from the Water Quality Protection Fund to the Debt Service Fund of \$10,388,020 for Water Quality Protection bonds is required in FY25.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **A Greener County**
-  **Effective, Sustainable Government**

INITIATIVES

-  Increase funding for Clean Water Montgomery grants (previously Watershed Grants), which earn credit toward the County's Municipal Separate Storm Sewer System (MS4) permit on private property.
-  Create new positions for inspections and maintenance of stormwater management facilities throughout the County, including for environmental site designs, above ground structures, and tree plantings.

-
- ★ Add funds to implement a ban on the sale and use of gas-powered leaf blowers, including outreach to affected retailers and lawn care companies, and to fund an electric leaf blower rebate program.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

- ★ The Energy, Climate, and Compliance Division developed and issued Executive Regulations to implement the BEPS Law, a cornerstone County climate policy. DEP also onboarded new BEPS staff and is expanding the software platform to manage benchmarking data to accommodate the expanded scope of the Law.
- ★ Expand the Charge Montgomery program plan for the expansion of electric vehicle (EV) charging infrastructure across Montgomery County. This program helps the County educate and engage with the public on EV charging, including a survey and GIS map to visualize current and future charging station locations relative to points of interest and equity census tracts.
- ★ Through its Montgomery Energy Connection program, DEP launched Electrify MC pilot program, a residential electrification help desk and direct incentives to encourage residents to switch from fossil fuels to efficient electric options in their home, in advance of the incentives that will be available through the Inflation Reduction Act.
- ★ The DEP Communications and Public Engagement team led and participated in more than 80 community events to inform and educate the public about DEP practices and ways the public can help address climate change and reduce, reuse, and recycle more. In order to meet the needs of the entire County, the department held events in and with frontline communities that are traditionally underserved.

PROGRAM CONTACTS

Contact Vicky Wan of the Department of Environmental Protection at 240.777.7722 or Richard H. Harris of the Office of Management and Budget at 240.777.2795 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Administration

The Office of the Deputy Director provides for overall management of departmental programs to ensure safe and efficient operations, including contract administration management for the department, continuity of operations, oversight of operational programs at the County's Integrated Solid Waste Management System (ISWMS), and communications and public engagement.

The Office provides strategic direction and support on IT systems and infrastructure for departmental operations and programs, oversees the human resources, contract management, and communication and engagement activities. The Office provides for management of partnerships with multiple County departments with which the department cooperates, including Permitting Services, Transportation, and General Services, as well as external groups including faith-based institutions, the Maryland National

Capital Park and Planning Commission, and the Washington Suburban Sanitary.

The Office is responsible for operating and capital budget development, revenue generation from the Water Quality Protection Charge and Solid Waste Fees, and overall financial management. DEP's programs and operations are funded through the General Fund, the Water Quality Protection Fund and the Solid Waste Enterprise Funds.

The work includes the following focus areas:

- Maintain all funds in a financially prudent manner and maintain structural stability given the responsibilities and risks associated with all programs and operations.
- Develop and evaluate capital and operating budgets in a strategic and economically responsible manner.
- Perform detailed financial analysis during the annual rate calculation process for a more equitable rate structure, structural stability, budget flexibility, and financial risk mitigation.
- Review and develop policies and procedures that strengthen internal controls.
- Collaborate with organization stakeholders using metrics that assess the strategic health of the business, the alignment of programs with the business strategy, and the balance of the program relative to business needs.
- Use quantitative and financial models and forecasting tools to analyze the fiscal impact of proposed strategic changes. Assist with execution of procurement actions on a timely basis and at the best possible value.
- Facilitate funding for the maintenance of computer/automation equipment, and related technologies in a cost-effective and efficient manner.
- The DEP Communications team is responsible for increasing media hits, growing an audience on social media, improving the DEP web experience, and reaching new and diverse audiences through public engagement.

Energy, Climate and Compliance

The Energy, Climate, and Compliance Division develops and implements policies and programs focused on reducing greenhouse gas emissions and enhancing the resilience of the County in the face of a changing climate, and enforces County laws and regulations related to air and water pollution, illegal dumping, noise control, and other environmental laws. The Division engages with, and provides programs for, residential and commercial properties related to energy efficiency and the use of renewable energy, including the Benchmarking Law and Building Energy Performance Standards; engages with County residents through

Montgomery Energy Connection to provide customized education on the benefits of energy efficiency, availability of energy-related programs, and opportunities for energy assistance; promotes the adoption of electric and other low-emission vehicles; advocates for energy policies at the State and Federal level that support the County's climate goals; and works to ensure that the needs of underserved communities that will feel the impacts of climate change more acutely are considered in all aspects of the Division's work. In addition, the Division works with other County departments and agencies, community-based organizations, and others to increase their capacity to develop and implement climate solutions as part of their operations.

Watershed Restoration

The Watershed Restoration Division leads the County's efforts to improve stream health and water quality through the targeted planning, design, construction, inspection, and maintenance of best management practices (BMP) built to manage stormwater runoff. The Watershed Restoration Division supports watershed-based monitoring and reporting to achieve County stream protection goals (Montgomery County Code Chapter 19, Article IV) and comply with the Federal Clean Water Act NPDES Municipal Separate Storm Sewer System (MS4) permit. Staff conduct baseline stream monitoring, storm drain discharge monitoring, and public outreach activities that increase awareness and promote citizen involvement in stream stewardship. The program also assesses land development impacts on water resources and the effectiveness of BMPs that mitigate those impacts within the County's designated "Special Protection Areas." The Division implements programs to extend stewardship and BMPs beyond streams and facilities by targeting private property owners. These programs include Tree Montgomery (Chapter 55, Article 3), RainScapes, and pet waste. The Division oversees the carry out bag tax program, which helps address issues with litter in streams.

The Watershed Restoration Division successfully implements these programs through extensive partnerships with the Maryland Department of Natural Resources; Maryland Department of the Environment; Maryland Department of Agriculture; Montgomery County Public Schools; Montgomery County Departments of Transportation and General Services; Maryland-National Capital Park and Planning Commission; the Towns of Chevy Chase, Kensington, Somerset and Poolesville; the Villages of Chevy Chase and Friendship Heights; watershed organizations; homeowner associations; businesses; and private property owners. The long-term goal is to protect and improve water resources for Montgomery County residents and the Chesapeake

Bay.

Revenue for this program is generated by the Water Quality Protection Charge, applied to all residential and non-residential properties except for those owned by the State and County government and those in the cities of Gaithersburg, Rockville, and Takoma Park. Revenue from the carry out bag tax is also provided to support these programs.

 JON I. MONGER, DIRECTOR

MISSION STATEMENT

The mission of the Department of Environmental Protection (DEP) is to enhance the quality of life in our community by protecting and improving Montgomery County's air, water, and land in a sustainable, innovative, inclusive, and industry-leading way while fostering smart growth, a thriving more sustainable economy, and healthy communities.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Recycling and Resource Management is \$154,860,183, an increase of \$12,209,190 or 8.56 percent from the FY24 Approved Budget of \$142,650,993. Personnel Costs comprise 10.38 percent of the budget for 76 full-time position(s) and one part-time position(s), and a total of 117.90 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 89.62 percent of the FY25 budget.

In addition, this department's Capital Improvements Program (CIP) requires current revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **A Greener County**
-  **Effective, Sustainable Government**

INITIATIVES

-  Add new funds and a position to implement zero waste initiatives that divert material from the traditional waste stream, like food scraps collection and processing and expanding the type of materials that can be recycled.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-
- ★ Added a low-speed, high-torque shredder to reduce the size of yard trim material at the yard trim facility. While the average throughput per hour is lower than the high-speed, horizontal grinders, this unit has significantly more uptime and burns about 60% less fuel. The Material Management Section is focused on selecting capital equipment to increase operating efficiency and reduce operating and maintenance costs at both the grinding operation and the compost facility.
 - ★ Implemented the Tire Tracking Application that allows staff to quickly gather and store necessary customer information along with the number of tires dropped off so that when that customer returns, their license is scanned and their record quickly appears, reducing the process time significantly. Previously, contractors at the transfer station would manually write down customer vehicle registration numbers and the amount of tires they dropped off in a ledger. Residents can drop off up to five tires a year.
 - ★ Added unattended vehicle processing at the recycling scale house that does not require an employee to process. Custom built transaction kiosks were installed so that drivers can now process themselves in less than 20 seconds without a scale attendant being present. Lift gates were also installed that will raise automatically when the transaction is complete.

PROGRAM CONTACTS

Contact Vicky Wan of the Recycling and Resource Management at 240.777.7722 or Richard H. Harris of the Office of Management and Budget at 240.777.2795 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

★ Administration and Support

The Office of the Deputy Director provides for overall management of departmental programs to ensure safe and efficient operations, including contract administration management for the department, continuity of operations, oversight of operational programs for the County's Integrated Solid Waste Management System (ISWMS), and communications and public engagement.

The Office provides strategic direction and support on IT systems and infrastructure for departmental operations and programs, and oversees the human resources, contract management, and communication and engagement activities. The Office provides for management of partnerships with multiple County departments with which the department cooperates, including the Departments of Permitting Services, Transportation, and General Services, as well as external groups including faith-based institutions, the Maryland-National Capital Park and Planning Commission, and the WSSC Water.

The Office is responsible for operating and capital budget development, revenue generation from the Water Quality Protection Charge and Solid Waste Fees, and overall financial management. DEP's programs and operations are funded through the General Fund, the Water Quality Protection Fund, and the Solid Waste Enterprise Funds.

The work includes the following focus areas:

- Maintain all funds in a financially prudent manner and maintain structural stability given the responsibilities and risks associated with all programs and operations.
- Develop and evaluate capital and operating budgets in a strategic and economically responsible manner.
- Perform detailed financial analysis during the annual rate calculation process for a more equitable rate structure, structural stability, budget flexibility, and financial risk mitigation.
- Review and develop policies and procedures that strengthen internal controls.
- Collaborate with organization stakeholders using metrics that assess the strategic health of the business, the alignment of programs with the business strategy, and the balance of the program relative to business needs.
- Use quantitative and financial models and forecasting tools to analyze the fiscal impact of proposed strategic changes. Assist with execution of procurement actions on a timely basis and at the best possible value.
- Facilitate funding for the maintenance of computer/automation equipment, and related technologies in a cost-effective and efficient manner.

The DEP Communications team is responsible for increasing media hits, growing the department's social media audience, improving the DEP web experience, and reaching new and diverse audiences through public engagement.

The Department of Housing and Community Affairs provides staff to respond to resident complaints dealing with: storage and removal of solid waste; illegal solid waste dumping activities in the County; storage of unregistered vehicles on private property throughout the County; storage of inoperable vehicles on private property; improper screening of dumpsters, particularly those in shopping areas; and control and regulation of weeds throughout the County.

The "Clean or Lien" program provides for the removal of dangerous or unsightly trash, perimeter grass, and weeds on properties which the owners have failed to maintain as required.

This program provides for the operation of the Montgomery County Resource Recovery Facility (RRF). The RRF serves as the primary disposal facility for non-recycled waste generated in the County. Renewable energy in the form of electricity is generated and sold into the competitive energy market. This program also includes costs for related operations at the Transfer Station and for the transportation of waste from the Transfer Station to the RRF. Also, it provides for the operation of the receiving, processing, and shipping facility for municipal solid waste generated within the County.

In addition, the program provides for the rail shipment of ash residue from the RRF to Fulton Rail Yard near Richmond, Virginia, where it is unloaded and transported by truck to the Old Dominion Landfill, a contracted landfill where the ash is processed for further metals removal and recycling. Ash is beneficially reused as alternate daily cover and road base within the lined areas of the Old Dominion Landfill. This program also provides for the shipment of non-processible waste, such as construction material and, if necessary, bypass waste, from the Transfer Station to either recycling facilities, rubble landfills, or other contracted landfills. It provides for the operation of a satellite drop-off site at the Poolesville Highway Services Depot and funds the proper disposal of household hazardous waste such as flammable products, insecticides, mercury, and reactive and corrosive chemicals. The materials are handled through the County's hazardous waste contractor and permitted hazardous waste management facilities.

The program maintains the closed Oaks Landfill in an environmentally sound and cost-effective manner in accordance with applicable State and Federal regulations. Mandated duties under this program include managing landfill gas through collection and flaring, and maintaining leachate storage and pre-treatment facilities. This program also provides for the acceptance and treatment of waste generated by the cleanout of stormwater oil/grit separators. Finally, the program maintains the closed Gude Landfill, including monitoring of air and water quality around the landfill and the post-closure passive amenities that will benefit the community.

☀ Materials and Collection

This program provides for collection of refuse from single family residences in the southern parts of the County (Subdistrict A) and the funds to secure, administer, monitor, and enforce contracts with private collectors for collection of residential recyclables for the entire County. It also responds to residents' service needs.

In addition, the program enforces the County's recycling regulations as they apply to single-family residences and other waste generators, and the enforcement of requirements outlined in Chapter 48 of the County Code. It also supports solid waste program goals and ensures the success of recycling initiatives and progress to achieve the County's recycling goals. Also, the program provides for mandatory recycling and waste reduction for multi-family properties, for all businesses, and for broadly educating everyone living, visiting, and working in the County. Program efforts include technical support, assistance, education, outreach, and training.

It provides for the separation, processing, and marketing of recyclable materials at the Materials Recovery Facility (MRF, aka the Recycling Center). The MRF receives recyclable material collected under the County curbside collection program from all single-family residences as well as some materials from municipalities, multi-family properties, and non-residential properties that have established recycling programs. The materials are then sorted, baled, and shipped to markets for recycling. The program also provides for the processing, baling, and shipping of the County's residential and some non-residential mixed paper and corrugated paper (cardboard).

The processing, transporting, composting, and marketing of yard trim received by the County is also included in this program, including leaves received from the County's Leaf Vacuuming program. Processing includes grinding brush to produce mulch at the Transfer Station and composting of all leaves and grass, sold wholesale as Leafgro in bulk and bagged forms.

The program promotes recycling of food scraps as part of the County's overall effort to increase recycling and to reduce the amount of food waste within the County. The program includes initiatives to recycle food scraps and other acceptable organic materials generated by the single-family residential, multi-family residential, and commercial sectors, through composting and/or other technologies.

 KATHIE DURBIN, DIRECTOR

MISSION STATEMENT

The mission of Alcohol Beverage Services (ABS) is to provide licensing, wholesale and retail sales of beverage alcohol products, enforcement, and effective education and training programs, while promoting moderation and responsible behavior in all phases of distribution and consumption. The Department diligently promotes, enforces, and obeys all laws and regulations governing beverage alcohol while generating revenue for the benefit of Montgomery County's General Fund. The Department strives to provide its customers with the added benefits inherent in the oversight provided by Montgomery County Government.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Alcohol Beverage Services is \$74,604,653, an increase of \$3,865,076 or 5.46 percent from the FY24 Approved Budget of \$70,739,577. Personnel Costs comprise 62.98 percent of the budget for 347 full-time position(s) and 121 part-time position(s), and a total of 432.30 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 37.02 percent of the FY25 budget.

In FY25, Alcohol Beverage Services will transfer \$31.3 million to the General Fund and make \$8.6 million in debt service payments on Liquor Control Revenue Bonds for a total contribution of \$39.9 million. The above projections and proposed expenditures form the basis for working capital decisions concerning the ABS Enterprise Fund.

The following information is provided to facilitate County Council and public input for final County Executive decisions on the determination of adequate working capital within, and use of resources in, the Liquor Enterprise Fund and net proceeds to be deposited to the General Fund.

Consistent with Article 2B, Section 15-207, the County Executive must make resource allocation decisions for the Fund. In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

 **A Growing Economy**

 **A Greener County**

 **Safe Neighborhoods**

 **Effective, Sustainable Government**

INITIATIVES

-  A Zero-Carbon Emissions transition plan will calculate the impact of electrification, route analysis, and identify the most efficient strategy to simultaneously reduce the department's carbon footprint and purchase the most cost-effective vehicles.

INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

-  ABS updated all store point of sale register systems to remove technology barriers and enable ABS to expand its potential by adding services such as curbside pickup, buy online, pick up in store, and queue line checkout.
-  ABS leveraged its direct import capacity to become the exclusive Mid-Atlantic seller of the distinctive Domaine de Galuval wines from the Rhine Valley.

PROGRAM CONTACTS

Contact Courtney Orsini of the Alcohol Beverage Services at 240.777.1921 or Abdul Rauf of the Office of Management and Budget at 240.777.2766 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

Administration

The Administration Program provides comprehensive leadership for the department including strategic planning, policy development and implementation, accountability, maintenance of partnerships with non-governmental service providers, and human resource management. This program also provides all accounting, financial, procurement, and information technology services for the department. Finance and accounting staff perform special analyses, reporting, and preparation and monitoring of the department's budget, as well as oversight of procurement, and contract management. Information and technology staff provide the design, operation, maintenance, and protection of all information technology initiatives for the department.

Cable Television Communications Plan

APPROVED FY25 BUDGET	FULL TIME EQUIVALENTS
\$6,556,970	0.00

GAIL M. ROPER, CHIEF INFORMATION OFFICER/DIRECTOR

MISSION STATEMENT

The Cable Television Communication Plan is a special revenue fund. Revenue is provided by cable franchise agreements and fees from the Transmission Facility Coordinating Group. Funding is passed through for: the operation of the Office of Broadband Program's (OBP); FiberNet programs; Community Technology; Community Engagement; Digital Equity; Public, Educational, and Government (PEG) programming by the Office of Public Information (PIO); the Montgomery County Council; the Maryland-National Capital Park and Planning Commission (M-NCPPC); Montgomery College; Montgomery County Public Schools (MCPS); Montgomery Community Media; PEG equipment; and municipal franchises administered by the County.

The mission of the Cable Television Communications Plan is to provide effective management of the Fund; the County's cable franchise agreement; quality PEG programming; broadband governance; planning, execution, and operation of FiberNet; the County's communications network; and effective management of the deployment of wireless facilities throughout Montgomery County. Additional funding for OBP is provided and described in the Department of Technology and Enterprise Business Solutions' (TEBS) budget. Digital Equity initiatives are supported by the TEBS and Cable Fund budgets.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Office of Broadband Programs is \$6,556,970, a decrease of \$7,505,043 or 53.37 percent from the FY24 Approved Budget of \$14,062,013. Personnel Costs comprise 0.00 percent of the budget for no full-time position(s) and no part-time position(s), and a total of 0.00 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 100.00 percent of the FY25 budget.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

- Thriving Youth and Families**
- A Growing Economy**

- ◆ A Greener County
- ◆ Easier Commutes
- ◆ Effective, Sustainable Government

INITIATIVES

- ★ Simplify and streamline the Cable Fund by shifting funding for programs out of the Cable Fund and onto the General Fund to refocus on core Public, Education, and Government (PEG) functions and reduce complexity.
- ★ Develop a strategic innovation plan in partnership with Connect Montgomery Alliance (CoMo) to create a new Connect Montgomery Network focused on serving the information needs of the County's diverse residents.

PROGRAM CONTACTS

Contact Leny Bautista of the Department of Technology and Enterprise Business Solutions at 240.777.2865 or Seamus McNamara of the Office of Management and Budget at 240.777.2755 for more information regarding this department's operating budget.

PROGRAM PERFORMANCE MEASURES

Performance measures for this department are included below (where applicable), with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY24 estimates reflect funding based on the FY24 Approved Budget. The FY25 and FY26 figures are performance targets based on the FY25 Approved Budget and funding for comparable service levels in FY26.

PROGRAM DESCRIPTIONS

☀ Connect Montgomery Alliance

The Montgomery County Public, Education, and Government (PEG) Governance Board facilitates collaboration among the local PEG stations to promote meaningful and relevant PEG programming and media services to the Montgomery County community using current and emerging technologies. The PEG Governance Board (PGB) collaboratively works to expand community engagement, Spanish language programming, and access to digital media content featuring County residents, organizations, and institutions. The budget for PEG includes funds for the purchase of equipment, promotion, and outreach support to increase channel awareness and viewership, and strategic planning.

Media - Montgomery College

Montgomery College Television creates videos for Montgomery College educational cable channels, website, and social media. Funds are used for staff, equipment, operating expenses, and training student interns using hands on, real-life production techniques and facilities. Videos educate, inform, and support student success (i.e. closing the achievement gap, dual enrollment, retention, completion, transfer, and academic excellence). MCTV produces videos in Spanish, Amharic, Vietnamese, French, and Korean, and provides outreach to targeted underserved populations, engaging first-generation college students, non-native English speakers, immigrants, veterans, single parents, and those who are food insecure. Videos explore careers, economic development, and workforce preparedness. Additional funds are provided through the Montgomery College operating budget.

Hours of Montgomery College student-assisted original programming ²	94	106	150	180	215

¹ In FY21, original first-run and student-assisted programming declined due to reduction of in-person events (including sports), and faculty and students not having access to facilities. Also, short-form programming took priority over long-form. However, we were able to acquire more programming than we normally would outside of the pandemic.

² In FY21, student-assisted hours of original programs declined due to both the pandemic's impact on in-person events, as well as the need for short-form promos and PSAs.

Media - Montgomery County Public Schools

Montgomery County Public Schools Television (MCPS-TV) is a full-service television and multimedia facility that produces TV programs for students, staff, parents, and the general community produced in multiple languages to reach the district's growing multicultural community. MCPS-TV regular programming includes live Board of Education meetings, live webstreaming events from schools, new curriculum training and staff development, live call-in and interactive programs on topical issues, student-produced in class programs, technology training, and televised instruction in a variety of academic content areas.

Montgomery Community Media

Montgomery County supports community media and digital equity training through a contract with Montgomery Community Television, doing business as Montgomery Community Media (MCM). MCM operates two community media cable television channels, provides media technology training to County residents and community organizations, and produces independent, diverse, and informative cable programming for County residents. MCM's mission is to provide media, television production, technology training that empowers residents and organizations and provides them with the opportunity to interact, engage, and influence the County government and the community by using the powerful media of television and the Internet.

Municipal Support

Cable operator franchise fees and PEG support obligations to participating municipalities within Montgomery County are paid by cable operators to the County for administrative efficiency and auditing effectiveness and then redistributed by the County to the City of Rockville, the City of Takoma Park, and the Montgomery County Chapter of the Maryland Municipal League (MML). The County has a contractual obligation to pass through fees owed to municipalities and no discretion to alter these payments. Municipalities may use franchise fees for any purpose. Under the terms of the franchise agreements, participating municipalities must use PEG Access Operating Support funding to support PEG programming operations, and PEG capital support must be used for PEG and institutional network equipment, facilities, and related capital expenditures.

Non-Departmental Accounts

APPROVED FY25 BUDGET

\$342,263,066

FULL TIME EQUIVALENTS

52.06

MISSION STATEMENT

Non-Departmental Accounts (NDAs) contain expenditure items essential to the operation of the County government which do not fall within the functional assignment of any department or agency, or which provide for expenditures related to more than one department or agency. In FY25, 50 NDAs are funded. The name of the Climate Response NDA has been changed to Weather Response NDA. One new NDA is established: BioHub Maryland at Montgomery County.

BUDGET OVERVIEW

The total approved FY25 Operating Budget for the Non-Departmental Accounts is \$342,263,067, a decrease of \$7,841,185 or 2.24 percent from the FY24 Approved Budget of \$350,104,252. Personnel Costs comprise 2.91 percent of the budget for 26 full-time position(s) and no part-time position(s), and a total of 52.06 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 97.09 percent of the FY25 budget.

PROGRAM CONTACTS

Contact Eva Acevedo of the Office of Management and Budget at 240.777.2763 for more information regarding the operating budget for the Non-Departmental Accounts.

PROGRAM DESCRIPTIONS

Arts and Humanities Council

This NDA provides funding for the Arts and Humanities Council of Montgomery County (AHCMC), the County's designated local arts agency. Taxpayer support of the AHCMC includes general operating grants to arts and humanities organizations; program grants to arts and humanities organizations not receiving general operating support; project grants to individuals, scholars, groups, or small organizations; technical assistance and other support services for individuals and other organizations in the County; matching funds for awardees designated to match private donations; and operating expenses for AHCMC. The County's contribution is implemented by a contract between the Department of Recreation and AHCMC.

Since 1976, AHCMC has been the County's designated local arts agency. The AHCMC, in partnership with the community, cultivates and supports excellence in the arts and humanities, expands access to cultural expression, and contributes to economic

vitality in the region. AHCMC provides leadership that sustains arts and humanities organizations, artists and scholars, and inspires participation in our County's cultural assets. Through its programs and services, AHCMC provides the infrastructure and support necessary to maintain a robust creative community that includes over 500 cultural organizations and 2,000 artists and scholars. AHCMC annually distributes grants to organizations and individuals to help fund enriching cultural activities in our County (www.creativemoco.com/grants/grants-awarded). AHCMC is headquartered in Silver Spring and receives support from the Maryland State Arts Council, corporations, organizations and individuals.

Funding for maintenance of public art is allocated in the Public Arts Trust Capital Improvements Program (CIP) project.

BioHub Maryland at Montgomery County

BioHub Maryland at Montgomery County will be a state-of-the-art, multifunctional life sciences training facility, complementing existing training and education offered at Montgomery College and Universities at Shady Grove, which will use the National Institute of Bioprocessing Research and Training (NIBRT) biopharmaceutical manufacturing training and research. This training will be used to provide individuals, including veterans and members of disadvantaged communities, with the skills and knowledge they need to enter the life sciences field, to upskill the current life sciences workforce to excel further in this sector. Life sciences is the largest high-tech industry in Montgomery County. Currently, there are more vacancies than job candidates. This training will help to fill a critical need for these employers.

Children's Opportunity Alliance (COA)

Designated as Montgomery County's Early Care and Education Coordinating Entity on July 12, 2022, under Bill 42-21, the Children's Opportunity Alliance, formerly the Children's Opportunity Fund (COF), under the auspice of the Greater Washington Community Foundation (GWCF), was charged with building an equitable, high-quality, accessible, and sustainable early childhood system to support the well-being of children and families in the County. The COA is also charged with identifying and impacting systemic inequities and structurally violent practices, and structures that create access barriers for vulnerable, racially, and ethnically diverse populations. The COA's charge is supported and directed by a 21 voting member board comprised of parents/guardians, center-based providers, family childcare providers, employers, philanthropy, non-profit organizations, Montgomery College, Universities at Shady Grove, and ex officio appointees from Montgomery County Public Schools, Department of Health and Human Services, Office of Management and Budget, and County Council.

Community Grants

This NDA targets needs not directly addressed by other departmental efforts, provides a space for innovative and experimental programs, addresses critical gaps in specific communities or sectors, and provides resources to support non-profit partners that cut across County government. Community needs do not always fit neatly into a single department's mission, often have complex multifaceted root causes, and require innovative and flexible solutions. Non-profit community organizations are critical to an effective network of services and are often able to provide these services in a more cost-effective, culturally appropriate, and flexible way than County government. Community partners are also able to leverage community resources that may be unavailable to the County government.

Prior to FY21, County Executive and County Council community grants were listed in separate NDAs. During the pandemic, the County froze community grants funding as a way to provide continuity of funding to community grants recipients. During FY24, the Office of Grants Management facilitated a re-competition of all funding remaining within the Community Grants NDA with winners receiving multi-year awards. These reforms are the culmination of years of engagement between the non-profit community and County government. Re-competing programs within the Community Grants budget was an important step in reforming our grants process to be fairer, more equitable, and to address new and evolving community needs.

The continuing social and economic impacts of the COVID-19 pandemic, emergence of new non-profits providing new kinds of services or targeting new County communities, national trends in the non-profit sector that negatively impact County non-profits, and unprecedented direct non-profit funding opportunities from the Federal government require a significant investment in the County's most critical partners. To meet these challenges and opportunities, the Community Grants NDA, more than doubles the amount of previously approved funding to support the institutional capabilities of the County's non-profit partners (\$3.2 million).

Funding of \$400,000 for Place-Based Management Grants using the Main Streets USA model has been shifted into the Community Engagement Cluster base-budget.

The \$10,920,201 within the Community Grants NDA will support:

- Continuing funding for Multi-Year Community Grants Awards: \$6,508,128 will maintain second-year funding commitments for multi-year Community Grants awarded in FY24.
- Non-profit Technical Assistance and Management Support Grants: \$2 million will be available to strengthen County non-profit organizations with a prioritization of organizations based in underserved communities.
- Non-profit Incubators: \$1 million will be available to pilot sustained, innovative, accessible, and community-based developmental and shared services support for emerging non-profit organizations with the potential to serve the County's most hard-to-reach and underserved communities.
- Community Projects Fund Grants: \$1.2 million in one-time funding will be available for small, emerging, and volunteer led organizations to implement small, community focused projects, initiatives, and events with a quarterly application cycle. The budget recommends a \$200,000 increase over FY24 to mentor, train, and coach small and emerging organizations as they implement these starter grants and projects.
- Three Percent Inflationary Increase for Non-Profit Partners: The budget includes a three percent increase to all continuing grants to non-profit partners funded through the Community Grants NDA.
- The Capital Budget Cost Sharing: MCG Project (CIP#720601) also includes \$2,500,000 for Arts Facility Capital Grants and Cost Sharing Community Capital Grants. These funds will be prioritized to match State Bond Bills with the remaining

funds awarded through a competitive process.

Compensation and Employee Benefit Adjustments

This NDA contains a General Fund appropriation and a non-tax appropriation, and provides funding for certain personnel costs related to adjustments in employee and retiree benefits; pay-for-performance awards for employees in the Management Leadership Service, Police Leadership Service, and non-represented employees; deferred compensation management; and unemployment insurance.

Non-Qualified Retirement Plan: This provides funding for that portion of a retiree's benefit payment that exceeds the Internal Revenue Code's §415 limits on payments from a qualified retirement plan. Payment of these benefits from the County's Employees' Retirement System (ERS) would jeopardize the qualified nature of the County's ERS. The amount in this NDA will vary based on future changes in the Consumer Price Index (CPI) affecting benefit payments, new retirees with a non-qualified level of benefits, and changes in Federal law governing the level of qualified benefits.

Deferred Compensation Management: These costs are for management expenses required for administration of the County's Deferred Compensation program. Management expenses include legal and consulting fees, office supplies, printing and postage, and County staff support.

Management Leadership Service Performance-Based Pay Awards: In FY99, the County implemented the Management Leadership Service (MLS), which includes high-level County employees with responsibility for developing and implementing policy and managing County programs and services. The MLS was formed for a number of reasons, including improving the quality and effectiveness of service delivery through management training, performance accountability, and appropriate compensation; providing organizational flexibility to respond to organizational needs; allowing managers to seek new challenges; and developing and encouraging a government-wide perspective among the County's managers. In FY19, the County implemented the Police Leadership Service (PLS) to include lieutenants and captains in the Department of Police. MLS and PLS employees are not eligible for service increments. Performance-based awards for MLS and PLS employees are funded in FY25.

Unemployment Insurance: The County is self-insured for unemployment claims resulting from separations of service.

Unemployment insurance is managed by the Office of Human Resources through a third party administrator who advises the County and monitors claims experience.

Conference and Visitors Bureau

The Conference and Visitors Bureau (CVB) promotes Montgomery County as a destination for meetings/conferences, student group travel, group tours, leisure travel, and amateur sports events. The CVB develops and distributes publications on points of interest to tourists, implements public information campaigns promoting tourism and event facilitation in Montgomery County, and attends trade shows and sales missions in target markets. The CVB also serves as a resource center assisting small and large hospitality businesses considering new product development and/or expansions. The CVB coordinates with the Maryland Office of Tourism Development (Visit Maryland), Maryland Film Office, Capital Region USA (CRUSA), TEAM Maryland, and national and regional events to promote tourism growth, increased visitor spending, and visitation in Montgomery County. The CVB manages the tourism marketing grant provided annually by the Maryland Tourism Development Board. The CVB operates on contract with the Department of Finance. Funding is based on seven percent of the total hotel/motel tax revenues.

Conference Center

Prior to FY06, the Conference Center NDA primarily provided for pre-opening expenses. Since the Conference Center opened in November 2004, the NDA has expanded its scope to fund:

- a full-time position to manage the operational and fiscal oversight of the Conference Center complex;
- non-routine repairs, alterations, improvements, renewals, and replacements; and
- the designated reserve required by the management agreement with Marriott International, Inc.

Funding is also included to reimburse the contractor for costs not covered by operations during accounting periods when losses occur. These costs will be offset by contractor payments to the County during accounting periods with operating gains. To ensure fiscal and operational accountability, a management audit is conducted every two years and the program budget is increased by \$50,000 during the year such audit is scheduled. Revenues consisting of net operating income from the Conference Center and land rent from the hotel are deposited into the general fund. Twenty percent of the County's net proceeds from Conference Center operations is retained for investment in marketing and facility improvements to increase Conference Center usage. All proposed investment expenditures are reviewed and approved by the Conference Center Management Committee.

Early Care and Education

In March 2019, the County Executive and County Council launched the Early Care and Education Initiative, an interagency and stakeholder group with representatives from the Montgomery County Department of Health and Human Services (DHHS), Montgomery County Public Schools (MCPS), and Montgomery College to address the need for comprehensive support of quality early care and education opportunities in Montgomery County with a targeted and strategic focus on:

- Sustainability: provide new and ongoing resources to sustain partnerships and high-quality early childhood education across types of child care providers;
- Access & Affordability: provide ease of access and affordable options for families with children ages 0-5;
- Alignment: create partnerships and alignment of services for ease and access for families of young children, early educators, and the public; and
- Expansion: expand the supply and options for high quality early education programs in multiple settings.

Grants To Municipalities in Lieu Of Shares Tax

This NDA funds payments required in accordance with State law. The 1968 Session of the General Assembly revised the tax structure to include a County income tax. As part of this restructuring, the shared tax on banks and financial institutions was eliminated, and a provision was adopted which requires counties to pay annually to municipalities the amount (\$28,020) that had been received by the municipalities in FY68.

Group Insurance Retirees

Group insurance is provided to retired County employees and survivors, as well as retirees of participating outside agencies. Employees hired before January 1, 1987, are eligible upon retirement to pay 20 percent of the premium for health and life insurance for the same number of years (after retirement) that they were eligible to participate in the group insurance plan as an active employee. The County government pays the remaining 80 percent of the premium. Thereafter, these retirees pay 100 percent of the premium. Employees hired before January 1, 1987, are also offered the option at retirement to convert from the 20/80 arrangement to a lifetime cost sharing option.

Employees hired after January 1, 1987, are eligible upon retirement for a lifetime cost sharing option under which the County pays 70 percent of the premium and the retiree pays 30 percent of the premium for life for retirees who were eligible to participate in the County group insurance plan for 15 or more years as active employees. Minimum participation eligibility of five years as an active employee is necessary to be eligible for the lifetime plan. The County will pay 50 percent of the premium for retirees with five years of participation as an active employee. The County contribution to the payment of the premium increases by two percent for each additional year of participation up to the 70 percent maximum.

On March 5, 2002, the County Council approved a one-time opportunity for retirees still under the 20/80 arrangement with an expiration date to elect the lifetime cost sharing arrangement. The new percentage paid by the County for those electing this arrangement ranges from 50 percent to 68 percent, depending upon years of active eligibility under the plan and years since retirement. The cost sharing election process has been completed. The budget does not include employer contributions from participating outside agencies.

Guaranteed Income

Begun in FY22, the Guaranteed Income Non-Departmental Account will fund a three-year pilot of the Guaranteed Income program, whose purpose is to provide direct, recurring cash payments to targeted groups of people without strings attached. The goals of the program are to alleviate poverty, provide a form of financial stability, and give people the ability to make their own choices to improve their economic position. Guaranteed Income is seen as one strategy to address income and wealth inequality.

In FY25 the remaining program participants will be off-boarded and the program will be evaluated.

Homeowners' Association Road Maintenance Reimburse

This NDA provides a partial reimbursement to homeowners' associations (HOAs) for their maintenance of certain privately-owned roadways. The payment is currently restricted to through roadways, accessible to the public, which are one-quarter mile or longer and which provide vehicular access to more than four dwelling units. In FY97, an Executive Regulation was enacted allowing homeowners' associations to request that their roadways be deemed "private maintenance roads." This designation qualifies the HOAs for State reimbursement of their roadway maintenance costs. The County annually submits to the State its estimate of reimbursable miles, including those accepted as private maintenance roads. The State then reimburses the County and, subsequently, the County forwards the funds to HOAs.

☀ Leases

This NDA provides the funds necessary to lease privately owned real estate to accommodate County programs. Real property leased by the County includes office, warehouse, and retail space; childcare space in schools; parking spaces; and space for communication antennas. Leasing property allows the County the flexibility to locate programs in the communities they serve and

provides space for programs to operate when there is no County-owned space available. Further, it is an economical way to procure highly specialized, location-sensitive, and/or temporary space. For FY25, approximately 78 leased facilities are budgeted. The inventory of leases is constantly shifting as new leases are added and existing leases are terminated.

☀ Metro Washington Council of Governments

The Metropolitan Washington Council of Governments (COG) is a voluntary association of major local governments in the Washington Metropolitan Area. COG seeks to provide regional answers to, and coordination of, area-wide issues such as air and water pollution, child care, housing, crime, water supply, land use, and transportation. This NDA reflects Montgomery County's share of the organization's operation plus special COG initiatives. Additionally, the contribution supports the Cooperative Purchasing Program and the Regional Environmental Fund. As in previous years, the WSSC Water will provide Montgomery County's contribution to support the Water Resources Management Planning Program and the Blue Plains Users Program.

☀ Montgomery Coalition for Adult English Literacy

This NDA provides funding for the Montgomery Coalition for Adult English Literacy (MCAEL). MCAEL's mission is to strengthen and build adult English language learning programs and instruction to further individual and family success at work,

school, and in the community. Funding for MCAEL supports grants to community organizations for programs that provide adult English classes. Additionally, MCAEL receives operating funding to fully support the network by: providing technical assistance, coordinating new program initiatives, and developing training and networking opportunities for over 60 community organizations and instructors throughout the County. MCAEL convenes the English for Speakers of Other Languages (ESOL) community, connects with businesses and other organizations, and leverages funding to improve program quality and coordination. MCAEL also provides critical information for the community to educate and engage them about the need for and benefits of adult English classes. The County's contribution is implemented by a contract between the Department of Public Libraries and MCAEL.

Montgomery County Employee Retirement Plans

The mission of this NDA is to manage prudent investment programs for the members of the Employee Retirement Plans and their beneficiaries. Expenditures associated with this program are funded from the Employees' Retirement System (ERS), Retirement Savings Plan (RSP), and the General Fund on behalf of the Montgomery County Deferred Compensation Plan (DCP) trust funds and are, therefore, not appropriated here. This NDA manages the assets of the ERS through its investment managers in accordance with the Board's asset allocation strategy and investment guidelines. The Board also administers the investment programs for the RSP and DCP. The Board consists of 13 trustees including the Chief Labor Relations Officer, Director of Finance, and Director of Management and Budget; the County Council Executive Director; one member recommended by each employee organization; one active employee not represented by an employee organization; one retired employee; two members of the public recommended by the County Council; and two members of the general public.

Payments to Municipalities

The Montgomery County Municipal Revenue Program, authorized by Chapter 30A of the Montgomery County Code, reimburses municipalities for those public services they provide that would otherwise be provided by the County. The current reimbursement policy goes beyond State law, Section 6-305 of the Tax-Property Article, which requires the County to provide to municipalities only the Property Tax-funded portion of those costs. The County Executive negotiated a new formula with the County's municipal partners over the course of 2021. Changes to the calculation formula were adopted by the County Council on March 1, 2022, with the enactment of Expedited Bill 2-22.

Expedited Bill 2-22 established that municipalities are to be reimbursed by the County based upon the County Executive's approximation of the costs that the County would incur if it were to provide the municipalities with transportation, police, crossing guards, and park maintenance services. Specifically, as the exact payment amount for a current year cannot be determined until County books are closed, reimbursements are based on the final audited cost of performing eligible services during the fiscal period two years prior to the budget year. The amounts included in the FY25 budget for this program reflect a 100 percent implementation of the phased-in payment schedule established by the new law.

 **Police Accountability Board**

This NDA provides funding for the Police Accountability Board (PAB) and the Administrative Charging Committee (ACC) in accordance with the Maryland Police Accountability Act of 2021, and pursuant to Montgomery County Bill 49-21. The purpose of the PAB and the ACC is to review police data, and adjudicate on law enforcement officers being investigated or charged for disciplinary infractions. Funding in the NDA would accommodate the projected administrative needs of the anticipated nine PAB members and five ACC members. Administrative and operating costs incurred by those bodies include expenses for annual meetings, staffing support, salary compensation for PAB and ACC members, office supplies, printing, interpreter services, legal advice, and dependent care for board and committee members. The NDA accommodates both training costs and trial board days for board and committee members. The operations of the Police Accountability Board and the Administrative Charging Committee are independent of all Montgomery County law enforcement agencies and leadership.

Prisoner Medical Services

This NDA provides reimbursements to physicians and hospitals for medical care provided to individuals in the custody of any Montgomery County law enforcement agency, with the following exceptions:

- Offenders committed to the custody of the Department of Correction and Rehabilitation (DOCR) and receiving medical treatment paid for by the budget of that department;
- Medical treatment expenses covered by Workers' Compensation;
- Medical treatment expenses covered by personal medical insurance;
- Medical treatment expenses covered by the Federal government; and
- Medical treatment expenses covered by other appropriate and available outside resources.

The Department of Police manages this account with the assistance of the County Attorney. All bills are reviewed to determine the appropriateness of the medical expense reimbursement and to assess the responsible party for the medical expense.

Retiree Health Benefits Trust

Beginning in FY08, the County implemented a plan to set aside funds for retiree health benefits, similar to the County's 50-year-old practice of pre-funding for retiree pension benefits. Due to exponential growth in expected retiree health costs, the County had determined the cost of funding these benefits, which were being paid out as the bills came due, would become unaffordable. Setting aside money now and investing it in a Trust Fund, which is invested in a similar manner as the pension fund, is a prudent and responsible approach that will result in significant savings over the long-term.

The County's approach to address retiree health benefits funding has been to determine an amount which, if set aside on an annual basis and actively invested through a trust vehicle, will build up over time and provide sufficient funds to pay future retiree health benefits and any accrued interest on unfunded liability. This amount, known as an Actuarially Determined Contribution or "ADC", is estimated at \$70.4 million. This amount normally consists of two pieces - the annual amount the County would usually pay out for health benefits for current retirees (the pay-as-you-go amount), plus the additional amount estimated to fund retirees' future health benefits (the pre-funding portion). The pay-as-you-go amount can be reasonably projected based on known facts about current retirees, and the pre-funding portion is estimated on an actuarial basis.

The County's policy has been to pay the full amount of ADC each year. In FY11, the County Council enacted Bill 17-11 which established the Consolidated Retiree Health Benefits Trust. The Bill amended existing law and provided a funding mechanism to pay for other post employment benefits (OPEB) for employees of MCPS and MC. In FY15, the County and all other agencies implemented the Medicare Part D Employer Group Waiver Program for Medicare eligible retirees/survivors effective January 1, 2015. This has reduced retiree drug insurance costs and the County's OPEB liability. The County achieved full pre-funding in FY15, consistent with Council resolution No. 16-555. In FY24, the County General Fund fully funded the pay-as-you-go amount, funding in excess of the ADC by \$17.4 million, as the pay-as-you-go amount was determined to be in excess of the ADC, and the prefunding contributions were budgeted at \$62.3 million for the MCPS Consolidated Trust. No prefunding amount was required for Montgomery County Government or the MC Consolidated Trust.

In December 2023, the County Council passed Resolution No. 20-337, establishing an updated OPEB funding policy. The actuarial valuation used for the FY25 budget resulted in an ADC that was \$8.9 million less than the pay-as-you-go amount, and the FY25 budget assumes the utilization of this \$8.9 million for payment of a portion of the County's retiree health insurance claims.

Weather Response

This program supports the County's mission to provide an effective and efficient transportation system to ensure the safe and convenient movement of persons, bicycles and vehicles throughout the County in response to winter snow storms and severe wind/rain events. Beginning with FY25, the name for this Non-Departmental Account has changed from "Climate Response" to "Weather Response." Budgeted funds for this program support the costs for the Department of Transportation and Department of General Services when actual expenditures exceed their individual snow removal and storm cleanup budgeted amounts, which is a circumstance that occurs every year.

The snow removal and storm cleanup program is an integral part of coordinating the response to emergencies and severe weather events through the preparation, active response, and post storm/emergency cleanup. Tasks performed during these operations include snow pretreatment, roadway snow removal, sidewalk snow removal, salt application, post snow storm street sweeping, wind and rain storm debris removal, and immediate emergency repairs to damaged and unsafe infrastructure. Emergency operations often require rapid deployment of resources to clear debris/snow to ensure all transportation systems are passable for emergency first responders and the travelling public. During emergency events, this program operates the Storm Operations Center which monitors and coordinates real-time activities County-wide with Fire and Rescue, Police, Emergency Management and Homeland Security, local utility companies, and other County agencies and local jurisdictions as needed. The primary goal for the emergency response component of this program is to keep the County residents and traveling public safe, while providing reliable access to the extensive transportation network. Emergency operations under this program are funded by approximately 50 percent of the programs proposed budget. Actual annual costs associated with the emergency response activities regularly exceed the approved budget by over 900 percent; therefore, expenditures over the budgeted program amount are covered by the Weather Response Non-Departmental Account.

Utilities

APPROVED FY25 BUDGET

\$37,175,650

FULL TIME EQUIVALENTS

0.00

DAVID DISE, DIRECTOR

MISSION STATEMENT

The goals of the County Government relating to utility consumption are to manage the expanding demand for energy and to develop new energy supply sources that achieve the County's Climate Action Plan goal of zero greenhouse gas emissions by 2035.

These goals can be accomplished by:

- Using energy efficiently in County facilities;
- Developing multiple sources of green energy; and
- Transitioning the County's vehicle fleet to non-carbon fuel sources.

The Department of General Services manages the payment for over 1,500 separately metered utility accounts for County facilities, streetlights, and traffic control signalized intersections.

BUDGET OVERVIEW

The FY25 Approved budget for the tax-supported Utilities NDA is \$37,175,650, an increase of \$12,899,447 or 53.1 percent from the FY24 Approved budget of \$24,276,203. Allocation of these utilities expenditures is approximately: electricity, 66.4 percent; natural gas, 10.0 percent; and water and sewer, 7.0 percent. Resilient energy hubs and other expenses total 16.6 percent.

The FY25 Approved budget includes County government utilities expenditures for both tax and non-tax supported operations. Tax-supported utilities expenditures related to the General Fund departments are budgeted in the Utilities NDA, while utilities expenditures related to special fund departments are budgeted in those funds. Some of these special funds, such as Recreation and portions of the Department of Transportation, are tax supported. Other special funds, such as Solid Waste, are supported through user fees or charges for services, instead of through taxes.

Utilities expenditures are also found in the budgets of other County agencies: Montgomery County Public Schools (MCPS), Montgomery College, WSSC Water, and the Maryland-National Capital Park and Planning Commission (M-NCPPC). The total budget request for these outside agencies is \$90,754,126, which includes the entire bi-county area of WSSC Water.

The FY25 Approved tax supported budget for utilities, including both the General Fund NDA (\$37,175,650) and the other tax supported funds (\$4,604,165), is \$41,779,815, an increase of \$12,899,447 or 44.7 percent above the FY24 Approved utilities budget. The FY25 Approved Budget for non-tax supported utilities expenditures is \$4,010,152, an increase of \$4,038 over the FY24

Approved budget.

Increased utilities expenditures result primarily from greater consumption due to new facilities or services, facilities reopening after COVID closures, increased rates, and in some cases a more precise alignment of budgeted costs with actual prior year expenditures by utility type. Energy conservation and cost-saving measures (e.g., new building design, lighting technology, energy, and HVAC management systems) help offset increased utility consumption and higher unit costs.

Unleaded gasoline, diesel, and compressed natural gas fuels are purchased from various providers, and are budgeted in the Department of General Services, Division of Fleet Management Services and not the General Fund Utilities NDA.

The Utilities NDA also includes expenses for consultant support, energy accounting software, utility performance management data analytics, and microgrids and resiliency hubs. Microgrids and resiliency hubs provide a lower carbon supply of electricity along with resilient facilities that can provide continual service to the community during major grid outages. Montgomery County leads the region in the implementation of these resilient, clean-energy facilities, with recent projects including solar microgrids at Scotland Recreation Center, Public Safety Headquarters, Montgomery County Correctional Facility, the Brookville Maintenance Facility "Brookville Smart Bus Depot," and the Animal Services and Adoption Center. Planning projects include a solar microgrid that will power green hydrogen production to support a zero-carbon emissions transit fleet, and additional resiliency hubs to support underserved communities and provide electric vehicle charging capabilities across the County.

Additionally, the Department of General Services implements programs that maximize the efficient use of energy at County facilities by initiating operational strategies, energy-efficient equipment replacements, and advanced software management controls that minimize the County's carbon footprint.

The following is a description of utility service requirements for departments which receive tax or non-tax supported appropriations for utilities expenditures. The utilities expenditures for the non-tax supported operations are appropriated within their respective operating funds but are described in the combined utilities presentation for reader convenience.

TAX SUPPORTED

Department of General Services

The Department of General Services is responsible for managing all utilities for general County operations including all County office buildings, police stations, libraries, health and human services facilities, correctional facilities, maintenance buildings, and warehouses.

Department of Transportation

The Department of Transportation manages all County streetlights, traffic signals, traffic count stations, and flashing school signs. The utilities expenditures for these devices are budgeted here as this Department designs, installs, controls, and maintains them. In addition, minimal utility costs for the Operations Center and Highway Maintenance Depots are budgeted in the Traffic Engineering component of the General Fund NDA.

Division of Transit Services - Mass Transit

The Department of Transportation Mass Transit Facilities Fund supports all utilities associated with the Ride On transit centers and Park and Ride Lots.

Department of Recreation

The Department of Recreation funds all utility costs for its recreational facilities located throughout the County, such as swimming pools, community recreation centers, and senior centers.

NON-TAX SUPPORTED

Fleet Management Services

The Department of General Services - Fleet Management Services utility expenditures are displayed in the Special Fund Agencies - Non-Tax Supported section, to reflect that Fleet Management Services expenditures are appropriated in the budgets of other departments, and are not appropriated in Fleet Services.

The Department of General Services - Fleet Management Services Motor Pool Internal Service Fund supports all utilities associated with the vehicle maintenance garages in Rockville, Silver Spring, and Gaithersburg. Fuel for the County's fleet is also budgeted in that special fund, but these costs are not included in the utilities expenditures displayed in this section.

Parking Districts

The Parking Districts fund utility expenditures associated with the operation of all County-owned parking garages and parking lots.

Alcohol Beverage Services

Alcohol Beverage Services funds utility expenditures associated with the operation of the liquor warehouse, administrative offices, and the County operated retail liquor stores.

Department of Environmental Protection, Recycling and Resource Management

Recycling and Resource Management funds utility expenditures associated with the operation of the County's Solid Waste Management System. Utilities expenditures associated with the operation of the Oaks Sanitary Landfill maintenance building, the County's Recycling Center, the Resource Recovery Facility, and most of the Solid Waste Transfer Station are currently the responsibility of the operators. Only the site office and maintenance depot costs continue to be budgeted as an identifiable utilities expenditure in the Solid Waste Disposal Fund.

COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **A Greener County**
-  **Easier Commutes**

FY25 APPROVED BUDGET

The FY25 Approved Budget includes approximately \$246.7 million in resources identified to support Affordable Housing and other Housing-related services, including funds for community organizations that augment County services.

Department of Housing and Community Affairs

The Department of Housing and Community Affairs (DHCA), in collaboration with other County departments and agencies and non-profit partners and developers, improves housing affordability, livability and compliance with housing requirements across the full continuum of housing in the County. DHCA provides support and services to residents and businesses which include: Multi-family Housing Program to create, preserve and rehabilitate affordable housing units and provide low-income rental housing assistance; Affordable Housing Program to support first-time homebuyers, preserve affordable single-family housing units and ensure that Moderately Priced Dwelling Units (MPDUs) are provided and monitored for rental and resale control; Landlord-Tenant Mediation Program to adjudicate compliance with landlord-tenant law, assisting landlords and tenants through mediation and arbitration to understand requirements and improve their relationships; Common Ownership Community Program to support associations and homeowner members in mediating and adjudicating disputes concerning compliance with regulations and association rules, providing technical assistance to the governing bodies of homeowner/condominium; Licensing and Registration Program to issue licenses to all rental housing and register all housing units within common ownership communities to improve support and compliance efforts; Housing Code Enforcement Program to respond to complaints and to regularly inspect rental housing to meet the County's safety and sanitary requirements; and Neighborhood Revitalization Program to plan and implement housing revitalization in targeted areas and to revitalize commercial areas throughout the County to support small businesses and encourage private investment.

DHCA also receives Federal Grants (i.e., Community Development Block Grant, HOME Investment Partnership Grant, Emergency Solution Grant) annually to support housing acquisition and preservation; assist nonprofit providers in rehabilitating group homes for low income, special needs persons; provide financial and technical assistance for selected affordable neighborhoods to improve their quality of life and safety; support fair-housing activities; provide community grants to nonprofit organizations and local municipalities for housing-related activities and services; and partner with Department of Health and Human Services to assist residents with housing stabilization and relocation services to prevent

eviction and homelessness.

Affordable Housing Program

- Administer the Moderately Priced Dwelling Unit (MPDU) program to ensure that for sale and rental units are developed, maintained, and offered to households at 70% AMI or less in accordance with Chapter 25A of the Code and related regulations.
- Administer the Workforce Housing Unit program to ensure that for sale and rental units are developed, maintained, and offered to households between 120% AMI and 70% AMI per Chapter 25B and related regulations.
- Administer the Home Accessibility Rehabilitation Program (HARP) by partnering with Rebuilding Together and Habitat for Humanity to install accessibility improvements for senior and/or disabled homeowners or their residents to make their homes more accessible, visitable, or livable.
- Continue to partner with the Maryland State Department of Housing and Community Development and the Housing Opportunities Commission to provide down payment assistance to Montgomery County first time homebuyers.
- Continue to partner with Maryland State Department of Housing and Community Development to provide down payment assistance to full-time Montgomery County Government employees and MCPS union employees who are first time homebuyers.
- Coordinate with rental developments where the MPDU control period is expiring, to provide extension of MPDU rent rates for tenants by supplementing market rate rents with County funds.
- Continue energy efficiency upgrades by partnering with Habitat for Humanity and Efficient Homes to replace outdated household appliances for low-income households, a significant share of which are senior homeowners.

Multi-family Housing

- Provide gap financing through the Montgomery Housing Initiative Fund (HIF) and the Affordable Housing Opportunity Fund (AHOF) by leveraging private capital, as well as Federal and State resources, to create new rent-regulated housing units or to preserve existing affordable units and reduce housing burdens for lower income households.
- Provide capital funding to support acquisitions and preservation of those current naturally occurring affordable housing (NOAH) to ensure continued affordability for County residents, especially those areas at risk of rent escalation to higher market rents, including the Purple Line Corridor and other County transit corridors.
- Exercise the County's Right of First Refusal (ROFR) by partnering with nonprofit providers to purchase any rental housing property with four or more units when available for sale to protect and preserve those units' affordability.
- Provide funding to affordable housing developers for the construction of new rent restricted housing units, including on County-owned land, with funding from the HIF.
- Partner with the Housing Opportunities Commission (HOC) to implement the new Nonprofit Preservation Fund to provide funding for acquisition and preservation of existing affordable housing units in the County.
- Protect lower-income residents by working with property owners through County-supported rental agreements to preserve affordable rents.
- Provide acquisition and renovation financing to support organizations serving special needs populations with housing and supportive services.

Code Enforcement

- Perform technical inspection and enforcement to administer Chapter 26 of the County Code, Housing and Building Maintenance standards by inspecting condominiums, multifamily apartments, single-family housing, including Accessory Dwelling Units (ADU) to ensure safe and sanitary conditions.

-
- Conduct inspections of concentrated code enforcement efforts in specific areas to include multi-family inspection based on requirements for annual troubled properties, more frequent inspections for at-risk properties and triennial inspections for compliant properties.
 - Perform inspections and enforcement to administer Chapter 48 of the County Code, Solid Waste and Chapter 58 of the County Code, Residential Weeds and Rubbish.
 - Conduct court ordered inspections for enforcement and adoption and foster care home inspections.
 - Investigate potential code violations in residential and commercial properties and performs technical inspection and enforcement to administer Chapter 26 of the County Code, Housing and Building Maintenance standards by inspecting condominiums, multifamily apartments, single-family housing, including Accessory Dwelling Units (ADU) to ensure safe and sanitary conditions based on complaints received. In addition, performs inspection and enforcement to administer Chapter 48 of the County Code, Solid Waste and Chapter 58 of the County Code, Residential Weeds and Rubbish.
 - Conduct inspections of concentrated code enforcement efforts in specific areas to include multi-family inspection based on requirements for annual troubled properties, more frequent inspections for at-risk properties and triennial inspections.
 - Educate residents and property owners about their rights and responsibilities in the area of property maintenance as per the following chapters within Montgomery County's Code.

Licensing and Regulation

- Issue annual rental license to condominiums, single-family homes, multi-family units, accessory dwelling units, and short-term residential rentals to ensure rental properties comply with County regulations and requirements.
- Conduct an annual Single-family and Multi-family Rental Housing Survey to collect housing data related to area rents, vacancies, turnover, utilities, and amenities to inform decision-makers about the County's rental market conditions.
- Register common ownership communities throughout Montgomery County.

Landlord-Tenant Mediation

- Ensure fair and equitable relations between landlords and tenants by proactively communicating their legal rights and responsibilities through educational resources and publications, enforcing pertinent regulations and County codes, conducting investigations and mediating complaints.
- Facilitate a complaint process where landlords and tenants can file complaints and have access to mediations and present complaints to the Commission on Landlord Tenant and Affairs (COLTA), as an alternative to the judicial process in District Court.
- Oversee the COLTA, a quasi-judicial body that hears disputes between landlords and tenants when mediations are not fruitful. Issue citations when necessary and pursue citation enforcement via the Montgomery County District Court to ensure compliance with consent agreements, COLTA Decisions and Orders and the Montgomery County Code.
- Calculate and publish the annual voluntary rent guidelines per County Code to help both public agencies and the real estate industry correlate inflationary pressures to rent increases in the Washington D.C. Metropolitan Region.

Common Ownership Communities (COC)

- Promote knowledgeable and responsible management of common ownership communities, by developing and providing training programs for common ownership community board members and residents per Montgomery County Bill 45-14.
- Promote public awareness of the legal rights and obligations of common ownership community board members and COC owners as stipulated in County Code along with pertinent regulations.
- Facilitate a complaint process where owners and board members can file complaints and have access to mediations and

a hearing with the Commission on Common Ownership Communities (CCOC), as an alternative to the judicial process in District Court.

- Work with the CCOC to advise the County Executive and the County Council on issues affecting COCs and suggesting legislative solutions.
- Through technical assistance and guidance on community governance, it improves the quality of life in the communities. It also strengthens the self-governing community structure and enhances property values.
- Structure a "revolving loan fund" to provide incentives for those troubled and distressed COCs. The loan program is intended to require the completion of a capital needs assessment study and provide financial assistance to address critical emergent needs, potential evacuation and/or condemnation situations encountered by the COCs.

Rental Assistance Program - HPRA (Homeless Prevention and Relocations Assistance)

- Provide financial assistance and supportive services referral to eligible individuals and families who are at imminent risk of homeless and that have exhausted benefits available from the Department of Health and Human Services (DHHS), the Housing Opportunities Commission (HOC) and other community partners.
- Provide support on disaster efforts, recovery teams and relocation efforts.
- Collaborate with DHHS, HOC and community partners to provide intervention and solution-focused housing services to prevent tenant evictions and locate affordable housing for displaced homeless individuals and families.
- Develop and maintain working relationships with the Sheriff's department and HOC to assist in tenant issues.
- Collaborate with Code Enforcement on specific cases involving the condemnation of properties that involve the temporary relocation of families.
- Ensure that multifamily buildings that opt to convert into condominiums abide by relevant Montgomery County Code laws and regulations.
- Facilitates certification process for tenant associations interested in exercising their Right of First Refusal upon receipt of Notification of Sale.
- Ensure that tenant's rights and tenant's associations rights are upheld when landlords demolish at least one third of the units in a rental property, rehabilitate the rental housing or conduct any other action that would displace at least one third of the tenants at a rental property.

Grant Management

- Allocate the Community Development Block Grant (CDBG) awarded by the U.S. Department of Housing and Urban Development to support the acquisition, preservation, and rehabilitation of affordable housing units for low- and moderate-income residents.
- Assist nonprofit providers in rehabilitating group homes occupied by lower-income, special needs persons with CDBG funds to eliminate code violations and make needed improvements, including accessibility and energy conservation improvements.
- Provide CDBG funds to support the county's low-income population through partnerships with community public services providers in area such as health care, education, employment, and emergency relief in their communities.
- Advocate fair housing through public outreach, education, and awareness campaigns, including movie theater and bus ads.
- Implement affordable housing and community development projects within the city limits of Rockville and Takoma Park with federal pass-through funds.
- Provide HOME funds and operating support to the County's Community Housing Development Organizations (CHDOs), including Montgomery Housing Partnership, Inc. and Housing Unlimited, Inc. (HUI), for acquisition, construction, or renovation of rental housing for persons with low incomes.

-
- Provide the Emergency Solutions Grant (ESG) to HHS to support programs that prevent and end homelessness by providing housing stabilization, relocation services, rental assistance, and shelter services.
 - Preserve housing in Takoma Park through inspection and enforcement of safety and habitability of regulated units. Housing Code Enforcement proactively inspects all properties and responds to individual complaints to address code compliance.

Neighborhood Revitalization and Community Development

- Provide financial and technical assistance through the Focused Neighborhood Assistance Program (FNA) to create safe, secure, and appealing neighborhoods.
- Address the physical decline in racially diverse, low-to-moderate income neighborhoods and the prevention of blight, slums and threats to life and safety.
- Provide financial and technical assistance through the Facade Easement Program to private property and business owners who desire to improve older commercial properties to meet today's commercial demands. Improvements include installing new facade treatments, site improvements, gateway signage, lighting, streetscape elements, plant material installation and the acquisition of an easement term to control facade improvements.
- Rehabilitate group homes with Federal CDBG grants for older and disabled persons with incomes up to 30% AMI. Improvements often address required home inspections, ADA accessibility, and health and safety issues such as updating smoke detectors, providing adequate egress, updating bathrooms and kitchens, and including energy star refrigerators, HVAC systems and water heaters.

Rent Stabilization

- Determine annual rent increase limits for rent stabilized properties and enforce compliance with these limits.
- Enforce landlord compliance with limits on fees charged to tenants.
- Manage the application processes for and implementation of fair return, capital improvement, and substantial rehabilitation petitions for rent increases above annual limits.
- Oversee exemptions for rental properties from rent stabilization requirements.
- Conduct community outreach to educate landlords and tenants about the rent stabilization law and regulations.
- Respond to service inquiries and troubleshoot service problems related to compliance with the rent stabilization law and regulations.
- Investigate and enforce remedies for noncompliance with the rent stabilization law and regulations.
- Enforce landlord reporting requirements under the rent stabilization law and regulations.

Department of Health and Human Services

The Department of Health and Human Services' (HHS) Services to End and Prevent Homelessness (SEPH), in collaboration with the Interagency Commission on Homelessness (ICH), provides a full continuum of housing services including housing stabilization, rental assistance, energy assistance, homeless diversion, emergency shelter and street outreach, rapid rehousing, and permanent supportive housing; and employs evidence-based and promising practices. HHS provides housing-related services through the following programs:

Interagency Commission on Homelessness

- ICH promotes a community-wide commitment to ending homelessness, providing funding for efforts to promote community-wide planning and strategic use of resources to address homelessness (most notably in submitting the coordinated funding requests to the federal Housing and Urban Development (HUD) that funds programs across the provider community), improving coordination and integration with mainstream resources and other programs targeted

to people experiencing homelessness.

Coordinated Entry

- The Coordinated Entry process ensures that all people experiencing homelessness have fair and equitable access to available housing matches. Households are quickly identified, assessed for, referred, and connected to housing and assistance based on their assessed needs and vulnerability.

Homeless Services for Families

- Homeless Services for Families provides emergency shelter to families with children including intake and assessment, case management, and housing location to link families experiencing homelessness to housing, behavioral health, financial, and legal services. All services are housing focused with a goal of connecting families with permanent housing as quickly as possible and removing systemic barriers to accessing housing and services.

Homeless Services for Single Adults

- Homeless Services for Single Adults provides emergency shelter and street outreach to adults experiencing homelessness. All services are housing focused with a goal of connecting adults with permanent housing as quickly as possible by removing barriers such as poor credit, criminal history, limited or no access to behavioral and somatic healthcare, and low or no income. Homeless services include centralized shelter intake and diversion, comprehensive case management, assertive engagement, housing location, employment training and job development, legal services, and assistance with entitlements like Food Stamps and Medicaid.

Housing Initiative Program

- The Housing Initiative Program is a Housing First permanent supportive housing program serving individuals and families with disabilities. Program participants are quickly connected to permanent scattered site units without any preconditions and offered housing location services and intensive wraparound support services. The rental assistance is provided by HHS staff and services are offered via contracts with non-profit partners. This program also acts as the lead entity for the 1115 Medicaid Waiver Assistance in Community Integration Services through the state Department of Health.

Permanent Supportive Housing

- Permanent Supportive Housing is an evidence-based practice that provides immediate access to a permanent housing subsidy and long-term, wraparound support services to more vulnerable households with disabilities. All programs use a Housing First approach that offers housing without preconditions such as sobriety, absence of criminal record, treatment compliance, or participation in services.

Prevention/Housing Stabilization Services

- Prevention/Housing Stabilization Services provides conflict resolution, mediation, financial assistance, housing location, and case management to County residents at risk of homelessness. The program's focus is to partner with families and individuals to resolve their housing emergency through creative problem-solving. State and County grants are provided to prevent evictions and utility cut offs or to secure new housing. Short-term case management services are provided to help at-risk households develop and implement plans to prevent a future housing crisis.

Rapid Rehousing (RRH)

- Rapid Rehousing (RRH) is an intervention designed to help individuals and families to quickly exit homelessness, return to housing in the community, and avoid a return to homelessness. The core components of the rapid rehousing program are housing location, move-in and rent assistance, case management, and employment services. The goal of the

program is to help people overcome any barriers to obtaining housing quickly, increase income, and support self-sufficiency to stay housed. Rapid rehousing is offered without any preconditions, such as employment, income, absence of criminal record, or sobriety.

Rental Assistance Program (RAP)

- The Rental Assistance Program (RAP) provides a subsidy to individuals and families at risk of or currently experiencing homelessness. The target population for this program are seniors, people with disabilities, and others on fixed income. Monthly assistance is provided, and renewable every 12 months to bridge the gap between available income and housing costs.

Office of Home Energy Programs (OHEP)

- The Office of Home Energy Programs (OHEP) provides households with limited income annual credits towards their electric and gas/fuel bills to ensure the lights stay on. Additional grants are available to assist households with a utility disconnect notice. OHEP is also currently administering the Low-Income Household Water Assistance Program (LIHWAP) - a time limited water assistance program funded through federal Covid relief funds.

Housing Opportunities Commission (HOC)

Rental Assistance Program

Provide financial assistance to eligible individuals and families who are at imminent risk of homelessness.

Housing Production Fund (HPF)

The HPF is utilized in conjunction with additional HOC investment, private investment, and conventional construction debt to finance construction and lease-up phases for new-construction developments. Developments funded by the HPF are "30/70" new construction developments, so that no less than thirty percent of a project's total units are affordable to low- and moderate-income residents and no more than seventy percent are market-rate units. The affordable units are set at two affordability levels. Ten percent of a project's units are at Moderately Priced Dwelling Unit ("MPDU") rents, which are affordable to a family of four making approximately \$85,000 or less, and twenty percent of project's units are at 50% of the AMI.

The goal of the HPF is to produce 2,500-3,000 newly constructed units over a twenty-year period. With \$100 million available, it is anticipated that two or more development projects can be undertaken at any given time. On average, each transaction will yield at least 150-180 affordable units and approximately 500-600 total units. At the end of five years, HPF financing is repaid at the permanent financing of the development back to the HPF.

County-supported Capital Improvements Program

HOC has four active projects in the Recommended FY25-30 CIP including the following:

- HOC County Guaranteed Bond Project that serves to identify the uses of County guaranteed HOC bonds for housing construction and permanent mortgage financing as well as coinsurance with appropriate Federal, State, and private insurers on HOC revenue bonds and notes issued to finance new or existing residential units.
- The HOC MPDU/Property Acquisition Fund is a revolving loan fund which authorizes HOC to utilize up to \$12.5 million at any one time for: (a) interim financing, including cost of acquisition and finishing by HOC, of MPDUs as permitted in Chapter 25A of the Montgomery County Code, provided that the unit is used in tandem with a Federal, State, or local subsidy program and is developed to provide housing to low- and-moderate-income households; and (b) planning, acquisition, and improvement of sites and/or existing properties for low and-moderate-income, single, or

multifamily housing facilities, which are to be owned and operated by HOC or its designee.

- The HOC Opportunity Housing Development Fund is a revolving loan fund from which HOC is authorized to use up to \$4.5 million at any one time to temporarily cover project planning, site improvements, building construction loan guarantees, construction financing, short-term financing (including second trusts), insurance for permanent financing, notes and bonds, and associated professional and financing fees for housing developments undertaken by HOC or its designees.
- The Supplemental Funds for Deeply Subsidized or Affordable HOC Owned Units project provides funding for capital improvements for deeply subsidized and affordable HOC owned units to for activities including replacement of roofs, windows and doors; improvements to unit interiors such as kitchen and bathroom modernization; replacement of major mechanical, electrical, plumbing systems and equipment; appliance replacement; life-safety improvements; site improvements such as fencing, site lighting, landscaping, and sidewalk and parking lot replacement.

Payment in Lieu of Taxes program

- The County provides a payment in lieu of taxes ("PILOT") to HOC-owned and controlled properties in furtherance of HOC's mission to preserve and expand the County's inventory of affordable housing. It also allows HOC to provide increased affordability on a permanent basis on newly acquired and newly constructed communities, which is a major annual source of net new affordable housing units in the County.
- The PILOT also allows HOC to ensure its properties receive sufficient reinvestment to eliminate deferred maintenance and have adequate operating budgets to properly maintain the communities.

Expanding Climate Investments

Since the release of the County's Climate Action Plan in 2021, the County has added \$167.5 million in investments in climate action programs and initiatives. The vast majority of these investments carry into this year's base budget and continue to fund key climate actions for this coming year. New climate investments this year total \$76.3 million, including a supplemental appropriation for electric buses. With new and continued investments combined, the FY25 budget dedicates \$363.7 million to climate change efforts.

What's New for FY25

The County's FY25 budget for climate initiatives provides new resources that supplement the climate resources provided in the FY24 budget.

Support Greenhouse Gas Reduction from Buildings

- Two new positions will allow the Department of Permitting Services (DPS) to address changes to the energy conservation code and implementation of the Climate Action Plan that require increased time for mechanical plan reviews and increased inspections. These positions will ensure timely review and inspection for new energy codes that reduce greenhouse gas emissions from new construction.

Support Climate Change Solutions in the Transportation Sector

- Operational funds for The Great Seneca Transit Network (GSTN) will provide frequent transit options, improving mobility and access to crucial jobs in the healthcare, biotech, and education sectors. GSTN will improve transit equity by connecting riders to jobs, healthcare providers, and medical facilities without auto use, advancing the reduction of reliance on cars in the County. Shifting more transit trips to mass transit is a key component of the Climate Action Plan.
- Increased funds to purchase additional zero emission County vehicles will allow the Department of General Services (DGS) to accelerate the County's elimination of fossil fuel vehicles in the County fleet.

-
- To begin the transition of the Alcohol Beverages Services (ABS) delivery truck fleet to zero emissions, DGS will receive funds for a study to recommend mitigation strategies. The study will further conduct a route analysis to determine the correct size of the ABS fleet and identify the most efficient strategy to provide the existing service with the lowest overall cost of ownership to the County. The results will be used to model a zero-emission vehicle replacement plan and provide a template for an infrastructural plan to meet the ABS future electrification needs.

Accelerate Nature-based Carbon Sequestration

- The Department of Environmental Protection (DEP) will gain one new position, Construction Representative II, to conduct inspections as part of the Tree Montgomery Program and to maintain credit for planting these trees under the County's stormwater management MS4 permit. The Tree Montgomery Program has planted over 11,000 trees to date.

Support Zero Waste Efforts

- DEP is gaining two new Zero Waste planning positions to establish a unit focused on Countywide zero waste efforts. Zero waste initiatives include: waste reduction, reuse, and recycling efforts; adding to the kinds of materials that can be recycled; drafting legislation and regulations; conducting research and data analysis. The unit will also evaluate the effectiveness of the new efforts.
- DEP is also gaining funds to build the County's capacity for new zero waste efforts, including: closing the Resource Recovery Facility (RRF), residential food scraps collection, food scraps processing (aerobic or anaerobic digestion), Save-As-You-Throw pilot program, and new processing technologies at the Transfer Station.

Increase the County's Resilience to Weather Events

- To become more resilient to the effects of climate change and power County buildings through solar energy, the County is gaining new funds for the Resiliency Hub Project. This project includes Brookville Bus Depot, Public Safety Headquarters, Animal Shelter, Montgomery County Correctional Facility and the Equipment Maintenance and Transit Operations Center. This funding will avoid delays in construction, maintain service, and guarantee equipment will always be operational.

Accelerating Implementation of the Climate Action Plan

- The Climate Change Planning Non-Departmental Account (NDA) is gaining funds for increased stakeholder engagement and a vigorous public outreach campaign to help residents and businesses reduce their emissions and adapt to climate hazards. The Climate Change Planning NDA will also be used to accelerate departmental Climate Action Plan implementation, using external consultant support to assist with technical analysis of greenhouse gas reduction benefits, and with paid fellows and interns to support the County's climate and energy initiatives. Climate fellows and interns provide research, outreach, and communications support to multiple departments.

Ongoing Work of County Departments Funded through the Operating Budget

Community Use of Public Facilities (CUPF)

CUPF covers the personnel cost of an energy management position in Montgomery County Public Schools (MCPS) to monitor community use of school buildings and control the HVAC settings in each school based on the weekly schedule. CUPF continuously fine tunes the MCPS weekly energy management schedule to reduce unneeded energy use. CUPF makes every possible effort to consolidate community use into buildings by not placing groups in an empty building when a building nearby already has scheduled use. CUPF seeks continuous reduction in paper use by utilizing online forms and digital processes.

Department of Correction and Rehabilitation (DOCR)

DOCR recently installed several recycling stations inside the department's facilities. Informational signs are posted encouraging the participation of both inmates and staff members in the endeavor. The Montgomery County Correctional Facility (MCCF) hosts on its grounds the largest solar panel installation in the County. The Pre-Release Center has completed numerous energy efficient upgrades to the 42-year-old building in efforts to reduce operational costs. Diversion community service work crews remove debris/waste, work crews have painted electric car ports at County facilities, and they have also used green chemicals to remove graffiti throughout the County.

Department of Environmental Protection

DEP provides leadership for the County's actions on reducing greenhouse gas emissions and adapting to a changing climate. DEP administers the County's Benchmarking Law, whereby commercial and multifamily building owners with properties greater than 25,000 square feet use a standard metric to measure energy usage, identifying energy savings opportunities. DEP manages a new zero-emissions vehicle outreach and engagement program to help residents and businesses electrify their ride and continues to provide residential energy programs to assist county residents with energy efficiency opportunities. DEP also administers Montgomery Energy Connection, a Pepco-Exelon merger-funded program whose goal is to be a trusted source of information about home energy efficiency and renewable energy options for residents.

DEP administers Tree Montgomery, a program that plants shade trees for property owners, free of charge. Additional programs for tree planting are implemented in partnership with DOT. DEP also administers the RainScapes program which provides rebates to properties that install green infrastructure.

DEP provides curbside collection services to all single-family residences for recyclables including cardboard and paper, and commingled material such as plastics, glass, and yard trim. These materials are then sorted and marketed to recycling processors or turned into compost material and sold to customers, keeping large volumes of material out of the waste stream.

DEP supports the development of a Flood Management program for the County, including development of comprehensive strategies for planning for, responding to, and communicating about flooding issues; and the identification of areas at high risk of flooding due to the built environment. In addition, the capital budget programs significant funding to address flooding throughout the County starting in FY26.

Department of General Services

DGS is the lead department in greening the County's buildings, fleets, and many of its operations. DGS initiatives include: generating solar, combined heat and power, and other low emissions energy on County facilities; reducing fuel consumption through green fleet operations; building high performance green buildings; continually improving energy efficiency of existing buildings; and clean energy purchasing. DGS leads the initiative to transition to a zero emissions fleet of County vehicles and buses and development of the charging infrastructure necessary to make this transition.

Office of Grants Management (OGM)

OGM supports DEP, DGS, DOT, other departments, and the overall administration in pursuing climate change related grant opportunities to achieve the County's climate change goals. OGM is coordinating the County's effort to secure once-in-generation Federal climate funds available through the Federal Inflation Reduction Act and Bipartisan Infrastructure Law.

Department of Health and Human Services (HHS)

In response to the COVID-19 pandemic, HHS has built community resiliency via the establishment and support of public-facing HUBs within the County. Through focus on the social determinants of health impacts, the minority programs at HHS are keenly aware of the impact of climate change on communities of color, and are committed to better incorporating climate and the environment into their work.

The Latino Health Initiative (LHI) has conducted a series of Latino community conversations to assess the knowledge,

attitudes, and practices of a sample of Latino community members regarding environment related practices associated to consumer waste and recycling. LHI will use the findings from these community conversations to develop program activities that address climate and the environment directly, including plans to convene County environmental stakeholders and decision-makers to discuss the processes, results, and findings of the community feedback collected and identify concrete action steps to better inform, educate, and mobilize Montgomery County Latinos around environmental protection and climate change issues.

Department of Housing and Community Affairs (DHCA)

To help increase the resiliency of County residents and to reduce the consumption of energy, the Affordable Housing program is working with DEP to revise DHCA's single-family energy improvement program to include electrification for low-income homeowners. Through this program, residents are able to purchase energy efficient appliances and convert from gas to electric appliances. Additionally, the Affordable Housing program helps to administer the Montgomery County Homeowner Energy Efficiency Program. This program supports energy efficiency upgrades for eligible County homeowners.

The Grants Administration team supports several programs in the department that address climate change issues through the use of Federal Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funds. CDBG money is contributed to Neighborhood Revitalization projects for such things as stormwater management and LED common area lighting installation. CDBG is also used for group homes to install energy efficient appliances and LED lighting. CDBG and HOME assist multifamily and single-family housing projects with similar improvements. The Code Enforcement program is helping to reduce greenhouse gas emissions by replacing gasoline and diesel vehicles with hybrid or all electric vehicles.

The Code Enforcement program also helps to increase the resiliency of County residents through their inspection process where they identify violations such as faulty HVAC systems, stoves, and windows that help reduce energy consumption. Additionally, violations related to gutters, downspouts, and storm drains help to reduce flooding and stormwater runoff.

Office of Human Resources

The Office of Human Resources administers the County's Telework Policy to encourage County staff to reduce vehicle miles traveled. The office conducts virtual trainings related to climate change and works to build awareness among all County staff about climate change.

Department of Permitting Services

DPS is exploring multiple greenhouse gas reduction avenues through amendments to the 2021 International Energy Conservation Code (IECC). These include electrification of commercial buildings, onsite energy generation requirements, onsite storage, increased stringency in greenhouse gas/energy reductions through energy modeling and mechanical system performance measures, and increases in commissioning requirements.

DPS recently adopted the 2018 International Green Construction Code (IgCC) which promotes total building and site improvement through site development, energy efficiency, material selection, commissioning, resiliency, and indoor air quality improvements. Through administration of our sediment control and public right of way permits, the program helps preserve or replace tree canopy on private property and trees within the public right of way impacted by construction activity.

Department of Transportation

DOT continues to build an extensive network of bikeway facilities including protected bike lanes, particularly in areas associated with the Purple Line and Bethesda Metro Station projects, and those in Bicycle and Pedestrian Priority Areas (BiPPA) and master plan areas. Capital Bikeshare offers stations throughout the county, providing a low-carbon alternative for short trips. The shared E-bike and E-scooter pilot program provides additional low-carbon, low-cost options for

residents, employees, and visitors for short trips and to connect with transit.

Ride On, the County's public bus system, provides an affordable alternative to driving. DOT facilitates and encourages the use of public transportation with programs like FareShare, which works through employers to assist employees with their commuting costs, and the Commuter Choice Tax Credit. These programs provide incentives for employers to buy-down the cost of transit and vanpooling for their employees. Express bus programs including FLASH on U.S. 29 and Ride On ExtRa on MD 355 provide fast, reliable bus service along major County corridors.

Office of Agriculture (OAG)

OAG supports the farm community in its utilization of renewable energy through accessory solar and regenerative agricultural practices such as no till farming, crop rotation, and others. OAG promotes Best Management Practices (BMP) such as cover cropping to help sequester carbon. The Soil Conservation District works with local farmers in promoting conservation practices that help to reduce greenhouse gases such as conservation tillage. Conservation tillage reduces trips across fields by use of equipment that produces greenhouse gases. In addition, the OAG Soil Amendment program offers free deliveries of Leafgro to farmers to increase the organic material in the soil, retain moisture, and promote soil health.

OAG also promotes programs and practices that are designed to help sequester carbon in the soil. Conservation Tillage, Conservation Cover, Pasture Management, and Annual Cover Crops provide avenues to increase organic matter in the soil. By supporting County table food and beverage producers and helping expand their markets, OAG is encouraging local purchasing of food and beverages, which reduces the amount of fossil fuel energy needed to transport these products to restaurants and other businesses. Finally, OAG encourages farmers to have nutrient management plans, which help make sure that farmers do not use more fossil fuel-derived fertilizers than necessary.

Office of the County Executive

The Climate Change Officer leads the County-wide implementation of the Climate Action Plan.

Office of Emergency Management and Homeland Security (OEMHS)

OEMHS is working closely with County departments to prepare for the current and future impacts climate change will have on weather-related disasters. OEMHS has a Climate Adaptation Program Manager who collaborates with DEP and other County departments and agencies to pursue State and Federal grants to prepare for the effects of climate change. OEMHS works with County departments and community partners to identify areas at high risk for urban heat island effects and helps guide the County's mitigation and response efforts, including the development of resiliency hubs.

As climate change increases the intensity of rain events, OEMHS has a hydrologist position to help identify areas that will become prone to flooding and help the County prepare for, mitigate, and respond to the impacts. The office also identifies critical infrastructure that may be vulnerable to climate change, such as dams, roads, and structures, and works with owners of the infrastructure to prepare for and mitigate those vulnerabilities.

Office of Procurement

The Office of Procurement works with other County departments to employ sustainable procurement practices and specifications to help reduce environmental impacts and total cost of ownership. Examples include: (1) language inciting meatless menu options as well as local produce sourcing in cafeteria solicitation, and (2) responsible disposal or donation of County surplus to maximize return and reduce waste for the County. The Office of Procurement has lowered resource consumption through the digitization of County contracting.

Public Libraries (MCPL)

MCPL provides many educational opportunities to our customers regarding environmentally responsible choices along with

several resources to help them "go green" including:

- MCPL's Summer Reading program partnered with the Chesapeake Bay foundation to offer children (participants) a chance to help preserve the Chesapeake Bay watershed, clean up the Chesapeake Bay, and provide healthy habitats for Chesapeake Bay animals by completing reading missions;
- a contemporary conversation program with Elizabeth Kolbert, staff writer for The New Yorker and author of the Pulitzer Prize-winning *The Sixth Extinction*, about the topic of climate change and how we can make impacts through our habits and decisions;
- lending out thermal cameras, which allows customers to inspect homes with infrared technology using their smartphone to find insulation, heating, and water problems in the home;
- partnering with Montgomery Energy Connection to host a light bulb exchange program; and
- prominent displays at library branches about energy savings for the month of October, which is Energy Action Month.

Additionally, MCPL has implemented several climate change initiatives in its branches and for staff. For example, every branch has recycling receptacles in both the public and staff areas, and policies and procedures are in place to reduce the use of paper and other materials and resources.

Climate Change Efforts in the County's FY25 Budget

FY25 APPROVED BUDGET INCLUDES:

The FY25 Approved Budget includes approximately \$26.2 million to support growing the County's economy, including funds for economic development organizations that augment County services.

WHAT'S NEW FOR FY25

The County Council approved several enhancements to continue efforts to grow the County's economy.

Capital Investments

- Improve incubator facilities to maximize the potential use of the existing County space - including improved innovation, collaboration and coworking spaces, shared labs with bench rentals, shared equipment, etc.
- Add funding to complete a shell in the main level of the Wheaton Government Building to ensure use of this space to support economic growth and the Wheaton community.
- Add funding to support a partnership with the Henry Jackson Foundation to augment and expand the County's resources and technical assistance through the County's incubators.
- Enhance investments in the County's incubators to refresh and modernize a coworking space for international soft-landing businesses.

Workforce Development and Training

- Add branded BioHub Maryland at Montgomery County to create a state-of-the-art, multifunctional life sciences training facility with curriculum addressing new skills and upskills training to help fill jobs in key County industry sectors.
- Add funding to support additional workforce training at the County's Correctional Facility.

Business Grants

- Add grant funds to support businesses directly impacted by the construction of the Purple Line.

Specific Budgets

Montgomery County seeks to foster an inclusive and innovative economy by leveraging its existing workforce, innovation, location, and quality of life assets. Economic development activities are funded through multiple County departments and economic development organizations. Through these combined efforts, the County supports business and startup growth, attracts domestic and international relocation, and measures impact to continuously improve service delivery.

Office of the County Executive - Business Center

The Montgomery County Business Center helps business start and grow in the County. In partnership with other County departments and economic development organizations the Montgomery County Business Center:

- Assists businesses with challenges navigating the County Government processes, including licensing, permitting, and tax challenges.
- Conducts proactive outreach on a regular basis to the store-front businesses throughout the County, addressing questions before they become challenges.
- Connects businesses to a variety of business and technical resources through partner economic development organizations.
- Supports educational and training programs to help businesses grow.
- Recommends process improvements to make it easier for businesses to navigate the County.
- Manages the County's incubators - three facilities that foster early-stage startups in the biotechnology, IT, medical device, and government contracting industries.
- Provides general economic development support to the Office of the County Executive.

Small Business Support Services - NDA

- Black Business Council
- Black Chamber of Commerce of Maryland
- Crossroads Community Food Network
- Latino Economic Development Center
- Maryland Women's Business Center
- Maryland Small Business Development Center
- Montgomery County Black Collective

Incubator Programs - NDA

The Montgomery County Business Center manages the County-owned incubator facilities. These facilities foster innovation by supporting early-stage startups in targeted industries. The County and Henry Jackson Foundation are partnering to establish HJF Innovation Labs at Montgomery County to provide more support for R&D and commercialization in the County of dual use technologies that improve the health of the nation's military service members, and of their families and other patients.

Economic Development Fund

The Economic Development Fund (EDF) is administered by the Department of Finance and supports business growth through direct grants and loans. The EDF includes several targeted programs.

- The Economic Development Grant and Loan Program supports strategic attraction and retention projects in the County. These projects provide significant benefit to the County's economy and are usually in the County's strategic industries.
- The MOVE Program provides one-time grants to business that relocate or launch in Montgomery County.
- The Job Creation Program incentivizes new and growing Montgomery County companies to create and fill high-paying jobs in Montgomery County as part of their plans to move to or expand in Montgomery County.
- The Innovation Fund Program assists tech startups and small businesses by supporting R&D activities for companies developing innovative technologies with market potential which other funding mechanisms are not available.
- The Founders Fund Program assists early and growth-stage, smaller businesses which are majority owned by entrepreneurs from underserved communities and/or located in a Montgomery County Equity Focus Area to achieve commercialization and business success.
- The Microloan Program supports local economic development organizations to leverage additional dollars for small loans to retail, restaurant, and service businesses.

Conference and Visitors Bureau - NDA

The Conference and Visitors Bureau, dba as Visit Montgomery, is the County's marketing and hospitality organization. Visit Montgomery, in partnership with hospitality businesses, attracts tourism to Montgomery County by highlighting the rich and diverse culture, entertainment, and recreation activities.

Montgomery County Economic Development Corporation - NDA

The Montgomery County Economic Development Corporation (MCEDC) is the County's designated economic development organization. MCEDC supports the County's economy by:

- Attracting strategic industries to relocate and launch in Montgomery County.
- Targeting retention efforts in the County's strategic industries.
- Marketing the County's diverse and talented workforce to strategic industry clusters.

WorkSource Montgomery - NDA

WorkSource Montgomery is the County's designated workforce development organization. WorkSource Montgomery grows the County's economy by connecting businesses to the talented workforce and providing educational and training programs to residents. The organization also operates the County's American Job Center as required by the Workforce Innovation and Opportunity Act.

BioHub Maryland at Montgomery County - NDA

BioHub Maryland at Montgomery County will be a state-of-the-art, multifunctional life sciences training facility, complementing existing Montgomery College and Universities at Shady Grove, which will use the National Institute of Bioprocessing Research and Training (NIBRT) biopharmaceutical manufacturing training and research. This training will be used to provide veterans, members of disadvantaged communities and others with the skills and knowledge they need to

enter the life sciences field, to upskill the current life sciences workforce to excel further in this sector.

Institute of Health Computing - NDA

Montgomery County is a founding partner of the University of Maryland-Institute for Health Computing (UM-IHC) which is a unique collaboration among the University of Maryland, College Park (UMCP); the University of Maryland, Baltimore (UMB); and the University of Maryland Medical System (UMMS) in Montgomery County. The County has committed \$40 million over six years to help launch UM-HIC, and the universities will contribute five million per year during the next five years. This project serves as an anchor and attraction to developers and businesses in the Pike District by leveraging clinical expertise, health care data that may be unmatched in its diversity, cutting-edge computation, artificial intelligence, and immersive visualization to advance a wide spectrum of life sciences and healthcare research-including drug discovery, precision medicine, and population health.

Conference Center - NDA

The Montgomery County Conference Center in North Bethesda is managed by Marriott International. Through this public-private collaboration, the County supports a venue to host business and private events.

Racial Equity & Social Justice

One aspect of advancing this work involves analyzing resource allocations that form the structures—programs, policies, practices, and procedures—that can either worsen or improve racially disparate outcomes across the County. Our goal is to identify these disparities, reduce them, and ultimately create structures that eliminate their existence and prevent disparities from emerging in the future.

To this end, and in accordance with Bill 27-19, Administration - Human Rights - Office of Racial Equity and Social Justice - Racial Equity and Social Justice Committee Established, the Office of Racial Equity and Social Justice (ORESJ) developed a Budget Equity Tool to support departments and decision makers in applying a racial equity lens to the development of the County Executive's FY25 Recommended Operating Budget. This tool, related trainings, and reports, have helped to assess the strength of the County's commitment to and implementation of its guiding racial equity framework, adapted from the Government Alliance on Race and Equity (GARE), to normalize, organize, and operationalize for racial equity and social justice. This framework guides jurisdictions across the country in navigating the changes required to advance racial equity and social justice.

ORESJ highlighted—with its structured analysis—areas of strength and opportunity related to how the FY25 recommended operating budget enables the County's commitment to advancing racial equity and social justice. FY25 resources continue to help the County build its racial equity and social justice infrastructure, with departments across the County targeting resources towards:

- **Allocating or supporting the use of staff time for capacity building activities**
- **Allocating resources for relevant professional development, such as participation in GARE Conferences and trainings**
- **Designating staff resources to organize and lead the department's commitment to advancing racial equity and social justice**
- **Identifying areas of strength and opportunity in recruiting retaining and advance of a diverse and representative workforce**
- **Using or creating department-specific racial equity tools or maps**

These targeted investments mean that while the County continues to carry out its core business it will strengthen staff knowledge and capacity to apply a racial equity lens to program design, collecting and analyzing data, utilizing best practices and research, and involving the community in program development. With this growing capacity, County Government will also be able to reflect on areas of opportunity, where changes to policy or process can help remove barriers, enable greater transparency and accountability, and drive more equitable outcomes for communities most burdened by structural racism and other inequities.

While many programs in the County help to fill gaps created by structural inequities, a few programs stand out for taking concrete steps to reduce the following racial disparities and gaps:

- **Department of Environmental Protection - Energy, Climate, and Compliance** - Gaps in access to the resources necessary to shape climate resilience and adaptability within communities that are most vulnerable (BIPOC, Low-income, disabled, and elderly residents) to climate hazards and related health and economic costs.
- **Department of Environmental Protection - Conservation Corps** - Racial disparities in rates of unemployment; gaps in access to education and skill-building opportunities for green jobs; disproportionate juvenile intake among Black and Latino youth.
- **Department of Health and Human Services - Aging and Disability** - Racial disparities and inequities in health outcomes due to systemic housing inequities and related economic insecurity (historical and current discrimination in employment, housing, and financial systems), specifically amongst older Black women.
- **Department of Housing and Community Affairs - Housing Code Enforcement** - Gaps in housing-related health hazards, energy burdens, and associated costs; disproportionate rates of rental housing cost burden among households identified as Black, Latino, and Other.
- **Department of Recreation Community & Neighborhood Centers** - Racial disparities and inequities in health and criminal justice system outcomes while also increasing a sense of connectedness, particularly amongst low-income BIPOC children, youth, and older adults
- **Technology and Business Enterprise Solutions - Office of Broadband Programs and Infrastructure Modernization** - Racial disparities in rates of unemployment; racial disparities in High School graduation rates college degree attainment; racial disparities in percent of population without or only a High School Degree or GED; racial disparities in certain disease mortality rates; racial disparities in internet access
- **Montgomery County Police Department - Police Cadet Program Expansion** - Racial disparities in recruitment and retention, with the potential to contribute to strategies aimed at reducing disproportionate rates of arrest among Black and Latino residents.

Overall, this budget provides resources for the County to expand its emerging commitment to and implementation of the RESJ Act. It supports County Government in building the skills and competencies necessary to identify and address racial and ethnic disparities across issue areas, at the same time providing resources for programs that help to fill gaps created by structural inequities.

FY25 Approved Budget includes:

Departments and Non-Departmental Accounts (NDAs) **not reviewed by ORESJ, but have the potential to advance racial equity and social justice:**

Office of Grants Management

- Funding to provide training for County employees on grant writing to allow for a stronger integration of racial equity and social justice into all aspects of the County grant management practices.

Office of Food System Resilience

- In FY23, established the Office of Food System Resilience to coordinate food resilience efforts with community

partners, government agencies, and regional partners to develop and implement interagency budgetary, regulatory, and operational strategies to build a more equitable, efficient, resilient, and sustainable food system in Montgomery County.

- Provide million in funding to support the Food Staples Program

Department of Health and Human Services

- Include \$3.0 million for Service Consolidation Hubs throughout the County to meet the needs of the community.
- Funding to continue services that was previously funded by a grant to provide psychiatric services in shelters
- Include \$2.5 million in funding to address overflow sheltering in hotels
- Allocate funding for the recruitment and retention of bilingual staff to support the Linkages to Learning clients
- Funding to support the Summer SNAP Food Program in alleviating food hunger
- Funding for the dental program to meet the increased demand
- Subsidize funding for dedicated nurses for new community schools
- Continue housing-related emergency services that was previously funded by eRAP (Federal Emergency Assistance Rental Program)

Department of Housing and Community Affairs

- Continue to leverage Federal grants including the Community Development Block Grant, the HOME Investment Partnership Grant, and the Emergency Solutions Grant to provide affordable housing, housing rehabilitation, commercial revitalization, focused neighborhood assistance, public services, and prevent homelessness.
- Provide \$56 million for the Montgomery Housing Initiative fund to continue various programs and projects dedicated to creating and preserving affordable housing and related services.
- Fund the new Rent Stabilization Program that establishes maximum allowable rent increases to stabilize rents in the County.
- Continue to actively underwrite affordable housing loans to preserve and produce affordable housing. Three developments for multi-family projects have already been identified for potential funding in FY25. These developments would preserve or produce a total of 655 units, including 357 affordable units.

Transit Services (Department of Transportation)

- Provide financial support of the Great Seneca Transit Network.

FY25 COUNTY COUNCIL APPROVED BUDGET

The FY25 Approved Budget includes \$42.5 million in tax-supported resources identified for older adults, including funds for community organizations that augment County services for older adults. In addition, the approved budget includes \$22.6 million in non-tax supported resources for older adults.

Enhancements in the FY25 Approved Budget Include:

- Increase staff in the Department of Health and Human Services (HHS) to reduce waitlists in core services for vulnerable older adults, including Adult Protective Services and Coordination of Community Services.
- Enhance Recreation's Senior Services and Senior Neighborhood Programs.
- Support the new 1910 University Boulevard senior housing project.
- Provide Metro Senior SmarTrip cards at all library branches at no cost to customers age 65 and older.

Non-Departmental Account Community Grants

- The FY25 Approved Budget continues \$1.5 million in grants awarded in FY24 to community partners for services benefiting seniors. These community organizations are critical to an effective network of services and are sometimes able to provide these services in a more cost-effective, culturally appropriate, and flexible way. Community organizations are also able to leverage community resources that may be unavailable to County Government.

DEPARTMENTAL PROGRAMS

Services benefiting seniors are incorporated in the general department program offerings, as well as targeted services. Below are some of the major County government programs currently supporting County seniors.

Department of Recreation

- Operate full service senior centers designed to build supportive relationships and positive social connections, enhance learning engagement and mental stimulation, improve health and wellness, and create connections to community services through recreation programs.
- Provide door-to-door Senior Transportation Service providing limited-range age-friendly access to six Senior Centers.

-
- Operate Active Adult Neighborhood Programs for those 55 or better to actively participate in their community while meeting their recreation and leisure needs.
 - Implement congregate nutrition sites at Senior Centers and Active Adult Neighborhood Programs in collaboration with DHHS Aging and Disability Services.
 - Offer an extremely popular Trips and Tours program to include Senior Outdoor Adventure trips and Day Trips for 55+ participants, their family and friends.
 - Provide specialized mini trip experiences around Montgomery County focusing on local and fresh markets, local entertainment, local cultural attractions and other engaging experiences which meet the everyday needs of participants.
 - Organize competitive 55+ sports and games opportunities in partnership with Maryland Senior Olympics.
 - Implement a 3-day multi session summer camp for adults 55+ focusing on social interaction, adventure and exploration, and mental and physical well-being.
 - Offer culturally relevant programming in alternative languages to meet the socialization and recreation needs of non-English speaking participants.
 - Implement special events designed to connect senior communities across the County, providing lifetime experiences and lasting memories in safe and accommodating settings. Examples include Countywide BBQ Bonanza, Centenarian Celebration, Cardboard Boat Regatta, Cultural Celebrations, Active Aging Week, Wellness Expos and more.
 - Partner with local hospitals and DHHS to offer evidence-based fitness programs such as Bone Builders and Senior Fit designed to improve the health span of older adults.

Department of Health and Human Services

- Prevent or reverse nursing home placement for Medicaid-eligible persons of all ages by providing planning, nurse monitoring, and community-based services.
- Transport older adults to County Recreation centers and, for residents of a limited number of senior apartment buildings, to grocery stores using Transit Services Ride On buses during off peak hours.
- Provide supportive services to older adults through contracts with nonprofits, including: "friendly visitors," grocery shopping, legal assistance, and Alzheimer's support.
- Continue the Escorted Transportation Program with the Jewish Council for the Aging.
- Promote and expand transportation options available to older adults and people with disabilities throughout the County.
- Support a Mobility and Transportation Manager to work with advocates and public and private service providers.
- Offer one-stop, hands-on assistance and outreach to County residents regarding services for older adults, persons with disabilities, and their families and caregivers to clarify their needs and to identify and access resources.
- Help protect more than 9,555 County residents in assisted living facilities and nursing homes by maintaining a regular presence, investigating complaints, and advocating for seniors' rights.
- Offer adults over age 60 access to meals, nutrition education, and opportunities for socialization at community and senior centers and senior apartment buildings.
- Provide home-delivered meals to address the nutritional needs of older adults who are home-bound due to illness or disability and cannot get out or prepare healthful meals on their own. Special consideration is given to low-income individuals, minority individuals, those in rural communities, those with limited English proficiency, and those at risk of institutional care.
- Investigate complaints of maltreatment for abuse, neglect, and exploitation against vulnerable adults through the Adult Protective Services Program, with the aim to secure resources, mitigate risk, and act as legal guardians for adults adjudicated as incompetent through the courts.
- Provide gap-filling support services through the Senior Care Program to help adults aged 65 and older remain safe and cared for in the community and to prevent premature and/or inappropriate institutionalization.

-
- Offer the Home Care Program, which is targeted to low-income, frail, elderly, and people with disabilities who need help with personal care and in-home support in order to remain in their own homes and in the community.
 - Maintain funding for respite care services for older adults, persons with disabilities, and caregivers.
 - Provide Heavy Chore Services to serve older adults with hoarding behaviors to prevent evictions and condemnations, or to correct health and safety conditions for persons meeting the criteria of Adult Protective Services and Case Management Programs.
 - Provide Senior Mental Health Services for home-bound older adults and coordinate medication with medical providers.
 - Help meet the challenges of older adults remaining independent in their homes as they age in their communities through the "Village" model, grassroots, consumer-driven, and volunteer-first model. The Village Coordinator assists current and emerging "Villages" and promotes the creation of new ones.
 - Continue the Senior Home Sharing program that matches senior home providers who have a spare room with home seekers interested in a long-term housing option.
 - Provide Case Management through Social Services to Adults for older adults and adults with disabilities to enable client self-sufficiency in the community, to reduce inappropriate institutionalization, and to mitigate factors that may lead to abuse, neglect, self-neglect and/or exploitation.
 - Provide supervised housing and assistance to older adults and adults with disabilities through the Adult Foster Care Program, using certified family homes and small, licensed, assisted living homes in the community. Case management and subsidies are provided when funds are available.
 - Implement Coordination of Community Services to provide case management services to individuals including older adults that have been determined eligible by the Maryland Developmental Disabilities Administration.

Department of Transportation - Transit Services

- Subsidize taxi service for low-income older adults, age 63 and older, to allow for greater mobility and quality of life.
- Provide information and linkage to transportation resources to older adults, maintain a database of resources, help callers fill out forms for transportation programs, and link callers with transportation providers.
- Provide free public transit travel training classes for older adults, increasing their travel options and comfort level with public transportation.
- Continue ongoing advertising campaigns and distribution of senior transportation services.
- Conduct on-site outreach events and presentations about senior transportation options and resources at locations where older adults frequent or reside.
- Provide fixed route service (Ride On) to many senior centers and make Senior SmarTrip cards available through multiple channels.
- Transport older adults to senior centers and grocery shopping trips from 12 residential facilities during Ride On's off-peak period.
- Provide free bus service on all Ride On and select Metro buses in the County each day.
- Improve bus stops as part of Ride On's safety, ADA compliance, and accessibility program.
- Improve pedestrian crossings by re-timing all traffic signals to extend pedestrian crossing times to accommodate slower walking speeds, upgrade some traffic signals to include accessible/countdown pedestrian signals.
- Continue to improve pedestrian access by using high visibility ladder bar style at crosswalks, focus on pedestrian access safety in work zones, and continue converting street lights to LED.
- Improve transportation services and address barriers for residents who have disabilities, are seniors, or have limited incomes. Supported by dedicated revenues from Transportation Network Company fees, Transit Services subsidizes wheelchair accessible taxicabs and offers Call-N-Ride co-pay assistance for low-income residents.

Department of Public Libraries (MCPL)

- Provide programs specifically designed to engage customers over age 50 that promote creativity, learning, education, healthy living, and social interaction. These activities are essential to vital living, and are provided in partnership with Federal, State, and County agencies and departments, non-profits, and local community organizations.
- Provide diverse programs relevant to the County's population over age 50. Topics include book discussions, intergenerational opportunities, financial security, professional development, business, retirement, taxes, health, employment, technology, consumer issues, English language learning, and others. All these programs have the goal of combating and alleviating social isolation.
- Provide online lifelong learning services and materials, including our older adults-focused web page, and training on how to use ebooks and computers.
- Offer large print library materials and other accessibility equipment and services for older adults - assistive technology workstations with desktop magnifiers and computers with screen reading and magnifying software (NVDA, Narrator, and Magnifier), adjustable tables, audio induction loop system in meeting rooms (selected branches), and Communication Access Real-Time Translation Services (CART).
- Provide Metro Senior SmarTrip cards at all library branches at no cost to customers age 65 and older.
- Provide Books@Home service, delivering library materials to Montgomery County residents who cannot visit the library because of physical disability, health issue, or frailty.
- Provide volunteer opportunities for older adults at every branch through the Montgomery County Volunteer Center.
- Participate/exhibit in fairs and expos and schedule regular appearances in radio and television shows geared to 50+ audiences to promote MCPL services, resources, and programming.

Department of Technology Services

- Provide technology training for older adults through Senior Planet in Montgomery County in English, Spanish, Mandarin, and Vietnamese. Senior Planet enables older adults to use the technology and the internet for daily living, telehealth, financial management, independent living, employment, connections to family and friends, and civic engagement in the digital world. Program outcomes demonstrate that seniors participating in the program: feel more confident using online resources, staying safe, and detecting scams when using email and the internet; feel more connected to families, friends, and their community; have more access to health information; feel more confident in their ability to live independently; and recommend Senior Planet to others.
- Pursue grant opportunities to expand Senior Planet training available in additional languages and grow partnerships with healthcare providers to enhance telehealth training options. Senior Planet partners with Montgomery County Department of Recreation Senior Centers, Benjamin Gather Center, the Chinese Culture and Community Service Center, the Gilchrist Immigration Resource Center, and the Vietnamese American Society. New partnerships will include the American Diversity Group and programing at the new Silver Spring Senior Center.
- Launch the Virtual Reality (VR) for Seniors Pilot Program as a means to reduce senior isolation and enable older adults to experience new VR technology in senior centers, and to seek grant funding to support VR cognitive health and memory studies.

Fire and Rescue Service (MCFRS)

- Continue the Mobile Integrated Health program that was introduced in 2016 to help address the disproportionate increase in the number of repeat low-acuity 911 calls by older adults. This collaborative initiative of HHS and MCFRS holistically incorporates the skills of fire/rescue personnel, a clinical social worker, and a community health nurse to better meet the needs of patients who utilize EMS services frequently. The team has an overall goal of reducing the burden on 911, emergency medical personnel, and emergency rooms while still providing superior care to our patients.
- Increase the number and diversity of programs to educate older adults about the benefits of smoke and carbon monoxide alarms, escape planning, general fire safety and injury prevention both in-person and virtually.

-
- Increase the number of residents reached by the department's Senior Outreach program and services.
 - Identify strategies to reduce fire risk among older adults.
 - Identify homebound older adults and those with disabilities to provide tailored information on fire safety and risk reduction including the installation of approved smoke alarms appropriate for their needs.
 - Continue to increase collaborative partnerships with County agencies and departments, non-profits, faith-based organizations, hospitals, and professional organizations providing services to older adults and other organizations.
 - Continue to provide public education and awareness campaigns to educate and inform residents regarding legislative changes to Maryland's Smoke Alarm Law and County requirements for carbon monoxide alarms.
 - Continue to provide door-to-door safety awareness campaigns offering department services including the evaluation of existing residential smoke alarm equipment, replacement of smoke alarms, and general injury prevention information and education.
 - Continue to offer appointment-based fire safety evaluations and smoke alarm checks, both in-person and virtual, for older adults, high risk and low-income residents.
 - Assist and partner with communities, HOAs and neighborhood organizations regarding fire safety, the importance of home fire evacuation and escape plans, general injury prevention and emergency preparedness information.
 - Continue to support the County's "Villages" model designed to assist residents who are "aging in place" with fire safety, injury prevention and safety strategies to reduce risk, and check/install smoke alarms.
 - Provide education and training to recruit classes and first responders to increase awareness of the needs, health issues, and risks faced by older adults.

Department of Housing and Community Affairs

- Continue partnering with Rebuilding Together by funding some administrative costs for a highly leveraged program that provides home repairs for low-income homeowners, most of whom are seniors and unable to undertake home repairs on their own.
- Continue partnering with the Housing Opportunities Commission of Montgomery County to provide rental assistance to low-income older adults.

Office of the State's Attorney

- Aggressively prosecute crimes against seniors and vulnerable adults through the Crimes Against Seniors and Vulnerable Adults Unit of the Office of the State's Attorney.
- Continue to collaborate closely with Adult Protective Services and the Police Department to address crimes against seniors in an efficient and timely manner that holds offenders accountable for their criminal activity.
- Continue to chair the Montgomery County Elder/Vulnerable Adult Abuse Task Force, which brings together representatives from County agencies to discuss cases of concern and hosts an annual event on World Elder Abuse Awareness Day to promote education/prevention of senior abuse.
- Collect data and metrics that include the number of investigations opened, inter-agency collaborations, and prosecutions.

Community Engagement Cluster

- Partner with community organizations to provide free tax preparation assistance to low-to-moderate income Montgomery County residents with special attention to adults age 60+.
- Support opportunities for adults age 60+ to increase access to community activities, socialization, and lifelong learning.
- Provide personalized consultation services to connect seniors to meaningful volunteer opportunities (50+ Network).
- Recognize senior volunteer contributions annually by honoring two older adults with the Neal Potter Path of Achievement

Award.

- Continue the Senior Fellows program which taps the experience and skills of retired older adults across a range of issues from affordable housing to transportation options.

Office of Consumer Protection

- Continue to recruit older adults and retired professionals to work at Office of Consumer Protection as volunteers providing administrative and investigative assistance.
- Conduct outreach initiatives to provide consumer education regarding consumer scams that target seniors and vulnerable adults.
- Collaborate with legislators and consumer organizations to enact and enhance laws designed to protect older adults from deceptive trade practices.

Department of Environmental Protection

- Offer an exemption for curbside refuse and recycling services to any individual who, because of physical limitations (disability or age), is unable to bring containers to the curb.

Office of Public Information

- In partnership with the Commission on Aging, produce "50+ in Montgomery County" a monthly cable television show highlighting services and programs of interest to seniors.
- Manage the County's seniors website, a central portal offering timely information to seniors and caregivers about County services and programs: <http://www.montgomerycountymd.gov/senior/>.
- Produce monthly full-page communications in The Beacon newspaper (in focus for people over 50) to deliver County messaging campaigns to its over 355,000 monthly readers.
- Support the Commission on Aging (COA) by using established social media platforms to get their messaging out to the community.

Montgomery County Police Department

- Maintain "Keeping Seniors Safe" crime prevention outreach program, which addresses financial and other frauds and scams; identity theft; shopping safety; and emergency preparedness through presentations from Community Outreach Officers and command staff, and brochures distributed widely.
- Conduct home security surveys in seniors' homes.

Vision Zero

MISSION STATEMENT

Through the use of data-informed and equitable approaches, Montgomery County will systematically update the roadway network and build a culture of safety through purposeful education and enforcement campaigns to eliminate serious injury and fatal collisions from Montgomery County roadways.

PROGRAM DESCRIPTION

Vision Zero is an international initiative that relies on data-informed and equitable approaches to improve the design of roads, conduct targeted education and enforcement, and change policies to end serious and fatal traffic crashes. Montgomery County adopted Vision Zero as the successor to the successful Pedestrian Safety Initiative in 2016. The County's Action Plan recommits the County to improving pedestrian safety and expands the collaborative effort to improving safety for drivers and cyclists. The goal of the 2030 Action Plan is to eliminate serious and fatal collisions by 2030. The target will be achieved by completing 45 action items in the areas of complete streets, a multi-modal future, and a culture of safety. To learn more about Vision Zero and to read the 2030 Action Plan, visit <https://montgomerycountymd.gov/visionzero/>.

RESULTS

According to preliminary data, there were 252 serious and fatal collisions in 2023, a 32 percent reduction compared to the pre-Vision Zero five-year average (2012-2016). To continue moving towards our long-term goal of zero serious and fatal crashes, the Montgomery County Department of Transportation (MCDOT) continued reviews of roadway segments along the High Injury Network (HIN) including Lost Knife Road, Crystal Rock Drive, and Randolph Road. MCDOT is partnering with the Maryland Department of Transportation State Highway Administration (MDOT SHA) to enhance safety on MD 97 (Georgia Avenue) and MD 185 (Connecticut Avenue) in Aspen Hill, which will make it safer for people walking and biking. MCDOT continued installing protected bicycle lanes across the County. During fiscal year 2023, MCDOT and MDOT SHA had eight bikeway projects completed or under construction, four completed design projects with construction pending, and nineteen projects under design. Educational efforts have been conducted in HINs, pedestrian collision hot spots, as well as targeted to high-risk groups including a new Spanish language campaign for helping drivers and pedestrians understand the newly installed pedestrian hybrid beacons in the County. These efforts were conducted in coordination with enforcement efforts and have been used to change

unsafe pedestrian and driver behaviors. Engineering improvements, along with education and enforcement, have modified perceptions of risk and responsibility on the roads and sidewalks. For a full update, see the FY23 Vision Zero Annual Report available on the Vision Zero website by using the following link: https://www.montgomerycountymd.gov/visionzero/Resources/Files/FY23_Vision_Zero_Annual_Report.pdf.

County Council approved \$142.3 million in FY25 expenditures in support of Vision Zero. The FY25 Approved Operating Budget includes \$64.8 million for Vision Zero initiatives. In addition, the Capital Improvements Program (CIP) includes \$77.5 million in expenditures for FY25.

Services dedicated to improving traffic safety include general program offerings, as well as targeted services. These services address current critical needs and the desired outcome of reducing serious and fatal collisions. Below are some of the major County government programs currently supporting Vision Zero.

Department of Transportation

- Continue expansion of traffic signals and Pedestrian Hybrid Beacons (PHBs) to increase pedestrian and bicycle visibility and safety. Over 50 new PHBs and signals have been installed by the County and State since the first Vision Zero Action Plan in 2018.
- Conduct bus stop safety audits along corridors throughout the County, focused on HIN corridors and road segments with high numbers of transit/bus stops and high pedestrian crossing volumes to improve safety and accessibility for transit users.
- Improve the ability of students to walk or bike to school safely through enhanced facilities as part of the Safe Routes to Schools program. This includes the evaluation and assessment of traffic and operational safety proximal to County schools.
- Participate in regional Street Smart education campaigns to enhance pedestrian safety. The campaigns use transit/bus shelters, transit-related advertising, and gas station advertising throughout the County to promote safe behaviors and raise awareness about the importance of bicycle and pedestrian safety. The four-week media campaigns, proffered twice yearly, are also coordinated with targeted enforcement actions. Since 2015, this campaign was modified and broadened to a County-wide, year-round effort to also reach teenage and senior populations.
- Implement traffic calming improvements including the installation of pedestrian refuge islands, curb extensions, speed humps, and improved signing and markings. Where traffic calming has been employed in areas with collisions, there has been a measurable reduction in vehicles traveling above the posted speed limit and a 44 percent reduction in pedestrian-vehicle collisions.
- Modify traffic signal phasing along some multilane roadways, such as Shady Grove Road, to regulate when left turns are permitted. By changing left-turn phasing and restricting left turns against opposing traffic, left-turn crashes at signalized intersections have been reduced. This initiative began at intersections where fatal crashes associated with left turns were documented, but this treatment is anticipated to be expanded to other signalized locations within the County.
- Improve sidewalk connectivity to transportation, commercial and employment areas, and medical facilities throughout the County. New funding is focused on accelerating sidewalk construction near schools.
- Provide curb ramps for sidewalks and other accessibility enhancements on County roadways through the ADA compliance program.
- Completed construction of Woodmont Avenue Phase One, Emory Lane and Muncaster Mill Road Shared Use Path, White Flint West Workaround, and the Glenmont/Aspen Hill Neighborhood Greenway. Montgomery Avenue Phase 2B and the Capital Crescent Trail along the Purple Line were under construction as of the end of FY23.
- MCDOT hosted a Vision Zero Youth Ambassador program with over 30 high school students to create the next generation of traffic safety leaders and develop projects that impact safety in their communities.
- Conduct evaluations of pedestrian and bicycle facilities in eight of the County's twenty-eight Bicycle and Pedestrian Priority Areas (BiPPAs) and construct improvements to pedestrian and bicycle connectivity and safety in these BiPPAs. Design is on-going for pedestrian and bike facilities along Veirs Mill Road and Purple Line stations in Silver Spring and Langley Park.
- Update streetlighting, signing, pavement marking, and traffic signal standards and investigate Complete Street guidelines

that seek to address crucial Vision Zero core concepts.

- Coordinate with M-NCPPC to review and approve trail crossings and intersections, projects that enhance safety at many mid-block crossings throughout the County.
- Coordinate with MDOT SHA to implement many safety improvements throughout important High Injury Network corridors. This year MDOT SHA advanced projects along Old Georgetown Road and New Hampshire Avenue.

Department of Police

- Manage and analyze a database of collision data used to inform policy and program decisions through the Police Traffic Operations Division, such as the identification of high crash locations, locations for traffic calming improvements, and groups and areas at high risk of being involved in serious and fatal collisions.
- Prioritize enforcement of pedestrian safety and traffic safety laws in the High Injury Network and areas around elementary, middle, and high schools in coordination with MCDOT's pedestrian safety education activities. Overall, enhanced enforcement of pedestrian and traffic safety laws helps modify perceptions of risk and responsibility on the road, can change behavior, and contribute to building a culture of safety.
- Ran a successful Holiday Alcohol Task Force from November 2023 to January 2024 with 143 arrests for driving under the influence (DUI) of alcohol and/or drugs. During the task force, MCPD partnered with MCDOT and Alcohol Beverage Services (ABS) for a safety campaign providing safe alternatives to driving impaired.
- Coordinate with municipal, Maryland Transportation Authority, and State Police for joint efforts to address excess speed and car races.
- Continue to implement Countywide speed, red-light, and school bus camera enforcement to slow traffic to posted speed limits. MCPD's contract is expanding the fleet of red-light and speed cameras available at approved locations across the County.
- Montgomery County Police have been instrumental in helping reduce the number of pedestrian collisions by:
 - administering special pedestrian crosswalks;
 - operating safe streets corridors;
 - conducting holiday and school enforcements; and
 - dedicating regular on-duty police enforcement in HINs to issue warnings to pedestrians and motorists.

Office of Public Information

- Elevate Vision Zero events, campaigns, and safety messaging through timely press releases, media advisories, and posts on social media.
- Continue the bilingual education of the public, in cooperation with Montgomery County Police Department and all departments represented on the Vision Zero Steering Committee regarding the three main causes of fatal and serious-injury crashes:
 - Distracted drivers;
 - Impaired drivers, cyclists, and pedestrians; and
 - Crosswalk issues, i.e.; drivers turning right (or left) into pedestrians and pedestrians crossing mid-block on major roadways.

Multi-Agency Summary Schedules

The multi-agency summary schedules include data for Montgomery County Government (MCG), Montgomery County Public Schools (MCPS), Montgomery College, Maryland-National Capital Park and Planning Commission (M-NCPPC), and for Debt Service. Not included are: the Washington Suburban Sanitary Commission (WSSC), the Housing Opportunities Commission (HOC), and the Montgomery County Revenue Authority.

SCHEDULE A, FISCAL SUMMARY BY FUND

This schedule presents information organized by tax supported funds, special funds, and enterprise (self-supporting) funds. More detail is shown for Montgomery County Government, which has more special funds, than is shown for the other agencies. Fund balances expected to be available to fund the coming budget are shown, along with the new revenues estimated for that year, the inter-fund transfers that affect the net revenue available, the County Council's approved appropriations, and the fund balances projected to be on hand at the end of the coming year.

SCHEDULE A-1, BUDGET SUMMARY BY AGENCY

This schedule displays a summary by agency, separating tax supported, grant supported, and self-supported fund appropriations for the coming fiscal year, and comparing them to the current fiscal year.

SCHEDULE A-2, TAX SUPPORTED FUND BALANCES

This schedule summarizes the estimated fund balances for the end of the current fiscal year and the next fiscal year for all tax supported funds.

SCHEDULE A-3, CAPITAL IMPROVEMENTS PROGRAM CURRENT REVENUE REQUIREMENTS

This schedule displays the current revenue requirements of County agencies, by fund, across the years of the Capital Improvements Program (CIP). Each year, specific CIP projects are funded with current revenues rather than with general obligation bonds or other revenue sources. The current revenue amount also includes pay as you go (PAYGO) contributions made as direct offsets to debt obligations to maintain the County's debt within safe boundaries. Inflation is an unallocated amount to cover increased costs due to inflation.

SCHEDULE A-4, FISCAL SUMMARY BY FUND

This schedule displays resources and use of resources data for all funds, including beginning and ending fund balance,

revenues, transfers, expenditures, appropriations, and claims on fund.

SCHEDULE A-5, INTER-FUND TRANSFERS

This schedule shows more detailed information concerning transfers to and from each fund by agency and fund type (tax or non-tax supported).

SCHEDULE A-6, CONTRIBUTIONS TO/FROM OTHER FUNDS

This schedule displays necessary movements of funds between agencies to support appropriations.

Expenditure Schedules

The expenditure schedules include data for the following County agencies: MCG, Debt Service, MCPS, Montgomery College, and M-NCPPC. Not included are: WSSC, HOC, and the Montgomery County Revenue Authority.

SCHEDULE B-1, EXPENDITURES DETAILED BY TYPE

This schedule reports by fund type (tax or non-tax supported) for all agencies all expenditures for the operating budgets of MCG, Debt Service on County bonds issued for capital projects, MCPS, Montgomery College, and M NCPPC. The purpose of Schedule B 1 is to display the total cost of the government functions.

SCHEDULE B-2, EXPENDITURES DETAILED BY AGENCY, GOVERNMENT FUNCTION, AND DEPARTMENT

This schedule gives an overview of the allocation of resources by agency and by function within MCG. The purpose of Schedule B-2 is to display the cost of government and the expenditures and budgets of the departments included in those functions regardless of fund type. This schedule reflects a categorization of functions that corresponds to department appropriations and is not intended to match the categorization of functions in the County's Comprehensive Annual Financial Report, which is reported at a more detailed program level.

SCHEDULE B-3, EXPENDITURES DETAILED BY AGENCY, FUND TYPE, GOVERNMENT FUNCTION, AND DEPARTMENT

This schedule presents the total expenditures for all agencies and each department of MCG according to fund type. Because this schedule is organized by fund, there is no total expenditure figure for those departments whose activities appear in more than one fund (e.g., DHHS, DHCA). Consult Schedule B 2 for the total expenditures of these departments. This schedule reflects a categorization of functions that corresponds to department and fund appropriations and is not intended to match the categorization of functions in the County's Comprehensive Annual Financial Report, which is reported at a more detailed program level.

SCHEDULE B-4, EXPENDITURES BY APPROPRIATION CATEGORY

This schedule summarizes MCG expenditures into the four appropriation categories presented on departmental Budget Summary pages: Personnel Costs, Operating Expenses, Debt Service (G.O. bonds and other), and Capital Outlay. The Internal Service Fund appropriations are included in the individual departments and, therefore, are not displayed.

SCHEDULE B-5, MONTGOMERY COUNTY GOVERNMENT INTERNAL SERVICE FUNDS

Internal Service Funds record the financing of goods or services provided by one department to other departments on a cost reimbursement basis. The Internal Service Fund units charge back their costs to the users, so that the costs of these services are found in the appropriations of all departments. Because each department includes the Internal Service Funds' appropriations in its individual budget, these accounts are displayed separately to ensure that they are not double counted in the "Total Montgomery County Government" expenditures.

Workforce Schedules

The workforce schedules include data for the following County agencies: MCG, MCPS, Montgomery College, and MNCPPC. Not included are: WSSC, HOC, and the Montgomery County Revenue Authority.

SCHEDULE D-1, WORKFORCE DETAILED BY TYPE

This schedule reports by fund type, for all agencies, all positions and workyears attributed to the operating budgets of MCG, MCPS, Montgomery College, and M-NCPPC.

SCHEDULE D-2, WORKFORCE DETAILED BY AGENCY, GOVERNMENT FUNCTION, AND DEPARTMENT

This schedule gives an overview of the allocation of staff by agency for all County agencies and by function within MCG. One workyear is the time that one full time employee will regularly work during an entire fiscal year. Part time employees are represented by fractions of a workyear. This schedule takes the functions displayed in Schedule D 1 and shows the positions and workyears of the departments by function. This table is useful for tracking the workyear history by government function.

SCHEDULE D-3, WORKFORCE DETAILED BY AGENCY, FUND TYPE, GOVERNMENT FUNCTION, AND DEPARTMENT

This schedule presents the total positions and workyears for all agencies and each department of MCG according to function and fund type. Because this schedule is organized by fund type, there are no total position and workyear figures for those agencies whose activities are funded from multiple revenue sources (e.g., DHHS, DHCA). Consult Schedule D 2 for the total personnel of these departments.

The Workyears (WYs) employment indicator changed to Full-Time Equivalent (FTEs). Tables throughout the book showing FTEs in prior years have not been converted to FTEs; they still reflect WYs and maintain the integrity of the previously approved budgets.

Property Tax Schedules

SCHEDULE E-1, ASSESSABLE TAX BASES

This schedule shows the value of property subject to the various property taxes levied in the County.

Special Districts have boundaries defined in law, and the taxes collected within them are dedicated to specific purposes. With three exceptions, the Special Districts apply to areas smaller than the entire County. The exceptions are the Mass Transit tax, Fire tax, and the Advance Land Acquisition Fund tax administered by M NCPPC, under the direction of the County Council. These three taxes are levied Countywide, just like the general County property tax and the State property tax.

Property taxes are collected by the County for the 23 municipalities and special taxing areas in the County. Municipal property taxes are levied by the municipalities, not the County, and are not included in this schedule.

Property owners pay taxes for several different Special Districts in addition to Countywide taxes. Schedule F-5 contains tax rates for the different Special Districts and Countywide taxes. Schedule E-1 shows the growth in the property bases in recent years. Increases in total property taxes paid by individual property owners result from changes in both property assessment and tax rates. Also shown are projections by the County Finance Department of the different tax bases.

Since FY01, the assessment of real property changed from 40 percent to 100 percent of full cash value as a result of the enactment of SB626, Chapter 80 of the Laws of 2000 "Truth in Taxation – Real Property Tax Assessments" by the Maryland Legislature.

SCHEDULE E-2, PROPERTY TAX RATES

This schedule shows the current and historical tax rates applied to the tax bases described in Schedule E-1.

FY24 and FY25 Taxes & User Charges for Average Household In Montgomery County (1)

	FY24	FY25	\$ CHG	% CHG
Property (2,3)	\$ 5,590	\$ 5,750	\$ 160	2.9%
Income (3)	\$ 5,090	\$ 5,160	\$ 70	1.4%
Other (4)	\$ 1,070	\$ 1,110	\$ 40	3.7%
Total Taxes	\$ 11,750	\$ 12,020	\$ 270	2.3%
Water & Sewer (5)	\$ 1,006	\$ 1,110	\$ 104	10.3%
Solid Waste/Leaf Collection (6)	\$ 417	\$ 435	\$ 18	4.2%
Total Charges	\$ 1,422	\$ 1,544	\$ 122	8.6%
Total Taxes & Charges (7,8)	\$ 13,172	\$ 13,564	\$ 392	3.0%

Note (1): Average household tax burden computed as total estimated revenue divided by number of households.

Note (2): Property taxes for FY24 and FY25 are at adopted rates effective July 1, 2023 and July 1, 2024, respectively and incorporate an income-tax offset credit for an owner-occupied home of \$692 in FY24 and \$692 in FY25.

Note (3): The weighted real property tax rate is \$1.0255 per \$100 assessed value for FY24 and is \$1.0255 per \$100 assessed value for FY25. The FY24 and FY25 weighted rates include a \$0.047 tax rate that is authorized by Maryland Code, Education § 5-104 (d)(1) to be used exclusively for MCPS. The increase in the FY25 average household property tax is attributed to the increase in the total real property taxable assessed values. The income tax rate of 3.2 percent has not changed.

Note (4): Other taxes include transfer, recordation (General Fund only), fuel/energy, telephone, admissions, e-cigarettes, and the water quality protection charge. The water quality protection charge is an annual charge specified per equivalent residential unit (ERU) and increases from \$126.00/ERU in FY24 to \$136.50/ERU in FY25.

Note (5): Water & Sewer bill included a 8.5% average water and sewer rate increase, consisting of a 2.4% increase in the water and sewer rate, a 65% increase in the Infrastructure Investment Fee, and a 65% increase in the Account Maintenance Fee. Although overall revenue generated by the rates will increase 8.5%, the impact on an individual customer will vary depending on their water use. The amount assumes 150 gallons average daily consumption.

Source: Fiscal Year 2025 Adopted Budget (p. 2-3), Washington Suburban Sanitary Commission.

Note (6): Solid Waste charges for single-family households increases from \$293.26 in FY24 to \$310.92 in FY25. Leaf Collection charges for single-family households remains at \$123.67 in FY25.

Note (7): Tax & User Charges are not adjusted for inflation.

Note (8): Totals may not add due to rounding

History Schedules

SCHEDULE F-1, TEN YEAR HISTORY OF EXPENDITURES IN CURRENT AND DEFLATED DOLLARS

This schedule shows the growth in expenditures for four major agencies: MCG, MCPS, Montgomery College, and M-NCPPC, in both current dollars and deflated to Fiscal Year 08. The purpose is to give a sense of the size of increases in real spending, with inflation removed.

SCHEDULE F-2, TEN YEAR HISTORY OF REVENUE BY MAJOR CATEGORY

This schedule reports the revenues received by MCG, Debt Service, MCPS, Montgomery College, and M-NCPPC. The great majority of the revenues are collected by Montgomery County government, but the educational institutions do receive significant State aid plus revenues from tuition, food service, and other charges.

The columns showing the percent of total revenues represented by the major categories give a sense of the relative importance of different types of revenues and show changes over time.

SCHEDULE F-3, TEN YEAR HISTORY OF COUNTY GOVERNMENT WORKYEARS BY FUNCTION

This schedule has two tables that display workforce history in different ways. The first displays MCG FTEs by function. The second table takes the workforce data in the first table and divides it by the estimated population for each year to show the annual change in the number of workers per 1,000 population. The purpose is to show how the size of the MCG workforce, by governmental function, is tracking the growth in population. The data in this table excludes FTEs provided by contract.

SCHEDULE F-4, TEN YEAR HISTORY OF COUNTY AGENCIES WORKYEARS BY FUND

This schedule is similar to F-3 but displays MCG FTEs by fund over the ten years.

SCHEDULE F-5, TEN YEAR HISTORY OF PROPERTY TAX RATES FOR TYPICAL PROPERTY OWNER

This schedule shows the tax rates per 100 dollars of assessed valuation paid by the typical property owner.

SCHEDULE F-6, HISTORICAL ANALYSIS OF PROPERTY TAX RATES

This schedule shows the total average weighted property tax rate (i.e., the rate resulting from taking all rates approved by the County Council, all other municipal district tax rates, and the State of Maryland tax rate, and weighing them by their respective assessable bases related to the Countywide base).

The Workyears (WYs) employment indicator changed to Full-Time Equivalent (FTEs). Tables throughout the book showing FTEs in prior years have not been converted to FTEs; they still reflect WYs and maintain the integrity of the previously approved budgets.

Notes:

Montgomery County is the weighted average of the tax rates in the FY25 Approved Budget for the tax-supported property revenues and do not include Parking Lot Districts.

Montgomery County weighted rate includes a \$0.047 tax rate that is authorized by Maryland Code, Education § 5-104 (d)(1).

Municipalities are the weighted average of approximately 23 municipal districts and are based on adopted tax rates for FY25 and the taxable assessments for levy year 2024.

Resolution No.:	<u>20-526</u>
Introduced:	<u>May 23, 2024</u>
Adopted:	<u>May 23, 2024</u>

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of and Appropriation for the FY 2025 Operating Budget of the Montgomery County Government

Background

1. As required by Section 303 of the County Charter, the County Executive sent to the County Council the FY 2025 Operating Budget for the Montgomery County Government.
2. As required by Section 304 of the County Charter, notice of public hearing was given and a public hearing was held.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

1. The Council approves the FY 2025 Operating Budget for the Montgomery County Government and appropriates the funds as shown on the attachment to this resolution in the following sections.

Section A: The General Fund Operating Budget contains the tax supported, non-grant-funded appropriations for departmental and non-departmental General Fund accounts.

Section B: The Special Revenue Funds Tax Supported Budget contains the non-grant appropriations associated with all tax supported Special Funds.

Section C: The Debt Service Budget includes all tax supported debt service on General Obligation Bonds for the General Fund and tax supported Special Funds and all tax-supported expenditures for long term leases, short term leases, and other tax supported and non-tax supported debt.

Section D: The Grant Fund Operating Budget contains the grant-funded appropriations for all tax supported General Fund accounts and tax supported Special Fund accounts of County Government. Any appropriation for and spending on any project funded by non-County funds is contingent on notice of receipt of the non-County funds.

Section E: The Special Revenue Funds Self-Supporting Funds Budget contains both grant and non-grant-funded appropriations for self-supporting (non-tax supported) funds.

Section F: The Enterprise Funds Budget contains both grant and non-grant-funded appropriations for enterprise funds and the debt service appropriation for enterprise funds and notes the total appropriations for the County's Risk Management Liability and Property Coverage Self-Insurance Fund and Employees Health Benefits Self-Insurance Fund.

2. This resolution re-appropriates or appropriates revenue received from non-County sources for programs funded in whole or in part from those non-County funds:
 - (a) together with matching County funds, if any; and
 - (b) to the extent that the program period approved by the non-County source requires more than one fiscal year to complete the grant program, under the terms of receipt of the non-County revenues.

3. This resolution re-appropriates the fund balances of the following funds and non-departmental accounts (NDA):
 - Central Duplicating Fund
 - Economic Development Fund
 - Housing Initiative Fund
 - Motor Pool (DGS) Internal Service Fund
 - Rehabilitation Loan Fund
 - Restricted Donation Special Revenue Fund
 - Guaranteed Income NDA
 - Labor Management Relations Committee NDA
 - Community Grants NDA

4. This resolution re-appropriates the June 30, 2024 fund balance for the Drug Enforcement Forfeiture Fund permitting it to be spent in FY 2025. As required in Section 35-13B of the County Code, the Chief of Police must provide reports to the Executive and the Council on December 15, 2024 and March 15, 2025 regarding the unreserved fund balance, expenditures, and the approved budget for the Drug Enforcement Forfeiture Fund.

5. This resolution re-appropriates encumbered appropriations, permitting them to be spent in FY 2025. Any unencumbered appropriation lapses at the end of FY 2024, except as re-appropriated elsewhere in this resolution.

6. This resolution re-appropriates the unencumbered balance of any special and supplemental appropriations approved as part of the County's response and recovery efforts related to

the COVID-19 pandemic for the same purpose(s) and on the same terms as set forth in the initial appropriations.

7. Section G of this resolution lists the entities designated to receive non-competitive contract awards under Section 11B-14(a)(4) of the County Code, which states: “A contract may be awarded without competition if the Chief Administrative Officer makes a written determination that the contract award serves a public purpose” and “a proposed contractor has been identified in an appropriation resolution approved by the Council.” Appropriations for these awards are included in the departmental and non-departmental appropriations in Sections A through F. The Chief Administrative Officer has determined that the entities listed in Section G serve a public purpose and contract awards are in the public interest. The appropriated amounts allocated to particular entities listed in Section G are estimates only and may vary among entities due to changed circumstances. The FY 2025 amounts include inflationary adjustments approved by the Council for FY 2025, and those for FY 2024 approved by Council but not included in Resolution 20-184, Section G. The Council in Resolution 14-490 adopted the process to designate entities under this provision.
8. This resolution appropriates \$21,694,038 to the Department of Health and Human Services to provide payments to organizations providing direct services to clients of residential, community supported living arrangements, day habilitation, or supportive employment provided through the Developmental Disabilities Administration. In order to receive this payment, an organization must provide any documentation requested by the Department of Health and Human Services and the organization must be in compliance with the Montgomery County Minimum Wage law. Section G of this resolution includes entities eligible to receive the non-competitive payments.
9. This resolution appropriates \$2,422,992 to the Department of Health and Human Services to provide payments to organizations providing adult medical day care services that accept Medicaid funding. In order to receive this payment, an organization must demonstrate to the Department the organization is licensed and in good standing with the Maryland Department of Health, Office of Healthcare Quality. The organization must provide any documentation requested by the Department to determine the use of the program by Medicaid funded County residents and the organization must be in compliance with the Montgomery County Minimum Wage law. Section G of this resolution includes entities eligible to receive the non-competitive payments.
10. If an error in the name of an entity or the stated purpose for a non-competitive contract identified in Section G does not alter the substance of the Chief Administrative Officer’s determination and Council’s approval of the award, the Director of the Office of Procurement may proceed with the non-competitive contract without an amendment to Section G. The Director of the Office of Procurement must notify the Council within 7 days after making each determination.
11. In the following agency budgets, the Council appropriates payments to the Risk Management Liability and Property Coverage Self-Insurance Fund. The Director of Finance must transfer the following net amounts from the respective appropriations for

County Government, Montgomery County Public Schools, and Montgomery College to the Risk Management Liability and Property Coverage Self-Insurance Fund on or immediately after July 1, 2024. The Director of Finance must notify the Maryland-National Capital Park and Planning Commission that its net contribution to the Fund is due on or immediately after July 1, 2024.

\$14,098,640	N/A	N/A	Other Income (includes investment income and recovered losses)

These contributions and the fund balance are available to support an FY 2025 Risk Management Liability and Property Coverage Self-Insurance Fund appropriation, including Return of Contribution, of \$112,829,557.

12. This resolution appropriates \$20,000,000 for the Future Federal, State, or Other Grant Non-Departmental Account (the "Account" for purposes of this Paragraph 12) in the County Government Grant Fund to fund specific programs or activities designated in a grant, donation, contribution, reimbursement, or other non-County funding source received in FY 2025. Subject to the following conditions, when the County receives funds for a program from a non-County source, the County Executive may transfer funds from this Account to the appropriate fund for a department or office to support the program:

- (a) The program must not require any new FY 2025 tax supported appropriation or future tax supported County funds.
- (b) Subject to the balance in the Account, any amount can be transferred in FY 2025 for any program which meets at least one of the following six conditions: (1) the amount is \$200,000 or less; (2) the program was funded in FY 2024; (3) the program was included in the FY 2025 budget; (4) the program was funded by the Council in a supplemental or special appropriation in FY 2025; (5) the amount is funded by an insurance reimbursement that has been received; or (6) the amount is funded by revenues from the State of Maryland Emergency Number Systems Board.
- (c) The Executive must provide the Council with a quarterly report of each transfer made no later than September 30, December 30, March 30, and June 30 each year.

The Department of Finance may transfer funds from the Account to the Restricted Donation Special Revenue Fund on a quarterly basis. The Council must approve a transfer for any individual donation which exceeds \$200,000 unless the donation meets one of the conditions in subparagraph (b) of this paragraph.

The Executive must approve each transfer under this paragraph and must notify the Council within 30 days after each transfer. The Office of Management and Budget must maintain a record to ensure that the total appropriation for the Account is not exceeded.

The Executive may also transfer an appropriation from a specific department or office grant appropriation in the County Government Grant Fund to the Account when a specific grant is less than the amount appropriated. The amount of the transfer must equal the difference between the amount appropriated and the grant award.

For FY 2025, the County Executive may transfer funds from this Account to the Department of Police for expenses incurred as a part of an agreement with another governmental entity to fund law enforcement activities as requested or approved by that entity. The Executive must notify the Council in writing within 10 working days when this method of transfer is used for an amount that exceeds \$200,000. The Executive must provide the notice required in Paragraph 18 in the case of an emergency response.

13. The Executive may transfer County matching funds within a department or office from the appropriate fund to an account for the same department or office in the Grant Fund when the grantor requires a County match.
14. When the County Government receives more non-County funds (excluding FEMA reimbursement) than were budgeted for a program which also receives some County funds:
 - (a) Council approval is not required to substitute the non-County funds for County funds for the same program. In this case, there is no change in the total appropriation.
 - (b) Council approval is required to increase the total appropriation for the program. The Council may decide to substitute non-County funds for County funds instead of increasing the appropriation.
15. When the County Government receives official notice that government aid or grant funds will be less than was budgeted for a program:
 - (a) Council approval is required to substitute County tax supported funds for non-County funds. In this case, there is no change in total appropriation for the program.
 - (b) The Executive must report to the Council any recommendation to reduce expenditures in an affected program to offset any loss of non-County funds. A reduction of 10% or less from the amount estimated in the FY 2025 approved budget for any grant or specific source of government aid may be reported through the report required in Paragraph 12(c) of this resolution. A reduction of greater than 10% from the approved amount estimated in the FY 2025 approved budget for any grant or specific source of government aid must be reported within 15 days.
16. For FY 2025, funds for Federal Emergency Management Agency (FEMA) reimbursements of Urban Search and Rescue Team activities may be appropriated through a transfer from the Future Federal, State, or Other Grant Non-Departmental Account as provided in Paragraph 12. In order to use this method of appropriation, the County Executive or a designee must forward a copy of each FEMA authorization letter to the Council President within 5 working days after the County receives the FEMA authorization.
17. For FY 2025, reimbursement payments from the Federal government for providing security through the Police Department on an overtime basis may be appropriated through a transfer from the Future Federal, State, or Other Grant Non-Departmental Account as provided in Paragraph 12. In order to use this method of appropriation, the Executive must forward to the Council President a copy of a contract, memorandum, or letter from a federal agency authorizing the County to provide such security. The Department must specify the amount of reimbursement funding, and the contract, letter, or memorandum must be forwarded within 5 working days after the County receives the authorization.
18. For FY 2025, reimbursement payments from Federal, state, or local governments for emergency response or assistance by Montgomery County departments or offices may be appropriated through a transfer from the Future Federal, State, or Other Grant Non-Departmental Account as provided in Paragraph 12. In order to use this method of

appropriation, the Executive must forward to the Council President a copy of the contract, memorandum, or letter from the federal, state, or local agency authorizing the County to provide the requested assistance. The Executive must specify the amount of reimbursement funding and must forward the contract, letter, or memorandum within 5 working days after the County receives the authorization.

19. In Resolution 20-483, adopted April 30, 2024, the Council expressed its intent to appropriate the funds necessary to implement the second year of the collective bargaining agreement (the “FOP Agreement” or “Agreement”) between the County government and the Fraternal Order of Police, Montgomery County Lodge 35, Inc. (“FOP”), for the term July 1, 2023 through June 30, 2025.

For FY 2025, this resolution: (1) appropriates funding for the FOP Agreement at the FY 2024 levels; and (2) appropriates increases in funding under the following provisions of the FOP Agreement:

- (a) *General Wage Adjustments*. A 3.5% general wage adjustment effective in July 2024, pursuant to the terms of the Agreement (Article 36).
- (b) *Service Increments*. 3.5% service increments for eligible members, pursuant to the terms of the Agreement (Article 28).
- (c) *Longevity adjustments*. A 3.5% longevity step increase for eligible members, pursuant to the terms of the Agreement (Article 28).

This resolution appropriates funds in FY 2025 for the medical, dental, prescription drug, vision, long-term disability, and life insurance provisions under the FOP Agreement as described in Paragraph 33. This Resolution appropriates funds in FY 2025 for retirement benefits as required by law.

20. In Resolution 20-484, adopted April 30, 2024, the Council expressed its intent to appropriate the funds necessary to implement the first year of the collective bargaining agreement (“IAFF Agreement” or “Agreement”) between the County government and the Montgomery County Career Firefighters, International Association of Fire Fighters, Local 1664, AFL-CIO (“IAFF”) for the term of July 1, 2024 through June 30, 2026.

For FY 2025, this resolution: (1) appropriates funding for the IAFF Agreement at the FY 2024 levels; and (2) appropriates increases in funding under the following provisions of the IAFF Agreement:

- (a) *General wage adjustment*. A 3.5% general wage adjustment effective in July 2024, pursuant to the terms of the Agreement (Section 19.1).
- (b) *Longevity increments*. A 3.5% longevity step increase for eligible employees, pursuant to the terms of the Agreement (Section 19).
- (c) *Service Increments*. A 3.5% service increment for eligible bargaining unit members on their anniversary dates, pursuant to the terms of the Agreement (Article 55).
- (d) *Special duty differentials*.

- i. The Agreement (Article 17) provides Bomb Technicians of the Fire Investigation Unit with a differential of 3.2% of the Fire Fighter III Step H base pay.
 - ii. The Agreement (Article 17) makes one Captain from the Fire Investigation Unit and one Captain from Technical Operations eligible for commander pay (i.e., 3.2% of Captain, Step J base pay).
 - iii. The Agreement (Article 17) makes bargaining unit employees who complete the Tactical Emergency Casualty Care (TECC) course and are assigned to Station 23 eligible for Certification Pay of \$500 annually.
- (e) *Peer support training.* The Agreement (Section 35.8) provides Peer Support Team members with overtime pay for certain training and continuing education.
- (f) *Certification reimbursement.* The Agreement (Section 40.5) provides eligible employees with reimbursement for certain Pro Board certification-eligible courses during initial Recruit Training.
- (g) *Cancer screenings.*
- i. The Agreement (Section 35.11) provides eligible employees with reimbursements for certain cancer screenings of up to \$350 per 36 months.
 - ii. A side letter to the Agreement provides eligible employees with a one-time reimbursement of up to \$800 for an early cancer detection blood screening.
- (h) *Tuition assistance.* The Agreement makes available tuition assistance in an amount up to \$135,000.
- (i) *Drinking water.* A side letter to the Agreement provides for individual plastic water bottles on each apparatus.

This resolution appropriates funds in FY 2025 for the medical, dental, prescription drug, vision, long-term disability, and life insurance provisions under the IAFF Agreement as described in Paragraph 33. This resolution appropriates funds in FY 2025 for retirement benefits as required by law.

Contingent upon Council Bill 9-24 becoming law and taking effect, the Council appropriates FY 2025 funding for alterations to pension benefits under Article 51 of the IAFF Agreement regarding the Social Security integration age of eligible IAFF members.

21. In Resolution 20-485, adopted April 30, 2024, the Council expressed its intent to appropriate the funds necessary to implement the second year of the collective bargaining agreement (the “MCGEO Agreement” or “Agreement”) between the County government and Municipal and County Government Employees Organization, UFCW, Local 1994 (“MCGEO”) for the term July 1, 2023 through June 30, 2026.

For FY 2025, this resolution: (1) appropriates funding for the MCGEO Agreement at the FY 2024 levels; and (2) appropriates increases in funding under the following provisions of the MCGEO Agreement:

- (a) *General wage adjustment.* A 4.5% general wage adjustment effective in November 2024, as provided pursuant to the terms of the Agreement (Article 5).
- (b) *Service increments.* A 3.5% service increment for eligible bargaining unit members on their anniversary dates, pursuant to the terms of the Agreement (Article 6).

- (c) *Service increments for FY2013.* A 3.5% service increment for all eligible bargaining unit members who would have been eligible to receive a service increment in FY2013, pursuant to the terms of the Agreement (Article 6).
- (d) *Longevity step increases.* A 3.25% longevity step increase for eligible bargaining unit members when those members have completed 16 years of service; 20-years of service; and 25 years of service, pursuant to the terms of the Agreement (Article 5). A 3.5% longevity step increase for eligible bargaining unit members on the Correctional Officers or Deputy Sheriff Uniform Salary Schedule when those members have completed 16 years of service; 20 years of service, and 25 years of service pursuant to the terms of the Agreement (Article 5).

This resolution appropriates funds in FY 2025 for the medical, dental, prescription drug, vision, long-term disability, and life insurance provisions under the MCGEO Agreement as described in Paragraph 33. This resolution appropriates funds in FY 2025 for retirement benefits as required by law.

- 22. The Council approves a 4.5% general wage adjustment effective the pay period beginning November 3, 2024 and adjustment to the minimum and maximum of each grade in the Salary Schedules for County Government non-represented employees. This resolution appropriates funds in FY 2025 for this purpose.
- 23. Effective the first full pay period that includes July 1, 2024 the Seasonal Salary Schedule will be adjusted as follows: the minimum and maximum for Grade S1 will be adjusted to equal the County minimum wage for a large employer of \$17.15 per hour that becomes effective July 1, 2024. The minimum and maximum for Grade S2 will be adjusted to \$17.65 per hour. The minimum and maximum for Grade S3 will be adjusted to \$18.15 per hour. The minimum and maximum for Grade S4 will be adjusted to \$18.65 per hour. The minimum and maximum for Grade S5 will be adjusted to \$19.15 per hour. The minimum for Grade S6 will be adjusted to \$19.65 per hour, and the maximum adjusted to \$22.54 per hour. The minimum for Grade S7 will be adjusted to \$21.46 per hour, and the maximum adjusted to \$26.02 per hour. The minimum for Grade S8 will be adjusted to \$24.22 per hour, and the maximum adjusted to \$29.62 per hour. This resolution appropriates funds in FY 2025 for this purpose.
- 24. The Council approves a 4.5% general wage adjustment effective the pay period beginning November 3, 2024 and adjustment to the minimum and maximum of each grade in the Salary Schedules for County Government non-represented employees in the Management Leadership Service (MLS). This resolution appropriates funds in FY 2025 for this purpose.
- 25. The Council approves a 3.5% general wage adjustment effective the pay period beginning July 14, 2024 and adjustments to the minimum and maximum of each grade in the Salary Schedules for County Government non-represented employees in the Police Leadership Service (PLS). This resolution appropriates funds in FY 2025 for this purpose.
- 26. The Council approves a 4.5% general wage adjustment effective the pay period beginning November 3, 2024 and adjustment to the minimum and maximum of each grade in the Salary Schedules for Sheriff Management. This resolution appropriates funds in FY 2025 for this purpose.

27. The Council approves a 4.5% general wage adjustment effective the pay period beginning November 3, 2024 and adjustment to the minimum and maximum of each grade in the Salary Schedules for Correctional Management. This resolution appropriates funds in FY 2025 for this purpose.
28. The Council approves a 3.5% general wage adjustment effective the pay period beginning July 14, 2024 and adjustments to the minimum and maximum of each grade in the Salary Schedule for Fire and Rescue Management. This resolution appropriates funds in FY 2025 for this purpose.
29. The Council approves a 4.5% general wage adjustment effective the pay period beginning November 3, 2024 and adjustment to the minimum and maximum of each grade in the Salary Schedules for Medical Doctors. This resolution appropriates funds in FY 2025 for this purpose.
30. This resolution appropriates \$2,500,000 for performance-based pay increases in lieu of service increments for non-represented employees in the Management Leadership Service (MLS) and in the Police Leadership Service (PLS) in lieu of a pay-for-performance award.
31. This resolution appropriates funding in FY 2025 for a 3.5% service increment effective the first day of the pay period in which an employee's anniversary date falls, and for a 3.25% longevity increment after 16 years of service, a 3.25% longevity increment after 20 years of service, and a 3.25% longevity increment after 25 years of service for County Government non-represented employees who are not in the Management Leadership Service (MLS) or the Police Leadership Service (PLS).
32. This resolution appropriates funding in FY 2025 for a 3.5% longevity increment after 16 years of service, a 3.5% longevity increment after 20 years of service, and a 3.5% longevity increment after 25 years of service for Correctional Management and Sheriff Management.
33. This resolution appropriates funds for employee group insurance benefits for the fiscal year that begins on July 1, 2024. This appropriation is subject to the following conditions:

The following cost-sharing provisions must apply to each eligible County employee and each eligible employee of a participating agency whose active employees are paid through the County's payroll system. These provisions do not apply to any eligible employee of a participating agency that does not use the County's payroll system for active employees. These provisions do not apply to any eligible retired employee.

Group Insurance Premiums

(medical, prescription drug, dental, vision, life insurance, long-term disability insurance)

The County must pay 80% of the cost of the premiums, and each employee must pay 20% of the cost of the premiums, for each benefit plan listed below:

- Health Maintenance Organization (HMO) medical plan, including any prescription drug plan that is bundled with an HMO medical plan;
- Point-of-Service (POS) medical plan;
- Stand-alone prescription drug plan (Standard Option plan);
- Dental;

- Vision;
- Basic Life insurance;
- Dependent Life insurance \$2,000/\$1,000/\$100 tier; and
- Long-term disability insurance.

Optional Life insurance and Optional Dependent life insurance (\$4,000/\$2,000/\$100 tier and \$10,000/\$5,000/\$100 tier) remain at 100% paid by each employee.

Prescription Drug Benefits

The County's stand-alone prescription drug plans may also allow each employee to buy up to a 90-day supply of a maintenance medication at any retail pharmacy agreed on by the County and the Pharmacy Benefits Manager (PBM) in addition to using the PBM's mail service pharmacy. An employee must pay a fee if a maintenance prescription is filled at a retail pharmacy other than a pharmacy agreed on by the County and the PBM. This fee is the difference between the mail order cost and the retail prescription cost. This fee is in addition to the corresponding co-payment.

The County's prescription drug plan must limit coverage for each participant to a maximum of 6 doses each month for any drug specifically approved by the Food and Drug Administration for the treatment of erectile dysfunction. Medications currently approved for this purpose include sildenafil (Viagra), vardenafil (Levitra), and tadalafil (Cialis).

These requirements of the prescription drug benefit must apply to each participant in the County's prescription drug plan, including each eligible retired employee, survivor, dependent, and employee of a participating agency. Each Medicare-eligible retiree or survivor must be in a Medicare Part D Employer Group Waiver Plan (EGWP) plus Wrap prescription drug plan.

Basic Life Insurance Benefit

For each full- or part-time employee eligible for life insurance coverage, the County must provide term life insurance coverage equal to the employee's earnings (as defined in the Group Insurance Certificate) rounded up to the nearest thousand dollars. The County will offer each eligible employee the opportunity to buy additional Optional Life Insurance at full cost during Open Enrollment.

For each full- or part-time employee eligible for life insurance coverage, the County must provide an accidental death and dismemberment (AD&D) benefit. The AD&D benefit includes:

- AD&D insurance of 8 times earnings, up to \$600,000, for a loss of life that is a direct result of an accidental injury sustained in the performance of County employment. A lower amount may be payable for certain dismemberments resulting from accidental bodily injury.
- AD&D insurance of 4 times earnings, up to \$300,000, for a loss of life that is not a direct result of an accidental injury sustained in the performance of County employment. A lower amount may be payable for certain dismemberments resulting from accidental bodily injury.

Modifications – Council approval

Any material change in any part of this paragraph or its application to any employee or group of employees, including any premium holiday or other waiver of premiums for County-provided health or life insurance, is subject to Council approval.

34. This resolution does not appropriate funds for emergency pay or hazard pay (including health emergency hazard pay) in FY 2025 for more than 10 consecutive days to any employee. Any emergency pay or hazard pay extending for more than 10 consecutive days for any employee must not be paid unless the Council approves a supplemental or special appropriation authorizing the extended payments.
35. This resolution does not appropriate any funds to the Retiree Health Benefits Trust Non-Departmental Account in FY 2025. The Chief Administrative Officer is authorized to withdraw up to \$8,886,000 funds from the Consolidated Retiree Health Benefits Trust for the payment of Montgomery County Government retiree health insurance benefits in FY 2025 in accordance with the Other Post-Employment Benefits (OPEB) Funding Policy approved via Council Resolution 20-337.
36. This resolution appropriates \$59,106,261 to the Consolidated Retiree Health Benefits Trust (MCPS) Non-Departmental Account and does not appropriate any funds to the Consolidated Retiree Health Benefits Trust (Montgomery College) Non-Departmental Account. These funds must be deposited into the Trust created under County Code Section 33-159. These funds must be used only for the payment of retiree health insurance benefits. The Chief Administrative Officer is authorized to direct that up to \$27,200,000 from the Consolidated Retiree Health Benefits Trust may be transferred to the Montgomery County Public Schools (MCPS) Other Postemployment Benefits (OPEB) Trust as needed by MCPS for the payment of FY 2025 retiree health insurance benefits.
37. This resolution appropriates \$373,381,118 as the FY 2025 Employee Health Benefit Self Insurance Fund Appropriation.
38. For FY 2025, this resolution appropriates \$4,336,137 to the Compensation and Employee Benefits Adjustment Non-Departmental Account for the following purposes. The County Executive may transfer the entire amount appropriated in this NDA to County departments or offices as needed.

MLS/PLS Pay for Performance Tax Supported	\$1,500,000
MLS/PLS Pay for Performance Non-Tax Supported	\$1,000,000
Unemployment Insurance	\$400,000
Non-qualified Retirement	\$55,500
Deferred Compensation Management	\$305,700
Collective Bargaining Actuarial Services	\$456,000
Retirement Enhancement	\$618,937
TOTAL	\$4,336,137

39. The Council requests that the participating agencies continue the work of the Interagency Technology Policy and Coordination Committee (ITPCC) as described in Resolution 12-1758, adopted on July 26, 1994.
40. The Council requests that the participating agencies continue the work of the Interagency Procurement Coordinating Committee, the Interagency Public Information Working Group, the Interagency Committee on Energy and Utilities Management, and the Interagency Training Team, in efforts to share information, provide assistance, and cooperate on efficiencies and planning.
41. The Interagency Technology Fund (ITF) will have a balance of \$0 at the beginning of FY 2025. The Council may make contributions to the ITF to support additional investments in technology as described in Council Resolution 16-475.
42. For FY 2025, the FiberNet capital equipment replacement needs for the 640 sites served by FiberNet are calculated to be \$7,556,241.
43. For FY 2025, this resolution appropriates \$74,604,653 to Alcohol Beverage Services. During FY 2025, the Director of Finance must transfer to the General Fund all Liquor Control Fund "Income before Capital Contributions and Transfers" as defined in the Annual Comprehensive Financial Report. The County Council has estimated that this transfer will amount to at least \$26,600,000.
44. For FY 2025 this resolution appropriates funds for the Montgomery County Fire and Rescue Service, which includes funds for the local fire and rescue departments and the Fire and Emergency Services Commission.
45. County tax funds appropriated for use by local fire and rescue departments must not be spent or encumbered, directly or indirectly, for legal fees or expenses related to pursuing any claim against County Government or any County agency, except as permitted under Section 213 of the Charter and expressly agreed to by the Executive with prior advice and review by the Council as part of a settlement of a civil action to which the County is a party. The Fire Chief must adopt a policy to implement this paragraph and assure compliance by local fire and rescue departments through the annual financial audit process.
46. The County Executive or designee must submit a report to the Council not later than January 1, 2025, that includes for the period June 1 through November 30, 2024, and a second report not later than June 30, 2025, that includes for the period December 1, 2024, through May 30, 2025, the following data collected in collaboration with area hospitals:
 - (a) The number of 911 calls for emergency medical services during the reporting period and a comparison to the number in this reporting period for the prior year;
 - (b) The number and type of emergency medical services provided during the reporting period;
 - (c) The number of invoices issued to collect revenue under this program and the average amount charged.

- (d) The number of Emergency Medical Services (EMS) transports of out-of-County residents;
 - (e) The number of hardship waivers requested and the number granted; and
 - (f) The number and type of calls received by the Patient Advocate.
47. As required by County Code §21-23A(h)(3)(A), the County Fire and Rescue Service (MCFRS) must use the following procedure to allocate for the benefit of local fire and rescue departments (LFRD's) 15% of the net Emergency Medical Services Transport (EMST) Insurance Reimbursement Program revenue (after deducting costs of implementing the Reimbursement Program) appropriated in this resolution for the purposes authorized in §21-23A(h)(3)(A):
- (a) Each LFRD may apply for funds under an application process conducted by the Montgomery County Volunteer Fire and Rescue Association (MCVFRA). MCVFRA must forward the results of that process to the Fire Chief by a date set by the Fire Chief. In any disagreement between the MCVFRA and the Fire Chief about LFRD allocations and projects, both the MCVFRA President and the Fire Chief must take reasonable steps to resolve their disagreements before funds are distributed. The Fire Chief must approve the final allocation for each LFRD and project before the distribution may occur.
 - (b) By October 15, 2024, MCFRS must distribute to LFRD's 15% of the actual amount of revenue received in the restricted EMST Reimbursement account attributable to FY 2024 (after deducting EMST Reimbursement Program implementation costs), as calculated by the Department of Finance.
 - (c) By April 15, 2025, MCFRS must distribute 15% of the actual amount of revenue received in the restricted EMST Reimbursement account attributable to FY 2025 from July 1, 2024, to December 31, 2024 (after deducting EMST Reimbursement Program implementation costs), as calculated by the Department of Finance after a mid-year reconciliation of the funds in the account.
 - (d) Any funds distributed under this procedure must be spent or encumbered by each LFRD to which funds are assigned no later than one calendar year after the last date funds are distributed (respectively, October 15, 2025, or April 15, 2026). Any funds that an LFRD does not encumber or spend by these dates automatically revert to MCFRS on October 15, 2025, or April 15, 2026, respectively. The Fire Chief must reallocate any funds reverted under this provision, consistent with this provision, §21-23A, and other applicable State and County laws, regulations, policies, and guidelines.
 - (e) The County Executive or designee must report to the Council no later than October 15, 2024, and April 15, 2025: the total amount of funds in the restricted account; the total amount to be distributed to the LFRD's; each project and LFRD allocation; and the amounts distributed to and spent or encumbered by each LFRD to date, by project and fiscal year.
 - (f) Any EMST Reimbursement Revenue attributable to FY 2025 that is not spent or encumbered by MCFRS by June 30, 2025, must remain in the restricted account

and must not be spent unless re-appropriated for a use allowed under County Code §21-23A.

- (g) For FY 2025, it is expected that \$23,000,000 of the appropriation to the Montgomery County Fire and Rescue Service will be supported by EMST Reimbursement Revenue from the restricted account. The Office of Management and Budget must transmit to the Council no later than March 15, 2025, the amount of revenue received, and amount billed from July 1, 2024, through February 28, 2025.
48. During FY 2025, the Director of Finance must transfer the following amounts from the General Fund to these Non-Tax Supported Funds:

\$841,330	Solid Waste Disposal Fund
\$33,674,468	Montgomery Housing Initiative
\$1,581,200	MCPS Instructional Television Fund
\$1,604,850	Montgomery College: Cable TV Fund
\$160,000	Community Use of Public Facilities Fund

49. For FY 2025, this resolution appropriates \$6,848,500 to the Non-Departmental Account of the Arts and Humanities Council of Montgomery County (AHCMC), the County's designated local arts agency. Taxpayer support of the AHCMC includes general operating grants to arts and humanities organizations; program grants to arts and humanities organizations not receiving general operating support; project grants to individuals, scholars, groups, or small organizations; technical assistance and other support services for individuals and other organizations in the County; matching funds for awardees designated to match private donations; and operating expenses for AHCMC.
50. As required by County Code Section 2-151(f), the Council recommends projected budgets for the Office of Inspector General of \$3,612,200, in FY 2025, \$3,612,200 in FY 2026, and \$3,612,200 in FY 2027. The projected budget recommendations reflect a minimum baseline for the Office of the Inspector General and the Council expects these budgets will increase to reflect the multi-year staffing plan to implement Bill 11-19 as part of the Inspector General's four-year work program. This resolution appropriates funds for the Office of the Inspector General in the amount of \$3,612,200, an increase of \$694,879 over the previous FY 2024 projected budget of \$2,917,321 primarily due to the addition of 2.0 full-time equivalents (FTEs).
51. This resolution appropriates \$33,674,468 from the General Fund as a contribution to the Montgomery Housing Initiative Fund (HIF). The FY 2025 appropriation, combined with the re-appropriation of the FY 2024 fund balance, loan repayments, investment income, and resources available in the capital improvements program, is estimated to provide approximately \$169.4 million to acquire, rehabilitate, and preserve affordable housing and support programs to end homelessness. Resolution 15-110, *Dedicated Funding for Affordable Housing*, states that the County Executive will recommend, and the Council will approve an allocation from the General Fund to the HIF an amount equivalent of 2.5% of actual General Fund property taxes from 2 years prior to the upcoming fiscal year. Resolution 16-143, *Source of Funding for Annual Appropriation to the HIF*, states that the

source of funding for the amount equivalent to 2.5% of the actual property tax from 2 years prior must be from the General Fund and may not include Moderately Priced Dwelling Units (MPDU) resale recaptures, condominium transfer tax revenues, and end-of-year fund balance.

52. The Department of Housing and Community Affairs may allocate up to \$4,000,000 from the Housing Initiative Fund for closing cost and down payment assistance programs. For FY 2025, no more than \$1,000,000 may be allocated for employees of Montgomery County Government and/or Montgomery County Public Schools.
53. As required by Charter Section 209 and as a condition of spending any funds appropriated in this resolution, the Office of Management and Budget must provide to the Council the second and third quarterly budget analyses of department and office expenditures and revenues no later than 40 days after the end of the respective second and third fiscal quarters.
54. As a condition of spending any funds appropriated in this resolution and not disapproved or reduced under Charter Section 306, the Executive must transmit to the Council any recommended budget savings plan or similar action. This includes any recommendation to spend less than 90% of the funds appropriated for any non-competitive contract award listed in Section G of this resolution. Any budget savings plan or similar action is subject to review and approval by the Council. This paragraph does not apply to any hiring freeze which applies to all or substantially all departments and offices of County Government. The Chief Administrative Officer must also notify the Council within 15 days of a decision to impose a hiring freeze or to “freeze” a proposed procurement that would result in a new program being delayed or eliminated or result in a significant break in the operation of an ongoing program
55. The County Executive must inform the Council within 30 days if the Executive has made any change in the fund balance policy for any non-tax supported fund in County Government or any addition or elimination of any non-tax supported fund in County Government.
56. As a condition of spending any funds appropriated in this resolution, the Chief Administrative Officer must require any contractor that provides health and human services to enter and update appropriate information in the InfoMontgomery system.
57. This resolution appropriates \$2,884,990 to the Weather Response Non-Departmental Account. The County Executive may transfer the entire amount in this NDA to the Department of General Services and Department of Transportation as needed. These funds must be spent only on costs incurred by either Department for snow removal and storm clean-up. Before funds are transferred from this NDA to the Department of Transportation, the Department must spend the \$3,818,708 appropriated to the Department for snow removal and storm clean-up.
58. The Department of Environmental Protection may use Water Quality Protection Funds allocated for residential and non-residential Low Impact Development projects for a rebate program. This rebate program is intended to increase the range of incentives to encourage

broader participation among residents and businesses in this component of the County's Water Quality Protection program.

59. In FY 2025, when the County Government decides that it will apply for a grant or respond to a granting agency on how it would spend a formula-awarded grant, the Chief Administrative Officer or their designee must notify the Executive Director of the Office of the County Council in writing of the name and purpose of the grant, the amount being requested or the formula-driven award amount, the name of the agency the application is directed to, the term of the grant, and the name of the department or departments that seek to receive the grant award. This requirement applies when any of the following conditions are met:

- (a) the application is for a new grant of more than \$200,000 or formula-driven award of more than \$200,000 for a new program;
- (b) the grant or award would require the appropriation of new tax-supported funds in FY 2025 or any future fiscal year; or
- (c) the grant application or proposal to spend formula-driven funds will create a new position in County Government.

Upon request, the Chief Administrative Officer or their designee must send a copy of the grant application or a description of the proposed use of a formula-driven award to the Executive Director of the Office of the County Council within 3 working days after submitting it to the funding agency.

60. In FY 2025, when the County Government decides that it will execute a new real estate lease or lease-purchase agreement that will annually exceed \$500,000 in FY 2025 or any future fiscal year, or increase the cost of an existing lease or lease-purchase agreement annually by more than \$500,000, the Chief Administrative Officer or their designee must notify the Executive Director of the Office of the County Council in writing, at least 14 days before executing the new or modified lease, of the location of the property that will be leased, the County programs that will occupy the leased space, and the cost of the lease in FY 2025 and future fiscal years. For any new lease, the cost must include the estimated cost for build-out and maintenance and utilities if this cost would be paid directly by the County and not the property owner. For any continuing lease, increases in costs for taxes and utilities are not subject to this provision.

61. This resolution appropriates \$2,117,953 to the Office of Human Rights. The Office of Human Rights must continue to process cases alleging a violation of relevant State and Federal anti-discrimination laws in addition to cases alleging a violation of the County Human Rights Law.

62. This resolution appropriates \$1,200,000 to the Office of Emergency Management and Homeland Security to continue the grant program that provides security enhancements to non-profit organizations with facilities and membership that have experienced or are at higher risk of experiencing hate crimes. The funds appropriated for this purpose must be placed in a General Fund account in which any unspent funds will be re-appropriated every year.

63. As a condition of spending funds appropriated in this resolution, the Office of Human Resources, and each Department and Office of County Government, must provide accurate and timely information to the County Ethics Commission regarding the status of employees in the respective Department or Office that the Commission needs to administer the County Ethics Law, including the law's financial disclosure provisions.
64. This resolution appropriates funds in Sections A-F in the Personnel Cost category for the County Government contribution to employee retirement accounts and funds. These funds must be spent as provided in County Code Chapter 33.
65. The Council appropriates \$4,770,611 from the Water Quality Protection Fund, which consists of \$480,970 to the Maryland-National Capital Park and Planning Commission's Montgomery County Planning Department and \$4,289,641 to the Department of Parks for expenses incurred to perform the following activities:
- (a) Maintenance and management of streams, lakes, ponds, non-tidal wetlands, and stormwater management facilities;
 - (b) Compliance with National Pollutant Discharge Elimination System (NPDES) Permit for Industrial Sites;
 - (c) Compliance with NPDES Municipal Permit for Small, Separate, Storm Sewer Systems;
 - (d) Special Protection area reviews and enforcement (not covered by fees);
 - (e) Developing and monitoring stream buffers;
 - (f) Forest conservation enforcement in and abutting stream buffers;
 - (g) Environmental sections on comprehensive master plans related to water quality; and
 - (h) Review of stormwater management concepts.
66. This resolution appropriates \$37,175,650 to the Utilities Non-Departmental Account (NDA) for the cost of electricity, natural gas, and other energy-related use and operating costs. When the County executes an Energy Services Agreement or manages the project without the assistance of an Energy Services Company for capital renovations to energy related equipment to produce long-term utility savings in County facilities, the County Executive may transfer up to \$5 million from this Account to the Debt Service Fund to pay principal and interest related to the energy-related equipment. The following conditions apply to the use of this transfer authority:
- (a) The program must not require any new FY 2025 tax-supported appropriation or future tax-supported funds;
 - (b) The Department of Finance must evaluate whether annual savings provided under the Energy Services Agreement or other County project should be guaranteed by the County's contracted Energy Services Company or validated by other credible means to ensure that the savings and any additional revenue that result from the Energy Services Agreement are equal to or greater than the debt service costs related to the capital renovations over the life of the project financing; and
 - (c) The Executive must notify the Council in writing within 30 days after each transfer.

- 67. This resolution appropriates \$45,659,555 to the Department of Permitting Services. The Council’s approved Fiscal Plan for the Department of Permitting Services Enterprise Fund estimates that in FY 2025 the County will receive total revenues of \$50,343,955. The end of year FY 2024 fund balance is estimated to be \$39,951,518.
- 68. In FY 2025, the Director of Finance must transfer \$600,000 from fund balance from the Bethesda Parking Lot District to the Silver Spring Parking Lot District and \$220,000 from the Wheaton Parking Lot District to the Bethesda Parking Lot District to repay a portion of the funds Bethesda Parking Lot District owes for its share of the Service Facility project.
- 69. No funds appropriated in this resolution may be spent on a sponsorship of \$10,000 or more. Expenditures on a sponsorship must not be divided into amounts less than \$10,000 or funded by multiple departments or offices in order to avoid this requirement. The Chief Administrative Officer must also transmit to the Council quarterly reports within 15 days of the end of each fiscal quarter listing all expenditures on sponsorships.
- 70. This resolution appropriates \$4,169,168 to the Economic Development Fund that must be allocated as follows:

Existing Programs	Amount
MOVE Program	\$750,000
Biotechnology Investor Incentive Program	\$125,000
SBIR/STTR Program	\$200,000
Microlending	\$150,000
Undesignated Balance	\$200,000
Purple Line/Small Business Impact Grants	\$900,000

The remaining appropriation may be allocated to personnel costs or other economic development projects identified by the Executive that does not exceed the threshold established in Section 20-75(c) of the County Code.

- 71. This resolution appropriates \$125,000 to the Biotechnology Investor Incentive Program for the purposes of the calculation stipulated in Section 20-76A(d)(1) of the County Code.
- 72. This resolution appropriates \$10,260,344 to the Early Care and Education Non-Departmental Account (NDA). The Executive must report quarterly on the expenditures and/or encumbrances from the NDA and provide notice at least ten (10) days before executing or encumbering any expenditure of \$500,000 or more. This resolution re-appropriates the amount of FY 2024 fund balance in the Early Care and Education NDA exceeding \$4,000,000. It is the Council’s intention that all funds available in the Early Care and Education NDA in FY 2025 will be spent and/or encumbered in FY 2025. The Council does not intend to re-appropriate fund balance for this NDA in FY 2026.
- 73. This resolution appropriates \$293,317 to the Skills for the Future Non-Departmental Account (NDA) to support programs and services that give low-income youth access to

high quality science, technology, engineering, arts, and mathematics (STEAM) programming. The funds appropriated in the NDA must be placed in a General Fund account in which any unspent funds will be re-appropriated every year.

74. This resolution appropriates \$718,344 to the Climate Change Planning Non-Departmental Account (NDA). Funds in this NDA must be used to implement the County's Climate Action Plan to meet the County's goal of an 80% reduction in greenhouse gas emissions by 2027 and a 100% reduction by 2035, and to implement climate change adaptation strategies. The Executive must transmit within 15 days after the end of each month a report on the previous month's expenditures from this account.
75. Subject to the conditions under this paragraph (77), this resolution appropriates funds for inflation adjustments for eligible tax-supported contracts with funding appropriated to the budgets of all County Government Departments and Offices. Any inflation adjustment awarded under this paragraph must not exceed 3.0% of the total contract price. Any contract funded by a non-County grant is not eligible for an inflation adjustment under this paragraph.
- (a) Each contractor receiving an adjustment under this paragraph (77) must be: (i) a non-profit service provider, (ii) a public entity, or (iii) a contractor that provides meals on wheels, court appointed special advocates, direct mental health services to seniors, and homeless outreach.
 - (b) The adjustment must be from the General Fund value of the contract (Grant Fund value not included).
 - (c) The contract must not be in its first performance period, unless a new contract has been executed as part of an administrative review or has an automatic inflation adjustment built into the contract.
 - (d) This increase does not apply to contracts for Montgomery Cares (except administration) and Care for Kids (except for administration).
 - (e) This increase does not apply to contracts that are a specific match to a grant.
 - (f) This increase does not apply to any payment to eligible organizations that serve persons with Developmental Disabilities as provided in Paragraph 8 or eligible providers of Adult Medical Day Care as provided in Paragraph 9.
76. For FY 2024 and FY 2025, the Director of Finance must exclude from the determination of Adjusted Governmental Revenues any advanced funds received by the County to broadly respond to the COVID-19 pandemic under H.R. 1319, the American Rescue Plan Act (\$204,083,827), for purposes of calculating the mandatory contribution to the Revenue Stabilization Fund required by County Code Section 20-68.
77. This resolution appropriates \$11,440,573 to the Office of Community Use of Public Facilities. A portion of the appropriation must be used to reimburse Montgomery County Public Schools for community use of school facilities. In the absence of a current agreement between the County and the school system on the amounts owed for community use, the reimbursement must be based on the terms of the June 2022 Memorandum of Understanding between the agencies.

78. The Department of Housing and Community Affairs (DHCA) must transmit to the Council quarterly reports to include information on funding from the Housing Initiative Fund (HIF) and the projects administered by the department in the Capital Improvements Program (CIP). The information must include the amount of funding the department has made commitments for, encumbrances, and expenditures. The reports are due no later than September 30, 2024; December 31, 2024; March 31, 2025; and June 30, 2025.
79. The Council authorized a \$100 million revolving Housing Production Fund through Council Resolutions No. 19-774 and 19-1285.
- (a) The Executive is authorized to amend the previous agreements or enter into a new agreement to establish a total of \$100 million revolving Housing Production Fund with the terms and provisions deemed appropriate by the County Executive to achieve the purposes set forth in Council Resolutions No. 19-774 (the “HPF Agreement”) and No. 19-1285.
 - (b) Under the HPF Agreement, the County may agree to provide the funding necessary for the debt service for additional Housing Opportunities Commission (HOC)-issued bonds in an aggregate par amount not to exceed \$100 million or \$5.120 million in FY 2025 annual gross debt service for use by the HOC Housing Production Fund.
 - (c) The proceeds of the HOC Bonds Tranche 2 including any premium will be made available solely for the uses of the HOC Housing Production Fund and to pay costs of issuance.
 - (d) Funds made available by the County Government for debt service on the HOC Bonds Tranche 2 shall be subject to annual appropriation by the Council.
 - (e) The funds made available from the County Government are not expected to exceed \$7.17 million dollars as appropriated annually after FY 2025 while the HOC Bonds Tranche 2 are outstanding.
 - (f) If the County Executive enters into the HPF Agreement, it must state that the payments from the County Government are subject to annual appropriation, provided however, that the County Government contribution for debt service on the HOC Bonds payable in FY 2025 shall not exceed the \$5.120 million authorized in this resolution.
 - (g) The HPF Agreement will provide that the HOC Bonds Tranche 2 will have a final maturity not to exceed 20 years from the date of issuance.
 - (h) The Executive may transfer the entire or any portion of the FY 2025 appropriation of \$5.120 million to the Montgomery Housing Initiative (Housing Initiative Fund) as needed for the purpose of paying debt service of the total HOC-issued bonds to be used as set forth in this resolution.
 - (i) HOC developments funded using the proceeds of HOC Bonds Tranche 2 and any other funds in or made available for the HOC Housing Production Fund must have at least 20% of total dwelling units priced to be affordable to households earning 50% or less of the area median income (AMI) adjusted for household size and an additional 10% of all units affordable to households with incomes eligible for a Moderately Price Dwelling Unit.

- (j) The HOC Bonds Tranche 2 and related documents shall provide that any earnings on the proceeds of the HOC Bonds Tranche 2 will be used to pay the debt service on the HOC Bonds Tranche 2.
 - (k) Any interest paid by the developments funded through the HOC Housing Production Fund in FY 2025 and in future years, unless and until modified by the Council, must be paid to the County Government and must be deposited by the County into the Montgomery Housing Initiative (Housing Initiative Fund).
80. The Executive must notify the Council within 15 days if the County receives more than \$500,000 of reimbursements from the Federal Emergency Management Agency (FEMA) related to the COVID-19 pandemic. Per the County's fiscal policies, any reimbursements received are one-time resources and should fund one-time expenditures if the Executive or Council propose additional funding in Fiscal Year 2025. Use of FEMA reimbursement revenue requires an appropriation approved by the Council.
81. For FY 2024, the Director of Finance must not make the mandatory contribution in the amount of 50% of excess revenue to the Revenue Stabilization Fund under County Code Section 20-68. Such excess revenue, in lieu of the mandatory contribution, must be designated as General Fund unrestricted reserve. This action is a one-time action for FY 2024 only, due to the Revenue Stabilization Fund maintaining a total reserve of 10% of the Adjusted Governmental Revenues.
82. The Council appropriates any loan repayments associated with the Community Development Block Grant (CDBG) and the HOME Investment Partnerships Program (HOME) that is received in FY 2025 to the Grant Fund to be used for affordable housing creation and preservation purposes.
83. The County Council is committed to safety, transparency, and protecting community members' civil rights. For FY 2025, the Police Department's Drone as First Responder program will adhere to MCPD Policy FC460, and it will:
- (a) Not engage in general surveillance;
 - (b) Not use facial recognition technology for recordings or images;
 - (c) Not operate during events related to first amendment rights unless responding to an appropriate service call;
 - (d) Ensure data collection and record keeping capabilities are fully functional for each site, and before each new site begins operations, and if collecting and publishing specified flight data on a daily basis is not possible, the DFR will not be deployed;
 - (e) When enroute to and from a call, ensure the cameras are pointed upward to the sky and not recording anything below unless necessary to effectively respond to the call for service;
 - (f) Provide regular pilot program updates to the County and notify the Council of any planned changes that materially impact program operations or data collection, before changes are put in place;
 - (g) Not respond to calls for incidents that occurred earlier and there are no immediate safety concerns on scene;
 - (h) Not be used to respond to the following types of service calls:

- i. Noise complaints;
 - ii. Parking complaints;
 - iii. Animal-related calls;
 - iv. Found or lost property; and
 - (i) Ensure any civilian complaints are referred to the Police Accountability Board.
84. Any Maryland Emergency Service Transporter Supplemental Payment Program (ESPP) funds appropriated for distribution to, and for the benefit of, local fire and rescue departments (LFRDs) must use the following procedure:
 - (a) Each LFRD may apply for funds under an application process specified by the Fire Chief.
 - (b) The application process must comply with County policy and any State guidance. The funds must be spent to support EMS operations and enhancements. Appropriate examples include, but are not limited to:
 - i. EMS workforce development and stabilization;
 - ii. Capital equipment acquisition and maintenance;
 - iii. Augmented evaluation and quality improvement initiatives; and
 - iv. Enhanced program development and expansion.
 - (c) The Fire Chief must approve the final allocation for each LFRD and project.
 - (d) The County Executive or designee must report to the Council no later than June 30, 2025 for FY 2024 appropriation:
 - i. the total amount of funds appropriated to the LFRDs;
 - ii. the total amount to be distributed to the LFRDs;
 - iii. each project and LFRD allocation; and
 - iv. the amounts distributed to and spent or encumbered by each LFRD to date, by project and fiscal year.
85. This resolution appropriates to the Montgomery County Green Bank Non-Departmental Account (NDA) the lesser of: (i) an amount equal to 10% of the revenue received by the County from the fuel-energy tax in FY 2025; or (ii) \$19,126,186.
86. This Resolution appropriates \$333,000 to the Public Elections Fund Non-Departmental Account to provide public campaign financing for a candidate for County elected office. These funds must be used only for purposes allowed in Article IV of Chapter 16 of the County Code.
87. This resolution re-appropriates the unencumbered balance of Special Appropriation #24-22 for the Opioid Abatement Fund for the same terms as set forth in Resolution 20-409.

This is a correct copy of Council action.

Sara R. Tenenbaum
Clerk of the Council

Resolution No.: 20-527
Introduced: May 23, 2024
Adopted: May 23, 2024

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of and Appropriation for the FY 2025 Operating Budget of the Montgomery County Public School System

Background

1. As required by the Education Article, Sections 5-101 and 5-102 of the Maryland Code, the Board of Education sent to the County Executive and the County Council the FY 2025 Operating Budget for the Montgomery County Public School (MCPS) system as shown below.
2. The Executive sent to the Council his recommendations regarding this budget on March 14, 2024.
3. As required by Section 304 of the County Charter, the Council held public hearings on the Operating Budget and the Executive’s recommendations on April 8, 9, and 10, 2024.
4. The appropriation in this resolution is based on the following projected revenues for FY 2025:

State:	\$ 971,613,288
Federal:	\$ 112,833,603
Other:	\$ 18,176,826
Enterprise:	\$ 89,459,271
Special Revenue:	\$ 1,581,200
5. This appropriation requires a local contribution of \$2,128,642,338 to Montgomery County Public Schools.
6. Of the funds appropriated in this resolution, \$77,830,792 is appropriated to meet the State’s FY 2025 requirement for the County to fund the shift of teacher pension costs from the State to the County. The State requires that this payment be included in the calculation of the Maintenance of Effort requirement, and that the Montgomery County Public Schools must reimburse the State for this amount of teacher pension costs.

7. This resolution does not include re-appropriation of FY 2024 MCPS Current Fund balance.
8. The Superintendent submitted to the Council proposed changes by State category to meet the approved expenditure level as reflected in this appropriation.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

1. The Council approves the FY 2025 Operating Budget for the Montgomery County Public School system and appropriates the funds as shown below.

FY 2025 OPERATING BUDGET FOR MONTGOMERY COUNTY PUBLIC SCHOOLS

The Council approves and appropriates the following amounts:

2. This resolution appropriates \$11,531,204 for the account titled “Provision for Future Supported Projects”, which provides funds for specific programs designated in a grant, contribution, reimbursement, or other non-county funding source received in FY 2025. When MCPS receives funds for a program from one of these sources, MCPS may transfer funds from this appropriation to the program. The following conditions are established on the use of this transfer authority:
 - a) The program must not require any present or future County funds.
 - b) Subject to the balance in the account, any amount can be transferred in FY 2025 for any program which meets at least one of the following four conditions: (1) the amount is \$200,000 or less; (2) the program was funded in FY 2024; (3) the program was included in the FY 2025 budget; (4) the program was funded by the Council in a supplemental or special appropriation in FY 2025. Any program that does not meet one of these four conditions must be funded by a supplemental or special appropriation.
 - c) MCPS must notify the Executive and the Council within 30 days after each transfer.
3. Any appropriation authorized in this resolution for any expenditure funded by non-County funds is contingent on the receipt of the non-County funds.
4. This resolution re-appropriates or appropriates revenue received from non-County sources for programs funded in whole or in part from those non-County funds:
 - a) together with matching County funds, if any; and
 - b) to the extent that the program period approved by the non-County source encompasses more than one fiscal year, in order to complete the grant program under the terms of receipt of the non-County revenues.
5. This resolution re-appropriates the fund balance of the Warehouse account.
6. The Council continues the procedure for transfers adopted in Resolution 12-889. This procedure applies only to the non-County portion of grant programs, and therefore only applies to those grant programs for which MCPS keeps separate accounts for County and non-County funds.
 - a) The Council will not take action on these transfers, so the transfers will be automatically approved after 30 days, as provided by State law.
 - b) MCPS staff must report each transfer to the Executive and the Council within 30 days after the transfer.
7. The following provision applies when MCPS receives more non-County funds than were budgeted for a project that also receives some County funds:

- a) Council approval is not required to substitute non-County funds for County funds. In this case, there is no change in the appropriation.
 - b) Council approval is required to increase the appropriation. The Council may decide to substitute non-County funds for the County funds instead of increasing the appropriation.
8. This resolution re-appropriates encumbered appropriations, permitting them to be spent in FY 2025. Unencumbered appropriations lapse at the end of FY 2024 except as re-appropriated elsewhere in this resolution.
 9. Following final Board of Education action on the FY 2025 Operating Budget in June 2024, MCPS will report to the Council the total Full-Time Equivalent (FTE); FTE by category; and for categories 2, 3, and 6, allocation of positions by the following groups:
 - a. Elementary
 - b. Middle
 - c. High
 - d. Pre-K
 - e. Other
 10. In the Board of Education action on the FY25 Operating Budget in June 2024, MCPS will update Table 5 of the Operating Budget document to identify position categories by State Budget category in addition to the current groupings.
 11. MCPS will provide to the County Council no later than October 1, 2024, a report that details new programs and initiatives that are proposed to be implemented in the next school year (FY 2025), and summarizes the status of new programs and initiatives that were implemented in the past three fiscal years (FY 2024, FY 2023, and FY 2022). New programs and initiatives includes efforts implemented through contractual services as well as MCPS staff. The report should be organized by fiscal year and include: the name of the program; the current status of the program (including number of students served, if it is ongoing); and current funding level and FTE.
 12. MCPS will provide to the Council a report on actual class sizes in the 2024-2025 school year. This report will include the range, median, and mode of actual class sizes at each level: elementary, middle, and high school. Elementary schools must also be divided into Class Size Reduction schools and non-Class Size Reduction schools. Each level must also report on special education class size. This report must be provided no later than October 15, 2024, and a second report no later than February 15, 2025.
 13. MCPS must provide to the County Council, consistent with Federal privacy and other confidentiality requirements, all reports of special education enrollment and Section 504 enrollment data that are provided to the Board of Education.
 14. The County Council's intent is that funds appropriated in this resolution will support programs and services to achieve positive improvements in metrics of student academic performance in

all student demographic subgroups. These metrics include but are not limited to: early literacy; third grade math and reading; middle school math and language arts; college and career readiness; and graduation rates. MCPS must provide to the County Council, consistent with Federal privacy and other confidentiality requirements, all reports on student academic performance metrics that are provided to the Board of Education.

This is a correct copy of Council action.

Clerk of the Council

Resolution No.: 20-528
Introduced: May 23, 2024
Adopted: May 23, 2024

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of and Appropriation for the FY 2025 Operating Budget for Montgomery College

Background

1. As required by the Education Article, Section 16-301 of the Maryland Code, the Montgomery College Board of Trustees sent to the County Executive and the County Council an FY 2025 Operating Budget for Montgomery College.
2. The Executive sent to the Council his recommendations regarding this budget on March 14, 2024.
3. As required by Section 304 of the County Charter, the Council held public hearings on the Operating Budget and the Executive’s recommendations on April 8, 9 and 10, 2024.
4. The appropriation in this resolution is based on the following projected resources for all funds for FY 2025:

Tax Supported:

State Aid:	\$ 56,114,579
Tuition & Tuition Related Charges:	\$ 61,053,605
Other Student Fees:	\$ 2,872,459
Other Tax-supported Revenues:	\$ 14,658,441

Non-Tax Supported:

Enterprise Funds:	\$ 32,803,138
Grants:	\$ 18,133,500

5. This appropriation requires a local contribution of \$149,059,696 to Montgomery College. The tax-supported appropriation is \$283,758,780.
6. This resolution re-appropriates \$19,194,492 of FY 2024 Montgomery College Current Fund Balance. This leaves Montgomery College with a budgeted fund balance total of \$44,488,291 where \$35,533,922 remains in the Current Fund Balance and \$8,954,369 in reserve at the beginning of FY 2025. The reserve represents 5.0% of budgeted resources in the Current Fund, minus the County contribution, consistent with Council Resolution 19-753, *Reserve and Selected Fiscal Policies*. The total fund balance should also be aligned with this policy.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

1. The Council approves the FY 2025 Operating Budget for Montgomery College and appropriates the funds as shown on page 3 of this resolution.
2. Any appropriation for and spending on any project funded by non-County funds is contingent on the receipt of the non-County funds.
3. The Council re-appropriates encumbered appropriations, permitting them to be spent in FY 2025. Any unencumbered appropriation lapses at the end of FY 2024, except as re-appropriated elsewhere in this resolution.

4. The Council re-appropriates or appropriates revenue received from non-County sources for any program funded in whole or in part from those non-County funds:
 - a) together with matching County funds, if any; and
 - b) to the extent that the program period approved by the non-County source encompasses more than one fiscal year in order to complete the grant program, under the terms of receipt of non-County revenues.
5. The Council continues the procedure for transfers adopted in Resolution 12-890. This procedure applies only to the non-County portion of grant programs, and it applies only to those grant programs for which the College keeps separate accounts for County and non-County funds.
 - a) The Council will not take action on these transfers, so the transfers will be automatically approved after 30 days, as provided by State law.
 - b) College staff must report each transfer to the Executive and the Council within 30 days.
6. This resolution includes an appropriation of \$1,500,000 for the account titled “Various State, Federal, & Private Grants & Contracts,” which provides funds for specific programs designated in a grant, contribution, reimbursement, or other non-county funding source received in FY 2025. When the College receives funds for a program from one of these sources, the College may transfer funds from this appropriation to the program. The following conditions are established on the use of this transfer authority:
 - a) The program must not require any present or future County funds.
 - b) Subject to the balance in the account, any amount can be transferred in FY 2025 for any program which meets at least one of the following four conditions: (1) the amount is \$200,000 or less; (2) the program was funded in FY 2024; (3) the program was included in the FY 2024 budget; (4) the program was funded by the Council in a supplemental or special appropriation in FY 2025. Any program that does not meet one of these four conditions must be funded by a supplemental or special appropriation.
 - c) The College must notify the Executive and the Council within 30 days after each transfer.

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of the Montgomery County Portion of the FY 2025 Maryland-National Capital Park and Planning Commission Operating Budget and Approval of the FY 2025 Planning Activities Work Program

Background

1. As required by the Maryland Code, Land Use Article, Section 18-104, the Maryland-National Capital Park and Planning Commission (M-NCPPC) sent to the County Executive the Montgomery County portion of the FY 2025 Operating Budget. The Planning Board also submitted to the Council the Semi-Annual Report, which includes the work program for Planning Activities in the Montgomery County Park and Planning Departments.
2. The Executive sent to the County Council the proposed budget with his recommendations.
3. As required by Section 304 of the County Charter, notice of a public hearing was given and a public hearing was held on the Operating Budget and the Executive's recommendations.

2. This resolution includes funds to provide compensation adjustments for merit pay increments, cost of living adjustments, reclassification compensation adjustments, and/or lump sum payments that do not exceed the amount proposed in the Commission’s FY 2025 budget.

3. The Commission's labor cost targets are budgeted in the Non-Departmental Account. Following the conclusion of collective bargaining negotiations, the Commission may distribute the non-departmental compensation funding to the applicable departments and divisions provided the total allocation does not exceed the amount proposed in the Commission's FY 2025 budget. This only applies to the tax supported funds.
4. The Council requests that the Planning Board send to the Council and to the Executive, within 20 days after the end of each quarter, a budget report for that quarter.
5. The Council requests that the Planning Board send to the Council and to the Executive, within 20 days after the end of each quarter, a report of authorized positions (career and contractual) and filled versus vacant positions (career and contractual) on the first day of each month.
6. The Council appropriates \$150,000 for Future Grants in the Administration Fund and \$400,000 for Future Grants in the Park Fund, which provide funds for specific programs designated in a grant, contribution, reimbursement, or other non-County funding source received in FY 2025. If the actual amount received exceeds the limit in either the Administration or Park Fund, the Commission may use the total of \$550,000 as the limit for both funds after notifying the Council in writing of this intent (including information on prospective grants). Whenever M-NCPPC receives funds for a program from a grant source, M-NCPPC may transfer funds from these appropriations to the program. The following conditions are established on the use of this transfer authority:
 - a) The program must not require any present or future County funds.
 - b) Subject to the balance in the account, any amount can be transferred in FY 2025 for any program that meets at least one of the following four conditions: (1) the amount is \$200,000 or less; (2) the program was funded in FY 2024; (3) the program was included in the FY 2025 budget; (4) the program was funded by the Council in a supplemental or special appropriation in FY 2025. Any program that does not meet one of these four conditions must be funded in a supplemental or special appropriation.
 - c) M-NCPPC must notify the Executive and the Council after each transfer within 30 days after the transfer occurs.
7. The Council approves the revenue transfer of \$2,112,862 from the County Government General Fund to the Interagency Agreements Special Revenue Fund for maintenance of Montgomery County Public School fields.
8. The Council appropriates \$4,770,611 from the Water Quality Protection Fund, which consists of \$480,970 to the Planning Department and \$4,289,641 to the Department of Parks, for expenses incurred to perform the following activities:
 - Maintenance and management of streams, lakes, ponds, non-tidal wetlands, and stormwater management facilities;
 - Compliance with National Pollutant Discharge Elimination System (NPDES) Permit for Industrial Sites;

- Compliance with NPDES Municipal Permit for Small, Separate, Storm Sewer Systems;
 - Special Protection area reviews and enforcement (not covered by fees);
 - Developing and monitoring stream buffers;
 - Forest conservation enforcement in and abutting stream buffers;
 - Environmental sections on comprehensive master plans related to water quality; and
 - Review of stormwater management concepts.
9. The Council appropriates \$50,000 from the Cable Fund to the Department of Parks for the Connected Parks initiative in FY 2025.
10. The Council approves the transfer of \$950,000 from the Administration Fund to the Development Review Special Revenue Fund in FY 2025.
11. The Council approves the master plan schedule attached to this resolution. The Thrive Montgomery 2050 Implementation Metrics, the Segregation Mapping Phase 2, and the Burial Sites Context Study projects did not receive funding for professional services.

This is a correct copy of Council action.

#14 - Washington Suburban Transit Commission Administrative Expense Budget

Resolution No.: 20-530
Introduced: May 23, 2024
Adopted: May 23, 2024

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of the FY 2025 Administrative Expense Budget of the Washington Suburban Transit Commission

Background

1. As required by Section 87-15 of the County Code, the Washington Suburban Transit Commission sent to the County Executive and to the County Council an FY 2025 administrative expense budget.
2. The Executive sent to the Council recommendations regarding this budget.
3. As required by Section 304 of the County Charter, notice of a public hearing was given, and a public hearing was held by the Council.

Action

The County Council for Montgomery County, Maryland approves the following resolution for the Washington Suburban Transit Commission:

The Council approves the FY 2025 administrative expense budget in the amount of \$542,955, of which \$168,661 is the Montgomery County share.

This is a correct copy of Council action.

#15 – Aggregate Operating Budget – Requires 8 affirmative votes

Resolution No.:	<u>20-531</u>
Introduced:	<u>May 23, 2024</u>
Adopted:	<u>May 23, 2024</u>

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of the FY 2025 Aggregate Operating Budget

Background

1. Section 305 of the County Charter requires the affirmative vote of 8 Councilmembers to approve the aggregate operating budget if that budget exceeds the adopted spending affordability guidelines then in effect. Section 305 excludes from the aggregate operating budget:
 - Specific grants;
 - Enterprise Funds;
 - Tuition and tuition-related charges at Montgomery College;
 - Washington Suburban Sanitary Commission.
2. Section 20-60 of the County Code requires the Council to set spending affordability guidelines by resolution no later than the second Tuesday in February. The guidelines must specify a ceiling on the aggregate operating budget for FY 2025.
3. Section 305 of the Charter requires that at least 7 Councilmembers must approve the aggregate operating budget if that budget exceeds the aggregate operating budget for the preceding year by more than the rate of inflation, as measured by the annual average increase in the Consumer Price Index for all urban consumers in the Washington-Baltimore Metropolitan area for the 12-month period preceding December 1, which was 2.99% percent for the 12-month period preceding December 1, 2023.
4. On May 25, 2023, in Council Resolution No. 20-189, the Council approved the FY 2024 aggregate operating budget in the amount of \$5,940,164,150. If that aggregate operating budget increased at the 2.99% percent rate of inflation for the 12-month period preceding December 1, 2023, it would be \$6,117,775,058.

5. In Council Resolution No. 20-394, adopted February 6, 2024, the Council adopted the following spending affordability guideline for the Fiscal Year 2025 aggregate operating budget:

- FY 2025 ceiling on the aggregate operating budget \$6,204,315,222

Action

The County Council for Montgomery County, Maryland approves the following resolution:

The Council, by at least 8 affirmative votes, approves the FY 2025 aggregate operating budget in the amount of \$6,387,230,458 as calculated on the attached page.

This is a correct copy of Council action.

#17 – Washington Suburban Sanitary Commission - Capital and Operating Budgets

Resolution No.: 20-533
Introduced: May 23, 2024
Adopted: May 23, 2024

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of the FY 2025 Capital and Operating Budgets for the Washington Suburban Sanitary Commission

Background

1. Section 17-202 of the Public Utilities Article of the Maryland Code requires the Washington Suburban Sanitary Commission (Commission) each year to submit proposed capital and operating budgets to the County Executives of Montgomery and Prince George's Counties for their recommendations. The Executives in turn transmit the budgets to the respective County Councils for amendment and approval. Both Councils may recommend rates for water consumption and sewer use charges and ad valorem tax levies as the Councils deem necessary.

2. The Montgomery County Council on October 24, 2023, by Resolution No. 20-310 recommended the following spending control limits for the Commission's FY 2025 Water and Sewer Capital and Operating Budgets:

Water and Sewer Rate Increase	8.5%
New Water and Sewer Debt	\$390,262,000
Water and Sewer Debt Service	\$361,968,000
Water and Sewer Operating Fund Expenditures	\$1,014,059,000

3. The Prince George's County Council on October 24, 2023 by Resolution No. CR-102-2023 recommended the following limits for the Commission's FY 2025 Water and Sewer Capital and Operating Budgets:

Water and Sewer Rate Increase	8.5%
New Water and Sewer Debt	\$390,262,000
Water and Sewer Debt Service	\$361,968,000
Water and Sewer Operating Fund Expenditures	\$1,014,059,000

4. In accordance with Section 17-202 of the Public Utilities Article of the Maryland Code, on March 1, 2024, the Commission submitted to the Executives of Montgomery and Prince George's Counties its Proposed FY 2025 Budget, which included an FY 2025 Total Operating Budget of \$1,019,802,600 (including \$5,743,700 in operating debt service from the General Bond Debt Service Fund) and an FY 2025 Capital Budget of \$791,267,600 as well as the record of the public hearings held by the Commission on the Proposed 2025 Budget.

The Commission's Water and Sewer portions of the FY 2025 Capital and Operating budgets assume the following:

An Overall 8.5 percent Water and Sewer Revenue Enhancement including:

Water and Sewer Rate Increase	2.4%
Fixed Fee increases	65%
New Water and Sewer Debt	\$390,262,000
Water and Sewer Debt Service	\$361,968,000
Water and Sewer Operating Fund Expenditures	\$1,014,058,900

5. The Executives of Montgomery and Prince George's Counties transmitted to the respective Councils their recommendations on the Commission's proposed budgets.
6. The Montgomery County Council advertised and held public hearings on the Commission's proposed Capital Improvements Program on February 6, and 7, 2024, and on the proposed Operating Budget and Capital Budget on April 8, 9, and 10, 2024.
7. The Montgomery County Council recommended approval of the Commission's FY 2025 Operating and Capital Budgets. The Council recommended approval of the Commission's FY 2025 Total Operating Budget at \$1,019,802,600 (including \$5,743,700 in operating debt service from the General Bond Debt Service Fund) and a combined water/sewer volumetric rate increase of 2.4% with fixed fee increases of 65%, which is equivalent to an overall 8.5% revenue increase. The Council recommended approval of the Commission's FY 2025 Capital Budget at \$791,267,600. This recommendation was transmitted to the Prince George's County Council by letter dated May 6, 2024.
8. The Prince George's County Council advertised and held a public hearing on the Commission's Proposed Operating and Capital Budgets on April 16, 2024.
9. The Prince George's County Council recommended approval of the Commission's FY 2025 Operating and Capital Budgets. The Council recommended approval of the Commission's FY 2025 Total Operating Budget at \$1,019,802,600 (the same as the Montgomery County Council recommendation) and a combined water/sewer volumetric rate increase of 2.4% (the same as the Montgomery County Council recommendation). The Council recommended approval of the Commission's FY 2025 Capital Budget at \$791,267,600 (the same as the Montgomery County Council recommendation). This recommendation was transmitted to the Montgomery County Council by letter dated May 7, 2024.

- On May 9, 2024, the Montgomery County and Prince George's County Councils jointly reviewed the Commission's FY 2025 Operating and Capital Budgets and approved the budgets at the two Councils' recommended levels.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

- The following amounts and workyears are approved for the budget of the Washington Suburban Sanitary Commission for the fiscal year beginning July 1, 2024 and ending June 30, 2025.

	Operating	Capital	
Salaries and Wages	\$ 158,995,900	\$ 32,120,300	\$ 191,116,200
Heat, Light & Power	27,290,700	302,400	27,593,100
Regional Sewage Disposal	76,908,000	--	76,908,000
Contract Work	--	512,237,200	512,237,200
Consulting Engineers	--	83,704,600	83,704,600
All Other Items	391,159,000	162,903,100	554,062,100
Debt Service	365,449,000	--	365,449,000

Total	\$1,019,802,600	\$791,267,600	\$1,811,070,200
--------------	------------------------	----------------------	------------------------

Workyears Authorized: 1,963

- The Capital Budget includes the first year of the FY 2025-2030 Capital Improvements Program as detailed in Appendix A (Water) and Appendix B (Sewer), which are attached and incorporated.
- In adopting the Commission's FY 2025 Operating Budget, the Counties and the Commission recognize that although total operating debt service, including General Bond Debt Service, is \$365,449,000 and equals 35.8% of the total operating budget, water and sewer operating debt service, the portion of debt service supported by water and sewer rate revenues, is \$361,968,000 or 35.7% of the water and sewer operating budget.
- The Montgomery County Council recommends that the Commission establish water consumption and sewer use rates and charges as detailed in Appendix C, effective July 1, 2024.
- The Montgomery County Council recommends that the Commission establish the account maintenance fee for all customers as detailed in Appendix D, effective July 1, 2024.
- The Montgomery County Council recommends that the Commission establish the infrastructure investment fee for all customers as detailed in Appendix E, effective July 1, 2024.

7. The Commission may adopt certain miscellaneous fees and charges as detailed in Appendix F, effective July 1, 2024, and the Commission may delegate to the General Manager the authority to adopt any new fees and charges that may be needed between that date and adoption of the FY 2026 Budget.
8. Any supplement to the Commission's Approved FY 2025 Budget must be submitted in accordance with §17-202 of the Public Utilities Article of the Maryland Code.
9. The Commission must acknowledge the recommendations of the respective County governing bodies regarding certain policies, procedures, and practices, and must:
 - (a) obtain the approval of both Councils before increasing total operating expenditures above \$1,019,802,600;
 - (b) obtain the approval of both Councils before transferring any funds from any approved expenditure category in the operating or capital budget which exceeds 5% of the approved amount. This transfer authority does not apply to the amount approved for debt service; and
 - (c) furnish monthly status reports to each Council and Executive on the fiscal and budgetary activities of the Commission under the approved operating and capital budgets, starting with the end of the first quarter of the fiscal year. These reports must be submitted not later than 45 days after the last day of each month.

This is a correct copy of Council action.

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Approval of the FY 2025 Cable Communications Plan

Background

1. Section 8A-27(a) of the County Code provides: “All access grants, franchise fees, and other moneys received by the County from any franchisee may be spent only under a budget approved by the Council and in accordance with the County Cable Communications Plan.”
2. Section 8A-27(b) of the County Code provides: “The Cable Communications Plan must be proposed by the County Executive to the Council annually and may be amended at any time.”
3. Section 6.2.2 of the 2016 Cable Franchise Agreement with Comcast of Potomac, LLC provides that Comcast must pay a grant to the County of 3% of Gross Revenues each quarter to be used for PEG and institutional network capital expenses. Paragraph 8 of Exhibit D of the Franchise Agreement provides that this grant may be used for capital and non-capital support for PEG purposes, including expenditures on PEG and FiberNet.
4. Section 8(b)(1) of the 2016 Franchise Agreement with Starpower Communications, LLC (doing business as Astound) provides that Starpower must pay a grant to the County of 3% of Gross Revenues to the County to be used for PEG and Institutional Network. Paragraph 3 of Exhibit F of the Franchise Agreement provides that this grant may be used for capital or non-capital support for PEG purposes.
5. Sections 6.2.1 and 6.2.2 of the 2006 Franchise Agreement with Verizon provides that Verizon must pay a grant to the County of 3% of Gross Revenues each quarter to be used for PEG and institutional network purposes.
6. Section 8 of the Franchise Agreement with Starpower (doing business as Astound) and Section 7 of the Franchise Agreements with Verizon and Comcast provides that each franchisee must pay, for the life of the franchise, a franchise fee of 5% of annual gross revenues.

General Provisions

1. **Purpose and Effect:** This Cable Communications Plan constitutes the County's formal direction for the use of resources required to be provided under Sections 7 and 8 of the Franchise Agreements with Comcast and Starpower (doing business as Astound); and Sections 3, 6, and 7 of the Franchise Agreement with Verizon.

In FY 2025, these resources must be deposited by the County in its Cable TV Special Revenue Fund, and this Cable Communications Plan directs the use of the revenues in this Fund.

2. **Spending Authority under the Time Period Governed by This Plan:** This Cable Communications Plan provides spending authority for FY 2025. Resources appropriated in FY 2025 that are not encumbered by the County on or before June 30, 2025 must remain in the Cable TV Special Revenue Fund and be available for spending in future years. All expenditures will comply with the requirements of the County Code.
3. **Carryover:** Resources provided to the County as a result of the requirements of the Franchise Agreements with Comcast, Starpower (doing business as Astound), and Verizon, but not specifically allocated in the Cable Communications Plan to the General Fund, must remain in the Cable TV Special Revenue Fund and be available to be allocated in future years.
4. **Future Fiscal Years:** No estimate shown for any fiscal year after FY 2025 reflects any commitment or decision by the Council, and any such estimate should not be taken as prejudging any decision regarding activities or allocations, either in absolute or relative amounts, of expenditures for future years.
5. **Management of Funds:** All equipment, personnel, and other resources approved in the Cable Communications Plan for funding from the Cable TV Special Revenue Fund must be managed so that the resources are reasonably available to all users of the cable system and provide benefits to the subscribing public and the franchisee.
6. **Affirmative Action and MFD Procurement Procedures:** The Board of Directors of Montgomery Community Television, Inc. (MCT), doing business as Montgomery Community Media (MCM), must adopt and follow an Affirmative Action Plan and procedures for procurements from minority, female, and disabled-owned businesses (MFD) that take into account both the requirements of the Franchise Agreements with Comcast, Starpower (doing business as Astound), and Verizon and relevant provisions of the County Code.
7. **Financial Disclosure:** The County must not spend any FY 2025 funds allocated to MCT until all members of the Board of Directors and the Executive Director of MCT have filed a financial disclosure statement with the Ethics Commission for the 2023 calendar year.
8. **Future Cable Plan strategy:** The Executive must submit to the County Council's Government Operations and Fiscal Policy Committee a Connect Montgomery Alliance Strategic Plan that will frame FY 2026 budget allocations no later than January 15, 2025.

9. Reporting Requirements: The Executive must submit a separate quarterly fiscal report to the Council detailing revenues received by source for the Cable Plan and the levels of the Cable Fund Balance no later than 60 days after the end of each quarter.

FY 2025 Cable Communications Plan Description

The FY 2025 Cable Communications Plan provides funding, either directly or through transfers to the General Fund, to Community Technology for the Transmission Facility Coordinating Group and to Cable Franchise Administration (Department of Technology and Enterprise Business Solutions), to the County Attorney's Office, and outside professional service providers; for municipal equipment and operating support; for public, educational, and government access programming (Office of Community Engagement, Office of Public Information, Council, Montgomery College, Montgomery County Public Schools, and Montgomery Community Television, Inc.); for Digital Equity; for FiberNet; to the Interagency Technology Fund (ITF); and for other miscellaneous cable, broadband, technology and digital equity-related activities.

Any funds transferred from the Cable TV Special Revenue Fund to the General Fund must be used in accordance with this Cable Communications Plan for FY 2025 and applicable law.

The attached table represents a transition from the detailed Cable Fund display used in prior fiscal years to a summarized six-year fund display which presents the approved direct expenditures and interfund transfers from the Cable TV Special Revenue Fund for the following purposes in FY 2025:

Community Technology

- A. Funds are allocated to the Department of Technology and Enterprise Business Solutions to administer the Franchise Agreements with Comcast, Starpower (doing business as Astound), and Verizon, including inspecting construction, testing signal quality, responding to residents' complaints, budgeting franchise fee and grant funds received from the cable operator, managing the contract to provide public access services, supporting an advisory committee, administering Federal Communications Commission rules and regulations, preparing for and negotiating franchise agreements, and advising elected officials on related policy matters.
- B. Funds are allocated to the County Attorney's Office to support the in-house staff costs associated with advising the Department of Technology and Enterprise Business Solutions and elected officials on related matters.
- C. Funds are allocated to hire outside professional services, in areas of specialized telecommunications needs, to (1) advise or represent the County and (2) file grant applications on behalf of the County and consumers. Any appointment of special counsel requires the approval of the Council under Charter Section 213.

Municipal Support

- D. Funds are allocated for sharing franchise fee revenue with the municipal co-franchisors in accordance with the formula in Section 8A-29 of the County Code.
- E. Funds are allocated to support the four PEG channels allocated to (1) the City of Rockville; (2) the City of Takoma Park; and (3) the Montgomery County Chapter of the Maryland Municipal League. Funds are allocated from the Capital Equipment Support Grants, according to the requirements of Section 8(b)(1) of the Franchise Agreement with Starpower (doing business as Astound), the requirements of Section 6.2 and Exhibit D Section 8 of the Franchise Agreement with Comcast, the requirements of 6.2 of the Franchise Agreement with Verizon, and from the Municipal Operating Support portion of the Cable Fund. Funds are allocated from the Cable Fund to the extent that the Participating Municipalities meet all applicable matching-fund requirements in the Comcast Settlement Agreement (Exhibit D of the Franchise Agreement).

County Government Access Programming

- F. Funds are allocated to the Office of Community Engagement for managing the Community Cable Montgomery (CCM), maintaining CCM video equipment, closed captioning of PEG programming, and for the operation of the Technical Operations Center to monitor and support technical quality and distribution of PEG Programming.

Funds are allocated to the Office of Public Information for in-house staff and contractors to produce Executive Branch programming for the County Government Channel.

Funds are allocated to the Council for in-house staff and contractors to produce programming for the Council and Legislative Branch agencies.

Funds are allocated to the Montgomery County portion of the Maryland-National Capital Park and Planning Commission for contractors to provide cable-related services, including webcasting and services needed to produce programming for the Planning Board and the Parks Department.

Educational Access Programming

- G. Funds are allocated to Montgomery College to produce educational programs and operate a cable channel with in-house staff.
- H. Funds are allocated to Montgomery County Public Schools to produce educational programs for children, parents, and teachers; carry Board of Education meetings; and run other educational programming of interest to County residents.

Community Media Programming

- I. Funds are allocated for Montgomery Community Television, Inc., to perform services in FY 2025 as specified in its contract with the County or the Cable Communications Plan, including the following:

- (1) produce and schedule three public access channels, including disseminating information on the daily program schedule;
- (2) train community producers and technicians in program production and assist residents and community organizations in developing locally produced or locally sponsored programming;
- (3) provide and maintain a central access studio, field production equipment, and editing facilities for use by community producers in program production;
- (4) maintain all video equipment provided to MCT or purchased by MCT with cable company or County funds;
- (5) produce local interest and public affairs programming;
- (6) promote and encourage programming representing a diversity of community interests and needs; and
- (7) perform outreach and create programming in the down-county area.

Connect Montgomery Alliance

- J. For FY 2025, funds are allocated for PEG equipment replacement, for joint PEG programming/promotion, PEG network engineering and administration, closed captioning of select PEG programming, and for PEG programming to provide access to cable by community organizations.

The Council wishes to encourage the most cost-effective operations of the PEG Channels and has directed the Montgomery Alliance to enhance the sharing of equipment, facilities, and personnel, and to jointly support digital equity. All funds appropriated for PEG equipment replacement must be administered by the Office of Broadband Programs and Infrastructure Modernization. Before spending any funds for this purpose, the Connect Montgomery Alliance must report to the Council and the Executive on their plans for the purchase and allocation of replacement equipment. The Council intends that preference be given to purchases of equipment and facilities that can be shared by more than one PEG Channel.

The Council encourages the municipal co-franchisors to develop plans for purchasing equipment, using engineering expertise available from the other PEG Channels and the Office of Community Engagement, and acquiring equipment that facilitates the sharing of resources with other PEG channels.

Before the Connect Montgomery Alliance may spend funds allocated for PEG joint Programming/Promotion, the Alliance must report its Work Plan for FY 2025 to the Council and the Executive.

Institutional Telecommunications

- K. The County continues to expand the FiberNet network to meet the telecommunications needs of County agency facilities. The Department of Technology and Enterprise Business Solutions must develop and implement a FiberNet buildout plan that identifies facilities with the greatest need for high-speed voice, data, and video transmissions and for which FiberNet offers lower cost service than private sector telecommunications providers. User

agencies must notify the Council before paying any fee to or entering into any agreement with any private provider, if using FiberNet to serve specific facilities is more advantageous to the County. The Council will then consider if adjustments to the funded FiberNet buildout schedule are warranted to avoid paying excessive fees to private providers for telecommunications service to any specific facility.

Allocation of FiberNet fibers to Montgomery College from the County FiberNet is subject to a construction memorandum of understanding between the College and the County signed on December 26, 2012, as well as approval by the Interagency Technology Policy and Coordination Committee.

FiberNet and Digital Equity - Montgomery Connects may be used to support digital equity initiatives under the Cable Communications Plan.

Support of the Interagency Technology Fund (ITF)

- L. In FY 2025, the Interagency Technology Fund will not receive any funding to support priority projects as approved by the ITPCC.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

The Council approves the Cable Communications Plan for FY 2025, as described in this resolution and presented in the appended table. The Council appropriates funds from the Cable TV Special Revenue Fund as provided in the approved Cable Communications Plan for FY 2025.

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

Lead Sponsor: County Council

SUBJECT: Tax Levy Resolution - Fiscal Year 2025

Action

The County Council for Montgomery County, Maryland approves the following resolution:

1. In accordance with Chapters 14 and 52 of the County Code and the Tax-Property Article of the Maryland Code, the Council sets the following tax rates and other charges on all assessable real and personal property for FY 2025. The rates are in dollars per \$100 of assessed value. In accordance with the Tax-Property Article, the tax rate for personal property is 2.5 times the tax rate for real property.

<u>DISTRICT or AREA</u>	<u>FOR THE USE OF:</u>	Rate in \$ per \$100

2. Section 305 of the County Charter requires 11 affirmative votes if the weighted tax rate in FY 2025 exceeds the weighted tax rate in FY 2024. The weighted tax rate in FY 2025 does not exceed the weighted rate in FY 2024; therefore, 11 affirmative votes are not required to adopt this resolution.

3. The supplemental tax for Montgomery County Public Schools (MCPS), in the amount of 0.0470 cents for every \$100 of assessed value, is levied pursuant to Section 5-104 of the Education Article of the Maryland Code. The supplemental tax for MCPS was approved in FY 2024 and continues to be levied in FY 2025. All revenues generated from the MCPS supplement must be used solely to fund MCPS. The supplemental tax for MCPS under this resolution must not be used, for FY 2025 or for subsequent years, to calculate the ad valorem weighted tax rate under Section 305 of the County Charter.

4. The State of Maryland adopted the following tax rates on all assessable real property for FY 2025. The rates are expressed in dollars per \$100 of assessed value.

On the real property of public utilities	\$0.280
On all other real property	\$0.112

5. Section 310 of the Charter limits the target reserve in the General Fund planned for the end of FY 2025 to a maximum of 5% of the revenue in the General Fund in FY 2024. The Office of Management and Budget estimates that revenue in the General Fund in FY 2024 will be \$4,154.4 million, and 5% of this is \$207.7 million. The target reserve in the General Fund planned for the end of FY 2025 does not exceed the Charter limit.

6. The real property tax rate requirement applies only to the General Fund tax rate for real property. The State calculated this rate to be \$0.6700 per \$100 of assessed value for FY 2025. Maryland Annotated Code, Tax-Property Article §6-308 requires a local taxing authority to advertise if it plans to exceed the real property tax rate. A local taxing authority is not required to advertise if it sets a general fund real property tax rate equal to or less than the prior year rate. The Council sets the General Fund rate at \$0.6700 per \$100 of assessed value for FY 2025, excluding the supplemental tax for MCPS.

This is a correct copy of Council action.

1. County Code Section 52-86 authorizes the County Council by resolution to set the rate or amount of the property tax credit to offset certain income tax revenues resulting from a County income tax rate higher than 2.6%.
2. The County Executive has recommended the amount of property tax credit under County Code Section 52-86 for the tax year beginning July 1, 2024, to be \$692 for each eligible taxpayer.
3. Notice of public hearing was given, and public hearing was held.

Action

The County Council for Montgomery County, Maryland, approves the following action:

The amount of the property tax credit under County Code Section 52-86 for the tax year beginning July 1, 2024, is \$692 for each eligible taxpayer.

This is a correct copy of Council action.
