Julie Elias summarized the application.

Wayne Anderson noted that the proposed tower will be placed on the WSSC parcel on the driveway in front of the shelter, which is an ideal situation. Gerry Adcock asked Wayne if the shelter was set back far enough from the water tank, and Wayne confirmed it was.

Gerry Adcock made a motion to recommend application 2024042254. Tom Williamson seconded the motion, and the motion to recommend was unanimously approved.

Applicant: Crown Castle Fiber LLC on behalf of T-Mobile

Site Name/Location: Pepco 787426-890760/9101 2nd Ave, Silver Spring

Zoning Standard: R-60 ***Property Owner:*** Montgomery County

Description: This Application is on behalf of T-Mobile. The Applicant proposes to install (1) strand mounted antenna, (2) RRHs and (2) diplexer filters on a replaced utility pole. Pole to be replaced by Pepco prior to wireless installation.

Tower Coordinator Recommendation: Recommended on the condition the utility pole has been replaced with a 34' pole prior to the wireless installation. Recommendation is subject to compliance with all applicable laws.

Julie Elias summarized the application. She noted that the support structure for this application is a PEPCO pole that is scheduled to be replaced by PEPCO separate from the scope of work for this application. The proposed wireless installation will be attached to the future pole after it has been replaced. Gerry Adcock noted that conditioning the recommendation made sense. The committee concurred that the language of the condition should be that it is recommended on the condition the utility pole has been replaced with a 34' pole prior to the wireless installation.

Gerry Adcock made a motion to recommend application 2024082324 on the condition as outlined. Seamus McNamara seconded the motion, and the motion to recommend was unanimously approved.

Julie Elias summarized the application. Tom Williamson asked if Verizon has the right to be in the right of way. Bahareh Inanloo confirmed that this is Montgomery County right of way, but that she was not clear on if Verizon had permission to be in the right of way. Margie Williams noted that she would check with DPS to confirm they have the right to be there and will report back to the committee members. She mentioned that utility owners, which she believes Verizon would be considered one, have the right to be in the right of way.

Gerry Adcock made a motion to recommend application 2024092335. Carina Gonzales seconded the motion, and the motion to recommend was unanimously approved.

4. ***Application Number:*** 2024102345 ***Type:*** Colocation ***Received (date):*** 10/1/2024
