

Evidence submitted by Lisa and Harriet O'Connor, 11805 Renick Lane.

This is a photo log of selected photos from my (Lisa) records of the vehicles and parking at 907 Nora Drive and the subsequent second rental unit parking that happens on Renick Lane.

These photos are provided to show the 1) the longevity of rental parties since 2018, 2) the identity of the renters through license plates, 3) the separation and existence of two distinct rental units in the property. The use of two different entrances demonstrating the parties are not related or familiar with each other. These are the same renters that remained at the property until the inspection and eviction of both rental units at 907 Nora by DHCA this spring, 2024. DHCA and other residents have evidence of the dates of these renters vacating the property.
