Granting the motion merely allows the Applicant to make the requested changes to the application, but does not, in any way, approve the application itself. The Hearing Examiner will take the motion to amend the application under consideration for a period of ten days from the date of this notice, until **December 20, 2024**. Interested parties who object to the motion must do so, in writing, no later than **December 20, 2024**. If no objection is received by that time, the motion will be considered granted. Additional notification regarding the amendment will be provided only if an objection is received.
