RE: Best Interest Attorney Designation

Master Segel:

I was admitted to the Maryland State Bar Association in December 2002. My areas of practice are Family Law and General Litigation. I am an Associate Attorney with Meyers, Rodbell & Rosenbaum, P.A. The firm maintains professional liability insurance in excess of one million dollars. Enclosed please find a Certificate of Liability Insurance. Further, I am willing to take at least one (1) *pro bono* appointment as child counsel per year.

Enclosed please find a copy of the certificate from the Administrative Office of the Courts Family Administration certifying that I completed six and one-half hours skills-based training course in Child Counsel Training back on September 28, 2010.
