Re: My Request and Application for Inclusion on the Court-Approved Child Counsel Roster

Dear Family Division Master and BIA Review Committee:

Please consider this letter a formal request and application for my inclusion on the Court-Approved Child Counsel Roster of the Circuit Court for Montgomery County, Maryland. On September 28, 2010, I attended and successfully completed my most recent BIA training--the six and one-half (6.5) hours of child counsel training that was sponsored by the Administrative Office of the Courts--which fulfills the requirement of Guideline 4 of Md. Rule 9-205.1. To this letter I have appended the following documents for your review and consideration:

- 1) My résumé;
- 2) Proof of my successful completion of at least six-hours of training as required by Guideline 4 of Md. Rule 9-205.1;
- 3) Proof of my professional liability insurance which is maintained for me at my firm's sole expense as required by Guideline 4 of Md. Rule 9-205.1; and
- 4) My affirmation that I am willing to take at least one (1) *pro bono*, appointment as child counsel per year as required by Guideline 4 of Md. Rule 9-205.1.

If supplemental information or documentation is needed in this regard, please do not hesitate to contact me.

I would like to take this opportunity to let you know that it has been my pleasure to be appointed as Child Counsel in a number of Montgomery County family law cases during my career and to have been a helping hand to each of the children involved in this capacity. I remain interested and available to handle more of these matters now and in the future. Whether a child's situation would best be served by the appointment of a Best Interest Attorney (BIA), a Child Advocate Attorney (CAA) or a Child's Privilege Attorney (CPA), I stand ready to be of assistance again in any such role.

Based upon my twenty-two (22) years of legal experience in Montgomery County family law matters, the majority of which has often included complex child custody, access, visitation and support issues, I am particularly well-suited to the role of Child Counsel. Although I understand that family law matters in general, and particularly those with child-related issues, are usually multifaceted and often emotionally-charged situations for both the parties and their children, I am willing and prepared to meet such challenges and to persevere through the inevitable difficulties that may arise to attain the best outcome possible under the law for my client.

I am always honored to be appointed by the Court to act as Child Counsel. I ask that you approve my request and application to be listed on the Circuit Court's Roster of Court-Approved Child Counsel and that you keep me in mind for future BIA, CCA and CPA appointments as the need arises.
