Importance: High

Greetings,

I hope this email finds you well.

Upon careful consideration of the Housing Opportunity Commission and Emory Grove United Methodist Church (the "Applicant") February 15, 2024, request to reduce the Public Hearing Record deadline for abandonment case AB 784 (Washington Grove Lane), the Hearing Officer has decided to reduce the Public Record period. Pursuant to the attached Memorandum, the Public Hearing Record deadline for abandonment case AB 784 (Washington Grove Lane) has been reduced from March 30, 2024, to **5:00 PM on March 8, 2024**. The reduction is implemented in an effort to minimize impacts to the Heritage Emory Grove development project while also ensuring that all parties of Record have sufficient time to provide their input and feedback on the matter referenced in the attached Memorandum. We encourage all parties of Record to be mindful of the revisions to the deadline period and submit any additional comments, concerns, or recommendations they may have as soon as possible.

If you have any questions or require further clarification regarding the revised Public Hearing Record deadline, please do not hesitate to contact me at the information below.

Thank you for your continued engagement and participation in this critical process.

Kind regards,

Tiara McCray
