

Enrichment Building Projects for Volunteer Organizations

Many of these projects are great for scouts groups, youth organizations, and creative and handy people looking to support the animals of the Montgomery County Animal Services and Adoption Center!

Rabbits and Small Animals

Bunny Agility Equipment—the A-frame, bunny walk, the teeter and small jumps would be great to have!
<http://www.canadianrabbithoppingclub.com/HTML/equipment.html>

Balls made from TP for bunnies! Please, no treats inside. The shelter will insert them when given to the buns!

Dogs

This toy made out of PVC piping can be used as a food dispensing toy or as a “scent” stick for dogs:
