goodmorning

My subaru was stolen from 4222 Kennedy St., Hyattsville, MD over a week ago

I reported it missing to the Hyattsville police about this time last week

My car was found and now in the impound lot of Montgomery County but they will NOT release it ...I NEED the police report, I was told last week at my rental house and at the police station an HOUR later that it would be released in three

days...it has NOW been seven

respectfully

Good morning Ms. Favali,

I am happy to assist you. It appears that you are inquiring about your police report, 24 2179. This report is not yet available for release. Please provide a copy of your government issued identification and we will forward the report once it becomes available.

You also indicated that you would like a house check at 4222 Kennedy Street. Please contact the records section at 301-985-5062 for assistance with completing your house check request.

Kind regards,

Patricia Station #580
