The following procedures in addition to OZAH’s Land Use Rules of Procedure (on its website) govern hybrid hearings:

- Any party submitting documentary evidence for the record must file electronic copies of their submissions by email ([ozah@montgomerycountymd.gov](mailto:ozah@montgomerycountymd.gov)), at least two business days prior to the public hearing. County security policy prohibits OZAH from accepting electronic documents via thumb drives or other external devices. In addition to electronic copies, paper copies must also be sent by U.S. mail, postmarked the day of the email.
- Anyone that wishes to testify must have a camera enabled on their device. You may not be able to testify if you do not have a camera or are not in person.

OZAH staff work a hybrid schedule of remote and in office days. You may review the application online at <https://montgomeryplanning.org/development> under the application number H-159. If you wish to review the full file (all submission in the case) before it is published on the website or have other questions, please contact Nana Johnson at (240) 777-6660 or [nana.johnson@montgomerycountymd.gov](mailto:nana.johnson@montgomerycountymd.gov).

The Planning Board must hold a public meeting on the local map amendment application prior to OZAH’s public hearing. The date of the Planning Board’s public meeting is listed on it’s agenda at <https://montgomeryplanningboard.org/agendas/>. You may check the agenda or contact Staff of the Planning

Department at (301) 495-4610 to determine when the Board will conduct its meeting or to speak with Planning Staff.

Persons or associations that are (1) represented by counsel, (2) intending to appear in organized opposition, or (3) intending to introduce expert evidence or testimony must file a pre-hearing statement containing the information required by Rules 3.4 and 3.5 of OZAH's Amended Land Use Rules of Procedure. These Rules may be found on OZAH's website listed above. The Applicant must submit its pre-hearing statement at least 30 days before the public hearing. Persons in opposition that are required to file a pre-hearing statement must do so no less than 20 days before the public hearing. Deadlines for submissions are close of business (5:00 p.m.) on the date due. If the County is not open on the date due, the deadline is 5:00 p.m. on the next business day.

Any party submitting documentary evidence for the record must file electronic copies of their submissions by email. Paper copies must also be sent by U.S. mail, postmarked the day of the email. This includes all amended filings.

In compliance with Maryland requirements regarding the practice of law, groups or associations must have counsel unless their witnesses appear in their individual capacity.

Nothing in this notice is intended to limit the rights of individual members of the public to testify during the hearing or to submit pertinent written materials at any time while the record remains open for that purpose. You may submit a signed letter to OZAH, which will be considered by the Hearing Examiner as part of the record but doing so will not automatically make you a party of record. Applicants and members of the public who testify at an OZAH hearing, whether for or against the application, are automatically considered parties of record. A person or organization that does not wish to appear at the OZAH hearing but wishes to be a party of record may request that status in a signed letter to OZAH. See OZAH Rule 3.1.

If you need services to participate in a public hearing, please contact this Office no less than seven (7) days before the public hearing by calling 240-777-6660 (TTY 240-777-7914) or emailing us at [ozah@montgomerycountymd.gov](mailto:ozah@montgomerycountymd.gov). OZAH cannot guarantee that an interpreter can be made available if notified of the request less than seven (7) days before the public hearing. This document is available in alternative format such as large print upon request, via the same phone numbers and email address.
