Subject: Rustic Roads Advisory Committee Farmer Representatives

Hello Connie and Beth,
Last week I spoke with several individuals about applying to the Rustic Roads Advisory Committee-RRAC as farmer representatives.

These individuals are as follows:

Audrey Patton, Todd Greenstone, and Randy Stabler

I am only aware that Audrey Patton actually applied to the County Executive as a farmer member.

Todd and Randy, please let me know if you have applied to the County Executive.

The email address to request for this appointment is outlined below:

countyexecutive.boards@montgomerycountymd.gov

There are a total of three farmer representatives on the RRAC and Angelia Butler is currently the only farmer member serving so there are two farmer representatives that are still needed.

Please let me know if you have any questions.

Thanks J
