MEMORANDUM

March 18, 2021

TO: County Council
FROM: Robert H. Drummer, Senior Legislative Attorney
SUBJECT: Resolution to adopt Board of Health Regulation to prevent the spread of COVID-19 in the County.
PURPOSE: Introduction/Public Hearing/Action – Council roll call vote expected

The Council, sitting as the Board of Health, is tentatively scheduled to introduce, hold a public hearing, and act on a First Amended Board of Health Regulation to Prevent the Spread of COVID-19 in the County on March 19, 2021.

Background

Maryland Governor Hogan declared a state of emergency and catastrophic health emergency on March 5, 2020, and renewed it on March 17, 2020, April 10, 2020, May 6, 2020, June 3, 2020, July 1, 2020, July 30, 2020, August 10, 2020, September 8, 2020, October 6, 2020, October 29, 2020, November 25, 2020, December 23, 2020, January 21, 2021, and on February 19, 2021 to control and prevent the spread of SARS-CoV-2 also known as COVID-19 within the state and both the state of emergency and catastrophic health emergency still exist in Maryland.

Each of these Executive Orders authorized the County to issue a local order requiring additional restrictions on businesses, organizations, establishments, facilities (except schools), and individuals to limit exposure to COVID-19 within the County. County Executive Elrich issued a series of Executive Orders pursuant to this authority. The Council approved each of these Executive Orders and adopted each of them, sitting as the Board of Health, as a Board of Health Regulation.

Governor Hogan issued Executive Order No. 21-03-09-01 on March 9, 2021. Executive Order No. 21-03-09-01 removed many restrictions contained in prior Orders and retracted the authority granted to the County by the Governor to issue a Local Order that was more restrictive than the Governor’s Order as of March 12, 2021 at 5 p.m. Although the Governor retracted this authority, the Council, sitting as the Board of Health, as independent authority to issue a public health regulation to continue restrictions to limit the spread of COVID-19 in the County. Md. Health-General Code Ann. § 3-202(d) provides:
(d) Nuisances; disease. -- In addition to the other powers provided by law and subject to the provisions of this article, each county board of health may adopt and enforce rules and regulations on any nuisance or cause of disease in the county.

Md. Local Government Code Ann. § 10-328 provides the County with the following additional authority:

(a) In general. -- A county may provide for the prevention, abatement, and removal of nuisances.

(b) Contagious diseases. -- A county may provide for the prevention of contagious diseases in the county.

(c) Regulation of offensive trades. -- A county may regulate any place where offensive trades are conducted or that may involve or give rise to unsanitary conditions or conditions detrimental to health.

(d) Construction. -- This title does not affect:

   (1) any power or duty of the Secretary of Health or the Secretary of the Environment; or
   (2) any public general law relating to health.

Based on this authority, the Council, sitting as the Board of Health, adopted a Board of Health Regulation in Resolution No. 19-760 on March 12, 2021. The Board of Health Regulation adopted in Resolution No. 19-760 made the following changes from current local restrictions:

1. removed all local restrictions on childcare facilities and therefore require them to follow State requirements;
2. changed maximum capacity to align with fire or other occupancy permit;
3. increased outdoor gatherings to a maximum of 50 persons;
4. increased indoor gatherings to a maximum of 25 persons;
5. removed the 1 person per 200 square feet of space limits;
6. removed the alcohol limits on food service facilities;
7. removed the restriction on buffet service for food service facilities;
8. removed outdoor structure requirements for food service facilities;
9. permitted food courts in malls to operate in the same manner as other food service facilities;
10. increased capacity for religious facilities to 50%;
11. permitted arts and entertainment facilities to open at 25% capacity on March 26, 2021 provided they do not sell or permit food for consumption in the facility;
12. on March 26, 2021, the capacity limits for indoor dining at food service facilities, fitness centers, bowling alleys, escape rooms, museums and art galleries, personal
services facilities, pools, retail establishments, and recreation centers will increase from 25% to 50%;

13. permitted sports events to exceed the limits on the number of persons if a Letter of Approval is obtained; and

14. permitted the number of persons present at a youth hockey event played indoors to match up to 10% of the maximum capacity of the ice rink.

The First Amended Board of Health Regulation

The First Amended Board of Health Regulation would update the guidance for sports. All organized sports played indoors or outdoor would need to obtain a COVID Protocol Plan approved by the Health Officer or the Health Officer’s designee. The Plan would need to have a plan for:

1. contact tracing with an attendance tracking sheet that must be completed for all activities conducted;
2. requiring that face coverings be worn per guidelines from the American Academy of Pediatrics;
3. social distancing with at least 6 feet between all participants to the extent possible; and
4. requiring the use of a student attestation form or COVID-19 Athlete/Coach Monitoring Form at all activities conducted.

An organized youth sports league that was approved to operate under a prior Board of Health Regulation and was not classified as a high risk sport would not need a new COVID Protocol Plan approved for any event that complies with the gathering limits and restrictions of the prior approval. For example, a youth hockey event that was approved under Resolution No. 19-760 adopted on March 12 would fit under this exception.

Sports played outside of an organized league would have to follow social gathering guidelines (50 people maximum for outdoor sports and 25 people maximum for indoor sports). All persons must also use a face covering whenever social distancing is not possible.

Future Regulations

The COVID-19 public health emergency has been a world-wide pandemic for more than one year. The restrictions necessary to limit the community spread of COVID-19 have changed over the past year as the rate of infections, hospitalizations, and deaths has changed. The currently known and available scientific evidence and best practices support continued limitations on large gatherings, increased use of face coverings, and continued social distancing to prevent exposures and transmissions and further mutations of the virus.

As the percentage of County residents are vaccinated against this disease, the community spread should lessen if we continue to practice limiting large gatherings, using face coverings, and socially distancing. The Board of Health and the County Health Officer are committed to continuing to review these regulations on a regular basis with the goal of loosening restrictions as soon as the science supports it. For example, this Regulation would permit high school sports to
resume without spectators. If these events do not result in significant spread of the virus, the Board of Health may consider permitting a limited number of spectators in the near future.

COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND
SITTING AS THE MONTGOMERY COUNTY BOARD OF HEALTH

Lead Sponsors: Councilmembers Rice and Riemer

Subject: First Amended Board of Health Regulation to prevent the spread of COVID-19 in the County

Background

1. Lawrence J. Hogan, the Governor of the State of Maryland declared a state of emergency and catastrophic health emergency on March 5, 2020, and renewed on March 17, 2020, April 10, 2020, May 6, 2020, June 3, 2020, July 1, 2020, July 31, 2020, August 10, 2020, September 8, 2020, October 6, 2020, October 29, 2020, November 25, 2020, December 23, 2020, January 21, 2021, and on February 19, 2021 to control and prevent the spread of SARS-CoV-2 also known as COVID-19 within the state and both the state of emergency and catastrophic health emergency still exist in Maryland.

2. The effects of COVID-19 require that local officials be vigilant in advising all individuals in Montgomery County, Maryland of measures they can take to protect health, safety, and welfare.

3. There are multiple COVID-19 variants with the three primary variants being the United Kingdom variant (known as B.1.1.7) which may be associated with an increased risk of death, the South Africa variant (known as B.1.351); and the Brazil variant (known as P.1).

4. The potential consequences of emerging variants include the ability to: spread more quickly in people; cause milder or more severe disease in people; evade detection by specific diagnostic tests; decreased susceptibility to therapeutic agents such as monoclonal antibodies; and further delay or possibly evade natural or vaccine induced immunity.

5. Montgomery County is the only jurisdiction in Maryland with confirmed cases of all three primary variants.

6. It is imperative to control the community spread of COVID-19 to avoid further mutations which give rise to new variants until such time as a sufficient portion of the population of Montgomery County is inoculated against COVID-19.
7. To date only [18%] 11.8% of the population of Montgomery County has been vaccinated for COVID-19.

8. COVID-19 in Montgomery County has caused disease in Montgomery County which thus far has claimed the lives of [1,390] more than 1,400 Montgomery County residents.

9. The currently known and available scientific evidence and best practices support continued limitations on large gatherings, increased use of face coverings, and continued social distancing to prevent exposures and transmissions and further mutations.

10. To reduce the threat to human health caused by transmission of COVID-19 and to protect and save lives, it is necessary and reasonable that individuals in Montgomery County continue to engage in social distancing, use of face coverings, and refrain from congregating in large groups.

11. It continues to be necessary to control and direct the occupancy and use of buildings and premises, as well as places of amusement and assembly within Montgomery County.

12. Due to Montgomery County’s large population and the amount of interstate travel between the District of Columbia and the Commonwealth of Virginia, disease can spread faster.

13. On March 9, Director of the National Institute of Allergy & Infectious Diseases at the NIH and Chief Medical Advisor for COVID-19 to President Biden, Dr. Anthony Fauci, told the Montgomery County Council “Now is the time to keep our foot on the accelerator with regard to adherence to public health measures, such as masking, physical distancing, and other measures that we know work to protect people from the SARS CoV-2 virus, while we are ramping up efforts to vaccinate as many people as we can as quickly as possible.”

14. On March 1, CDC Director Rochelle Walensky said, "Please hear me clearly. At this level of cases with variants spreading, we stand to completely lose the hard-earned ground we have gained. These variants are a very real threat to our people and to our progress. Now is not the time to relax the critical safeguards that we know could stop the spread of COVID-19 in our communities, not when we are so close."

15. Both County Health Officer, Dr. Travis Gayles, and County Director of Emergency Management, Dr. Earl Stoddard, recommended a progressive, staged relaxation of restrictions so officials can disaggregate the data and assess the impact of the relaxation of the restrictions in other jurisdictions before deciding what is safest for the residents of Montgomery County.

16. Pursuant to Md. Code Ann. Local Government §10-328(b) a county may provide for the prevention of contagious diseases in the County.

17. A local Board of Health may, pursuant to Md. Code Ann. Health Gen. §3-202(d), adopt and enforce rules and regulations on any cause of disease in the County.
18. Pursuant to Montgomery County Code 2-65, the County Council is and may act as the County Board of Health.

19. The Council, sitting as the Board of Health, adopted a Board of Health Regulation in Resolution No. 19-760 on March 12, 2021. This Board of Health Regulation would amend Resolution No. 19-760.

[19.] 20. Rule 4(d) of the Council’s Rules of Procedure provide that before the Board of Health adopts a regulation, the Council President must advertise a public hearing in a newspaper circulated throughout the County at least 15 days before the hearing and notify the governing body or chief executive officer of each municipality in the County at least 15 days before the hearing. Rule 4(d) allows the President to waive these notice provisions if a public health emergency requires immediate action. The Council President has waived these notice requirements because of the public health emergency caused by COVID-19.

[20.] 21. The County Council, sitting as the Board of Health, finds after hearing the testimony and other evidence in the record of the public hearing that this public health regulation is necessary to protect the health of County residents.

Action

The County Council for Montgomery County, Maryland, sitting as the County Board of Health, finds that this is an emergency and approves the following regulation amending the regulation adopted by Resolution No. 19-760:
1. Definitions.

   a. “Face Covering” means a covering that fully covers a person’s nose, mouth, and chin and is secured to the person’s head, including cloth face coverings, scarves, and bandanas. It does not include face covering with a valve; or solely wearing a face shield.

   b. “Fitness Centers” means a fitness center, dance studios, health clubs, health spas, gyms, training facilities, ice rinks.

   c. “Foodservice Establishment” means a restaurant, bars, or other similar establishments that sell food or beverages for consumption on-premises in Montgomery County and social and fraternal clubs with dining facilities.

   d. “Maximum Occupancy” means (i) the maximum occupancy load of a facility under the applicable fire code or pursuant to applicable laws, regulations, and permits. If a facility is not rated for maximum occupancy, a person per square foot option must be used to calculate maximum occupancy.

   e. “Personal Service Establishments” means hair salons, barbershops, and establishments that provide tanning, tattoo, waxing, threading, electrolysis, cryotherapy, facial and other skin services, massage, and nail technician services.

   f. “Public Transportation” means shared-ride surface transportation services that are open to the general public, including without limitation, taxi services, ride-sharing services, car services, and transit services operating within Montgomery County. Examples of Public Transportation include, but are not limited, to Ride-On bus service, WMATA bus and train service, MARC train service, and Mobility and Paratransit services.

   g. “Religious Facilities” means Churches, synagogues, mosques, temples, and other similar religious facilities of any faith.

   h. “Social gatherings” means a gathering of persons from more than one household. It includes parties, receptions, parades, festivals, conventions, fundraisers, community, recreational, leisure, and non-professional sports gatherings and events.

2. Face Coverings.

   a. Requirement to Wear Face Coverings.
All persons in the County over the age of two (2) years old must wear face coverings:

1. pursuant to State Executive Order 21-03-09-01 paragraphs IV.a.i.1 – IV.a.ii;
2. at all times in a foodservice establishment unless actively engaged in eating or drinking; and
3. when actively engaged in sports – except as recommended by the American Academy of Pediatrics.

b. Exceptions. Paragraph 2.a. does not require persons to wear Face Coverings:

i. Pursuant to State Executive Order 21-03-09-01 paragraph IV.b.

3. General Operating Requirements.

a. Unless expressly stated to the contrary, all businesses, organizations, establishments, and facilities that are permitted to operate under this Order shall:

i. require strict adherence to social distancing of greater than 6 feet between:

1. employees and customers; and
2. individuals or groups of individuals from different households;

ii. utilize markings and signage to guide employees and customers;

iii. provide employees with guidance and training to reflect updated Centers for Disease Control and Prevention (“CDC”) guidance for their workplace;

iv. use CDC and Environmental Protection Agency (“EPA”) approved disinfectants to clean spaces daily; and

v. require employees to wash their hands hourly.

b. All businesses, organizations, establishments, and facilities that are permitted to open shall post signage indicating that they are in compliance with all provisions of paragraph 3.a of this Order.

4. Letters of Approval.

a. Requests for a Letter of Approval must be submitted a minimum of 5 business days before the scheduled event. Failure to submit a timely request will result in an automatic denial of the Letter of Approval.
b. Failure to obtain a Letter of Approval prior to proceeding with an event will be considered to be a violation of this Order and could subject the requestor, organizer, and venue to the appropriate fines and sanctions.

c. Any person, organizer, or venue who is found to have held an event without a Letter of Approval will be automatically disqualified from receiving a future Letter of Approval.

5. Gatherings.

a. Unless expressly stated in another paragraph of this Order:
   i. Outdoor gatherings of more than 50 people are prohibited.
   ii. Indoor gatherings of more than 25 people are prohibited.
   iii. The size of the location and venue of any gathering must accommodate applicable social distancing for the number of attendees.
   iv. If more than one household is present at a gathering each individual present at the gathering must be counted for purposes of determining compliance.

6. Businesses that May Open.

a. Foodservice Establishments.
   i. Total number of persons permitted in the indoor dining portion of the foodservice establishment shall not exceed 25% of the maximum occupancy.
   ii. Outdoor dining at a foodservice establishment must follow MDH Order No 2021-03-09-01 paragraph 2.A.
   iii. May resume buffet service pursuant to MDH Order No 2021-03-09-01.
   iv. Must require all customers to wear Face Coverings unless actively engaged in the act of eating or drinking (e.g. while seated at the table and talking but not eating or drinking).
   v. Must maintain a daily record of the date, time, name and contact information for at least one person for each dining party and maintain the daily record for at least 30 days, to assist with contact tracing: date;
   vi. Must post signage at each outdoor dining entrance advising customers and visitors that:
1. they must comply with the Face Covering requirements at all times when they are not actively eating or drinking;
2. they must maintain social distancing of at least 6 feet when waiting to be seated; and
3. failure to wear Face Coverings or maintain social distancing may result in their being refused service and found to be in violation of this order.

b. *Cigar Bars/Hookah Bars/Vape Shops.* May open solely to sell retail goods. Smoking on site is strictly prohibited.

c. *Malls.*

i. Shopping centers with one or more enclosed pedestrian concourses may maintain pedestrian concourses and other interior common areas open, but solely to the extent necessary for the general public to enter and exit retail establishments.

ii. Food courts located inside indoor malls shall follow paragraph 6.a.

iii. Congregating in any indoor area outside of retail stores is prohibited.

iv. Malls shall remove tables, chairs, benches, or any other items which could encourage congregating from indoor areas outside of retail stores.

i. The total number of persons permitted in a religious facility may not exceed 50% of the facility’s maximum occupancy.

ii. Occupancy numbers shall include faith leaders, volunteers, and congregants.

iii. Must follow spacing, screening, cleaning, and music guidelines as stated in the County’s Religious Facilities Reopening page.

e. *Sports.*

i. [Sports are categorized by level of risk pursuant to the Maryland Sports Commission Return to Play Report with the following exceptions:

1. solo kayaking/canoeing is considered to be low risk;
2. tandem kayaking/canoeing is considered to be low risk if participants are from the same household.]
Except as provided in paragraph 6(e)(vii), all organized youth sports may be played either indoors or outdoors only after a COVID Protocol Plan is approved by the County Health Officer or the Officer’s designee. The Plan must align with guidelines by the Centers for Disease Control and Prevention (CDC), Maryland State Department of Education (MSDE), and Montgomery County, and include a plan for:

1. contact tracing with an attendance tracking sheet that must be completed for all activities conducted;
2. requiring that face coverings be worn per guidelines from the American Academy of Pediatrics;
3. social distancing with at least 6 feet between all participants to the extent possible; and
4. requiring the use of a student attestation form or COVID-19 Athlete/Coach Monitoring Form at all activities conducted.

Although voluntary, regular testing should be part of the COVID Protocol Plan.

ii. Rented sport equipment must be thoroughly cleaned and disinfected pursuant to CDC guidelines using EPA approved cleaners and disinfectants between usage.

iii. A Letter of Approval must be obtained before any tournaments, championships, or events are held in Montgomery County that are expected to exceed guidelines.

[iiv.] All organized sports played in the County must comply with the gathering guidelines described in paragraph 6(e)(i), including limiting the participating athletes to those listed on the official roster as determined through the Maryland Public Secondary Schools Athletic Association (MPSSAA) or the organization’s governing body or league, coaches, and up to 12 additional participants acting in an official game capacity.

iv. Sports played outside of an organized league must follow [outdoor] social gathering guidelines and all persons must comply with the State mandate to use a face covering whenever social distancing is not an option. [and the]
The total number of people present for outdoor sports played outside of an organized league is limited to 50 and the total number of people present for indoor sports played outside of an organized league is limited to 25. [This includes staff, coaches, players, and any parents, guardians, or immediate family. The 50 person limit may be exceeded for youth sports played outdoors if a Letter of Approval is obtained before the event is held.]

Except for youth hockey, sports played inside must follow the indoor gathering guidelines and the total number of people present is limited to 25. This includes staff, coaches, players, and any parents, guardians, or immediate family. The 25 person limit may be exceeded for youth sports played indoors if a Letter of Approval is obtained before the event is held. The total number of persons present for youth hockey played indoors must not exceed 10% of the maximum occupancy for the ice rink facility.

Play and games with teams from outside of Maryland, Virginia, or the District of Columbia is prohibited.

Sports may not open to the general public or spectators. [Parents, guardians, and immediate family of players may spectate provided they maintain the appropriate social distancing of greater than 6 feet between non-family members and the total number of individuals present does not exceed the applicable gathering size limit.]

An organized youth sports league that was approved to operate under a prior Board of Health Regulation and was not classified as a high risk sport does not need a new COVID Protocol Plan approved for any event that complies with the gathering limits and restrictions of the prior approval.

Low risk and medium risk sports may engage in practice, scrimmage, games, matches, and competition.

High risk sports:
1. may only engage in no-contact skills-building and drills; and
2. may not engage in scrimmages, games, matches, and competitions.

7. Businesses that may open at 25% Maximum Occupancy.
   a. Fitness Centers.
i. Fitness Centers that provide sport-specific training for high-risk sports as defined in Maryland Sports Commission Return to Play Report must follow the restrictions in paragraph 6.e above.

b. *Bowling Alleys.*

i. all equipment (balls, shoes, etc.) and spaces (lanes, tables, seats) must be cleaned between each person(s) or group’s use with CDC and EPA approved cleaners; and

ii. any foodservice establishment located within the bowling alley must follow paragraph 6 of this Order.

c. *Escape Rooms.*

i. Only private games of a maximum of 6 people all permitted.

ii. All games are by appointment only and must be staggered so as to prevent patrons from interacting with others outside of their group.

iii. Before and after each game, all items in game rooms and items provided to patrons (including but not limited to lock, props, and any touchable surfaces) must be thoroughly cleaned using CDC and EPA approved disinfectants.

d. *Museums and Art Galleries.*

i. Exhibits requiring contact (for example “please touch” exhibits or other interactive displays) must remain closed.

e. *Personal Services.*

i. Staff are required to wear gloves, and any other Personal Protective Equipment as appropriate to their workplace and provided service.

f. *Pools.*

i. Must strictly comply with any guidance issued by DHHS.

g. *Retail Establishments.*

i. Employees must use any additional Personal Protective Equipment as appropriate to their workplace.

h. *Recreation Centers.*
8. Other Businesses, Organizations, Establishments, and Facilities that may open on March 26, 2021 at 25% capacity provided they do not sell or permit food for consumption at the facility.
   a. Amusement parks. Including stand-alone types, such as, but not limited to merry-go-rounds and roller coasters.
   b. Bingo halls.
   c. Go-kart tracks.
   d. Roller skating rinks.
   e. Social Clubs.
   f. Theaters. This Order controls the occupancy and use of theatres in Montgomery County at which live performances occur or motion pictures are shown (“Theaters”).
   g. Trampoline Parks.
   h. Any other establishment not listed above that is subject to the admission and amusement tax under Title 4 of the Tax-General Article of the Maryland Code.

9. Capacity Limits on March 26, 2021. The 25% capacity limits imposed for facilities in paragraphs 6a and 7 above are raised to 50% of capacity on March 26, 2021.

10. Minimal Operations. Staff and owners may continue to be on-site at any business, organization, establishment, or facility that is required to be closed pursuant to this Order only for the following purposes:
   a. Facilitating remote working (a/k/a/ telework) by other staff;
   b. Maintaining essential property;
   c. Preventing loss of, or damage to property, including without limitation, preventing spoilage of perishable inventory;
   d. Performing essential administrative functions, including without limitation, picking up mail and processing payroll; and
   e. Caring for live animals.

11. This Order must be enforced by any County department or agency that has authority over the subject matter of any particular provision and the Montgomery County Police Department.

12. Applicability. This regulation applies Countywide.
13. **Severability.** If the application of this regulation or any part of it to any facts or circumstances is held invalid, the rest of the regulation and its application to all other facts and circumstances is intended to remain in effect.

14. **Effective Date.** This regulation takes effect on [March 12, 2021] **March 19, 2021** at 5 p.m.

This is a correct copy of Council action.

Selena Mendy Singleton, Esq., Clerk of the Council
Subject: First Amended Board of Health Regulation to prevent the spread of COVID-19 in the County

Background

1. Lawrence J. Hogan, the Governor of the State of Maryland declared a state of emergency and catastrophic health emergency on March 5, 2020, and renewed on March 17, 2020, April 10, 2020, May 6, 2020, June 3, 2020, July 1, 2020, July 31, 2020, August 10, 2020, September 8, 2020, October 6, 2020, October 29, 2020, November 25, 2020, December 23, 2020, January 21, 2021, and on February 19, 2021 to control and prevent the spread of SARS-CoV-2 also known as COVID-19 within the state and both the state of emergency and catastrophic health emergency still exist in Maryland.

17. A local Board of Health may, pursuant to Md. Code Ann. Health Gen. §3-202(d), adopt and enforce rules and regulations on any cause of disease in the County.
18. Pursuant to Montgomery County Code 2-65, the County Council is and may act as the County Board of Health.

19. The Council, sitting as the Board of Health, adopted a Board of Health Regulation in Resolution No. 19-760 on March 12, 2021. This Board of Health Regulation would amend Resolution No. 19-760.

20. Rule 4(d) of the Council’s Rules of Procedure provide that before the Board of Health adopts a regulation, the Council President must advertise a public hearing in a newspaper circulated throughout the County at least 15 days before the hearing and notify the governing body or chief executive officer of each municipality in the County at least 15 days before the hearing. Rule 4(d) allows the President to waive these notice provisions if a public health emergency requires immediate action. The Council President has waived these notice requirements because of the public health emergency caused by COVID-19.

21. The County Council, sitting as the Board of Health, finds after hearing the testimony and other evidence in the record of the public hearing that this public health regulation is necessary to protect the health of County residents.

**Action**

The County Council for Montgomery County, Maryland, sitting as the County Board of Health, finds that this is an emergency and approves the following regulation amending the regulation adopted by Resolution No. 19-760:
1. Definitions.
   a. “Face Covering” means a covering that fully covers a person’s nose, mouth, and chin and is secured to the person’s head, including cloth face coverings, scarves, and bandanas. It does not include face covering with a valve; or solely wearing a face shield.
   b. “Fitness Centers” means a fitness center, dance studios, health clubs, health spas, gyms, training facilities, ice rinks.
   c. “Foodservice Establishment” means a restaurant, bars, or other similar establishments that sell food or beverages for consumption on-premises in Montgomery County and social and fraternal clubs with dining facilities.
   d. “Maximum Occupancy” means (i) the maximum occupancy load of a facility under the applicable fire code or pursuant to applicable laws, regulations, and permits. If a facility is not rated for maximum occupancy, a person per square foot option must be used to calculate maximum occupancy.
   e. “Personal Service Establishments” means hair salons, barbershops, and establishments that provide tanning, tattoo, waxing, threading, electrolysis, cryotherapy, facial and other skin services, massage, and nail technician services.
   f. “Public Transportation” means shared-ride surface transportation services that are open to the general public, including without limitation, taxi services, ride-sharing services, car services, and transit services operating within Montgomery County. Examples of Public Transportation include, but are not limited, to Ride-On bus service, WMATA bus and train service, MARC train service, and Mobility and Paratransit services.
   g. “Religious Facilities” means Churches, synagogues, mosques, temples, and other similar religious facilities of any faith.

2. Face Coverings.
   a. Requirement to Wear Face Coverings.
i. All persons in the County over the age of two (2) years old must wear face coverings:
   1. pursuant to State Executive Order 21-03-09-01 paragraphs IV.a.i.1 – IV.a.ii;
   2. at all times in a foodservice establishment unless actively engaged in eating or drinking; and
   3. when actively engaged in sports – except as recommended by the American Academy of Pediatrics.

b. *Exceptions*. Paragraph 2.a. does not require persons to wear Face Coverings:
   i. Pursuant to State Executive Order 21-03-09-01 paragraph IV.b.

3. **General Operating Requirements.**
   a. Unless expressly stated to the contrary, all businesses, organizations, establishments, and facilities that are permitted to operate under this Order shall:
      i. require strict adherence to social distancing of greater than 6 feet between:
         1. employees and customers; and
         2. individuals or groups of individuals from different households;
      ii. utilize markings and signage to guide employees and customers;
      iii. provide employees with guidance and training to reflect updated Centers for Disease Control and Prevention (“CDC”) guidance for their workplace;
      iv. use CDC and Environmental Protection Agency (“EPA”) approved disinfectants to clean spaces daily; and
      v. require employees to wash their hands hourly.
   b. All businesses, organizations, establishments, and facilities that are permitted to open shall post signage indicating that they are in compliance with all provisions of paragraph 3.a of this Order.

4. **Letters of Approval.**
   a. Requests for a Letter of Approval must be submitted a minimum of 5 business days before the scheduled event. Failure to submit a timely request will result in an automatic denial of the Letter of Approval.
b. Failure to obtain a Letter of Approval prior to proceeding with an event will be considered to be a violation of this Order and could subject the requestor, organizer, and venue to the appropriate fines and sanctions.

c. Any person, organizer, or venue who is found to have held an event without a Letter of Approval will be automatically disqualified from receiving a future Letter of Approval.

5. Gatherings.

a. Unless expressly stated in another paragraph of this Order:

i. Outdoor gatherings of more than 50 people are prohibited.

ii. Indoor gatherings of more than 25 people are prohibited.

iii. The size of the location and venue of any gathering must accommodate applicable social distancing for the number of attendees.

iv. If more than one household is present at a gathering each individual present at the gathering must be counted for purposes of determining compliance.

6. Businesses that May Open.

a. Foodservice Establishments.

i. Total number of persons permitted in the indoor dining portion of the foodservice establishment shall not exceed 25% of the maximum occupancy.

ii. Outdoor dining at a foodservice establishment must follow MDH Order No 2021-03-09-01 paragraph 2.A.

iii. May resume buffet service pursuant to MDH Order No 2021-03-09-01.

iv. Must require all customers to wear Face Coverings unless actively engaged in the act of eating or drinking (e.g. while seated at the table and talking but not eating or drinking).

v. Must maintain a daily record of the date, time, name and contact information for at least one person for each dining party and maintain the daily record for at least 30 days, to assist with contact tracing: date;

vi. Must post signage at each outdoor dining entrance advising customers and visitors that:
1. they must comply with the Face Covering requirements at all times when they are not actively eating or drinking;
2. they must maintain social distancing of at least 6 feet when waiting to be seated; and
3. failure to wear Face Coverings or maintain social distancing may result in their being refused service and found to be in violation of this order.

b. Cigar Bars/Hookah Bars/Vape Shops. May open solely to sell retail goods. Smoking on site is strictly prohibited.

c. Malls.
   i. Shopping centers with one or more enclosed pedestrian concourses may maintain pedestrian concourses and other interior common areas open, but solely to the extent necessary for the general public to enter and exit retail establishments.
   ii. Food courts located inside indoor malls shall follow paragraph 6.a.
   iii. Congregating in any indoor area outside of retail stores is prohibited.
