

AFFIDAVIT OF POSTING

I HEREBY CERTIFY that I placed or caused to be placed upon the property which is the subject of Application No. H-154 the signs furnished by the Office of Zoning and Administrative Hearings, that all such signs were posted within five days after acceptance for filing of said applications within ten feet of the property line in the most conspicuous location, and that all such signs have been continuously maintained to the date of hearing.

I understand that all such signs are to be maintained in the same position until after I have been notified of the Hearing Examiner and Council's decision, respectively, on said applications, and that all such signs are to be returned to the Council Office Building within five days thereafter.
