Good afternoon Eric,

We have aerial facilities in that area basically following Pepco. Some of the joint use poles are in the PUE and if we relocated our facilities underground it is possible we would utilize the PUE.

Best regards,

All,

Please be advised that the Montgomery County Department of Transportation has received a request from the Edgemoor Club, Inc. (the Applicant) to abandon portions of the Denton Road and Hampden Lane rights of way encompassing a total of 2,453 square feet located adjacent to the Applicant's property at 7415 Exeter Road in Bethesda. It was recently discovered that portions of the Applicant's tennis courts and other landscaping features encroach a few feet into the existing rights of way. The Applicant is seeking this partial abandonment in order to resolve the encroachment issue.

The applicant's letter to the DOT Director requesting the subject abandonment is attached hereto.

Please review and submit any comments you may have concerning the subject abandonment request to me (contact information below) by **December 6, 2021**.

A virtual public hearing on the request is being scheduled for December 8, 2021 at 2:00 p.m.

Thank you for your attention to this matter.
