

Concerned about Silver Spring Transportation Issues?

County Executive Isiah Leggett is seeking applicants to fill urgent vacancies on the Silver Spring Transportation Management District Advisory Committee

Transportation issues can have a tremendous impact on living, working and doing business in downtown Silver Spring. The Silver Spring Transportation Management District Advisory Committee, a 12-member business and resident advisory panel, meets to discuss transportation issues affecting Silver Spring. The Advisory Committee monitors employer transportation plans, proposes guidelines for lessening traffic, reviews traffic patterns and makes recommendations on commuting, parking and other related matters.

This is a challenging and exciting time to serve the Silver Spring community, with the addition of the new *Paul S. Sarbanes Transit Center*, the *Civic Building and Veterans Plaza*, the *Fillmore* and other downtown projects.

Meetings are held on the second Thursday of the month nine times per year, from 8 a.m. to 9:30 a.m. at Discovery Communications.
