### [EXTERNAL EMAIL]

Hi Eric,

We have been coordinating a gas main relocation with Damien Hicks of Davis Utility Consulting concerning this realignment. Once our planned relocation work is complete (into the new alignment), Washington Gas will have no objections to the ROW abandonment. If necessary, we can provide preliminary relocation plans as proof of our coordination with the project.

Thank you,

---

**Subject:** [ External ] Right of Way abandonment request - Portions of Westbard Ave and Ridgefield Road in Bethesda

All,

Please be advised that the Montgomery County Department of Transportation has received a request from Miles & Stockbridge, P.C., on behalf of their client, Equity One (Northeast Portfolio), LLC to abandon portions of Westbard Avenue and Ridgefield Road in Bethesda. As part of a redevelopment of the surrounding area, the Applicant will be constructing a realignment of Westbard Avenue which will result in the subject portions of Westbard Avenue and Ridgefield Road being excess rights of way. The Applicant's letter and corresponding exhibits requesting this abandonment is attached for your review.

Please review and submit any comments you may have concerning the subject abandonment request to me (contact information below) by December 8, 2020.

Thank you. Please feel free to contact me with any questions.
