

Updated Ownership Information

At the time that the Abandonment Application (AB No. 769) was filed on October 30, 2019, the properties abutting the public alley were owned by four different entities: (1) 8001 Wisconsin LLC; (2) Tilbury LLC; (3) West Virginia Holdings LLC; and (4) Bredice LLC. Since that time, 8001 Wisconsin LLC has obtained ownership of the properties previously held by Tilbury LLC and West Virginia Holdings LLC. 8001 Wisconsin LLC has authorization from Bredice LLC to process this Abandonment Application and serves as the lessee under a ground lease with Bredice LLC. As a result, there are now two entities with ownership interests in all the properties that adjoin the public alley. All original owners of these properties either signed or authorized the filing of the Abandonment Application. The tax map below identifies the current ownership interests relative to each of the properties abutting the public alley (highlighted in blue).
