Subject: Agricultural Advisory Committee Recommendation surrounding the Development Impact Tax for Accessory Dwellings, Buildings and Structures

Attachments: AACDEVIMPACTTAX.doc

Dear Council President Berliner and Council Vice-President Navarro,

On behalf of the Montgomery County Agricultural Advisory Committee-AAC, please find attached our recommendation for the Development Impact Tax being imposed on Accessory Dwellings and Accessory Buildings and Structures.

During our April 17, 2012 meeting the Committee voted to submit this attached recommendation to the County Council for consideration.

The AAC learned during our March 20, 2012 meeting of a request to build a farm tenant dwelling from a family that owns a 25 acre farm on Sundown Road.

This Old Sage Farm is located in the 4th Council District.

Please let us know if you have any questions surrounding this recommendation.

Thank you for considering the views of the Agricultural Advisory Committee.
