Subject: IMPORTANT: Stepped up Basis for American Family Farms
Date: Tuesday, May 18, 2021 11:00:12 AM

[EXTERNAL EMAIL]

Good Morning All:

This morning at the monthly Secretary's meeting for the Maryland Farm Bureau, Colby Ferguson discussed Capital Gains tax and how vital it is for American farms to have the stepped up basis.

I wanted to forward the link that was shared with us. The legislation is being put forward by U.S. Senator Chris Van Hollen(D-MD). AFBF's goal is to maintain the stepped up basis.
