

Datasheet: Backyard Food Scraps Composting

Name:	
Address:	
Type of Bin: 🛛 Stationary Bin 🛛 Tumbler Composter	Month:

Instructions: Use this form to track the temperature of the compost pile, the amount of food scraps added, the moisture content, and if there are any odors, pests or other problems. Please fill out this form every time you add new food scraps to your compost bin and return via mail or email at the end of each month. Please contact Katherine.Vazquez@MontgomeryCountyMD.gov or call 240-777-6484 if you need help with trouble shooting.

DATE	TEMPERATURE (°F)	MOISTURE (TOO WET/ TOO DRY)	WEIGHT (lbs.)	ODOR (Yes/No)	PESTS OR COMMENTS
