**Curriculum Vitae
For
JAMES C. BRIDGERS, JR., Ph.D., MBA**

James C. Bridgers, Jr., Ph.D., M.B.A.

Dr. Bridgers has over 30 years of experience in the administration, development, fiscal management, and implementation of health programs in various public health and social science arenas. He has managed three national multi-year projects funded by the U.S. Department of Health and Human Services (DHHS), the Substance Abuse and Mental Health Services Administration (SAMHSA), and the Health Resources and Services Administration (HRSA), totaling nearly 36 million dollars. He also served as Acting Director for Montgomery County Government's Department of Health and Human Services (DHHS), managing 1,974 full-time equivalents (FTE) staff and a \$484 million budget.

In addition to obtaining critically important experience in budgetary oversight on numerous Federal projects, Dr. Bridgers is well-versed in contract and grants management and performance monitoring. He is trained in Contracting Officer Technical Representative (COTR) requirements and Project Management Principles (P.M.P.) and is a certified Knowledge Manager (KM).

Dr. Bridgers also enjoyed 30 years of military service. In his role as a Command Sergeant Major (C.S.M.), Dr. Bridgers served as the Senior Advisor to the Brigade Commander of various United States Army Reserve commands and was responsible for establishing and enforcing strategic organizational management processes, policies, and standards related to reducing risk; preventing and mitigating harm or hostile actions; preventing, deterring and protecting against acts of terrorism; preparing resources to respond to hazards; and directing, controlling and coordinating an operational response to the actual damage caused by the hazard and limiting further damage. Dr. Bridgers has instructed over 300 assigned United States Army Reserve Non-commissioned Officers (N.C.O.s). He was tasked with providing leadership, training, and discipline and ensuring the morale and welfare of the soldiers under his command. He has also provided healthcare education and risk prevention planning to military personnel and their families in the Military Health Care System.

Dr. Bridgers earned his B.S in Psychology and M.S. degree in Health Education from Howard University in Washington, D.C., his M.B.A. and M.Th. from St. Leo University in St. Leo, Florida, and his Ph.D. in Family Science (Studies) from the School of Public Health, University of Maryland, College Park.

CAREER HISTORY

Acting Director, Department of Health and Human Services, Montgomery County Department of Health and Human Services, Rockville, MD February 2023 - Present.

Responsible for assessing residents' health, functional, and psychosocial status, providing supervision and training to health services team members, communicating with families regarding health care needs, and providing education and support to residents and families. Also, serves as the agency's Senior Executive manager, planning, directing, and coordinatinating somatic (physical) and mental health services for Montgomery County, MD. Oversees all high-level business strategies for the agency.

Chief of Public Health Services, Montgomery County Department of Health and Human Services, Public Health Services (DHHS/PHS), Rockville, MD January 2024 - Present.

Reviews and signs documents and correspondences for the Health Officer, including Memorandum of Understanding, Purchase of Service Agreements, Contracts, costing, and other documents requiring the signature of the Health Officer. Serves as the appointing authority for all personnel actions, including recruitment, hiring, grievances, and disciplinary actions, including termination. Responds to County Council, County Executive, and County Attorney regarding health issues and concerns. Guides public health community-level needs assessment and program development.

Acting Health Officer and Chief of Public Health Services, Montgomery County Department of Health and Human Services, Public Health Services (DHHS/PHS), Rockville, MD September 2021- Present

Serves as the Senior Public Health Official and responsible for administrative oversight and direction to the directors of six prominent Public Health Services (PHS) core divisions (i.e., Epidemiology, Maternal and Child Health Services, School Health Services, Community and Population Health Services, Licensure and Regulatory Services, and Communicable Disease and Public Health Emergency Preparedness) within the agency. Serves as the Health Department representative on Boards and Commissions requiring Health Officer input and attendance.

Reviews and signs documents and correspondences for the Health Officer, including Memorandum of Understanding, Purchase of Service Agreements, Contracts, costing, and other documents requiring the signature of the Health Officer. Serves as the appointing authority for all personnel actions, including recruitment, hiring, grievances, and disciplinary actions, including termination. Responds to County Council, County Executive, and County Attorney regarding health issues and concerns. Provides guidance for public health needs assessment and program development.

Reviews and approves the adoption, rejection, or modification of major programmatic initiatives, including preparation and submission of grants. Provides budget oversight (i.e., 14 million operating budget), preparation, submission, and monitoring of expenditures of County and State grant budgets. Responds to media inquiries and community- and individual-level complaints, concerns, and problems regarding health department services that cannot be resolved at the program or divisional level. Managed the Montgomery County Department of Health and Human Services (DHHS) public health COVID-19 pandemic operations, recovery, testing, and vaccination efforts.

Deputy Health Officer, Montgomery County Department of Health and Human Services, Public Health Services (DHHS/PHS), Rockville, MD April 2019 - September 2021

Provides administrative oversight and direction to the directors of six prominent Public Health Services (PHS) core divisions (i.e., Epidemiology, Maternal and Child Health Services, School Health Services, Community and Population Health Services, Licensure and Regulatory Services, and Communicable Disease and Public Health Emergency Preparedness) within the agency. In the absence of the Health Officer, represents the Health Department on Boards and Commissions requiring Health Officer input and attendance.

Reviews and signs documents and correspondences for the Health Officer, including Memorandum of Understanding, Purchase of Service Agreements, Contracts, costing, and other documents requiring the signature of the Health Officer. Serves as the appointing authority for all personnel actions, including recruitment, hiring, grievances, and disciplinary actions, including termination. Responds to health issues and concerns of the County Council, County Executive, and County Attorney.

Provides guidance for public health needs assessment and program development. Provides oversight and guidance to staff regarding the annual certification of The Public Health Accreditation Board (PHAB), which accredits public health departments to strengthen public health infrastructure and transform and innovate governmental public health.

Reviews and approves the adoption, rejection, or modification of major programmatic initiatives, including preparation and submission of grants. Provides budget oversight (i.e., 14 million operating budget), preparation, submission, and monitoring of expenditures of County and State grant budgets. Responds to media inquiries and community- and individual-level complaints, concerns, and problems regarding health department services that cannot be resolved at the program or divisional level. Managed the Montgomery County Department of Health and Human Services (DHHS) public health COVID-19 pandemic operations, recovery, testing, and vaccination efforts.

Acting Health Officer, Charles County Department of Health (CCDoH), Charles County, MD
August 2018– December 2018

Served as the Executive Officer and Secretary of the County’s Board of Health. Served as the Administrator for federal, state, and community-based grants. Appointed and supervised Senior-level staff and clinicians. Monitored mortality, morbidity, and other disease trends to control disease outbreaks. Provided consultation on public health concerns to public and private citizen agencies. Responded to legal concerns and served as the official liaison to the States Attorney regarding public health matters.

Deputy Health Officer, Charles County Department of Health (CCDoH), Charles County, MD
April 2014 - August 2018; December 2018 - April 2019

Provided administrative oversight and direction to the agency's directors of six major CCDoH divisions (i.e., Nursing and Community Health, Environmental Health, Mental Health, Substance Abuse, Administration, Developmental Disabilities, and Emergency Preparedness).

In the absence of the Health Officer, represented the Health Department on Boards and Commissions requiring Health Officer input and attendance. Reviewed and signed documents and correspondences for the Health Officer, including Memorandum of Understanding (MOU), Purchase of Service Agreements, Contracts, Costing, and other documents requiring the signature of the Health Officer. Served as the appointing authority for all personnel actions, including recruitment, hiring, grievances, and disciplinary actions, including termination. Responded to County Commissioners, County Administrator, and County Attorney regarding health issues and concerns.

Provided guidance for public health needs assessment and program development. Reviews and approves the adoption, rejection, or modification of major programmatic initiatives, including preparation and submission of grants. Provided budget oversight (i.e., 14 million operating budget), preparation, submission, and monitoring of expenditures of County and State grant

budgets.

Responded to media inquiries and community- and individual-level complaints, concerns, and problems regarding health department services that cannot be resolved at the program or divisional level. Served as the agency's point of contact with the Maryland Department of Health (M.D.H.) Opioid Operational Command Center (O OCC), Opioid Intervention Team (O.I.T.), and Overdose Fatality Review Team (OFRT). Led the Health Department's planning, operation, implementation, and the successful award of the Commission on the Accreditation of Rehabilitation Facilities (CARF) to improve standards of care in the agency's Behavioral Health and Substance Used Disorder divisions.

Senior Analyst, TAPE (Technical and Project Engineering), L.L.C., Kingstowne, MD
May 2009 – April 2014

Analyzed Department of Defense (DoD), United States Army Reserve (USAR) Manpower data for budget trends, cost benefits, and resource estimates for the United States Army Reserve. Prepared micro-and macro-level Manpower reports and briefed senior leadership within the Office of Chief, Army Reserve (OCAR). Interface with OCAR inter-and intra-departmental entities to collect Manpower data.

- Perform as a functional expert on identifying, developing, and integrating processes and procedures to identify potential additional data for the required databases.
- Perform functional analysis of training resource impacts of critical USAR programs.
- Provide advice and assistance to USAR action officers and leadership on ManDay requirements to support unit training in USAR.
- Assist in the resource management activity process.
- Perform assessments and budget projections of more than 123 million dollars as part of the analysis process.
- Develop technical reports and briefings, project deliverables, monthly status reports, and other finished products.
- Maintains ManDay Resource Model, including developing critical inputs and analysis of outputs.

Technical Vice President and Senior Research Scientist, The MayaTech Corporation, Silver Spring, MD. October 1988 – May 2009

Provided technical direction of applied social research and community-based prevention and treatment of public health programmatic activities for the Center for Community Prevention and Treatment Research.

Served as project director, deputy project director, and senior technical advisor on various public health research, systems-level evaluation, and technical assistance and training projects for Federal agencies and private foundations. Provided project management, program development and planning, technical assistance, and organizational management in support of biomedical research, health services research, health education, training, resource development, and information management projects.

Selected Projects:

Project: U.S. Department of Health and Human Services (DHHS), Substance Abuse and Mental

Health Services Administration (SAMHSA), Center for Substance Abuse Treatment (CSAT), Division of Services Improvement (DSI). Technical Assistance Services for the SAMHSA/CSAT Division of Services Improvement Activities and Its Grantees.

Project: Health Services for Children with Special Needs, Inc., a subsidiary of the H.S.C. Foundation.

Family Research Scientist: Coordinated community health research examining social and familial support of fathers of children with disabilities.

Family Advocacy Case Review Committee Member: Recommended policy and offered program guidance in reducing family violence through outreach, prevention, and intervention programs and activities.

Project: DHHS, SAMHSA/CMHS. Interactive Multimedia Technology.

Project Director: Managed program evaluation development, design, implementation, and analysis activities.

Project: DHHS, SAMHSA/Center for Substance Abuse Prevention (CSAP), Division of Knowledge Application and System Improvement. Technical Assistance for Substance Abuse Prevention and H.I.V. Prevention in Minority Communities.

Deputy Project Director: Provided technical, administrative, and fiscal management of the project and directed a technical research support team in delivering capacity-building technical assistance and training to 131 community-based and grantee organizations.

Project: District of Columbia HIV/AIDS Administration, Home Health Needs Assessment and Evaluation.

Operations Manager: Managed program assessment and evaluation operations. Provided technical services, including generating an epidemiologic profile of targeted populations, conducting a needs assessment and program resource inventories, evaluating provider capacity and capability, and assessing service gaps and existing barriers.

Project: SAMHSA/CSAT, Identifying Best Practices for Acupuncture in Addiction Treatment.

Deputy Project Director: Provided program development, planning, and organizational management specifically related to acupuncture.

Project: Bureau of Health Resources Development, Health Resources and Services Administration (HRSA). Technical Assistance in Implementing the Annual Administrative Reports for Titles I and II of the Ryan White (CARE) Act of 1990.

Project Director: Directed comprehensive technical assistance to program staff, grantees, and providers under multiple Ryan White Comprehensive AIDS Resource Emergency (CARE) Act Titles.

Project: National Center for Research Resources, National Institutes of Health. National Center for Research Resources Scientific Forum.

Technical Associate: Provided technical assistance to the Division of Cancer Prevention and Control Clinical Trials Inventory.

Project: Centers for Disease Control and Prevention (C.D.C.), Division of Health Interview Statistics, National Center for Health Statistics. Health Plan List Update for the 1993 National

Health Interview Survey.

Technical Assistant: Compiled health insurance plan data for use in the National Health Interview Survey and Cancer Control and Epidemiology Supplements, Family Resources Section.

Project: National Cancer Institute, Division of Cancer Prevention and Control. Health Seeking Behavior and the People.

Technical Assistant: Performed in-depth literature reviews and data collection and analysis of research examining healthcare-seeking patterns of African American cohorts.

Project: Alcohol, Drug Abuse and Mental Health Administration, Office for Treatment Improvement. National Treatment Improvement Evaluation Study Bridge Contract.

Technical Assistant: Supervised staff in data extractions from grant applications. Administered qualitative and quantitative assessments of key stakeholders during program site visits.

Project: Center for Urban Affairs and Policy Research at Northwestern University. Prince George's County Public Schools Comer Process Data Collection.

Field Coordinator: Employed and supervised data collectors in administering the survey to study participants.

Project: National Institutes of Health (N.I.H.), National Institute of Allergy and Infectious Diseases (NIAID), Vaccine Trials and Epidemiology Branch, Division of AIDS. Research Projects Operations Support.

Task Manager: Provided database management support, such as data encoding, data entry utilizing the FoxPro database, and archiving database records.

Project: National Cancer Institute (NCI), Public Health Agency Section, Division of Cancer Prevention and Control, Applied Research Branch. National Cancer Institute Support Contract for the Public Health Agency Initiative.

Task Manager: Provided database management and technical support task order, including computerized literature searches, reviewing abstracts and obtaining relevant journal articles, and entering journal articles into the Reference Manager database.

Project: NCI, Office of Legislation and Congressional Activities, Office of the Director. Provided support services for State Cancer Policy Database Program.

Technical Associate: Provided technical research support, including processing incoming state legislative abstracts, monitoring pending and enacted legislation, data entry, and legislative content analysis of enacted legislation.

Project: NIH/NIAID, Epidemiology Branch. Research Projects Operations Support.

Technical Assistant: Processed incoming data for the NIAID field personnel directory.

Brigade Command Sergeant Major (Retired), United States Army Reserve, Fort Totten, New York (terminal duty assignment)

March 1987 – July 2017 (Combined years of service)

Served as the Senior Enlisted Advisor to the Brigade Commander regarding all non-commissioned officer (N.C.O.) duties and responsibilities. A skilled administrator who possesses a Top Secret security clearance with military occupational specialties in the following areas:

- **Military Police Operations:** Directed Company and squad-level support of battlefield operations, installation policies, and security of Army resources and installations. Led military police teams in support of battlefield operations and installation force protection. Directed and supervised squad-level response teams in support of security operations. Led military police squads and sections. Managed police operation desks and Garrison crime prevention scenes. Prepared an operations plan in support of emergency preparedness training.
- **Nuclear, Biological, Chemical, and Explosive (CBRNE) Operations:** Planned, employed, and coordinated rehearsal of concept (R.O.C.) drills for Chemical, Biological, Radiation, Nuclear, and Explosives (CBRNE) defense systems in support of joint and combined arms operations including 1) CBRNE reconnaissance systems, biological agent detection systems, 2) CBRNE decontamination systems and 3) other CBRNE deterrence or hazard detection and warning systems. Coordinated troop requirements and planning efforts for weapons of mass destruction (W.M.D.) force protection programs. Coordinated multi-agency and multi-jurisdictional preparedness training for mission, personnel, and property assets.
- **Combat Medical Operations:** Coordinated emergency medical treatment, limited to primary care and health protection, and evacuation from the point of injury or illness. Coordinated and managed outpatient/inpatient care for initial entry (I.E.T.) Soldiers. Conducted patient interviews with Soldiers in the Army Healthcare network, performed patient triage and recorded medical histories.
- **Logistics:** Coordinated Battalion-level material control, accounting, and supply reports. Maintained accounting records of property disposal activity. Reviewed requests for significant and controlled items. Reconciled activity records for monthly and quarterly reporting and status reviews. Processed data inquiries and manager-referred listings and cards. Managed and controlled critical and reserve stocks. Performed financial management of deployment activities. Directed the report of equipment survey losses and discrepancies. Planned and coordinated subsistence supply activity and directed corrective actions to minimize contamination and improper warehouse practices.

Served as Senior N.C.O. and managed unit-level pre- and post-mobilization program activities. Provided N.C.O. development training to include the Military Decision-Making Process and individual- and unit-level problem-solving. Provided high-level security briefings to General Officer staff regarding Battle Focused Readiness.

Served as Operations Sergeant Major and coordinated mission analysis, developed Brigade-level policies, and coordinated advance party and associated administrative deployment challenges under the Department of Defense Army Force Generation model.

Served as the Casualty Assistance Officer/Notification Officer and provided information and assistance to casualty-affected Army families. Provided healthcare education to military personnel and their families in the Military Health Care System.
