MEMORANDUM

June 21, 2023

TO: Mark Terry, Traffic Section Chief
TEOS

FROM: David Harris
Property Acquisition Specialist

SUBJECT: **Decision Memorandum – Request for Signage and Installation Announcing Public Hearing of Abandonment Case AB 785 (off Northfield Road)**

Pursuant to Montgomery County Code section 49-62 (e), DOT must post notice of a requested abandonment in or adjacent to the right of way to be closed or abandoned. Accordingly, please make the necessary arrangements to have a sign made and installed near the northern portion of County Right of Way on Northfield Road between Moorland Lane and Greenwich Neighborhood Park in Bethesda (see attached map). A virtual public hearing on the abandonment request has been scheduled for July 24, at 1:00 p.m. via the internet-based platform known as Zoom™.

I have attached notice of the public hearing, including sign mock-up drawings, color-coded maps showing the subject area, and the requested sign location.

The sign must be installed no later than Monday, July 10, 2023. Once a Log No. and Area Engineer has been assigned to this project, a QR code sticker will be delivered to the DTEO office to adhere to the sign before installation. I will need a photo of the sign and the date it was installed for the case record. The sign should be removed any time after Wednesday, February 22, 2023.

I appreciate your help with this. Please call me at (240) 777-7256 if you have any questions.

Sincerely,

David Harris

Are you aware of when it was installed and when it was taken down? Was it taken down by our guys or someone else?

Thank You,

David

The sign was made and installed, since you asked we went out to check it and it has been removed. Do you want another one or are you going to have to reschedule.
