Agenda

3

- 7:00: Open House
- **7:10: Presentation**
- 7:20: Questions & Comment
- 7:40: Open House
- 8:30: Adjourn

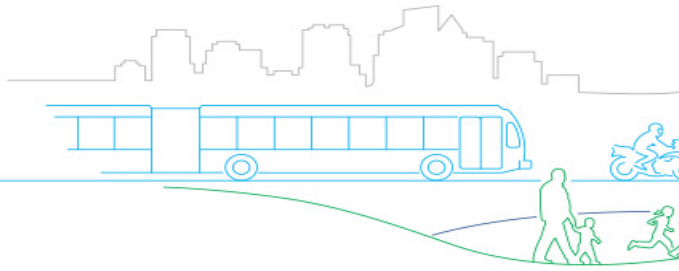

Meeting Goals

4

- This meeting is intended to introduce you to the initial concept design for the **13th Street/Burlington Ave Separated Bike Lanes**.
- We also want to get **your feedback** about the proposed treatments along the corridor.

Section 1: Project Background

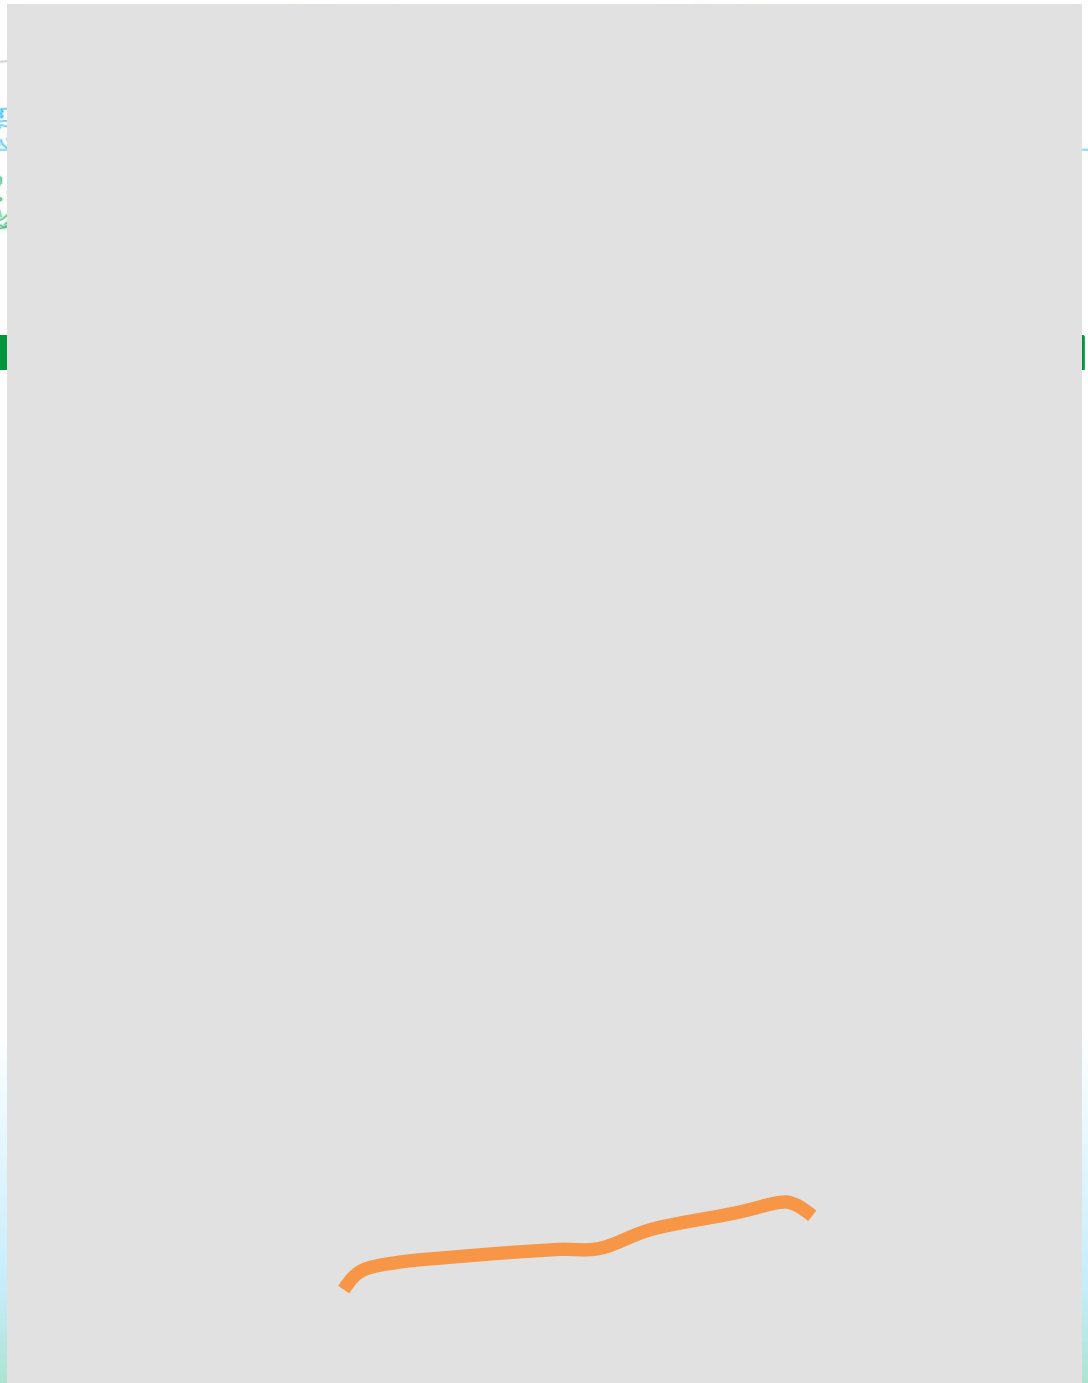

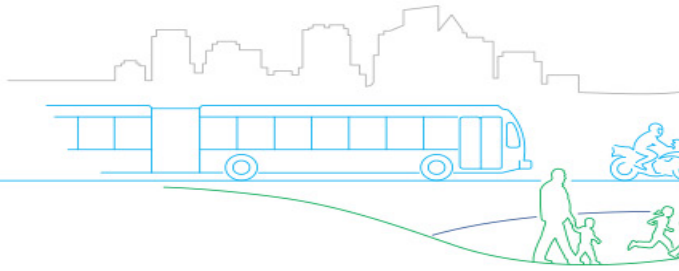

Project Area

6

- **13th Street / Burlington Ave Separated Bike Lanes**

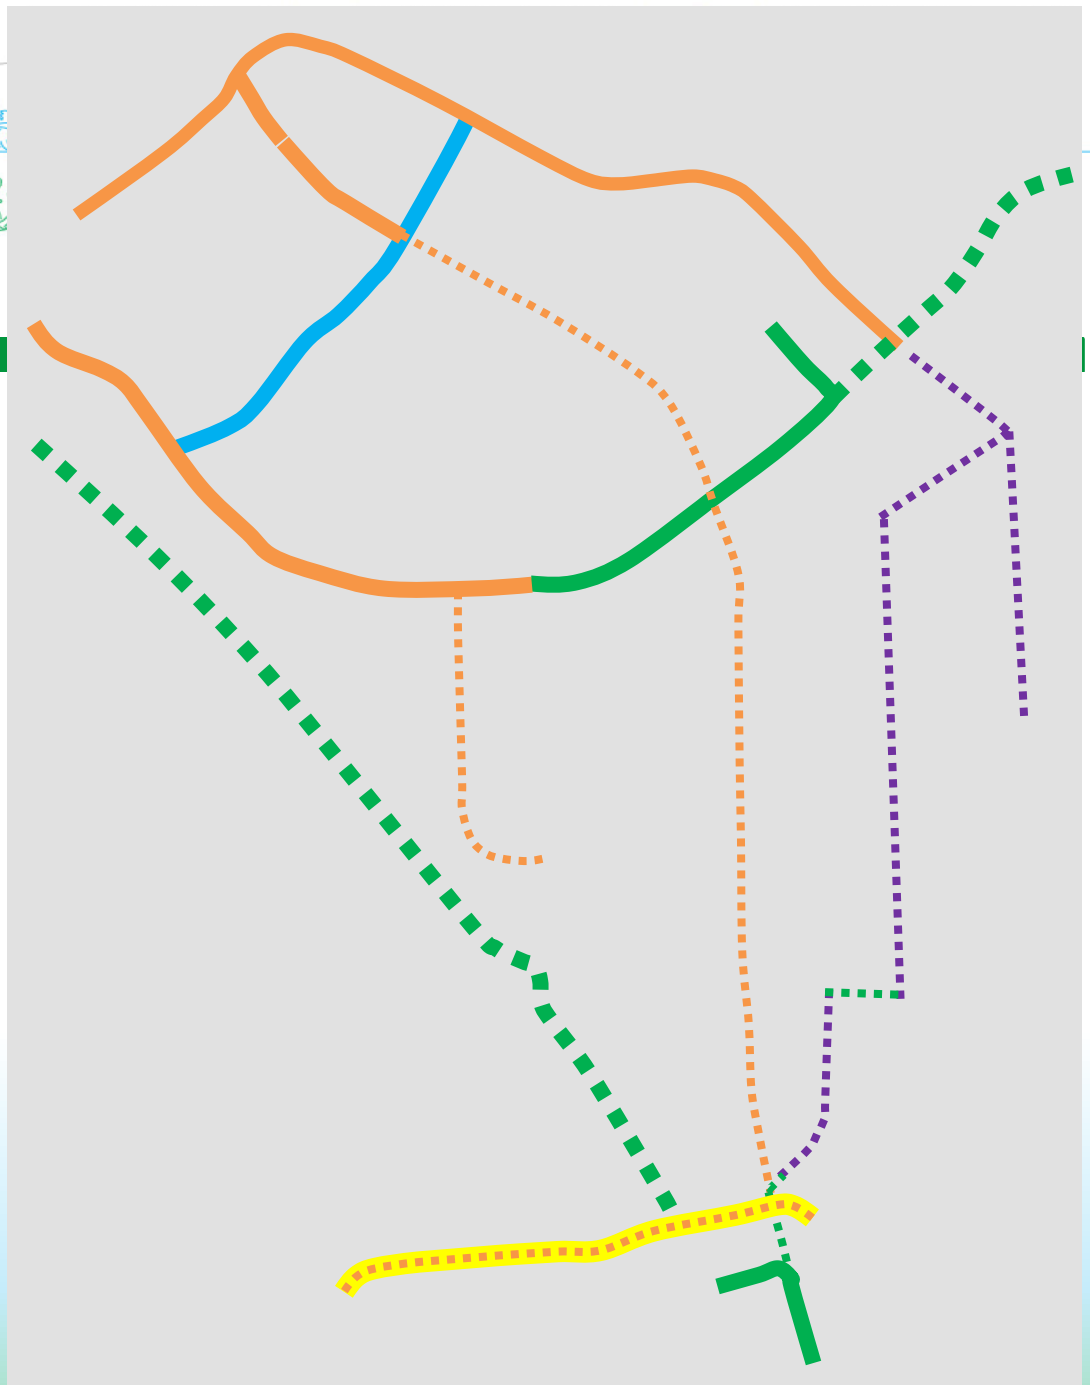

Growing Network

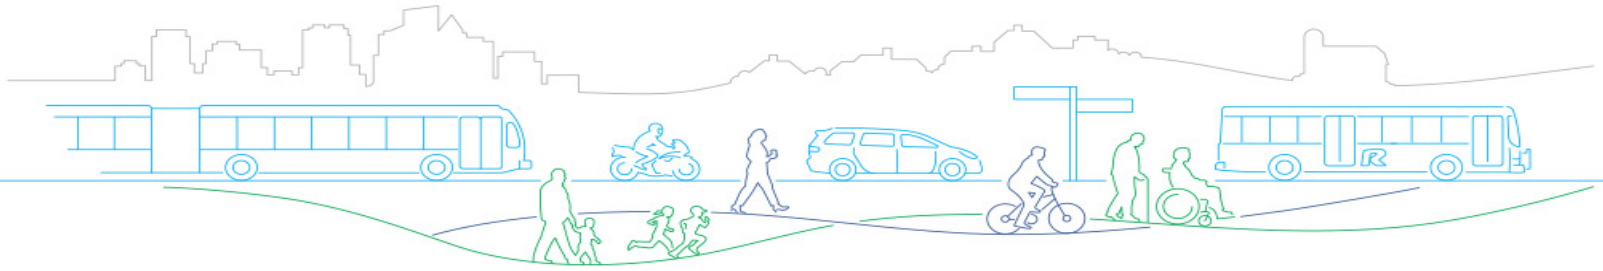

7

- Within Silver Spring, there is a growing network:
 - Completed facilities
 - Under construction
 - Construction soon
 - In design

Design Concept

17

Fenton / MD 410 Project

18

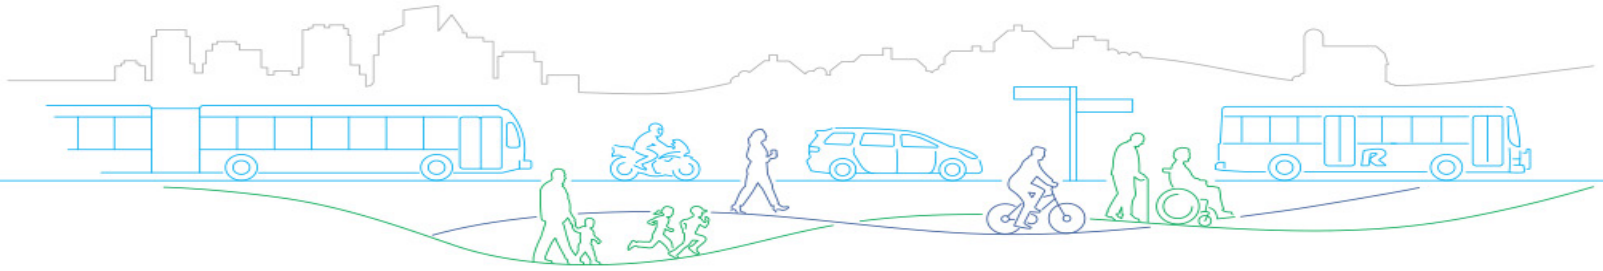

- This is a separate project that is already at final design.
- Construction is anticipated to start in Fall 2025.
- Provision has been made for the future separated bike lanes on Burlington Avenue.

Section 3: Next Steps

3

Next Steps

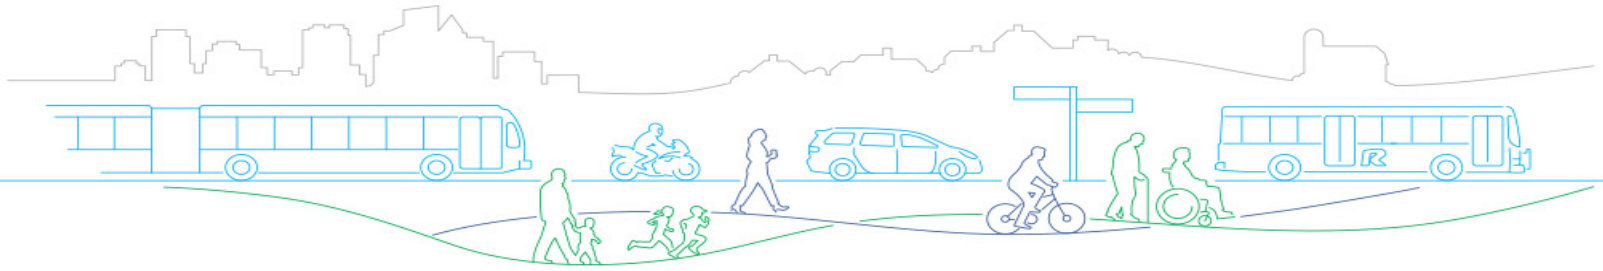

20

- Based on your feedback, our team will work to revise these plans.
- A Mandatory Referral hearing will take place before the Montgomery County Planning Board in spring 2025.
- We expect to complete design by the end of 2025.
- Construction will follow, likely in 2026 or 2027.

Section 4: Public Comment

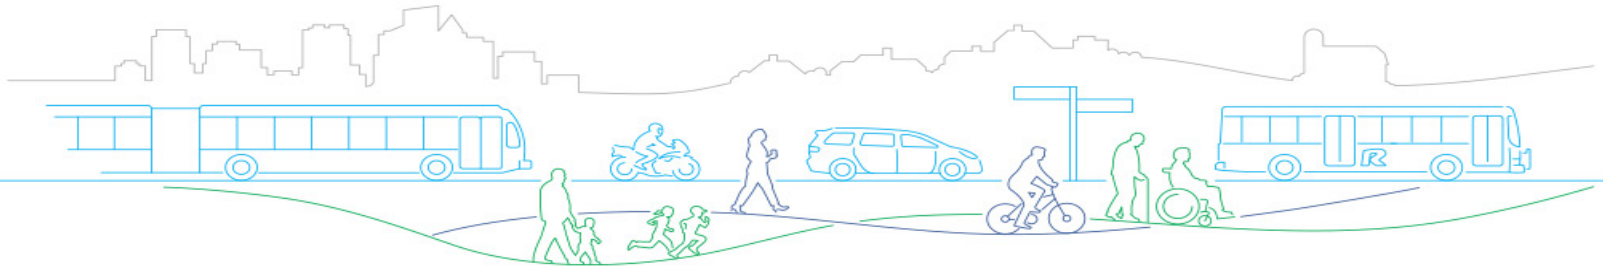

Public Comment

22

- Please be respectful of the other attendees and give others a chance to speak by keeping your comments concise.
- If you speak, your voice and likeness may appear on the meeting recording. If you don't wish to be recorded, please wait until the open house and speak directly to one of the staff members or submit your comment in writing.

Public Comment

23

- Any comments or questions you have regarding the 13th Street/Burlington Ave Separated Bike Lanes project are welcomed.
- It would be helpful for us to hear your concerns or thoughts on **specific elements** of the design.
- What else do you think we **need to know**?

Public Comment

24

Thank you for providing your input.

Please submit comments in writing
by **Friday, December 6, 2024.**
