

## DECLARATION OF GEORGIA JAITLY

I, Georgia Jaitly, declare under penalty of perjury under the laws of the United States that I reside at 7703 Oldchester Road, in Bethesda, Maryland. I have owned my house for 28 years and it is my primary residence. Last year, I supported the Objections to the Accessory Dwelling Unit License No. 151423 sought by Favali Favali (OZAH Case No. ADO 23-06) in which Ms. Favali was denied the license by Hearing Examiner Lynne Robeson Hannan's because 7709 Oldchester Road is not Ms. Favali's primary residence. Ms. Favali did not appeal the decision. I was not aware that Ms. Favali had filed another application for a license until I spoke to my neighbor, Carri Bennet. I found out about the new application for license to build an ADU at 7709 Oldchester Road after the deadline for filing objections had passed. Ms. Bennet informed me on the evening of November 22, 2024 that the hearing was scheduled for December 9, 2024. I checked the next day and there is no sign at 7709 Oldchester Road posting notice of the hearing date or any hearing details. I am employed as a nurse at Suburban Hospital and cannot participate in the hearing on that date. Had the hearing notice been timely and properly posted I would have been able to arrange my schedule to participate. I would like the hearing to be rescheduled due to Ms. Favali failing to give proper and timely notice of the hearing so that I can participate.

Executed this 2nd day of December 2024.
