RE: Special Exception Case No. S-2659,  
Petition of Dr. Jeffrey B. Walcoff, DVM;  
Request for Postponement of Public Hearing

Dear Ms. Byrne,

I have been in contact with your office advising Ms. Behanna that it appeared that the public hearing tentatively scheduled for July 11, 2024, on the above-referenced case may need to be postponed due to the fact that the application is deemed by staff at MNCPPC not to be complete enough that a Report and Recommendation can be prepared for consideration by the Montgomery County Planning Board in time for a July 11, 2024, OZAH public hearing. It was confirmed in a meeting between the Petitioner and staff on Tuesday, June 28, 2024, that review of the Petitioner's Forest Conservation Plan could not be completed in time for a Planning Board hearing adequately in advance of the tentatively scheduled July 11, 2024, OZAH public hearing. The Petitioner finds it necessary, therefore, to request a postponement of the scheduled July 11, 2024, OZAH public hearing and the rescheduling of that hearing to a later date.

In conversations with your staff, we understand that OZAH's calendar could accommodate a rescheduling of the public hearing on Case No. S-2659 for Friday, October 18, 2024. If that date is still open, Dr. Walcoff requests that the tentatively scheduled July 11<sup>th</sup> OZAH public hearing be cancelled and rescheduled to occur on Friday, October 18, 2024.

**Exhibit 17**  
**S-2659-A**

Please advise us if this rescheduling, which has the approval of MNCPPC, is acceptable to your office.

Thank you for consideration of this request.

Sincerely,

MILLER, MILLER & CANBY
