**Importance:** High

Greetings,

I hope this email finds you well.

Upon careful consideration of the Housing Opportunity Commission and Emory Grove United Methodist Church (the “Applicant”) on February 7, 2024, request to extend the Public Hearing Record for abandonment case AB 784 (Washington Grove Lane) and review of the current exhibits in the Record, the Hearing Officer has decided to extend the Public Record period. Pursuant to the attached Memorandum, the Public Hearing Record deadline for abandonment case AB 784 (Washington Grove Lane) has been extended from February 9<sup>th</sup>, 2024, to **5:00 PM on March 30<sup>th</sup>, 2024**. The extension is being implemented to ensure that all parties of Record have sufficient time to provide their input and feedback on the matter referenced in the attached Memorandum. Extending the Public Hearing Record will allow for a more comprehensive and inclusive process, ultimately leading to a better-informed Report and Recommendation. We encourage all parties of Record to take advantage of this extended period to submit any additional comments, concerns, or recommendations they may have.

If you have any questions or require further clarification regarding the extension of the Public Hearing Record, please do not hesitate to reach out to me at the contact information provided below.

Thank you for your continued engagement and participation in this important process.

Kind regards,

Tiara McCray
