DRUG COURT AGREEMENT

I, _____, understand that I am voluntarily agreeing to participate in Montgomery County Adult Drug Court as a special condition of my probation in criminal case number(s): _____.

In addition to complying with the conditions outlined in my probation contract, I am also required to comply with the following terms:

1. I have received a copy of the Drug Court Participant Handbook. I understand that it is my responsibility to review this handbook.
2. I will comply with the expectations and requirements of Drug Court outlined by my case manager. I can review these requirements in the Drug Court Participant Handbook.

I understand that I must comply with any directives given to me by any member of the Drug Court team.

3. I understand that completion of Drug Court takes a **minimum** of 20 months. My actual length of stay in the program will be determined by the Drug Court team based on my compliance with program requirements and progress toward the goals outlined in my treatment plan.
4. I will attend and participate in substance abuse treatment as directed by the Court.

I understand that substance abuse treatment may involve the use of medication to assist with cravings and decrease the likelihood of relapse. If it is determined that I am an appropriate candidate for medications including, but not limited to, Antabuse, Vivitrol, and Naltrexone, I must comply with taking these medications.

5. I agree to attend a **minimum** of three (3) recovery meetings per week for every week that I am in Drug Court unless incarceration or inpatient treatment prevents me from doing so.
6. I will be on time for all substance abuse treatment groups, appointments, and court appearances. Failure to appear for any of these obligations could lead to the issuance of a bench warrant.
7. I understand that Drug Court imposes graduated sanctions for lack of compliance with program requirements, including incarceration. I have the right to request and have a formal adversarial hearing before the imposition of a sanction of incarceration or before being terminated from Drug Court.

I understand and agree that any Drug Court judge can preside over a violation of probation hearing.

8. I agree that I will not use, possess, or knowingly associate with any person who uses or possesses any controlled substance or illegal drug including, but not limited to, cocaine (powder, base, or "crack"), opiates, heroin, methadone, buprenorphine, methamphetamines, benzodiazepines, K2, MDMA, psilocybin, butane hash, or LSD.

I agree that I will not use or possess alcohol or marijuana or any other substance that will compromise my sobriety. I understand that using or possessing any of these substances will result in a violation of the terms of my probation.

I understand that using or possessing any substances that are not prescribed to me by my physician must be approved by the Drug Court team. I understand that using or possessing substances that are not approved by the team is a violation of Drug Court rules.

I understand that using or possessing any substances that may not be controlled dangerous substances or otherwise illegal, but still provide a mood altering or hallucinogenic effect, will violate the rules of Drug Court.

I understand that I cannot consume more than 16 ounces of liquid within two hours of submitting urinalysis. This could lead to a dilute urine sample which violates the rules of Drug Court.

I understand that I cannot consume food with poppy seeds at any time while in Drug Court.

I understand that I can be asked to report for drug and alcohol testing at any time while I am a Drug Court participant and that my failure to report will result in a sanction by the Court.

I will report for drug and alcohol testing as directed by my substance abuse treatment provider, case manager, probation agent, Oxford House, or PRRS staff.

I also understand that any attempt to falsify a drug and alcohol test, including dilution, is grounds for termination from Drug Court.

9. I understand that I can be asked to wear the Secure Continuous Remote Alcohol Monitor (SCRAM) bracelet at any time during my participation in Drug Court and agree to do so.

I also understand that SCRAM is not considered to be home electronic monitoring, so any time spent wearing the device will not be considered as credit for time served.

10. I understand that I have 24 hours upon request to sign any releases of information not covered by the Drug Court Agreement to allow my case manager and therapist access to medical and psychological information needed to assess my status or determine treatment or service needs.

11. I understand that I must get permission from my therapist prior to taking any medication. Documentation of any prescribed medications must be provided to my case manager and therapist within 24 hours of receipt.

12. I understand that I am to reside in court approved sober housing within Montgomery County. My probation agent can ensure that I am complying with this requirement by conducting a home visit at any time. I am not required to receive prior notice of the home visit.

13. I understand that verbal, physical and/or sexual harassment of any kind will not be tolerated. If it is determined that I am engaging in harassing behavior, I understand that termination from Drug Court with the imposition of the suspended sentence will be considered.

14. I will obey all laws and be of good conduct. I will advise my case manager of any contact with law enforcement, including traffic stops, even if I am not arrested or charged or do not receive a citation. I understand that being charged with any incarcerable offense, including incarcerable traffic citations, while in Drug Court could lead to me being held without bond pending the outcome of the new charge. I understand that being convicted of a new crime while in Drug Court could lead to termination from the program and revocation of my probation.

15. I understand that if I fail to complete Drug Court, the court will terminate me from the program and sentence me in accordance with the law.
