

Montgomery County Office of Zoning & Administrative Hearings
Case No.
Telecom Capital Group – Traffic Statement

The proposed use will have no adverse effect on road congestion or safety, as no on-site personnel are required. Once the telecommunications facility is constructed, the only traffic to the facility would be for routine maintenance or emergency repair, which is expected to be only 1-2 visits per month. Old Hundred Road (MD 109) is a designated Rustic Road.
